Salient Features Of Eligibility Criteria :For IFB No.DCO7552P10

AA) BID REJECTION CRITERIA (BRC):

The bids shall conform generally to the terms and conditions given in the bidding documents. Notwithstanding the general conformity of the bid, the following requirement will have to be particularly met by the bidders without which the same will be considered non-responsive and rejected:

I) BIDDER'S EXPERIENCE

i) Bidder must have relevant experience in successfully carrying out similar nature of job(s) of the following magnitude with PSUs / Central Govt. /State Govt. Organization in last 10(ten) years from date of bid opening.

1. Single contract of minimum value of Rs. 28, 00,000/-
OR
2. Two contracts of minimum value of Rs. 17, 50, 000/- each.
OR
3. Three contracts of minimum value of Rs. 14, 00, 000/- each.

Note:-

"Similar nature of job" mentioned above means experience, Drilling/ Sinking of Deep tube well by fully mechanized Truck

ii) The Bidders Average Annual financial turnover during the last 3(Three) years, ending 31st March 2009, should be at least Rs. 10, 50,000/-

iii) Bidder must submit all necessary documents related to experience and turnover. (Bidder has to provide requisite credential document of having experience of successful completion of similar nature of job i.e. drilling sinking of DTW in State Govt., Central Govt. or PSU in last ten years)

A) **For proof of Annual turnover**, any one of the following document/photocopy must be submitted along with the bid: -

i) A certificate issued by a practicing Chartered/ Cost Accountant's Firm, with membership no. certifying the Annual Turnover and nature of business.

ii) Audited Balance Sheet and Profit and Loss account.

B) **For proof of requisite Experience**, any one of the following document/photocopy must be submitted along with the bid: -

i) In case of OIL contractors, copy of 'Certificate of Completion (COC)/ 'Certificate of Payment (COP)' of jobs successfully completed, showing gross value of job done. It may be clearly noted that simply mentioning of OIL CCO Number will not be accepted.

ii) Certificate issued by any other Public Sector Undertaking/ Govt. Department in last seven years ending bid closing date showing:

(a) Gross value of job done; and

(b) Nature of job done; and

(c) Time period covering the financial year(s) as per the NIT.

(d) The bidder must furnish proof of experience such as company profile, list of all the major orders/contracts/projects undertaken during last 3(three) years highlighting scope of work, order reference & value, completion status etc.

II) TECHNICAL REQUIREMENT FOR BIDDERS

1. The bidder should provide evidence such as invoice or registration from concerned govt. authority in support of owning a fully mechanized truck mounted reverse circulatory Drilling rig in the bidder's name .In case the rig is taken on lease from a third party, the bidder should submit the registered agreement copy for right of use of the drilling rig from the original owner, clearly mentioning that he has no objection in lending the rig for OIL's service during the contract period along with requisite certificate and document as per the point no. 2 and point no. 3 of the

BEC/BRC. In case the bidder fails to submit above mentioned document, the bid will be straight way rejected.

2. Vintage of the fully mechanized truck mounted drilling rig should not be earlier than the year 2000(10 year's vintage), otherwise bid will be rejected. For vintage of the rig the date of manufacture of the truck mounted rig from OEM supported registration copy will be considered.

3. The bidder should provide fitness certificate for the Deep tube well Drilling rig from appropriate govt. authority clearly mentioning that the rig is fit in all respect for drilling / sinking and developing of Deep tube well as mentioned in the schedule of work, otherwise bid will be straightway rejected.

4.0 The document/certificate furnished in support of above mentioned requisite experience should have clear mention that the deep tube wells are sunk/drilled by fully mechanized truck mounted reverse circulatory drilling rig otherwise bid will be straightway rejected.

OR

The bidder may collaborate with second party. In such case either the bidder or the collaborator (second party) must have requisite work experience as per the BRC/BEC clause no: 1.0 A I of BRC/BEC. The second party shall collaborate with only one bidder against this tender. If two or more bidders are found collaborating with same second party, all such bids will be liable for rejection. The bidders have to submit the registered agreement/deed of collaboration with the collaborator specifying following points:-

a) The second party shall provide the infrastructures such as fully mechanized truck mounted reverse circulatory deep tube well drilling rig, services and other support required to complete the job during the contract period. The second party has to provide all his technical know-how for carrying out the job up to the completion of the job during the contract period.

b) The second party will not collaborate with any party other than the bidder during the contract period for the same/similar services.

c) The collaborator (second party) has to take all the responsibility along with the bidder as per the terms and conditions of NIT.

d) The support or equipment that will be provided by the bidder i.e. list of equipment, competent manpower etc., should be mentioned.

e) Skilled supervisor having at least 10 years experience should be engaged and necessary documentary evidence in respect of experience to be furnished otherwise the bid is liable for rejection.

III) The bidder must also provide documents regarding P.F. Code, Service tax No, PAN details,VAT regd. No, Bank details, Solvency certificate etc.

BB) BID EVALUATION CRITERIA (BEC):

The bids conforming to the terms and conditions stipulated in the bid documents and considered to be responsive after subjecting to the Bid Rejection Criteria will be considered for further evaluation as per the Bid Evaluation Criteria given below:

1. To ascertain the inter-se-ranking, the comparison of the responsive bids will be made on the basis of total amount quoted for the items of Part-II (i.e. schedule of works, units, quantity, rates) of the Bid Document.
