SPECIAL TERMS AND CONDITIONS

(I)DOCUMENTS

Following documents will be furnished by supplier :

a) Drawing of boiler & materials certified in accordance with IBR in Form II, III, IV-A certified by the Inspecting Authority shall be given along with IBR Certificate folders on receipt of same from Boiler Directorate after supply of Boiler.

However, after placement of order, draft design drawing of proposed boiler to be provided within 15 days for OILs /CIB Assam approval. The draft design shall be approved within a period of 15 days after receipt.

b)Test certificate of hydraulic pressure testing and final stamping relevant to the boilers, in 4 (four) Xerox copies, along with Boiler.

c) 4 (four) copies of operating/instruction/maintenance manual and part list, along with boiler.

d) Test certificates and IBR certificates to be provided along with supply of boilers. Bidder to confirm the same in the technical bid.

(II) INSPECTION, COMMISSIONING & PERFORMANCE GUARANTEE

a) The final hydraulic test must be carried out in presence of OIL's engineer before despatch of the boilers from supplier's work. Skid and all mountings, fittings, burner and boiler accessories to be produced at the time of inspection. The supplier shall intimate us at least 1 month in advance for deputing our engineer for inspection.

b) It is supplier's responsibility to commission the units at OIL Premises at Duliajan. On receipt of the units at site, OIL will intimate the supplier to depute their representative(s) within 30 days for commissioning of the units at worksite. It is the responsibility of the successful bidder to commission the boilers in presence of the representative of the CIB, Assam and obtain PSO for operating the boilers in OIL operational area of Assam. IBR approval of the boilers must be obtained by successful bidder during supply and commissioning. During the course of commissioning, if any problem is encountered, the supplier must arrange to rectify the same within one month time without any extra cost to OIL. OIL's observation and report in this regard will be final and binding. Bidder to confirm the same in the technical bid.

c) The offer shall be complete including the cost of to and fro charges, food & lodging and daily charges of commissioning personnel. Bidder to confirm the same in the technical bid.

d) Installation & commissioning of each unit shall be carried out separately and the supplier has to depute their representative/Service engineer as per requirements. The Bidder shall confirm the same in their technical Bid.

e) The representative(s) of the supplier shall operate the units within 04 days after reaching the site and each unit shall be considered as commissioned only after obtaining 96 hours of uninterrupted steam supply.

f) The bidder shall provide an undertaking to accept the Inspection, Commissioning & Performance Guarantee clause along with the offer.

(III) GUARANTEE/WARRANTY

The bidder shall offer a period of at least 1 (one) year warranty for the entire equipment supplied from the date of successful field commissioning of the entire equipment. OIL reserves the right to inspect, test and if necessary reject any part / parts after delivery at site (including incomplete manuals, catalogues, etc.) in case of any fault on the part of the supplier. It shall in no way be waived by the reason that the unit / item was previously inspected and passed by OIL as per Inspection Clause detailed elsewhere in the NIT. To keep the unit fully operational, in case of failure of any item during the warranty period, it shall be the supplier's responsibility to arrange replacement / repairing at site at their cost including customs, freight, etc. within a period of maximum 3 (three) weeks from the date of notification of such failure and warranty for such items shall be extended accordingly.

(IV) SPECIAL NOTES:

a) The Boiler shall be manufactured according to IBR 1950 standards and specification (with latest amendments). The Boiler and accessories covered under IBR will be hydraulically tested and materials certified in accordance with Indian Boiler Regulations in relevant Forms. The above IBR certificates will be provided in triplicate.

b) The items shall be brand new, unused and of prime quality. Bidder shall warrant (in the event of order) that the product supplied shall be free from all defects and fault in material, workmanship and manufacture and shall

be in full conformity with ordered specifications. This clause shall be valid for 18 months from the date of dispatch/ shipment or 12 months from the date of commissioning of the items, whichever is earlier. The defective materials, if any, rejected by us shall be replaced by the supplier at their own expense. Bidders must confirm the same while quoting.

c) Bidder shall provide brochures and technical literature for the equipment along with the offers for technical evaluation.

d) In the event of order, operation and maintenance manual shall be provided along with the materials. Bidder to confirm the same in the technical bid.

e) The bidder must undertake that the boiler to be supplied are not going to be obsolete for next (10) ten years from the bid closing date and provision for supplying spares of the equipment shall be continued.

f) Bidder shall provide the list of recommended spares along with part nos. and price details for carrying out trouble free operation and maintenance of the unit along with the offer. Cost of these spares will not be considered for price evaluation. However procurement of these spares shall be at OIL's discretion.

g) The bidders shall clearly mention the names of the OEM of all the bought out items (like valves, pressure/temperature indicators etc.) in their quotation. The names of OEMs for different items shall however be approved by OIL on the basis of approved/established vendors.

h) 5 copies of draft design for OIL's/CIB Assam's acceptance/scrutiny must be provided prior to manufacturing of the boiler.

(V) DEVIATIONS

The bidder shall enclose comprehensive list of intended deviations from the technical specifications, if any, clearly highlighting the reasons there of, along with the technical bid. But OIL reserves the right for acceptance or rejection of the deviation(s).

Note : The bidders are to confirm each points of BRC separately as per BRC check list. Simply mentioning "all the points of BRC have been fulfilled" will not suffice.

(VI) The Bidder to submit attached Technical Evaluation Sheet along with technical bid as below

Annexure-I : Technical Evaluation Sheet for technical specification

Annexure-II : Technical Evaluation Sheet for special terms & condition

Annexure III : Technical Evaluation Sheet for BRC/BEC

NOTE:

Bidders should submit their bids (preferably in tabular form) explicitly mentioning compliance / non compliance to all the NIT terms and conditions of NIT.

(1) The Bidder/Contractor commits itself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.

1. The Bidder/Contractor will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or immaterial benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.

2. The Bidder/Contractor will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, Subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

3. The Bidder/Contractor will not commit any offence under the relevant Anticorruption Laws of India; further the Bidder/Contractor will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

4. The Bidder/Contractor will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.

(2) The Bidder/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

(3) The Bidder/Contractor signing Integrity Pact shall not approach the Courts while representing the matters to IEMs and he/she will await their decision in the matter.

Section 3 -Disqualification from tender process and exclusion from future Contracts

If the Bidder, before contract award has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or risibility as Bidder into question, the Principal is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.

1. If the Bidder/Contractor has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is entitled also to exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressions within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.
2. The Bidder accepts and undertakes to respect and uphold the Principal's Absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.
3. If the Bidder/Contractor can prove that he has restored/recouped the Damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.
4. A transgression is considered to have occurred if in light of available evidence no reasonable doubt is possible.
5. Integrity Pact, in respect of a particular contract, shall be operative from the date Integrity Pact is signed by both the parties till the final completion of the contract **or as mentioned in Section 9- Pact Duration whichever is later**. Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings

Section 4 -Compensation for Damages

1. If the Principal has disqualified the Bidder from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover from the Bidder liquidated damages equivalent to Earnest Money Deposit / Bid Security.

(2) If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the principal shall be entitled to demand and recover from the Contractor liquidated damages equivalent to Security Deposit / Performance Bank Guarantee.

3. The bidder agrees and undertakes to pay the said amounts without protest or demur subject only to condition that if the Bidder/Contractor can prove and establish that the exclusion of the Bidder from the tender process or the termination of the contract after the contract award has caused no damage or less damage than the amount or the liquidated damages, the Bidder/Contractor shall compensate the Principal only to the extent of the damage in the amount proved.

Section 5 -Previous transgression

1. The Bidder declares that no previous transgression occurred in the last 3 years with any other Company in any country conforming to the TI approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.

2. If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

Section: 6 -Equal treatment of all Bidders/Contractor/Subcontractors

1. The Principal will enter into Pacts on identical terms with all bidders and contractors.

2. The Bidder / Contractor undertake(s) to procure from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the provisions laid down in this agreement/Pact by any of its sub-contractors/sub-vendors.

3. The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

Section: 7 -Criminal charges against violating Bidders/Contractors/ Subcontractors

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor, which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

Section: 8 -External Independent Monitor/Monitors

1. The Principal appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.

2. The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the Chairperson of the Board of the Principal.

3. The Contractor accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder/Contractor/Subcontractor with confidentiality.

4. The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.

5. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or heal the violation, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action. However, the Independent External Monitor shall give an opportunity to the bidder / contractor to present its case before making its recommendations to the Principal.

6. The Monitor will submit a written report to the Chairperson of the Board of the Principal within 8 to 10 weeks from the date of reference or intimation to

ANNEXURE- DDD

him by the 'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.

7. If the Monitor has reported to the Chairperson of the Board a Substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

8. The word 'Monitor' would include both singular and plural.

Section:9 -Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the respective contract, and for all other Bidders 6 months after the contract has been awarded.

If any claim is made/ lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by Chairperson of the Principal.

Section:10 -Other provisions

1. This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. New Delhi. The Arbitration clause provided in the main tender document / contract shall not be applicable for any issue / dispute arising under Integrity Pact.

2. Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

3. If the Contractor is a partnership or a consortium, this agreement must be, signed by all partners or consortium members.

4. Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
