15.4 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiry of the period of bid validity specified by the Bidder on the Bid Form. Withdrawal of a bid during this interval shall result in the Bidder's forfeiture of its Bid Security.

16.0 **BID OPENING AND EVALUATION**

16.1 Company will open the Bids, including submission(s) made pursuant to para 15.0, in the presence of Bidder's representatives who choose to attend at the date, time and place

mentioned in the Forwarding Letter. However, the Bidder's representative must produce an authorized letter from the bidder at the time of opening of tenders. Unless this letter is presented, the representative will not be allowed to attend the opening of tenders. The Bidders' representatives who are allowed to attend the bid opening shall sign in a register evidencing their attendance. Only one representative against each bid will be allowed to attend.

- 16.2 Bid (if any) for which an acceptable notice of withdrawal has been received pursuant to para 15.0 shall not be opened. On opening the remaining bids Company will examine them to determine whether the same are complete, requisite Bid Securities have been furnished, documents have been properly signed and the bids are generally in order.
- 16.3 At bid opening, Company will announce the Bidders' names, written notifications of bid modifications or withdrawal, if any, furnishing of requisite Bid Security, and such other details as the Company may consider appropriate.
- 16.4 Company shall prepare, for its own records, minutes of bid opening including the information disclosed to those present in accordance with the sub-para 16.2.
- 16.5 To facilitate examination, evaluation and comparison of bids the Company may, at its discretion, ask the Bidder for clarifications of its bid. The request for clarification and the response shall be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.
- 16.6 Prior to detailed evaluation, the Company will determine the substantial responsiveness of each bid to the Bidding Document. For purpose of these paragraphs, a substantially responsive bid is one which conforms to all the terms and conditions of the Bidding Document without material deviations. The Company's determination of bid's responsiveness is to be based on the contents of the Bid itself without recourse to extrinsic evidence.
- 16.7 A Bid determined as not substantially responsive will be rejected by the Company and may not subsequently be made responsive by the Bidder by correction of the non-conformity.
- 16.8 The Company may waive minor informality or nonconformity or irregularity on a bid that does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Bidder.
- 16.9 In the event of receipt of only a single offer against the tender within B.C. date, OIL reserves the right to extend the B.C. date as deemed fit by the company. During the extended period, the bidders who have already submitted the bids on or before the original B.C. date, shall not be permitted to revise their quotation.

17.0 OPENING OF COMMERCIAL (PRICED) BIDS

- 17.1 Company will open the Commercial Bids of the technically qualified Bidders on a specific date in presence of interested qualified bidders. Bidders will be intimated about the bid opening date in advance.
- 17.2 The Company will examine the Priced Bids to determine whether they are complete, any computational errors have been made, required sureties have been furnished, the documents have been properly signed, and the bids are generally in order.
- 17.3 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price (that is obtained by multiplying the unit price and quantity) the unit price shall prevail and the total price shall be corrected accordingly. If any

Bidder does not accept the correction of the errors, his bid will be rejected. If there is a discrepancy between words, and figures, the amount in words will prevail.

18.0 EVALUATION AND COMPARISON OF BIDS :

18.1 The Company will evaluate and compare the bids as per Bid Evaluation Criteria (Section-X) of the tender document.

19.0 CONTACTING THE COMPANY :

19.1 Except as otherwise provided in para 15.0 above, no Bidder shall contact Company on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded except as required by Company vide para 16.5.

19.2 An effort by a Bidder to influence the Company in the Company's bid evaluation, bid comparison or Contract award decisions may result in rejection of their bid.

D. AWARD OF CONTRACT

20.0 AWARD CRITERIA:

20.1 The Company will award the Contract to the Contractor whose bid has been determined to be substantially responsive and has been determined as the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the Contract satisfactorily.

21.0 COMPANY'S RIGHT TO ACCEPT OR REJECT ANY BID:

21.1 Company reserves the right to accept any bid and to reject any or all bids.

22.0 NOTIFICATION OF AWARD:

22.1 Prior to expiry of the period of bid validity or extended validity, the Company will notify the successful Bidder in writing by registered letter or by fax (to be confirmed in writing by registered / courier letter) that his bid has been accepted.

22.2 The notification of award will constitute the formation of the Contract.

23.0 SIGNING OF CONTRACT:

23.1 At the same time as the Company notifies the successful Bidder that his Bid has been accepted, the Company will either invite the bidder for signing of the agreement or send the Contract Form provided in the bidding document. The form will be accompanied by the General & Special Conditions of Contract, scope of works, schedules of rates and all other relevant documents.

23.2 Within 15 days of receipt of the final contract document, the successful Bidder shall sign and date the contract and return the same to the Company.

24.0 PERFORMANCE SECURITY :

24.1 Within 30 days of receipt of notification of award from the Company, the successful Bidder shall furnish the performance security for an amount specified in the Forwarding Letter in the performance Security Form as provided in the Bidding Document or in any other form acceptable to the Company from a Bank located in India. The performance security shall be payable to Company as compensation for any loss resulting from Contractor's failure to fulfil its obligations under the Contract.

- 24.2 The performance security specified above must be valid for two (02) months beyond the expiry date of the contract to cover any compensation recoverable from the contractor and to lodge claim, if any. The same will be discharged by Company not later than 30 days following its expiry. In the event of extension of contract, subsequent to expiry of validity of the original contract period, Contractor shall have to enhance the value of the performance security to cover 7.5% of the contract value for the extended period and also to extend the validity of the performance security accordingly.
- 24.3 Failure of the successful bidder to comply with the requirements of para 23.1 to 24.1 above shall constitute sufficient grounds for annulment of the award and forfeiture of the Bid Security. In such an event, the Company may award the contract to the next evaluated Bidder or call for new bid or negotiate with the next lowest bidder as the case may be.
- 25.0 PAYMENT OF MOBILIZATION ADVANCE :
- 25.1 Request for advance payment shall not be normally considered, however, depending on the merit and at the discretion of the Company, advance against mobilization charges may be given at an interest rate of 1% above the prevailing lending cash credit rate of SBI compounding at quarterly rest from the date of payment of the advance till recovery/refund.
- 25.2 Advance payment agreed to by the Company shall be paid only against submission of an acceptable bank guarantee whose value should be equivalent to the amount of advance plus the amount of interest covering the period of advance. Bank guarantee shall be valid for two months beyond completion of mobilization date and the same may be invoked in the event of Contractor's failure to mobilise as per agreement.
- 25.3 In the event of any extension to the mobilization period, Contractor shall have to enhance the value of the bank guarantee to cover the interest for the extended period and also to extend the validity of bank guarantee accordingly.
- 26.0 General Health, Safety and Environment aspects will be as per the terms set forth in Appendix –A
- 27.0 **SET OFF:-** “Any sum of money due and payable to the Contractor (including security Deposit refundable to them) under this or any other contract may be appropriated by the Company and set off against any claim of the Company (or such other person or persons contracting through the Company) for payment of a sum of money arising out of this contract or under any other contract made by the Contractor with the Company (Or such other person or persons contracting through the Company)”

- 6.7 The Contractor must ensure timely renewals of all licenses and permits within the due dates.
- 6.8 The contractor shall arrange for/provide sheds etc. for repairing, servicing and parking of crane(s) at site at his/her/their own cost. However, free space/land will be provided by the Company for such purpose.
- 6.9 The Cranes must be maintained in first class job worthy, sound mechanical condition along with availability of all tools, tackles, slings etc. required to carry out all jobs. These tools, tackles, slings etc will be periodically inspected by Company's Engineer with respect to quality, safety etc. If anything is found not suitable, it has to be replaced by the contractor immediately.
- 6.10(a) Hour meter/speedometer and kilometreage gauges must be maintained at a high standard of accuracy. Any defects noticed by the Company's Engineer at the initial and subsequent periodical inspection must be rectified forthwith by the contractor at his/her/their own cost. Until such rectification, the readings of the instrument will be subject to such correction factor as may be determined by the Company's Engineer. The Company's decision in this regard shall be final and binding on the Contractor.
- 6.10(b) Monthly payments shall accordingly be regulated according to the corrected readings.
- 6.11 All employees of the contractor who are deployed under this service contract must observe the security and safety rules of the company when working inside the declared prohibited areas or otherwise. Any individual found to be objectionable from security consideration must be replaced forthwith by the Contractor.
- 6.12 The Cranes must carry special nameplates or marking for the purpose of identification as directed by the Company's Engineer. Wherever required, the crane(s) must also be provided with the towing hook. All expenses on account of the foregoing shall be borne by the contractor entirely on his/her/their own cost.
- 6.14 "ON OIL INDIA DUTY" must be painted prominently on the crane.
- 6.15 The Contractor(s) shall furnish together with related power of attorney the names and specimen signature(s) of the authorized representative(s) who will be overall in-charge of the Contractor's organisation to carry out its obligations including preparation of bills, receipts of cheques etc.
- 6.16 The Contractor must furnish to the company upon initial placement of the Cranes, the name(s) of the Operator(s), Helper(s), Mazdoors/crew as may be applicable together with particulars of their driving license(s) etc. In case any changes are made in the crew deployed under this contract at any time during the tenure of this contract, the contractor must notify the Company in writing and furnish similar particulars as required hereof in respect of the replacement(s).
- 7.0 RIGHTS OF COMPANY'S ENGINEER:
- 7.1 Company's Engineer shall upon initial placement of the cranes check all the relevant documentation such as Registration, Fitness certificates and licences and duly inspect/test the crane before accepting it for the services under this agreement. Such inspection/test shall be carried out entirely at the Contractor's risk and cost. If the cranes are found deficient or defective in any manner, these will not be acceptable till such deficiency is completely rectified to the satisfaction of the Company's Engineer.

- 7.2 The Company's Engineer shall arrange for allocation of the cranes' duty to the various areas/locations.
- 7.3 Upon deployment of the crane to a specified site the crane service shall have to be provided by the Contractor to the satisfaction of the Company's Engineer.
- 7.4 The Company's Engineer shall have power amongst others as follows:
- a) Allocate the jobs to be carried out on a daily basis for the cranes and regularly monitor the same.
 - b) Instruct the Contractor from time to time for such further inspection as may be necessary for the proper and adequate supply of services and for keeping such records as are deemed necessary.
 - c) Instruct the contractor to replace by more suitable hands any of his/her/their crew engaged for operating the cranes or for general management of the service. When such person is found unsuitable for the purpose of rendering efficient service to the Company under this agreement. Be it expressly stated that the Company shall not be responsible or liable in the event of any action by the Contractor against his/her/their employees or workmen in any manner whatsoever arising out of their removal or replacement.
 - d) Instruct the Contractor to remedy breach of contract and levy any penalty in relation thereto.
 - e) Refuse the services of any crane found in deteriorated conditions and order the Contractor to rectify the defects.
 - f) Instruct the Contractor to keep the crane at a specified place within the Company's premises areas.
 - g) Instruct the Contractor to utilise the services beyond the stipulated hours of service.
 - h) Instruct the Contractor to undertake authorized jobs at specified location(s).
 - i) Undertake periodic inspection of the crane as per programme as may be decided by him/her/them. Such inspection shall be carried out in the presence of the Contractor or in the presence of his/her/their-authorized representative. Such inspection/test carried out by the Company shall be at the contractor's cost and risk.
 - j) Instruct the contractor to remedy/rectify expeditiously and defects revealed upon periodic inspection/test carried out by the Company. Such rectification shall be at the Contractor's cost entirely. Instruct the contractor to remove the crane, in respect of which the defects as aforesaid which have been detected upon inspection/test periodically by the company, which have remained unrectified.
 - k) Instruct the Contractor to remove the crane in respect of which defects have been found upon periodic inspection from the service under this agreement till such time as the same are rectified.
 - l) Check the Hour meter/speedometer and kilometer readings and notify any defects and determine any correction factor on the statement-cum-bill in case the Hour meter/speedometer and kilometer readings are found to be defective.
 - m) Instruct the contractor to furnish the names of all operators and crew with full particulars at the time of commencement of the service or on any occasion when such driver(s) / crew are required to be replaced for any reason.
 - n) The company's Engineer shall clearly indicate the total shut down hours in a month due to maintenance of the crane(s) and/or default with reason in the monthly statement which will be treated as final for determining penalty, if any.
- 7.5 The Contractor would at all times obey the instructions of the company's Engineer and ensure compliance of the above mentioned orders and instructions.

- 8.0 The contractor shall commence the supply of regular and continuous service by placing the crane as per this agreement on and with effect from the due date of placement. Any delay in placement of Crane(s) for whatsoever reasons beyond the stipulated due date of placement will call for forfeiture of performance bank guarantee.
- 8.1 The contractor shall deploy, maintain and provide services of the cranes everyday with operators and crew as required by the Company. In the event of a default leading to a shutdown the contractor shall not be paid the daily pro-rata fixed charge for the day(s) or part thereof and also be liable to pay to the company penalty. Such penalties will be recovered normally from the contractor's outstanding and forth coming bills for the specific shut down of crane(s). However, in case of outstanding bill for such shut down is not adequate for recovery, the company will have the right to recover the same from the performance bank guarantee deposited.
- 8.2 In case of default not leading to shut down, the Company's Engineer shall notify the Contractor to remedy the default within reasonable time and till such default is remedied, if necessary the crane(s) shall be released to the contractor, whereupon it shall be treated as shut down and the pro-rata fixed charge per day shall not be paid for the period of shut down and penalty as applicable shall be levied too.
- 8.3(a) In case of accidents and consequent non-availability of crane, pro-rata fixed charges will be deducted but the same will not attract penalty if the Contractor notifies in writing to the Company with adequate proof about the accident, copy of FIR (FIRST INFORMATION REPORT) lodged by the Contractor shall be required as mandatory in addition to other proof to be submitted and accepted by Head (Drilling & RS). However, this will not be applicable in case of;
- (i) Accidents caused by rough/rash driving/operation or because of negligence of operator engaged.
 - ii) Where a FIR is lodged by a third party and services of the Crane(s) is/are not available for formalities to be observed as per the laws of the land. In such a situation the Cranes will be treated as shut down and will attract penalty in addition to deduction of pro-rata fixed charges.
- 8.3(b) In case of accidents or otherwise leading to damage/breakdown of the crane the time required to repair and place back the crane into company' service shall be decided by the Company's Deputy General Manager (Drilling) which shall be final and not alterable. On expiry of such allotted time, pending placement of crane(s) penalty will be recovered in addition to the deduction of pro-rata fixed charges.
- 8.3(c) In case of Bundhs, Rasta Roko, Strike etc. called by other organisation and not by any OIL Contractors Association if the crane is not available for operations due to absence of operator or otherwise the crane will be treated as shut down and pro-rata fixed charge will be deducted. However, if Company feels such shut down could have been avoided penalty will be imposed and shall be recovered from the subsequent bills of the Contractor with proper intimation. It is to be clearly understood that 48 hours time allotted per month per crane for general maintenance without deduction of pro-rata fixed charges will not be adjusted against such bundh/strike period.

9.0 TERMINATION:

- 9.1 In the event of the Contractor's failure to place the cranes in due time or render proper services as per terms of this contract, the Company reserves the right to terminate the contract in full or partly. This service contract shall stand terminated and contractor shall not be entitled to any damage or compensation on account of such termination or otherwise from any cause arising whatsoever.
- 9.2 The Company may without prejudice to any other remedy for breach of contract, by written notice of default sent to the Contractor to terminate this contract in whole or in part, if the Contractor fails to perform any of his/her/their obligations under this agreement or if the Contractor does not cure/remedy his/her/their failure/defects immediately upon receipt of notice from the Company or during any such time as the Company may advise in writing. Company will not pay any damage or compensation on account of such termination except for payment then due to the Contractor towards successful operations till the date of termination.
- 9.3 In the event of Company terminates the contract in whole or in part pursuant to clause No. 9.2, the Company may procure, upon such terms and in such manner as may deem appropriate similar services and in such cases the contractor shall be liable for any excess costs incurred by the company in this regard. However, the contractor shall continue performance of the Contract to the extent not terminated.
- 9.4 The Company may at any time terminate the contract giving a written notice to the Contractor without compensating him, if the contractor becomes bankrupt or otherwise insolvent, provided such termination will not prejudice or affect any right of action or remedy which occurred or will occur thereafter to the Company.
- 9.5 The Company may issue written notice to the Contractor to terminate the agreement, in whole or in part at any time for its convenience. The notice of termination shall specify that the termination is for company's convenience, the extent to which performance of service under this agreement is terminated and the date from which such termination becomes effective, will be at least 30(thirty) days after the date of the notice of termination. If the Company exercise this right, it shall pay the Contractor in accordance with the provisions of this agreement for the services satisfactorily rendered up to the date of termination. The contractor will not be entitled to any damages or compensation on account of such termination.

10.0 PAYMENT TO THE CONTRACTOR

- 10.0(a) The Company will make monthly payment subject to adjustment/deduction as necessary for the services rendered in each calendar month and will endeavour to pay before expiry of 30(Thirty) days from the date of submission of monthly statement-cum-bill, for the month for every crane on the basis of accepted rates calculation as provisioned in this Service contract. The above period shall be counted from the day when all statements in respect of all crane(s) to be deployed under this contract are received by the Company.
- 10.0(b) At the end of the month, the Contractor will have to submit the monthly statement-cum-bill in triplicate. Along with the monthly statement-cum-bill, the Contractor will also submit to the user department a certificate, every month confirming compliance with the statutory requirement and in absence of the said certificate, bill will not be processed for payment and any delay arising out of the same shall be attributable to the Contractor.

10.0(c) Monthly statement/bills submitted by the Contractor will be crosschecked by the Company with the records maintained by the Company. Wherever discrepancies are found the company will have right to make necessary corrections in the statement/bills submitted by the Contractor before certifying/countersigning the same for processing payment.

10.0(d) A daily logbook will be maintained in triplicate. The Contractor's representative or his/her/their crane operator should collect the original and a copy of the daily logbook, which have to be submitted with statement-cum-bill for claiming payment.

BID REJECTION CRITERIA (BRC) / BID EVALUATION CRITERIA (BEC)

I BID REJECTION CRITERIA (BRC)

The bid shall conform generally to the specifications and terms and conditions given in the bidding documents. Bids will be rejected in case services offered do not conform to the required parameters stipulated in the technical specifications. Notwithstanding the general conformity of the bid to the stipulated specifications, the following requirements will have to be particularly met by the bidders without which the same will be considered as non-responsive and rejected.

1.0 TECHNICAL

- 1.1 The bids will be technically evaluated based on the requirements given in Section – V (Terms of reference/Technical specifications of the crane) of the tender document.
- 1.2 The offered cranes should be truck mounted diesel hydraulic mobile cranes having lifting capacity of minimum 30 (thirty) Metric Tonnes and 40 (forty) Metric Tonnes respectively at 03 (three) metres operating radius and 360 degree slew in either direction. The cranes should have hydraulically operated telescopic boom of length minimum 20 (twenty) metres and meeting the duty condition of lifting minimum 18 (eighteen) metric tonnes at 06 (six) metres operating radius with height of lift 10 (ten) metres from ground level.
- 1.3 Both offered cranes should be manufactured and registered on or after 01.01.2003. Documentary evidence to this effect must be submitted alongwith the technical bids.
- 1.4 The bidders must be in a position to mobilize the cranes with operators/helpers within **30 days** (max.) from the date of notification of award of the contract (LOI). Company prefers mobilisation of the crane to commence operation from 11/08/2010. Bidders must categorically confirm the same in their technical bids. 3.0 GENERAL

- 3.1 The compliance statement (enclosed **PROFORMA – I**) should be fully filled up and should form a part of technical bid. In case bidder takes exception to any clause of tender document not covered under BEC/BRC, then the company has the discretion to load or reject the offer on account of such exception if the bidder does not withdraw/modify the deviation when/as advised by the Company. The loading so done by the Company will be final and binding on the bidders.
- 3.2 To ascertain the substantial responsiveness of the bid the company reserves the right to ask the bidder for clarification in respect of clauses covered under BEC/BRC also and such clarifications fulfilling the BEC/BRC clauses in toto must be received on or before the deadline given by the Company, failing which the offer will be summarily rejected.
- 3.3 The company reserves the right to cancel/withdraw the Tender without assigning any reasons to the bidders.

NOTE : If any of the clauses in the BRC/BEC contradict with other clauses of Bid Document elsewhere, then the clauses in the BRC/BEC shall prevail.

II BID EVALUATION CRITERIA (BEC) :

- 1.0 The bids conforming to the technical specifications, terms and conditions stipulated in the bidding document and considered to be responsive after subjecting to Bid Rejection Criteria will be considered for further evaluation as per the Bid Evaluation Criteria given below.
- 1.1 In the event of computational error between unit price and total price, unit price shall prevail.
- 1.2 Similarly, in the event of discrepancy between words and quoted figures, words will prevail
- 1.3 The bidders must quote their charges/rates in the manner as called for vide “ Price Schedule” under Section – VI and the summarised price schedule format vide enclosed **PROFORMA - II**.
- 1.4 Evaluation of Priced-Bids will be as per enclosed Proforma – II for arriving at the total estimated cost of the contract independently for 30 MT capacity and 40 MT capacity cranes. It is, however to be clearly understood that the number of months/days assumed in Proforma-II are only for evaluation purpose. However, payment will be made on the actual number of days/months for which the service of cranes are utilized/engaged during the currency of Contract and for calculating hourly/day rates, the monthly rates will be pro-rated.
- 1.5 No preference will be given for higher capacity cranes than specified in the tender. However, cranes with higher capacity will be accepted.
- 1.6 Commercial evaluation for 30 MT capacity and 40 MT capacity cranes will be done independently and accordingly this tender may result into two separate contracts.
