74 OIL Super 30 students qualify the 2019 IIT JEE (Advanced)

Under OIL Super 30, 74 students have cracked the IIT JEE (Advanced) this year. This is a remarkable achievement under the project, with 74 out of 143 students, who qualified for IIT JEE (Main), qualifying the prestigious IIT JEE (Advanced). OIL Super 30, which is one of the most impactful CSR projects of Oil India Limited (OIL) in the domain of Education, has once again attained success in its overall objective of transforming the lives of underprivileged students, from the marginalised sections of the society. The OIL Super 30 project is wholly supported by Oil India Limited, India's second largest National Exploration & Production Company and is implemented by Centre for Social Responsibility and Leadership (CSRL), New Delhi, across 6 centres of Guwahati, Jorhat, Dibrugarh and Nagaon in Assam, Jodhpur in Rajasthan, and Itanagar in Arunachal Pradesh.

Today, the project has become a household name for the families, students and educationists, in the North Eastern region, as one of the best known CSR initiatives of OIL India Limited.

The centre-wise results of the OIL Super 30 Project for 2019 are as under:

Centre	Students who have qualified JEE (Mains) in 2018	Students who have qualified JEE (Advanced) in 2018
Jodhpur	33	26
Jorhat	18	14
Dibrugarh	27	09
Guwahati	26	16
Itanagar	14	05
Nagaon	25	04
Total	143	74

Oil India Limited had instituted the CSR project, OIL Super 30, in 2010, with its first centre at Guwahati. Under the project across 6 centres, each year, approx. 180 students (with 30 students in each centre) of economically backward families are provided 11 months free residential coaching for IIT-JEE & other Engineering entrance examinations. With the help received from the project, students have attained admissions in various prestigious Engineering institutes like IIT, ISRO, NIT, State Engineering colleges, etc. and in leading Medical institutes.
