Addendum No. 1 to

Tender No. OIL/CCO/PP/IND/245/2009

Subject : Construction and Laying of one (1) no. 400 mm NB, 37 km long Natural Gas Pipeline from Baghjan near Doomdooma in Tinsukia district, Assam to W/50 near Duliajan, Assam and one (1) no. 200 mm NB, 42 km long Crude oil Pipeline from Baghjan near Doomdooma in Tinsukia district, Assam to Secondary Tank Farm near Duliajan, Assam.

Consequent to the discussion in pre-bid conference held on 22-12-2009 at Duliajan this addendum to the above tender has been issued to incorporate the following changes :

1. Under Part-3, Section VI of the Bid Document i.e. Constructional Drawings and Exhibits and under heading " Reference levels for HDD Crossing of Dibru River " , Sketch No. OIL/PP/14, Option-1 is deleted and only the full HDD i.e. Option- 2 shall be applicable.
2. In Part-3, Section II of the Bid Document i.e. " Scope of Work/Terms of Reference" under heading Other Conditions , sub clause 3.1.2(page No.79) is amended to read as under:

3.1.2 As indicated in the tender document, there shall be two pipelines(400mm NB and 200mm NB) running parallel along the ROW at an intermediate distance of 1.0 meters and HDD has to be carried out across the water body. The Contractor has the option to carry out two separate HDDs or one HDD for both the lines for crossing in a bundle manner. For this the Contractor shall furnish design and COMPANY's representative shall verify and approve the details along with relevant drawings.

All other terms & conditions, Scope of Work etc. remain unchanged. Please read this addendum in conjunction with the original Bid Document and submit your offer/bid.
