

Enclosure to letter Ref:OIL/PLBD/Tel/Int/989 dated25.03.2011

**Advertisement Content for the Expression of Interest**

“Oil India Ltd (OIL), a Govt. Of India Enterprise possesses dedicated optical fibre cable (OFC) telecommunication network from Duliajan to Guwahati in Assam and extended up to Barauni in Bihar along its exclusive Pipeline right of Way (ROW). OIL is having both IP-I registration and NLD license.

Presently, OIL is having spare fibres of its OFC and intends to lease out these fibres (Duliajan to Guwahati Sector) to the interested parties on short/long term basis at a minimum basic annual lease rate of ₹ 36,000/- per km per pair.

Interested parties may send their letter of interest within 17<sup>th</sup> May 2011 at the following address.”
