GLOBAL EXPRESSION OF INTEREST (EOI) NO. OIL/NEF/EOI/02/2009
For
HIRING OF DRILLING RIG & ASSOCIATED SERVICES IN NELP-VI
BLOCK: MZ-ONN-2004/1 IN MIZORAM

OIL INDIA LIMITED (OIL), a premier National Oil Company with its Headquarters at Duliajan, Assam, India, engaged in exploration, production & transportation of crude oil & natural gas is planning for drilling and testing of five nos. of Exploratory Wells in NELP-VI block: MZ-ONN-2004/1 in the state of Mizoram in the North-Eastern part of India.

OIL is the operator for the above block covering an area of 3213 sq. km. which lies in the central part of the state of Mizoram with geological complexities and extreme logistical difficulties. The entire area is mostly mountainous, forest covered and hilly terrain with steep slopes generally traversing in the north-south direction. Elevation of these hills ranges mostly from 900-1300 mtr.

BROAD SCOPE OF SERVICES: It will include but not be limited to the following:

- Providing Drilling Rig Package – 1400/2000 HP – which can be disassembled in small and light weight components for transportation across hilly terrains, on narrow roads with frequent sharp turnings. The bridges are also narrow and not capable of withstanding heavy loads.
- Well Planning & Design of Casing Policy, Drilling Fluid, Cement Policy, Completion etc.
- Providing Associated Services like Mud logging, Well Logging, Cementing, Bulk Handling, Mud Engineering & Effluent treatment, DST/TCP/Surface Production Testing, Directional Drilling (if required), Liner hanger, etc.

Interested companies/firms/contractors (national/international) having relevant experience and expertise in providing suitable drilling rig (preferably heliportable, coil drilling and similar rig) and associated services as an integrated package, to reputed Operators in E & P sectors, in geologically complex thrust fold areas and logistically very difficult hilly terrains where the roads are narrow with several sharp turnings having narrow and weak bridges, are invited to submit their **EOI** for providing the above services. Following information/documentary evidences (**client's certificates**) must form a part of the EOI:

- Total No. of years of experience.
- Total No. of exploratory wells drilled successfully in last five years in (a) Hilly, Mountainous, Thrust Belt, Logistically Difficult areas and (b) List of client(s) and the Location (areas and countries).
- Type and rating of Drilling Rig and other Associated Services used in above type of areas.
- The Formats (to view the format, please visit OILWEB) duly filled in.

Based on the information and documents forwarded along with EOI, OIL may short-list the parties for a **detailed discussion** at Duliajan/Aizawl/Kolkata. EOI should be submitted in duplicate in a closed envelope super-scribing "**Expression of Interest No. OIL/NEF/EOI/02/2009 for Drilling Rig & Associated Services in Mizoram**" at the following address latest by **13.00 Hrs. (IST) on 31st August, 2009**:
