AND

- (ii) Completion Certificate issued by PSUs / Central Govt./ State Govt. Organizations or Enterprises showing:

- (a) Gross value of job done during last seven years ending bid closing date.
- (b) Nature of job done and contract / work order no.
- (c) Contract period and date of completion.

1.2.5 The bidder shall provide the list of NDT equipment/ apparatus including the brand name & grade of magnetic particles, coupling medium and various types of probes to assess the suitability for NDT works.

1.2.6 The bidder must carry out the job under the supervision of academically qualified technical person. The technical personnel executing NDT job should have valid certificates on NDT in accordance with the requirement of ASNT/ISNT. The photocopies of the NDT Level-II & Level III certificates on various techniques of NDT as required in the NIT should be enclosed during submission of bid and the original certificates should be produced within 15 days of issue of LOI. The supervisor must have 3 years of experience in carrying out similar type of NDT technique.

1.2.7 The bidder shall categorically confirm that execution / supervision of the jobs to be done by NDT Level II Certificate holder and Certification by NDT Level III certificate holder.

1.2.8 The bidder must have valid certificate of recognition as Inspector and competent person under SMPV(U) Rules'1981 issued by Chief Controller of Explosives(CCE). Alternatively, the bidder may also be associated with a third party having such certification from CCE for the entire duration of the contract. Bidder must submit copy of the certificate issued by CCE and also the copy of the MOU with the third party along with the bid.

1.2.9 The bidder shall confirm that all the electrical appliances/ equipment to be used for the job, if any will be suitable for the classified hazardous area as per OMR-1984 or respective DGMS' circulars.

1.3.0 The bidder shall submit Copy of PAN card, Bank Account number, VAT Regd. No., Provident Fund Code number (Direct Code)/ or a declaration by the applicant that provisions of Provident Fund Act is not applicable to them (with documentary evidence). In case the P.F. is required to be deposited later on, the same will be deposited by the bidder (applicant).

2.0 BID EVALUATION CRITERIA (BEC):

2.1 The bids conforming to the specifications, terms and conditions stipulated in the tender documents and considered to be responsive after subjecting to Bid Rejection Criteria will be considered for further evaluation as per the Bid Evaluation Criteria given below.

2.2 To ascertain the inter-se-ranking, the comparison of the responsive bids will be made subject to loading for any deviation. Comparison of offers will be done on total evaluated cost on the basis of rates quoted in the Price Bid Format.

2.3 In case of identical lowest offered rate by more than 1 (one) bidder, the selection will be made by draw of lot between the parties offering the same lowest price.
