SALIENT FEATURES OF ELIGIBILITY CRITERIA:

For Tender No DCO 4702 P12/BD

1. BID REJECTION CRITERIA (BRC):

The bid shall conform generally to the specifications and terms and conditions given in the Bid Documents. Bids will be rejected in case services offered do not conform to the required parameters stipulated in the SCC-Part of the tender. Notwithstanding the general conformity of the bid to the stipulated specifications, the following mandatory requirements will have to be particularly met by the Bidders without which the same will be considered as non-responsive and rejected.

1.1

(i) Bidder must enclose the "Certificate of Accreditation" issued by the QCI/NABET to the environmental consultant with bid documents.

(ii) The bidders (consultants) involved in the preparation of EIA/EMP report after accreditation with Quality Council of India (QCI)/National Accreditation Board of Education and Training (NABET) would need to provide the status of approvals etc for other organization/Laboratories who will provide the data. In this regard, circular no. J-11013/77/2004 -IA II (I) dated 2nd December, 2009 and 30th September, 2011 on the Ministry's website <http://www.moef.nic.in> may be referred.

(iii). Bidders or at least one individual consultant shall have minimum 2 years experience in the field of EIA/EMP study and other related issues. Without which the bid shall be rejected.

(iv) Bidder shall submit supporting documents like work orders/certificates from their earlier operators in support of their claim, along with the bid.

(v) Bidders shall submit names of their core team members with designation/Qualification/area of expertise etc without which bid will be incomplete and rejected.

(vi) Bids shall be rejected in case of any deviation from the scope of work of NIT.

(vii) The bidders shall submit a complete bid with all services as per NIT. Incomplete bid shall be rejected.

1.2 Average annual financial turnover of the bidder during the last 3(three) years ending 31st March 2011 should be at least ₹ 7, 00,000/- (₹ Seven Lakh only). The proof of annual turnover shall be either in the form of Audited Balance Sheet or certification from Chartered / Cost Accountant firm indicating the code number.

2. BID EVALUATION CRITERIA:

2.1 The bids conforming to the technical specifications, terms and conditions stipulated in the bid document and considered to be responsive after subjecting to Bid Rejection Criteria will be considered for further evaluation as per the Bid Evaluation Criteria given below.

2.2. To ascertain the inter-se-ranking, the comparison of the responsive bids will be made on total evaluated cost on the basis of rates quoted in the Price Bid Format of the bid (Part - SOQ).

2.3. In case of identical lowest offered rate by more than 1 (one) bidder, the selection will be made by draw of lot between the parties offering the same lowest price.

For Tender No DCO 4703 P12/BD

1. BID REJECTION CRITERIA (BRC):

The bid shall conform generally to the specifications and terms and conditions given in the Bid Documents. Bids will be rejected in case services offered do not conform to the required parameters stipulated in the SCC-Part of the tender. Notwithstanding the general conformity of the bid to the stipulated specifications, the following mandatory requirements will have to be particularly met by the Bidders without which the same will be considered as non-responsive and rejected.

1.1

(i) Bidder must submit all necessary documents relating to his experience in hazardous process plants or LPG plant or OCS or GCS only, otherwise bid will be rejected.
