

**OIL INDIA LIMITED**  
**NOTICE INVITING "EXPRESSION OF INTEREST" (EOI)**

OIL INDIA LIMITED (OIL), a National Oil Company having its Headquarter at Duliajan, Assam, India, is engaged in exploration, production & transportation of crude oil & natural gas. OIL invites Expression Of Interest (**EOI No. OIL/CY/EOI02**) for engaging a reputed and experienced Consultant to provide services in the areas of EOI/Tender preparation for Well Engineering (from concept to completion), Well Site Supervision and Closeout services for drilling and testing first three (3) off-shore wells to be drilled in CY-OSN-2009/2 Block.

The EOI with detailed credentials of the interested service provider along with documentary evidence must be sent to Sr. Adviser (C&P) at Plot No. 19, Sector-16A, Noida-201301 (U.P.) to reach within 20 days from the date of Publication in the national daily news papers.

For more details, please visit OIL's web site: [www.oil-india.com](http://www.oil-india.com)

**EXPRESSION OF INTEREST (EOI) No. OIL/CY/EOI02**

OIL INDIA LIMITED (OIL), a premier National Oil Company having its Headquarter at Duliajan, Assam, India, engaged in exploration, production & transportation of crude oil & natural gas.

2.0 OIL with 50% participating interest as operator (along with 50% participating interest of Oil & Natural Gas Corporation Limited) was awarded NELP-VIII offshore block CY-OSN-2009/2 (area 1621 Sq. KM) in Gulf of Mannar (Fig. 1). The Petroleum Exploration License (PEL) was granted on 2<sup>nd</sup> August, 2010 by Government of India, which is the effective date of the block. The Minimum Work Programme (MWP) to be carried out in the Initial Exploration Period of 4 years (i.e. from 2<sup>nd</sup> August 2010 to 1<sup>st</sup> August 2014) is 2D seismic Acquisition, Processing and Interpretation (API) of 511 LKM, 3D seismic API of 1621 Sq. KM and drilling of 3 exploratory wells. The water depth in the block varies from about 10m in north to more than 400m in south. The seismic data acquisition is in progress. Based on the results of seismic data interpretation (which is expected in middle of 2012-13), the drilling activities will be planned.

3.0 OIL invites EOI for engaging a reputed and experienced Consultant to provide services in the areas of EOI/tender preparation for Well Engineering (from concept to completion), Well Site Supervision and Closeout services for drilling and testing first three (3) off-shore wells to be drilled in CY-OSN-2009/2 Block.

4.0 OIL is planning to hire a reputed & experienced consultant to provide the above services for a period of one year and extendable for another one year on same rates and terms & conditions.

5.0 Interested individual Consultant having experience and exposure in the field of right from planning, well engineering, off-shore rig selection & associated services, well operations & completion etc. and meeting the following qualifying criteria are requested to submit their response within 20 days from the date of publishing this EOI to Oil India Ltd.

- a) Consultant must have at least five (05) years of experience in off-shore drilling operations (preceding publication of this EOI).
- b) The interested Consultant must have requisite knowledge on QHSE policy followed in off-shore operations including other relevant regulatory formalities & processes.
- c) The interested Consultant must have requisite knowledge and experience in off-shore well engineering, off-shore rig selection criteria, associated services requirements, drilling operation procedures followed in off-shore operations, well completion operations, well closeout including preparation of tenders for all the above services etc.
- d) The following information / documentary evidences including client's certifications must be provided as a part of the EOI:
  - i) Name of the Consultant:
  - ii) Educational qualification of the Consultant.
  - iii) Any other certifications relevant to E&P business.

- iv) Name(s) of the Organization/Company in which the Consultant is presently working
- v) Name(s) of the other organizations / Company previously worked by the Consultant and duration thereof.
- vi) Brief details of the experience & expertise possessed by the Consultant in the field of off-shore drilling operations including planning, well engineering, off-shore drilling practices, well completion, tendering for various services, QSHE practices etc.
- vii) Detailed contact address with e-mail address & telephone numbers for further communication.

6.0 However, any additional information (which have not been spelt out in this EOI) furnished by the participating Consultant for correct assessment of the strength of the Consultant will be most welcome.

7.0 Based on the information and supporting documents forwarded along with the EOI, OIL will short list the Consultants and may invite for a detailed discussion/presentation at OIL's Corporate office at Plot No. 19, Sector: 16A, Noida, Uttar Pradesh, India, PIN: 201301. OIL will arrange for transportation (air fare, local transport), boarding/lodging arrangements for the consultants invited for such discussions/presentations.

8.0 EOI should be submitted through e-mail followed by hard copy in a closed envelope super-scribing "Expression of Interest No. **OIL/CY/EOI02** for Hiring of Consultant to provide services in the areas of EOI/Tender preparation for Well Engineering (from concept to completion) and Closeout services for drilling and testing first three (3) off-shore wells to be drilled in CY-OSN-2009/2 Block at the following address within 20 days from the date of publishing in national daily news papers. Respondents should forward the EOI to the following postal address:

Sr. Adviser (C&P)  
"OIL HOUSE"  
Plot No. 19, Sector: 16A  
Noida, Uttar Pradesh, PIN: 201301

9.0 Prior to the closing date, any technical queries / clarifications may kindly be directed to the following:

Mr. Razeeb Kumar Sharma  
Chief Engineer (BD)  
Plot No. 19, Sector: 16A  
Noida, Uttar Pradesh, PIN: 201301  
e-mail ID [razeebsharma@oilindia.in](mailto:razeebsharma@oilindia.in) (Mobile no.: 9999616977)

10.0 OIL reserves the right to (a) accept or reject any / all EOIs submitted by the Consultants, (b) cancel the process at any time without any liability and assigning any reason thereof.
