EXPRESSION OF INTEREST (EOI)
FOR
HIRING OF 1 NO. FISHING SERVICE PACKAGE FOR WORKOVER OPERATION IN REVIVAL OF SICK WELLS IN OIL'S OPERATIONAL AREAS IN ASSAM & ARUNACHAL PRADESH FOR A PERIOD OF 04 YEARS

EOI No.: EOI/ PSS/WO/FS/001/2026

Description: Expression of Interest (EOI) for Hiring of 1 No. Fishing Service Package for Workover Operation in revival of Sick Wells in OIL's Operational Areas in Assam & Arunachal Pradesh for a period of 04 years.

1. PREAMBLE:

OIL INDIA LIMITED (OIL), a Government of India Enterprise under the Ministry of Petroleum and Natural Gas, is a premier upstream Maharatna E&P Company engaged in the business of Exploration, Production & Transportation of Crude Oil & Natural Gas as well as production of LPG having its Headquarters at Duliajan, Assam, India.

OIL intends to hire fishing service for workover operation in revival of sick well in OIL'S operational areas in Assam & Arunachal Pradesh.

In this regard, OIL invites Expression of Interest (EOI) from reputed and experienced Bidders to obtain market inputs on technical capability, available fishing tools, methodologies and feasibility of executing the intended services.

Objective of this EOI: The responses are intended to assist OIL in preparing the Scope of Work, technical requirements, indicative manpower and tool requirements, allocation of responsibilities, qualification criteria and mobilization provisions for the proposed fishing service.

2. SCOPE OF WORK:

Bidder: To provide fit for purpose state of the art fishing service package comprising of specialized fishing tools and expert personnel for executing fishing operation through workover rig for revival of sick well, shut in due to presence of complicated fish.

The broad scope of the proposed fishing services shall cover the following:

A. Types of Fish / Fishing Operations:

The fishing services shall include, but not be limited to, the following:

i. Retrieval of stuck packers.

ii. Retrieval of strings packed off in sand.

iii. Retrieval of multiple fished strings.

iv. Milling and/or retrieval of multiple bridge plugs.

v. Removal of stuck Gravel Pack Assemblies.

vi. Removal of stuck Sand Screen Assemblies.

B. Well Profile:

Fishing operations may be required in:

i. Straight/vertical wells.

ii. Planned deviated wells having S-Bend or J-Bend profiles.

C. Casing Sizes:

Fishing operations shall be carried out in wells having the following casing sizes:
i. 5½" casing.
ii. 7" casing.
iii. 9⅝" casing.

D. Tubing Completion:

The wells shall generally have 2⅞" tubing completion.

E. Well Depth:

The anticipated depth of wells requiring fishing operations shall generally range from 2,500 metres to 6,000 metres. Depths of the wells, where operations are to be carried out, may somewhat increase or decrease at the discretion of OIL.

F. Criteria for Successful Fishing Operations:

Success of operation will be considered on successful recovery of fish and mitigation of the down hole issues of the respective wells viz. hole accessibility from surface to the reservoir.

The bidder should provide details of fishing tools offered during submission of EOI.

OIL: OIL will provide the following:
(i)Workover Rig (750HP/550HP Capacity rig)
(ii) Left hand/right hand drill pipe.
(iii) X-mass tree, tubing, well head fittings.
(iv) OIL representative for Monitoring/ Supervision of jobs during execution.
(v) CTU services, Slick line services on request after proper justification of requirement by bidder.

General Information:
The following information is for general guidelines to the participants:

a. Area of operation: Assam & Arunachal Pradesh
b. Max. Recorded ambient temp: 40° Celsius
c. Min. recorded ambient temp: 8° Celsius
d. Weather Pattern Frequent rains from March to September and occasional
e. during the remaining period.
f. Average annual rainfall: 250 / 300 cm.
g. Humidity: Max. 98%.

3. SELECTION CRITERIA:

The proposals received through this Expression of Interest will be evaluated based on the following criteria:

i. Technical details with solution & feasibility of implementation.
ii. Proven experience and track record of the bidder in executing similar projects.
iii. Cost-effectiveness and value for investment.
iv. Compliance with safety, environmental, and regulatory requirements.

4. SUBMISSION OF EXPRESSION OF INTEREST:

Interested parties are requested to submit their EOIs in electronic format to Email id(s): mostafa_skh@oilindia.in, hirakjyoti.nath@oilindia.in **OR** hard copy may be submitted to the following address by the date to be notified in the published EOI:

GM-PSS(HoD)
PSS DEPARTMENT
OIL INDIA LIMITED
P.O. DULIAJAN-786602
DIST. DIBRUGARH, ASSAM, INDIA

Last date of Submission: 14/12/2026

The EOI should include the following information:

i. Company profile, including relevant experience in similar projects.
ii. Technical feasibility and outline of proposed methodology, tools offered and approach.
iii. Proven experience and track record of the bidder in executing similar projects.
iv. Tentative Scope of Work and necessary specification of proposed fishing tools.
v. Details of comparable fishing / recovery jobs executed, indicating client, location, year, fish type, casing / tubing size, scope of intervention, outcome and available supporting work-order / completion certificate.

vi. Proposed tool / equipment list with make, model, ownership or access arrangement, specifications, sizes, functional capabilities, operating limits, applicable casing / tubing sizes, current availability and relevant technical catalogues.

vii. Proposed specialist manpower structure, roles, relevant fishing experience, technical competence, applicable certifications / safety training, and proposed deployment / relief arrangements.

Note: Based on the necessary inputs from the prospective bidders, a final Scope of Work will be prepared. Based on the evaluation of EOIs received, Budgetary Quotations (BQ) may subsequently be sought from technically suitable and capable parties, as deemed appropriate by OIL.

5. TIMELINE

The mobilization of fishing tools and personnel shall be completed within 30 (days) from the date of Letter of Award for contract through open tender.

The duration of the proposed contract will be for 03 years with provision for extension of 01 year. Thus, the intended overall engagement period is up to 04 years (initial 03 years plus an optional extension of 01 year), subject to the terms finalized in the subsequent tender / contract.

The contractor should maintain their base office for operation & maintenance from in and around Duliajan, Assam.

6. DELIVERABLES:

Bidder to give a presentation on a later date after submission of EOIs on proposed tools and technology for retrieval of complicated fish. In addition, subsequent presentation to be followed after completion of each fishing job.

7. GENERAL NOTES:

a. All documents/brochures submitted along with the EOI shall be self-certified and clear & legible.
b. The EOI is liable to be ignored in case of submission of any misleading/false representation.
c. OIL reserves the right to ignore any or all EOIs, without assigning any reason thereof.
d. OIL may seek clarifications, additional documents, technical presentations / demonstrations or meetings with respondents to assess their proposed solutions.
e. Submission of an EOI does not confer any right, preference or entitlement to participate in, or receive an award under, any future tender. Any subsequent procurement shall be undertaken separately in accordance with OIL's applicable procedures.

8. **CONFIDENTIALITY:**

All information provided during the EOI process will be treated as confidential and used solely for the purpose of evaluating submissions.

Please note that this invitation does not constitute a commitment to award the project or provide any form of reimbursement for costs incurred during the preparation of the EOI.

Should you have any questions or require further clarification, please do contact us at **mostafa_skh@oilindia.in** or **hirakjyoti.nath@oilindia.in**. We look forward to receiving your Expression of Interest and exploring the potential of working together on this important project.
