*For*

**HIRING OF SERVICES FOR ACQUISITION AND PROCESSING OF 600 SQ. KM. OF 3D SEISMIC DATA FROM THE HILLY/THRUST BELT/ LOGISTICALLY DIFFICULT AREA OF NELP-VI BLOCK: MZ-ONN-2004/1 IN MIZORAM**

OIL INDIA LIMITED (OIL), a premier National Oil Company with its Headquarters at Duliajan, Assam, India, engaged in exploration, production & transportation of crude oil & natural gas is planning for acquisition & processing of 600 Sq. Km. of 3D Seismic data in NELP-VI block: MZ-ONN-2004/1 in the state of Mizoram in the North-Eastern part of India.

OIL is the operator for the above block covering an area of 3213 sq. km. which lies in the central part of the state of Mizoram with geological complexities and extreme logistical difficulties. The entire area is mostly mountainous, forest covered and hilly terrain with steep slopes generally traversing in the north-south direction. Elevation of these hills ranges mostly from 900-1300 mtr.

Interested companies/firms/contractors (national/international) having expertise and experience in 3D data acquisition and processing in similar mountainous, hilly terrain are invited to submit their **Expression(s) of Interest (EOI)** for providing the above services. Following information/documentary evidences (**client's certificates**) must form a part of the EOI:

- (i) Total No. of years of experience in seismic survey work indicating separately the total quantum of 3D and 2D seismic data acquired and processed.
- (ii) Total quantum of 3D seismic data acquired and processed successfully in last five years indicating the quantum of data acquired in (a) Normal/Plain areas (b) Hilly Terrain, Mountainous and Thrust Belt areas and (c) Name of the Hilly Terrain, Mountainous and Thrust Belt areas where 3D data acquisition has been carried out indicating the quantum of 3D data acquired against each of such areas.
- (iii) The type of technology and equipments used for acquiring in above type of areas in hilly/mountainous and thrust belt areas.

Based on the information and documents forwarded along with EOI, OIL may short-list the parties for a **detailed discussion** at Duliajan/Aizawl/Kolkata. EOI should be submitted in duplicate in a closed envelope super-scribing "**Expression of Interest No. OIL/NEF/EOI/01/2009**" for Acquisition and Processing of 3D Seismic data, at the following address latest by 13.00 Hrs. (IST) on 12<sup>th</sup> August, 2009:

**Group General Manager (NEF),**

NEF Project, Oil India Ltd., Duliajan, Assam-786602, INDIA.

Ph: 91-374-2800405, Fax: 91-374-2801799, E-mail: [nef@oilindia.in](mailto:nef@oilindia.in)

OIL reserves the right to (a) accept or reject any/all EOIs submitted by parties (b) cancel the process at any time without any liability and assigning any reason thereof.

For further details regarding objective of the survey, geology, logistics and location of the area etc., parties are requested to visit OIL's website: **[www.oil-india.com](http://www.oil-india.com)**
