PREAMBLE:

OIL INDIA LIMITED (OIL), a “Navratna” category premier National Oil Company of India is engaged in the business of Exploration, Production & Transportation of Crude Oil & Natural Gas and production of LPG in India with participating interest in E&P sector in various overseas projects. Majority of OIL’s exploration & production activities in India are carried out in the North East part of India. A total of 10(ten) land drilling Rigs of 1400-2000 HP capacity and 14 (fourteen) self elevating self propelled Workover rigs, 400-800 HP capacities owned by OIL are presently engaged in oil and gas exploration activities in the North East part of India, mostly in and around Duliajan, OIL’s field head quarter in Assam. The drilling locations are scattered in about 50-200 Km radius from Duliajan and logistically difficult area. In addition to OIL’s own rigs, OIL is operating 5 Nos. charter hired Drilling Rigs and 2 Nos. charter hired Workover rigs presently.

TECHNICAL DETAILS:

OIL intends to hire services of competent consultancy services to study the following with inter-relation to each other and to recommend / suggest the steps to improve upon the existing drilling operation being practiced in the fields of OIL in North Eastern States of India:

- Drilling of shale zones especially in Eocene deep wells.
- Field-wise study of the formation details with emphasis to improve drilling efficiency.
- Drill bit selection for better ROP - field-wise.
- Well design & well completion analysis.
- Cementation of Wells including Gas wells.

The successful bidder against the tender to be floated later on shall have to obtain the necessary data for the fields from the different departments at Duliajan of OIL and produce the same in the report in a presentable form. OIL will extend all the necessary cooperation to provide the data.

DOCUMENTS REQUIRED : Interested parties willing to be associated with the project should furnish the following documents along with their expression of interest:

- ✧ Company Profile, address, concerned person and his/her contact details, organizational set up with details of professional technical and financial capabilities.
- ✧ Services rendered till date with list of clients indicating contract number, successful completion document.
- ✧ Audited financial balance sheet & profit & loss account for last three years.

PRE-TENDER BIDDERS' CONFERENCE : A pre-tender bidders' conference shall be organised at a venue to be decided later on with the parties who submit their expression of interest against this EOI. A detailed technical discussion on the proposed service shall be held in the bidders' conference wherein the technical specifications, scope of work and other terms and conditions relating to the service shall be discussed. Parties should depute technical experts in relevant field for a fruitful discussion. The details of venue and the date and time for the bidders' conference shall be communicated to the parties at a later date.

Interested parties having requisite expertise, technical know-how and experience should submit their Expression of Interest along with their credentials and other relevant supporting documents mentioned above in two copies in a sealed envelope. The sealed envelope should be superscribed with the EOI No. and Closing Date on top left hand corner and should be submitted to Head-Contracts at the following address latest **by 26th November, 2011:**
