

Pre-Qualification of Service Providers for 2D Seismic (Vibroseis) Data Acquisition & Processing

Oil India Limited (OIL) is the operator of four exploration blocks, awarded to OIL consortium consisting of ONGCL, GGR, HPCL & Suntera. OIL on behalf of consortium has signed a Production Sharing Contract (PSC) with Government of India under NELP-II, NELP-IV & NELP-VI round of bidding for Blocks RJ-ONN-2000/1, RJ-ONN-2002/1, RJ-ONN-2004/2 & RJ-ONN-2004/3. OIL as an operator on behalf of the consortium would like to invite expression of interest from suitable experienced contractors for 2D Seismic Data Acquisition & Processing.

Interested Contractors engaged into providing above services are invited to submit necessary documents/materials in support of their technical & financial capabilities in order to get pre-qualified for the above services. OIL plans to prepare a list of pre-qualified contractors for above mentioned services and those pre-qualified contractors will then be invited to participate in the tender process.

The purpose of this advertisement is to pre-qualify contractors for 2D Seismic data Acquisition using vibroseis as energy source & Processing required for NELP-II block (RJ-ONN-2000/1), NELP-IV block (RJ-ONN-2002/1), NELP-VI blocks (RJ-ONN-2004/2) & (RJ-ONN-2004/3) and to update our present list of contractors for other PSC blocks.

Interested contractors are required to submit the following information in a sealed envelope super scribed with “**Documents for Pre-Qualification: Services for NELP-II, NELP-IV & NELP-VI Blocks under PSC**” on or before 22nd July, 2008 to the address given below:

1. Company Profile.
2. Audited financial statements for last three years with published Annual Report.
3. Expertise of premium technology in 2D Seismic Data Acquisition & Processing.
4. Number of years of experience in specified category of services.
5. Global Sales and Market Share in the services
6. Local Sales and Market Share in the services.
7. Servicing or outsourcing capability in the region.
8. Reference of services provided to Oil companies in India.
9. Reference of any past services to OIL and its associates.
10. Details of QHSE policy.
11. Any other information that will demonstrate the Contractor’s competence/capability
