WORKS CONTRACT

DCO4456P10/BB

DESCRIPTION OF WORK/SERVICE :-

Reconditioning / salvaging of 02 (two) nos BPCL make (model: 6310 / 6310 R) triplex plunger pump crankshaft

PART - I CONDITIONS OF CONTRACT

MEMORANDUM OF AGREEMENT made this \_\_\_\_\_ day of \_\_\_\_\_ Between OIL INDIA LIMITED a Company incorporated under the Companies Act 1956 and having its Registered Office at Duliajan in the District of Dibrugarh, Assam ( hereinafter called Company ) of the one part and Shri/Smti \_\_\_\_\_ and Shri/Smti \_\_\_\_\_ carrying on business as partners /proprietor under the firm name and style of M/s. \_\_\_\_\_ with the main Office at \_\_\_\_\_ in the District of \_\_\_\_\_ aforesaid ( hereinafter called 'Contractor') on the other part.

WITNESSETH:

1. a) The contractor hereby agrees to carry out the work set down in the Schedule of work which forms part-II of this Contract in accordance with the 1968 General Conditions of Contract of Oil India Limited and General Specifications read in conjunction with any drawings and Particular Specifications & instructions which forms Part-III of the contract utilizing any materials/services as offered by the Company as per Part-IV of the contract at \_\_\_\_\_ .

b) In this Contract all words and expressions shall have the same meaning as are respectively assigned to them in the 1968 General Conditions of Contract of Oil India Limited which the Contractor has perused and is fully conversant with before entering into this Contract.

c) The clauses of this contract and of the specifications set out hereunder shall be paramount and in the event of anything herein contained being inconsistent with any term or terms of the 1968 General Conditions of Contract of Oil India Limited, the said term or terms of the 1968 General conditions of Contract to the extent of such inconsistency, and no further, shall not be binding on the parties hereto.

2. The contractor shall provide all labour, supervision and transport and such specified materials described in part-II of the Contract including tools and plants as necessary for the work and shall be responsible for all royalties and other levies and his rates shall include for these. The work executed and materials supplied shall be to the satisfaction of the Company's Engineer and Contractor's rates shall include for all incidental and contingent work which although not specifically mentioned in this contract are necessary for its completion in a sound and workman like manner.

3. The Company's Engineer shall have power to:

a) Reduce the rates at which payments shall be made if the quality of work although acceptable is not upto the required standard set forth in the OIL Standard Specifications which have been perused and fully understood by the Contractor.

b) Order the Contractor to remove any inferior material from the site and to demolish or rectify any work of inferior workmanship, failing which the Company's Engineer may arrange for any such work to be

demolished or rectified by any other means at the Contractor's expenses.

c) Order the Contractor to remove or replace any workman who he (The Engineer) considers incompetent or unsuitable; the Engineer's opinion as to the competence and suitability of any workman engaged by the Contractor shall be final and binding on the Contractor.

d) Issue to the Contractor from time to time during the progress of the work such further drawings and instructions as shall be necessary for the purpose of proper and adequate execution and maintenance of the works and the Contractor shall carry out and be bound by the same.

e) Order deviations in Part II and III of this Contract. All such deviation orders shall be in writing and shall show the financial effect, if any, of such deviation and whether any extra time is to be allowed. The rates to be applied for such Deviation Order shall be the same for those appearing in Company's Schedule of Rate in force on the date of issue of such Deviation Order, to which the contractor has no objection.

4. The Contractor shall have no claim against the company in respect of any work which may be withdrawn but only for work actually completed under this contract. The contractor shall have no objection to carry out work in excess of the quantities stipulated in Part-II if so ordered by the company at the same rates, terms and conditions.

5. The Company reserves the right to cancel this Contract at any time upon full payment of work done and the value of the materials collected by the contractor for permanent incorporation in the work under this contract particularly for execution of this contract upto the date of cancellation of the Contract. The valuation of the work done and the materials collected shall be estimated by the company's Engineer in presence of the contractor. The Contractor shall have no claim to any further payment whatsoever. The valuation would be carried out exparte if Contractor fails to turn up despite reasonable notice which will be binding on the Contractor.

6. The Contractor hereby undertakes to indemnify the Company against all claims which may arise under the under noted Acts :-

- i) The Mines Act.
- ii) The Minimum Wages Act, 1948.
- iii) The Workman's Compensation Act, 1923.
- iv) The Payment of wages Act, 1963.
- v) The Payment of Bonus Act, 1965.
- vi) The Contract Labour (Regulation & Abolition) Act, 1970 and the rules framed thereunder.
- vii) Employees Pension Scheme, 1995.
- viii) Inter-State Migrant (Regulation of Employment and Condition of Service) Act. 1979.
- ix) The Employees Provident Fund and Miscellaneous Provisions Act, 1952.
- x) AGST Act.
- xi) Service Tax Act.

or any other Acts or Statute not here in above specifically mentioned having bearing over engagement of workers directly or indirectly for execution of work. The Contractor shall not make the Company liable to reimburse the Contractor for the statutory increase in the wage rates of the Contract Labour appointed by the Contractor. Such Statutory increase in the wage rates of Contract Labour shall be borne by the contractor.

7. The Contractor shall clear away all rubbish and surplus material from the site on completion of work and shall leave the site clean and tidy.

8. The Contractor must complete the work within 52 weeks of the written order to commence work. During the currency of the job, the work progress must be commensurate with the time elapsed. In the event of any delay on the contractor's part, he/she will be liable to pay to the company liquidated damages at the rate of 1/2% (Half p.c) per week of the contract price of the item(s) delayed in completion and the maximum value of the liquidated damage will be 15% (fifteen p.c) of the contract price of the item(s) delayed provided the item(s) delayed are not critical for commissioning and final utilization of the work. If, however, the item(s) delayed in completion are critical for commissioning and final utilisation of the work then the contractor will be liable to pay liquidated damages by way of penalty at the rate of 1/2% (Half percent) per week of delay of the total contract cost subject to a maximum of 15% (fifteen percent) of total contract cost.

The Chief Engineer's certificate as to the criticality or otherwise of an item shall be final.

The payment of liquidated damages/penalty may be reduced or waived at the sole discretion of the Company whose decision in this regard will be final.

In the event of there being undue delay in execution of the Contract, the Company reserves the right to cancel the Contract and / or levy such additional damages as it deems fit based on the actual loss suffered by the company attributable to such delay. The company's decision in this regard shall be final.

9. In order to promote, safeguard and facilitate the general operational economic in the interest of the Company during the continuance of this contract the Contractor hereby agrees and undertakes not to take any direct or indirect interest and or support, assist, maintain or help any person or persons engaged in antisocial activities, demonstration, riots , or in any agitation prejudicial to the Company's interest and any such event taking shape or form at any place of the Company's works or and its neighbourhood.

10. The tendered all-inclusive Price (i.e. the Contract price) is Rs. \_\_\_\_\_  
(Rupees \_\_\_\_\_

\_\_\_\_\_ only.) but the Company shall pay the Contractor only for actual work done at the all inclusive rates set down in the Schedule of work part II of this Contract.

On account payment may be made, not oftener than monthly, upto the amount of 90% (ninty percent) of the value of work done. Final payment will be made only after satisfactory completion of the work . Such final payment shall be based on the work actually done allowing for deviations and any deductions and the measurement shall be checked and certified correct by the Company's Engineer before any such final payment is made.

11. The contractor employing 20 (twenty ) or more workmen on any day preceding 12 months shall be required to obtain requisite licence at his cost from the appropriate Licensing Officer before undertaking any Contract work. The Contractor shall also observe the rules & regulations framed under the Contract Labour (Regulation & Abolition ) Act.

12. Wages shall be paid by the Contractor to the workmen directly without any intervention of any Jamadars or Thekadars and that the Contractor shall ensure that no amount by way of commission or otherwise be deducted/ recovered by the Jamadar from the wages of the workmen.

13. The Company for any reason whatsoever and of which the company shall be sole judge may terminate this Contract with a 24 hours notice in writing to the Contractor and in the event of Company's so doing the clause 5 here of shall prevail and the accounts between the parties will be in accordance therewith finalised.

14. The Contractor will not be allowed to construct any structure (for storage / housing purpose) with thatch, bamboo or any other inflammable materials within any company's fenced area.

15. The Contractor shall ensure that all men engaged by him/her are provided with appropriate protective clothing and safety wear in accordance with regulation 89(a) and 89(b) in the Oil mines Regulations 1984. The Company's representative shall not allow/accept those men who are not provided with the same.

16. All Statutory taxes levied by the Central and State Government or any other competent authority from time to time will be borne by Contractor and the amount of the contract specified in the contract is inclusive of all tax liabilities.

17. The Contractor shall deploy local persons in all works.

18. The Contractor shall not engage minor labour below 18(eighteen) years of age under any circumstances.

19. The Contractor and his/her workmen shall strictly observe the rules and regulations as per Mines Act. (latest editions).

20. Special Conditions

a) The amount of retention money shall be released after 6(six) months from the date of issue of completion certificate from concerned department.

b) The contractor will be required to allow OIL Officials to inspect the work site and documents in respect of the workers' payment.

c) Contractor(s) whosoever is liable to be covered under the P.F. Act and contract cost is inclusive of P.F., must ensure strict compliance of provisions of Provident Fund and Miscellaneous Provisions Act, 1952 in addition to the various Acts mentioned elsewhere in this contract. Any contractor found violating these provisions will render themselves disqualified from any future tendering. As per terms of the contract, if applicable, the Contractor must deposit Provident Fund Contribution (covering Employee's & Employer's share) with the competent authority monthly under their direct code. The Contractor shall be required to submit documentary evidence of deposit of P.F. Contribution to the Company. In case of failure to provide such documentary evidence, the Company reserves the right to withhold the amount equivalent to applicable P.F. Contribution.

21. ARBITRATION :

Any dispute under this contract will be settled through Arbitration as per Indian Arbitration and Conciliation Act, 1996.

Place of Arbitration : DULIAJAN .

22. FORCE MAJEURE :

Force Majeure (exemption) Clause of the International Chamber of Commerce (ICC Publication No. 421) is hereby incorporated in this contract.

23. LB VERIFICATION REPORT AND SECURITY REVIEW :

Contractor will be required to submit the verification report to ascertain character and antecedents from the Civil Administration towards the persons engaged under this contract to the Head of the user Department before engagement.

24. In case of any doubt or dispute as to the interpretation of any clause herein contained, the decision of the Company's Engineer shall be final and binding on the contractor.

25. SET OFF CLAUSE :-

"Any sum of money due and payable to the contractor (including Security Deposit refundable to them) under this or any other contract may be appropriated by Oil India Limited and set off against any claim of Oil India Limited (or such other person or persons contracting through Oil India Limited) for payment of a sum of money arising out of this contract or under any other contract made by the contractor with Oil India Limited (or such other person or persons contracting through Oil India Limited)."

### WORKS CONTRACT

#### Particular Specifications and Instructions

Tender No.: DCO4456P10/BB

**Note:-**

1. The worn crank shafts shall be dispatched to the works of the vendor by OIL. The vendor to provide exact address for the same.
2. NDT: If the vendor utilizes services of any third party for NDT, the credentials of the party shall have to be submitted along with the offer.
3. OIL will depute their Engineer to the Vendor's works for inspection of finished jobs. The item(s) are to be dispatched only after inspection by OIL's representative. However such inspection will not relieve the vendor from completion of supply strictly as per our NIT. Vendor shall have to intimate OIL at least 15 (fiteen) days in advance for the inspection call.
4. The finished crank shaft shall have to be coated with anti corrosive coating, greased and packed properly in box with proper support etc. to avoid any damage in transit and also during loading and unloading.
5. Vendor's name and date of completion of the job shall be etched/ embossed at a suitable position on the body of the Crank Shaft for easy identification. Failing which the delivery consignment shall not be accepted.
6. The supply must accompany all test certificates for each unit including dimensions etc for our records and check.
7. After inspection by OIL, the crank shaft shall be packed suitably for transportation and dispatched to OIL/OIL approved transporter as per purchase order instructions.
8. The finished crank shaft(s) will have to fit to the pump(s) without any modification whatsoever. The party will have to stand guarantee for the same.
9. 30% of total payment should be retained till the reconditioned crankshafts are suitably assembled to respective pumps at our end.
10. The party will have to stand guarantee of the performance, workmanship of the finished crankshaft(s) and any abnormality observed, the party will be responsible for free repair along with its transportation. The warranty period for the same should be a minimum of 18 months from the date of dispatch / shipment or 12 months from the date of commissioning. The relevant warranty /guarantee/test certificate should be submitted at the time of delivery.
11. Documents to be furnished at time of inspection by OIL:
  - (a) NDT records of the cranks shafts before taking up the job.
  - (b) Records of post build up stress relieving of the crank shafts.
  - (c) Post build up NDT records of the crank shafts.
  - (d) Valid calibration certificate for the measuring instruments from competent agencies.
12. All the offers should be forwarded to HEAD - FIELD ENGG for technical scrutiny. A copy of the same complete in all aspects shall be retained with HEAD - FIELD ENGG for future references.

#### **13.0 Bid Rejection Criteria & Bid Evaluation Criteria for the tender.**

##### **AA) BID REJECTION CRITERIA (BRC):**

l) The bids shall conform generally to the terms and conditions given in the bidding documents. Notwithstanding the general conformity of the bid, the following requirement will have to be particularly met by the bidders without which the same will be considered non-responsive and rejected.

i) Bidder must have relevant experience in carrying out similar nature of job with PSUs / Central Govt. /State Govt.

Organization in last 7(seven) years from date of bid opening.

Should have successfully executed similar works of value-

1. Single contract of minimum value of Rs. 1, 82,000/- (rounded off) OR
2. Two contracts of minimum value of Rs. 1, 14,000/- each.

OR

3. Three contracts of minimum value of Rs.91, 000/- each. (rounded off)
- ii) Average Annual financial turnover during the last 3(Three) years, ending 31st March 2009, should be at least Rs. 68,000/- (rounded off)
- iii) Bidder must submit all necessary documents related to experience and turnover, otherwise bid will be rejected.

## II. TECHNICAL PART

The bid must conform to the specifications and terms and conditions given in the enquiry. Along with the general conformity of the bids to the stipulated specifications and terms and conditions, the following requirements shall have to be particularly met by the bidders, without which the offer will be considered as non-responsive and rejected.

1. Maximum amount of metal deposition / build up permissible on the crank pin and main bearing portions respectively must be specified in the offer. Failing which the offer shall be rejected.
2. Bidders should have the experience of successful reconditioning / salvaging of at least 01 (one) order of minimum crank pin diameter of 03 (three) inch with a minimum order value of Rs. 1 00 000 (one Lakh) in the last 05 (five) years preceding the bid closing date of this enquiry in PSU, Central Govt. or any other reputed public limited company. Documentary evidence in this regard must be provided along with the bid.
3. Metal deposition/ Build up, stress relieving method / technique to be adopted for the Reconditioning / salvaging should be clearly explained in the offer for evaluation. Failing which the offer shall be rejected.
4. The vendor must have the requisite infrastructure like the modern rebuilding and regrinding machinery, plant, trained personnel and credentials for them are to be submitted along with the offer for scrutiny.
5. If the bidder offers the Reconditioning / salvaging services on behalf of some other party, then documentary evidence (i.e. authorization certificate from the principal) for the same must be submitted along with the bid.

### Note-

"**Similar nature of job**" mentioned above means experience in reconditioning / salvaging of pump crankshaft

I) For proof of Annual turnover, any one of the following document/photocopy must be submitted along with the bid: -

i) A certificate issued by a practicing Chartered/ Cost Accountant's Firm, with membership no. certifying the Annual Turnover and nature of business.

ii) Audited Balance Sheet and Profit and Loss account.

II) For proof of requisite Experience, any one of the following document/photocopy must be submitted along with the bid: -

i) In case of OIL contractors, copy of 'Certificate of Completion (COC)'/ 'Certificate of Payment (COP)' of jobs successfully completed, showing gross value of job done. It may be clearly noted that simply mentioning of OIL CCO Number will not be accepted.

ii) Certificate issued by any other Public Sector Undertaking/ Govt. Department in last seven years ending bid closing date showing:

- (a) Gross value of job done; and
- (b) Nature of job done; and
- (c) Time period covering the financial year(s) as per the NIT.

iii) Non- submission of the documents as specified in BRC above will result in rejection of bids.

**BB) BID EVALUATION CRITERIA (BEC):**

The bids conforming to the terms and conditions stipulated in the bid documents and considered to be responsive after subjecting to the Bid Rejection Criteria will be considered for further evaluation as per the Bid Evaluation Criteria given below:

1. To ascertain the inter-se-ranking, the comparison of the responsive bids will be made on the basis of total amount quoted for the items of Part-II (i.e. schedule of works, units, quantity, rates) of the tender.
2. OIL will not be responsible for delay, loss or non receipt of applications (for bidding documents) sent by mail and will not entertain any correspondence in this regard.
3. **Discount:** Bidders are advised not to indicate any separate discount. Discount if any, should be merged with the quoted price. Discount of any type indicated separately will not be taken in to account for evaluation purposes. However, in the event such offer without considering discount is found to be lowest, OIL shall avail such discount at the time of award of contract.

**4. A) Bidder(s) must also furnish the followings.**

1. NAME OF FIRM
2. DETAIL POSTAL ADDRESS
3. TELEPHONE NO.
4. MOBILE NO.
5. E-MAIL
6. FAX NO.
7. CONTACT PERSON
8. CONTACT PERSON'S CONTACT NO.
9. TAX EXEMPTION CERTIFICATE NO. (Attested copy required)
10. CST REGD.NO. (Attested copy required)
11. LOCAL SALE TAX REGD.NO. (Attested copy required)
12. PAN NO. (Attested copy required)
13. VAT REGD, NO. (Attested copy required)
14. BANK ACCOUNT NO.
15. BANK ACCOUNT TYPE.
16. BANK NAME
17. BANK ADDRESS
18. SERVICE TAX REGD.NO. (Attested copy required)
19. P.F.CODE NO. (Attested copy required)  
(Or a declaration by the applicant that provisions of Provident Fund Act is not applicable to them. In case the P.F. is required to be deposited later on, the same will be deposited by the bidder (applicant).
20. VENDOR NO. (IF AVAILABLE)
  - B) Solvency Certificate from Bank

**CC) GENERAL**

a) In case bidder takes exception to any clause of Tender Document not covered under BEC / BRC, then the Company has the discretion to load or reject the offer on account of such exception if the bidder does not withdraw / modify the deviation when / as advised by the Company. The loading so done by the Company will be final and binding on the Bidders. No deviation will however, be accepted in the clauses covered under BRC.

b) To ascertain the substantial responsiveness of the bid the Company reserves the right to ask the Bidder for clarification in respect of clauses covered under BRC also and such clarification fulfilling the BRC clauses must be received on or before stipulated date mentioned in the letter of clarification sought by the Company, failing which the bid will be summarily rejected.

c) In case any of the clauses in the BRC contradict with other clauses of Bid Document elsewhere, then the clauses in the BRC shall prevail.

d) The originals of such documents [furnished by bidders(s)] shall have to be produced by bidder(s) to OIL as and when asked for.
