3.0 BID REJECTION/ EVALUATION CRITERIA

3.1 BID REJECTION CRITERIA (BRC):

The bid shall conform generally to the specifications and terms and conditions given in the Bidding Documents. Bids will be rejected in case services offered do not conform to the required parameters stipulated in the technical specifications. Notwithstanding the general conformity of the bid to the stipulated specifications, the following **mandatory requirements** will have to be particularly met by the Bidders without which the same will be considered as non-responsive and rejected. All the documents related to BRC must be submitted along with the Techno-Commercial Bid.

3.2 TECHNICAL

3.2.1 The Bidder shall be in the business of executing projects on Lump Sum Turnkey (LSTK) basis involving Design, Detailed Engineering, Procurement, Construction, Fabrication, Erection, Installation, Testing, Commissioning including civil, mechanical, structural, electrical & instrumentation works and shall have the experience of successfully executing projects of following magnitude in the last 7 years as on Bid Closing Date :

(i) Single contract of minimum value Rs. 30 Crores, or **(ii)** Two contracts of minimum value Rs. 20 Crores each or **(iii)** Three contracts of minimum value Rs. 15 Crores each.

Note :

Documents establishing successful execution and commissioning of above contracts must be submitted along-with the techno-commercial bid. These documents should be in the form of **duly attested** copies of completion certificates/ payment certificates etc. issued by clients.

3.2.2 In addition to the criteria set in para 3.2.1, Bidder must possess the following work experience:

Out of the abovementioned projects executed by the bidder per criteria set forth in para 3.2.1 (i) or (ii) or (iii), one project must be related to Design, Detailed Engineering, Procurement, Construction, Fabrication, Erection, Installation, Testing, Commissioning including civil, mechanical, structural, electrical & instrumentation works for a **Tank Farm Terminal of minimum total capacity of 20,000 M³ having minimum 1nos. Floating roof tanks of individual capacity of 10,000 M³.**

Bidder must provide duly attested documentary evidences in support of all the above experiences.

3.2.3 The bidder must possess adequate mechanised civil construction and mechanical erection infrastructural facilities like, but not limited to, bull dozers, road rollers, heavy duty cranes, excavators, vibratory rollers, steel

shuttering, concrete mixers etc of their own or may tie up with a collaborator(s) having such infrastructure for maintaining quality and timely completion of the project. The bidder must furnish the list of equipment in their possession or with their collaborator with supporting documentary evidence. Any bid not furnishing the same will be rejected.

3.2.4 In case the bidder ties up with a collaborator for the infrastructure support as mentioned in para 3.2.3, the bidder must have a pretender tie up with the collaborator and the collaboration should be valid for the entire duration of the contract. Bidders must provide documentary evidence in support of such collaboration(s). In addition to above, the bidder must also provide a Compliance Certificate for engaging the mechanised infrastructure facilities of the collaborator during execution of the said project. Any bid not furnishing the same will be rejected.

3.2.5 The average annual financial turnover of the bidder during the last 3 years (ending 31st March 2008) should be not less than Rs. 12 Crores. The bidder shall have to furnish the Audited Balance Sheet and Profit & Loss Account Statement for the last three years ending 31.3.2008. **Any bid not furnishing the same will be rejected.**

4.0 **PRE-BID CONFERENCE:** In order to clarify Bidder's queries on the bid document and enable them to understand the exact service requirement of the Company, a pre-bid conference will be held on **03rd and 04th November, 2008** from 8.30 AM onwards at Duliajan, Assam. Site visit will be organized on 03.11.2008. Bidders interested to attend the pre-bid conference should contact/intimate on/or before 28th October,2008 for details of the venue, soft/electronic copy of Scope of work and technical specifications to the **Head (Contracts)**, Oil India Ltd., P.O. Duliajan-786602, **Phone:** 91-374-2800548, **Fax#** 374-2803549, **E-mail:** contracts@oilindia.in.
