- Special Notes** :
- The items shall be brand new, unused & of prime quality. Bidder shall warrant (in the event of an order) that the product supplied will be free from all defects & fault in material, workmanship & manufacture and shall be in full conformity with ordered specifications. This clause shall be valid for 18 months from date of shipment/despatch or 12 months from date of receipt of the items at site whichever is earlier. The defective materials, if any, rejected by us shall be replaced by the supplier at their own expense. Bidders must confirm the same while quoting failing which offer shall be rejected.
  - The minimum FOB/FCA charges in case of partial order for reduced quantity/ items shall have to be indicated by the bidder. In case this is not indicated specifically, the charges quoted would be prorata calculated and the same will be binding on the bidder.
  - Materials as per specification indicated should be offered.
  - Threads of the Flat Bottom Mill shall be manufactured as per API Spec.7.The Bidder will have to furnish valid API Spec 7 Certificate with the quotation.
  - Marking shall be done as per API Spec 7, i.e. the Flat Bottom Mill should be die-stamped on the OD with the manufacturer's name or mark, the API monogram and the size & style on

connection. Also PO No. shall be die-stamped on the items.

6. The Junk Mills shall be made from Chromium Molybdenum alloy steel, heat treated and conforming to the requirement of AISI 4130.

7. The above Mills shall be capable of cutting the toughest fish of alloy steel like packers, bridge plugs, drill pipes, rock bits etc.

8. The cutting surface shall be of self sharpening type for maximum useful life of the mill.

9. Bidders are to indicate recommended brazing flush, welding rods for restoration of hard facing, while quoting.

10. The circulation ports shall be designed efficiently for to remove the cuttings and simultaneously cooling the cutting surface. Accordingly the bidder will have to confirm the port size in their quotation.

11. Thread protectors shall be installed.

12. Bidders are to indicate the gross and net weight of the item.

13. Bidders shall indicate the country of origin and port of despatch of the materials and their best delivery schedule indicating sea and air freight separately.

14. Bidders are required to forward original company catalogues, literature, drawings indicating exploded view and dimensions with part numbers of each component for the offered items along with quotation. Bids received without the above will be considered as non responsive and rejected.

15. Validity of the offers should be 120 days. (Please refer clause 1.2 of Section 'D' of MM/GLOBAL/01/2005). Bids with lesser validity shall be rejected.

16. Bidder other than OEM, must submit valid authorisation from OEM.

17. Technical Check list is enclosed herewith. Bidders must fill up and submit the same alongwith the offer.

18. Quotation must be submitted in **triplicate**.

19. The items covered by this tender shall be used by Oil India Limited in the PEL/ML areas which are issued/renewed after 01/04/99 and hence Nil Customs Duty during import will be applicable. Indigenous bidder shall be eligible for Deemed Export Benefit against this purchase. Details of Deemed Export are furnished vide Addendum to MM/GLOBAL/01/2005 enclosed.
