WORKS CONTRACT

DCO0163P09/DP

DESCRIPTION OF WORK/SERVICE :-

Hiring services for maintenance of source water systems of water injection stations in and around NHK field (excluding Moran) for a period of 2(two) years.

PART -I CONDITIONS OF CONTRACT

MEMORANDUM OF AGREEMENT made this _____ day of _____ Between OIL INDIA LIMITED a Company incorporated under the Companies Act 1956 and having its Registered Office at Duliajan in the District of Dibrugarh, Assam (hereinafter called Company) of the one part and Shri/Smti _____ and Shri/Smti _____ carrying on business as partners /proprietor under the firm name and style of M/s. _____ with the main Office at _____ in the District of _____ aforesaid (hereinafter called 'Contractor') on the other part.

WITNESSETH:

1. a) The contractor hereby agrees to carry out the work set down in the Schedule of work which forms part-II of this Contract in accordance with the 1968 General Conditions of Contract of Oil India Limited and General Specifications read in conjunction with any drawings and Particular Specifications & instructions which forms Part-III of the contract utilizing any materials/services as offered by the Company as per Part-IV of the contract at _____ .

b) In this Contract all words and expressions shall have the same meaning as are respectively assigned to them in the 1968 General Conditions of Contract of Oil India Limited which the Contractor has perused and is fully conversant with before entering into this Contract.

c) The clauses of this contract and of the specifications set out hereunder shall be paramount and in the event of anything herein contained being inconsistent with any term or terms of the 1968 General Conditions of Contract of Oil India Limited, the said term or terms of the 1968 General conditions of Contract to the extent of such inconsistency, and no further, shall not be binding on the parties hereto.

2. The contractor shall provide all labour, supervision and transport and such specified materials described in part-II of the Contract including tools and plants as necessary for the work and shall be responsible for all royalties and other levies and his rates shall include for these. The work executed and materials supplied shall be to the satisfaction of the Company's Engineer and Contractor's rates shall include for all incidental and contingent work which although not specifically mentioned in this contract are necessary for its completion in a sound and workman like manner.

3. The Company's Engineer shall have power to:

a) Reduce the rates at which payments shall be made if the quality of work although acceptable is not upto the required standard set forth in the OIL Standard Specifications which have been perused and fully understood by the Contractor.

b) Order the Contractor to remove any inferior material from the site and to demolish or rectify any work of inferior workmanship, failing which the Company's Engineer may arrange for any such work to be demolished or rectified by any other means at the Contractor's expenses.

c) Order the Contractor to remove or replace any workman who he (The Engineer) considers incompetent or unsuitable; the Engineer's opinion as to the competence and suitability of any workman engaged by the Contractor shall be final and binding on the Contractor.

d) Issue to the Contractor from time to time during the progress of the work such further drawings and instructions as shall be necessary for the purpose of proper and adequate execution and maintenance of the works and the Contractor shall carry out and be bound by the same.

e) Order deviations in Part II and III of this Contract. All such deviation orders shall be in writing and shall show the financial effect, if any, of such deviation and whether any extra time is to be allowed. The rates to be applied for such Deviation Order shall be the same for those appearing in Company's Schedule of Rate in force on the date of issue of such Deviation Order, to which the contractor has no objection.

4. The Contractor shall have no claim against the company in respect of any work which may be withdrawn but only for work actually completed under this contract. The contractor shall have no objection to carry out work in excess of the quantities stipulated in Part-II if so ordered by the company at the same rates, terms and conditions.

5. The Company reserves the right to cancel this Contract at any time upon full payment of work done and the value of the materials collected by the contractor for permanent incorporation in the work under this contract particularly for execution of this contract upto the date of cancellation of the Contract. The valuation of the work done and the materials collected shall be estimated by the company's Engineer in presence of the contractor. The Contractor shall have no claim to any further payment whatsoever. The valuation would be carried out exparte if Contractor fails to turn up despite reasonable notice which will be binding on the Contractor.

6. The Contractor hereby undertakes to indemnify the Company against all claims which may arise under the under noted Acts :-

- i) The Mines Act.
- ii) The Minimum Wages Act, 1948.
- iii) The Workman's Compensation Act, 1923.
- iv) The Payment of wages Act, 1963.
- v) The Payment of Bonus Act, 1965.
- vi) The Contract Labour (Regulation & Abolition) Act, 1970 and the rules framed thereunder.
- vii) Employees Pension Scheme, 1995.
- viii) Inter-State Migrant (Regulation of Employment and Condition of Service) Act. 1979.
- ix) The Employees Provident Fund and Miscellaneous Provisions Act, 1952.
- x) AGST Act.
- xi) Service Tax Act.

or any other Acts or Statute not here in above specifically mentioned having bearing over engagement of workers directly or indirectly for execution of work. The Contractor shall not make the Company liable to reimburse the Contractor for the statutory increase in the wage rates of the Contract Labour appointed by the Contractor. Such Statutory increase in the wage rates of Contract Labour shall be borne by the contractor.

7. The Contractor shall clear away all rubbish and surplus material from the site on completion of work and shall leave the site clean and tidy.

8. The Contractor must complete the work within 104 weeks of the written order to commence work. During the currency of the job, the work progress must be commensurate with the time elapsed. In the event of any delay on the contractor's part, he/she will be liable to pay to the company liquidated damages at the rate of 1/2% (Half p.c) per week of the contract price of the item(s) delayed in completion and the maximum value of the liquidated damage will be 15% (fifteen p.c) of the contract price of the item(s) delayed provided the item(s) delayed are not critical for commissioning and final utilization of the work. If, however, the item(s) delayed in completion are critical for commissioning and final utilisation of the work then the contractor will be liable to pay liquidated damages by way of penalty at the rate of 1/2% (Half percent) per week of delay of the total contract cost subject to a maximum of 15% (fifteen percent) of total contract cost.

The Chief Engineer's certificate as to the criticality or otherwise of an item shall be final.

The payment of liquidated damages/penalty may be reduced or waived at the sole discretion of the Company whose decision in this regard will be final.

In the event of there being undue delay in execution of the Contract, the Company reserves the right to cancel the Contract and / or levy such additional damages as it deems fit based on the actual loss suffered by the company attributable to such delay. The company's decision in this regard shall be final.

9. In order to promote, safeguard and facilitate the general operational economic in the interest of the Company during the continuance of this contract the Contractor hereby agrees and undertakes not to take any direct or indirect interest and or support, assist, maintain or help any person or persons engaged in antisocial activities, demonstration, riots , or in any agitation prejudicial to the Company's interest and any such event taking shape or form at any place of the Company's works or and its neighbourhood.

10. The tendered all-inclusive Price (i.e. the Contract price) is Rs. _____
(Rupees _____ only.) but the Company shall pay the Contractor only for actual work done at the all inclusive rates set down in the Schedule of work part II of this Contract.

On account payment may be made, not oftener than monthly, upto the amount of 90% (ninty percent) of the value of work done. Final payment will be made only after satisfactory completion of the work . Such final payment shall be based on the work actually done allowing for deviations and any deductions and the measurement shall be checked and certified correct by the Company's Engineer before any such final payment is made.

11. The contractor employing 20 (twenty) or more workmen on any day preceding 12 months shall be required to obtain requisite licence at his cost from the appropriate Licensing Officer before undertaking any Contract work. The Contractor shall also observe the rules & regulations framed under the Contract Labour (Regulation & Abolition) Act.

12. Wages shall be paid by the Contractor to the workmen directly without any intervention of any Jamadars or Thekadars and that the Contractor shall ensure that no amount by way of commission or otherwise be deducted/ recovered by the Jamadar from the wages of the workmen.

13. The Company for any reason whatsoever and of which the company shall be sole judge may terminate this Contract with a 24 hours notice in writing to the Contractor and in the event of Company's so doing the clause 5 here of shall prevail and the accounts between the parties will be in accordance therewith finalised.

14. The Contractor will not be allowed to construct any structure (for storage / housing purpose) with thatch, bamboo or any other inflammable materials within any company's fenced area.

15. The Contractor shall ensure that all men engaged by him/her are provided with appropriate protective clothing and safety wear in accordance with regulation 89(a) and 89(b) in the Oil mines Regulations 1984. The Company's representative shall not allow/accept those men who are not provided with the same.

16. All Statutory taxes levied by the Central and State Government or any other competent authority from time to time will be borne by Contractor and the amount of the contract specified in the contract is inclusive of all tax liabilities.

17. The Contractor shall deploy local persons in all works.

18. The Contractor shall not engage minor labour below 18(eighteen) years of age under any circumstances.

19. The Contractor and his/her workmen shall strictly observe the rules and regulations as per Mines Act. (latest editions).

20. Special Conditions

a) The amount of retention money shall be released after 6(six) months from the date of issue of completion certificate from concerned department.

b) The contractor will be required to allow OIL Officials to inspect the work site and documents in respect

of the workers' payment.

c) Contractor(s) whosoever is liable to be covered under the P.F. Act and contract cost is inclusive of P.F., must ensure strict compliance of provisions of Provident Fund and Miscellaneous Provisions Act, 1952 in addition to the various Acts mentioned elsewhere in this contract. Any contractor found violating these provisions will render themselves disqualified from any future tendering. As per terms of the contract, if applicable, the Contractor must deposit Provident Fund Contribution (covering Employee's & Employer's share) with the competent authority monthly under their direct code. The Contractor shall be required to submit documentary evidence of deposit of P.F. Contribution to the Company. In case of failure to provide such documentary evidence, the Company reserves the right to withhold the amount equivalent to applicable P.F. Contribution.

21. ARBITRATION :

Any dispute under this contract will be settled through Arbitration as per Indian Arbitration and Conciliation Act, 1996.

Place of Arbitration : DULIAJAN .

22. FORCE MAJEURE :

Force Majeure (exemption) Clause of the International Chamber of Commerce (ICC Publication No. 421) is hereby incorporated in this contract.

23. LB VERIFICATION REPORT AND SECURITY REVIEW :

Contractor will be required to submit the verification report to ascertain character and antecedents from the Civil Administration towards the persons engaged under this contract to the Head of the user Department before engagement.

24. In case of any doubt or dispute as to the interpretation of any clause herein contained, the decision of the Company's Engineer shall be final and binding on the contractor.

OIL INDIA LIMITED
(A Govt. of India Enterprise)
Contracts, Duliajan

WORKS CONTRACT

Particular Specifications and Instructions

Tender No.: DCO0163P09/DP

1. To and fro Transportation of contractor's men and materials including company's materials required for the job to various work sites are to be arranged by the contractor at his own cost.
2. The contractor should ensure safety and security of the contractor's men and materials including company's material required for the job during transportation and at work sites while working.
3. The tools, tackles such as tripod, chain pulley, sling, clamps, tong etc. required for the job are to be arranged by the contractor.
4. The contractor should be capable of taking up jobs 2/3 work sites at a time.
5. Other spares, fittings and consumables not mentioned in para 3 such as pumps , shafts, coplings retainer, rubber bushings etc. will be supplied by the company to the contractor at free of cost.
6. The contractor has to take extra precaution in lifting and lowering of pump in the DTW. In case of any any damage done to the company's materials due to mishandling by the contractor's personnel, the value of the materials will be deducted from the contractor's account or the contractor has to replace the materials at his own cost.
7. The contractor will be issued separate work order for particular job indicating starting and completion date.
8. The contractor has to complete the entire job of lifting and lowering of pump assembly (item no1) in maximum period of 3 days after receiving the work order. However this does not include development of sick wells by air lifting.
9. In case of development of sick wells by air lifting, company's authorised representative will decide the no of air pipe to be lowered inside the well and the amount of air pressure to be used.
10. Duration of air lifting will also be decided by company's representatives with maximum duration of 3days. The actual air lifting should be done at least for 24 hours.
11. During development of sick wells by air lifting, if any damages occurs to the well under servicing due to the negligence of the contractor, the contractor will be penalised. Modalities of penalty will be assessed by representative of OIL.
12. The contractor has to provide appropriate safety gears such as safety halmet, safety boot, hand glooves etc. to each of his working personnel at his own cost.If the contractor fails to supply adequate safety gears and company have to supply the safety gears than the cost of the safety gears supplied by the company will be deducted from the contractor's account.
13. The contractor's supervisor and working personnal should follow the instruction of company's authorised representative while carrying out the job.
14. The contractor or his authorised representative should visit everyday to the office of the Head (field Engg) to

keep stock of the job.

15. After carrying out the services the contractor should handover the DTW to the company's representative for inspection. The company's representative will examine the performance of the well and the pumping system and if he finds that performance is found not satisfactory, the contractor has to carry out the job again at his own cost.

16. Contractor must have an office at Duliajan for better liaison.

17. All local problem shall have to be resolved by the contractor if arises during the execution of the job.

18. The contractor should quote resonably after going through the detail involvement of the job. For this he may contact the concern dept to have better knowledge of job involved.

Safety Precautions:

1. The contractor personnel have to abide by all relevant statutory safety and environment rules , regulations , applicable codes and standards (i.e. OMR, OISD standards, BIS etc.). Also the contractor will have to supply the necessary PPEs like safety boots, gum boots, hand gloves, safety goggles, safety helmet, safety belts, etc. to his workmen and should ensure strict use of the same.

2. Necessary Cold / Hot work permits are to be obtained from authorized personnel before starting of the job(s).

3. While carrying out welding and cutting jobs, the contractor should strictly enforce the guidelines as stated in OMR - 1984 and SOP-OIL, Vol-II.

4. The oxy acetylene cutting sets will have to be fitted with flash back arrestors in the regulator side as well as nozzle side.

5. The contractor shall engage only skilled, capable and competent personnel who are fully conversant with the job. Before starting the job, the contractor shall submit the list of competent personnel with valid certificates, who will carry out the job.

6. During transportation of column pipes, pumps, Motor, and other equipment by road, they should be tied up securedly with rope/ chain on trailers/truck, to prevent toppling over of the items on bumpy roads. The column pipe, pump, motor etc should be unloaded carefully to prevent damage and accident.

7. Necessary sign boards/ warning signals etc should be used while working. The said sign boards/ warning signals shall have to be arranged by the contractor.

8. First aid box is to be arranged by the contractor for each gang working at site and same have to be carried by contractor's personnel to the site while carrying out the job.

9. Under no circumstances LPG should be used for gas cutting purpose.

10. The contractor shall clear away all the rubbish and surplus materials from the site on completion of work and shall have to leave the site clean and tidy.

11. Tool Box Meeting to be regularly held.

12. The contractor have to ensure complete safety of the personnel engaged by him, and of all the equipment they will handle and must take full responsibility for their safety.

13. The contractor have to ensure the quality and reliability of all the tools, equipment and instruments they use.

14. The contractor have to provide suitable facility such as Drinking Water, Toilets, Lighting, Canteen etc for their working personal.

15. The contractor personnel have to take every possible care to keep the environment clean and free from pollution.

16. The contractor personnel should understand the implication of the known hazards related to the work undertaken by them and the necessity of having an emergency plan ready to counter them, should anything go wrong.

17. While providing the services, the contractor personnel have to follow the procedures and systems taking all control measures in all the stages of works to avoid any untoward incidents/accidents .

18. The contractor shall have to report all sorts of near misses, incidents and accidents to Installation Manager / departmental representative of Field Engineer dept.

19. The contractor should give OIL in writing with document that the persons employed by him are trained (MVT & refresher) prior to their engagement.

20. For any clarification with regard to the above, the contractor may contact Head-Field Engineering / concerned Engineer / DSO of Field Engineering Department.

21. Contractor personnel should strictly follow the safe operating practices of maintenance of DTW pump. The contractor have to collect the written safe operating practices from concerned departmental representative.

22. All the personnel to be engaged for the job under this contract should first undergo safety training prior to starting the job. The safety training will be conducted by DSO(FE) and same has to be recorded in writing.

23. Bid Rejection Criteria & Bid Evaluation Criteria for the tender.

AA) BID REJECTION CRITERIA (BRC):

I) The bids shall conform generally to the terms and conditions given in the bidding documents. Notwithstanding the general conformity of the bid, the following requirement will have to be particularly met by the bidders without which the same will be considered non-responsive and rejected.

i) Bidder must have relevant experience in carrying out similar nature of job with PSUs / Central Govt. / State Govt. Organization in last 7(seven) years from date of bid opening.

Should have successfully executed similar works of value-

1. Single contract of minimum value of Rs. 5, 60,000/-

OR

2. Two contracts of minimum value of Rs. 3, 50, 000/- each.

OR

3. Three contracts of minimum value of Rs. 2, 80, 000/- each.

ii) Average Annual financial turnover during the last 3(Three) years, ending 31st March 2007, should be at least Rs.2, 10, 000/-

iii) Bidder must submit all necessary documents related to experience and turnover, otherwise bid will be rejected.

v) Bidders shall quote directly and not through their agent. Offers made by their agents on behalf of their principals will be rejected. Similarly, bids received from unsolicited parties shall be rejected.

vi) Any offer containing incorrect information will be rejected.

Note-

"Similar nature of job" mentioned above means experience in maintenance of source water deep tube wells for water injection and maintenance of water supply system which includes lifting and lowering of DTW pump assembly, developing of deep tube well & cleaning of surface filters and other associated job related to maintenance of water supply job.

I) For proof of Annual turnover, any one of the following document/photocopy must be submitted along with the bid: -

i) A certificate issued by a practicing Chartered/ Cost Accountant's Firm, with membership no. certifying the Annual Turnover and nature of business.

ii) Audited Balance Sheet and Profit and Loss account.

II) For proof of requisite Experience, any one of the following document/photocopy must be submitted along with the bid: -

i) In case of OIL contractors, copy of 'Certificate of Completion (COC)'/ 'Certificate of Payment (COP)' of jobs successfully completed, showing gross value of job done. It may be clearly noted that simply mentioning of OIL CCO Number will not be accepted.

ii) Certificate issued by any other Public Sector Undertaking/ Govt. Department in last seven years ending bid closing date showing:

(a) Gross value of job done; and

(b) Nature of job done; and

(c) Time period covering the financial year(s) as per the NIT.

iii) Non- submission of the documents as specified in BRC above will result in rejection of bids.

BB) BID EVALUATION CRITERIA (BEC):

The bids conforming to the terms and conditions stipulated in the bid documents and considered to be responsive after subjecting to the Bid Rejection Criteria will be considered for further evaluation as per the Bid Evaluation Criteria given below:

1. To ascertain the inter-se-ranking, the comparison of the responsive bids will be made on the basis of total amount quoted for the items of Part-II (i.e. schedule of works, units, quantity, rates) of the tender.

2. OIL will not be responsible for delay, loss or non receipt of applications (for bidding documents) sent by mail and will not entertain any correspondence in this regard.

3. **Discount:** ~~Bidders are advised not to indicate any separate discount. Discount if any, should be merged with the quoted price. Discount of any type indicated separately will not be taken in to account for evaluation purposes.~~ However, in the event such offer without considering discount is found to be lowest, OIL shall avail such discount at the time of award of contract.
