Cable length shall be embossed in permanent manner with suitable paint at one meter interval.</p> <p>3. Construction: Cable shall be so constructed that its outer side is completely round in shape.</p>	2000	M

Special Notes : 1) Cable shall be procured either from original manufacturer (OEM) or from their authorised dealers. If quoted by dealers, valid dealership certificate shall be submitted along with the offer. Else the offer will not be considered for evaluation.

2) Manufacture's name, voltage grade, size of cable, year of manufacture and ISI mark shall be embossed on the outer sheath of the cable at regular intervals which is to be confirmed in their bid, otherwise offer will not be considered.

- 3) Cable should be packed on strong wooden drums (reinforced with steel plates/ sheets) such that it does not get damaged during transportation. Sides and open face (coiling side) of the drums shall be covered with strong aluminium sheet.
- 4) Cable drum shall be marked with manufacture's name, voltage grade, size of cable, year of manufacturing, length of cable, ISI mark & purchase order number of OIL with suitable paint of permanent type.
- 5) Cable length shall be embossed suitably in permanent manner at one meter(1 mtr.) interval.
- 6) Each cable drum shall contain minimum 500 mtr of cable.
- 7) The cable shall be guaranteed for 18 months from the date of despatch or 12 month from the date of commissioning. Guarantee certificate duly signed and stamped by the supplier shall be submitted along with supply of the cable.
- 8) All routine and type test certificates shall be supplied with the supply of cable.
- 9) Pre Dispatch Inspection:

Materials/Equipments are to be inspected & certified by OIL's engineers at supplier's work before despatch and for which 15 (fifteen) days advance intimation will be required.
10. Supplier must confirm that item shall be supplied as per specification.

BID REJECTION CRITERIA

The offers must conform to the specifications and terms and conditions given in the tender. Notwithstanding the general conformity of the bids to the stipulated specifications and terms and conditions, the following criteria shall form the basis for rejection of a particular bid.

The offer / offers will be considered as non-responsive and be rejected if these are not fulfilled.

1. Offered cables must match the technical requirement as detailed in "Technical Specifications" / BDT.
2. If quoted by dealers other than manufacturers, bidder must submit valid authorized dealership certificate with their quotation.
3. Bidder (authorized dealers / manufacturers) must submit credentials (i.e. purchase order No. order amount, name of buyer) of having executed at least 5 (five) Nos. of orders for supply of similar / identical cables to reputed PSUS / Govt. / Semi Govt. Deptts. within the last 7 (seven) years ending last day of the month previous to the one in which this tender will be floated.

Purchase order amounts shall not be less than Rs. 20 (twenty) lakhs each.

4. Bidder must guarantee the cables against manufacturing defects for minimum 18 (eighteen) months from the date of supply or 12 (twelve) months from the date of commissioning, whichever is earlier.
5. Bidder must submit credentials for having own facilities for type tests / routine tests of their offered cables.
6. Bidder must submit credentials for having ISO quality certificate for their factory for **manufacturing of the offered cable.**
