1.4 The purpose of the EOI is to identify the source of supply of HF-HSD at Kakinada and subsequently to enter into an agreement with the successful bidder with a validity of 03 (three) years for ensuring supplies as and when required by OIL. The Agreement shall also contain a provision for extension of its validity for a further period of 01 (one) year, on the same discount, terms and conditions.

1.5 Evaluation of Expressions of Interest (EOIs) for **HF-HSD** shall be carried out as per terms and conditions of the EOI.

1.6 For detailed scope of work, specifications of HF-HSD, bidder to refer **Annexure-I**.

1.7 The bidder shall offer a discount on the basic price of **HF-HSD** to the maximum extent possible. The discount quoted shall remain **firm and fixed** for the entire duration of the agreement. All invoices raised against supplies to OIL shall clearly reflect the discount offered, with the net payable amount shown after deduction of the discount.

The discount to be quoted by the bidder shall be absolute, firm and fixed throughout the validity of the Agreement and shall be applicable uniformly to every supply made under the Agreement, irrespective of quantity, delivery location or mode of delivery.

2.0 Submission of offers:

A) The EOI should be complete in all respects and signed on all pages. The EOI should be delivered in a sealed envelope mentioning "**EOI No. OIL/KGB/EOI/578/2026 for Supply of High Flash High Speed Diesel (HF-HSD) at Kakinada**" having two separate sealed envelopes inside.

i. First envelope out of these two, shall be super scribed with **"EOI -Technical"**. This envelope should contain the EOI template as per Annexure along with all other supporting documents as per the EOI requirement, except the prices. Disclosure of price in "EOI-Technical" shall lead to rejection of the offer straightaway.

ii. Second envelope out of these two, shall be super scribed with **"EOI - Financial"**. This envelope should contain the price (as per Annexure-IV) offered along with associated terms and condition, if any. This second envelope containing financial terms will be opened for the shortlisted technically acceptable parties only.

B) The EOI must be delivered/submitted to the following address:

ED (OFFSHORE),
Oil India Ltd., KG Basin Project
Down Town Building, 3rd Floor,
D. No. 70-14-16/4, Sri Vidya Colony,
Venkat Nagar, Kakinada
Andhra Pradesh-533003, India

The EOI must be sent by post/courier or delivered personally in the above office within the allowed time & dated for submission of EOI.

EOI received after the due date & time mentioned above shall not be considered. OIL will not be responsible for any loss/delay of EOI/offer during transit/ through courier/post office etc. or non-receipt of any of the same by OIL in time.

C) EOI submitted by any other mode will not be accepted.

3.0 <u>Evaluation of EOI</u>:

i) Suitable EOI will be selected based on the details submitted in the EOI and subsequent clarification, if taken any.

ii) OIL reserves the right to:

(a) Accept or reject any/all EOIs submitted by parties.

(b) Cancel the EOI process at any time without any liability & assigning any reasons thereof.

iii) OIL reserves the right to assess any party's capability and capacity using information available with OIL and by considering other aspects to accept or reject any or all EOIs received without assigning any reasons. OIL also reserves the right to inspect the facilities of the bidder proposed for supply of HF-HSD.

iv) During the evaluation, the Parties may be asked to submit clarifications / additional information, if any, including original documents in support of the details provided by them.

v) Incomplete EOI or EOI not supported by requisite documents may not be considered.

vi) This is an "Expression of Interest" under a single-stage two-bid system through which MoU will be entered with the party whose EOI is found to be most cost-effective and financially advantageous option for OIL. Price will be evaluated based on the discount offered and the associated terms and conditions to determine the most cost-effective and financially advantageous option for OIL.

vii) Price evaluation: Price will be evaluated as per the quoted discount under consideration of the quoted terms and conditions to determine the most cost effective/financially advantageous/beneficial to OIL. Accordingly, the MoU will be entered into with the selected bidder.

Note: In the event of a tie amongst multiple bidders qualifying for MoU, OIL may invite the tied bidders to submit a revised/final discount. The bidder offering the highest discount on the prevailing HF-HSD price shall be considered for selection. In case of a further tie, OIL may select the bidder(s) based on their capability and infrastructure for supply of HF-HSD at Kakinada Port, past supply records and other relevant factors. OIL's decision in this regard shall be final and binding.

viii) The requirement shall not be split and shall be awarded in its entirety to a single successful bidder.

However, during the validity of the agreement, in the event of any failure or inability of the successful bidder to supply the required quantity of HF-HSD within the stipulated time, OIL reserves the right to procure the required quantity from any other source, at its discretion, without any liability towards the successful bidder. OIL's decision in this regard shall be final and binding.

ix) OIL reserves the right, without any obligation or liability, to accept or reject any or all the Applications submitted in response to this EOI at any stage of the process, to withhold or withdraw or to cancel or modify the process of this EOI, at any time, without assigning any reason whatsoever.

KG BASIN PROJECT

ANNEXURE – I

(FOR SUPPLY OF HF-HSD)

Scope of Work, Product Specifications and Special Terms and Conditions

1.0 Introduction:

OIL INDIA LIMITED (OIL)'s Project office located at Kakinada is presently entrusted to coordinate activities related to the exploration and production of oil and natural gas from the Krishna Godavari on land and offshore, Mahanadi on land and offshore, Andaman offshore and Kerala-Konkan offshore basins in India.

OIL is presently exploring for hydrocarbons in Andaman & Nicobar Islands in its awarded Blocks AN-OSHP-2018/1 and AN-OSHP-2018/2 where it has drilled three (03) numbers of exploratory wells. Drilling of another two (02) numbers exploratory wells are in the pipeline, which are expected to commence by September/October 2026.

OIL was also awarded four (4) ultra -deepwater offshore blocks MN-UDWHP-2023/2, MN-UDWHP-2023/3, KG-UDWHP-2023/1 and KG-UDWHP-2023/2 under the OALP-IX bidding round where exploration activity is likely to commence by June/July 2027.

2.0 Requirement of HF-HSD:

HF-HSD are required for OIL's designated Drilling Unit and Vessels (hired / to be hired) and the estimated requirement quantity is approximately **1,00,000 KL** over a period of 36 + 12 (optional) months. The aforesaid estimated quantity has been worked out based on the rated maximum daily fuel consumption of the designated Drilling Unit(s) and Vessels. However, the actual requirement of HF-HSD may vary, either increase or decrease, depending upon the operational requirements and actual consumption. **OIL does not guarantee any minimum or maximum offtake quantity** under the proposed Agreement. The actual quantity to be procured shall be entirely dependent upon OIL's operational requirements and shall be supplied by the successful bidder as and when required by OIL.

The scope of work is Supply of HF-HSD into OIL's designated vessel at the following points:

- Kakinada Deep Water Port (KDWP)
- Any other port, in and around Kakinada

Broadly, the scope of supply shall include:

i) Supply, loading, transportation and bunkering of HF-HSD to OIL's designated vessel.
ii) Arrangement of delivery through existing pipeline at KDWP.
iii) Arrangement of suitable Marine Barge / bowser for delivery of HF-HSD, if required for ports other than KDWP.
iv) Storage of HFHSD in tanks (either owned or hired) near to the delivery point, if required. Delivery Point shall mean OIL's designated Vessels (OSVs & AHTSs).
v) Pumping from storage terminal or Marine Barge at destination to OIL's designated Vessels (OSVs & AHTSs) as and when required by OIL.

3.0 Specification of HF-HSD :

The HF-HSD to be supplied must be suitable for consumption by marine vessels as well as offshore drilling units. The quantity offered shall conform to the applicable IS/BIS standards and internationally recognized specifications, such as **ISO 8217:2017 DMA**, **MIL-DTL-16884M**, **IS 16861:2018**, or any other equivalent standard.

4.0 Notes to bidder(s):

i) The EOI is primarily intended for the major Public Sector Oil Marketing Companies (OMCs), viz., **Indian Oil Corporation Limited (IOCL), Bharat Petroleum Corporation Limited (BPCL) and Hindustan Petroleum Corporation Limited (HPCL)**.

EOIs from other parties may also be considered, provided that the bidder is either a producer of HF-HSD or an authorized supplier/distributor of HF-HSD duly authorized by any HF-HSD producer, and has an existing facility/infrastructure for supply of HF-HSD at Kakinada Port. The bidder shall submit relevant documentary evidence establishing its status as a producer or its authorization from the concerned HF-HSD producer, as applicable, along with the EOI. The bidder shall also submit documentary evidence demonstrating its existing capability and infrastructure for supply and delivery of HF-HSD at Kakinada Port.

If the bidder is authorized by any producer of HF-HSD, the following documents must be submitted along with the Expression of Interest (EOI):

- Authorization Letter from the producer of HF-HSD specifically permitting the bidder to participate in the EOI process.
- Valid Memorandum of Understanding (MoU) executed with the producer of HF-HSD, clearly stating that the producer shall supply HF-HSD to the bidder as and when required by OIL, in the requisite quantities. The MoU must remain valid for the entire duration of the agreement that OIL intends to enter into. The MoU should also mention that in case of failure of supply or quality deviations, the producer shall be held responsible jointly with the bidder.
- Back up guarantee from the producer of HF-HSD that HF-HSD supplied will conform to **IS/BIS/ISO 8217:2017 DMA / MIL-DTL-16884M / IS 16861:2018** or equivalent international standards and provide test certificates with each consignment.
- Undertaking from the bidder that the producer of HF-HSD shall not change during the tenure of agreement.
- Documentary evidence demonstrating its existing capability and infrastructure for supply and delivery of HF-HSD at Kakinada Port.

ii) The bidder shall be required to maintain adequate stock of HF-HSD at all times during the tenure of the agreement to ensure uninterrupted supply of OIL's requirements on a day-to-day basis. The demand from OIL may vary from **100 KL to 1000 KL** at any given time, and the bidder must be capable of meeting such variations without delay.

iii) OIL shall provide a minimum notice period of 24 hours for raising requisitions for HF-HSD. The bidder must ensure timely arrangements and supply of the required quantity within this notification period.

iv) Unit of measurement will be Liters / Kilo Liters. HFHSD shall be measured and delivered / billed in Liters / Kilo Liters as a uniform accounting Practice.

v) Measurement: The delivery quantity to OIL designated Vessels shall be measured through a calibrated Flow Meter.

vi) In case, delivery of HF-HSD are carried out through a Marine Barge, all costs and charges associated with the berthing, deployment and operation of the barge shall be initially borne by the successful bidder, which will be subsequently reimbursed by OIL. Similarly, in case a Bowser is engaged by the successful bidder for delivery of HF-HSD, all arrangements, costs and charges associated with the engagement and operation of the bowser shall be initially borne by the successful bidder and will be subsequently reimbursed by OIL. However, the actual transportation/delivery charges incurred towards deployment of the Marine Barge/Fuel Bowser for delivery of HF-HSD to the designated location shall be reimbursed by OIL at actuals, subject to submission of valid documentary evidence.

vii) For supplies through Marine Barge / Bowser, the bidder should have either their own Barge / Bowser or commercially hire from agencies having such facility. Supporting documentary evidence in support of this will be required to be submitted alongwith the EOI.

viii) The successful bidder shall deliver requisite quantity of HF-HSD to Oil India Limited at the delivery point i.e. OIL's designated Vessels.

ix) The transportation of the product upto the delivery point shall be the responsibility of the successful bidder and shall be carried out by the successful bidder at its risk and expense.

x) The title to and the risk in the product shall be passed from the successful bidder to OIL at the delivery point i.e. OIL's designated Vessel.

xi) Custom & Port clearance, if required for delivery of HF-HSD to OIL's designated vessel shall be arranged and borne by the successful bidder. No separate charges in this regard shall be paid by OIL.

xii) The successful bidder shall raise invoicing for the quantity of HFHSD delivered to OIL's designated vessel only.

xiii) Supplier shall have to produce quality test report if required by OIL.

xiv) The successful bidder will supply to Oil India Limited the quantities of the HF-HSD requisitioned from time to time for bunkering to OIL's designated vessels during the validity of agreement.

xv) The Bidder should have either established adequate storage facility or commercial agreement with the agency possessing such facility for product to effect supplies on as and when required basis.

Bidder will submit copy of documentary evidence of their owned/hired storage tanks and other required commercial agreements indicated above.

xvi) It is the responsibility of the contractor (Supplier) to ensure that their storage tank (s) or supply facility used for supply of HF-HSD shall have all necessary approvals throughout the currency of the agreement as per directives of Petroleum & Explosive Safety Organization, PORT/CUSTOM (as applicable) to facilitate uninterrupted supply of HF-HSD to OIL's designated vessels.

xvii) The bidder must be fully conversant with the Port operations, procedures, and applicable regulations, and shall ensure strict compliance with all statutory and port-specific requirements while executing the supply of HF-HSD. Any delay, penalty, or non-compliance arising from the bidder's failure to adhere to such regulations shall be solely the responsibility of the bidder, and OIL will not be held responsible in any manner whatsoever.

xviii) **Terms of Payment**: The Supplier shall raise an invoice for the actual quantity of HF-HSD supplied on each occasion to OIL's designated Drilling Unit(s)/Vessel(s). The rate of HF-HSD for invoicing shall be the applicable rate prevailing on the date of actual supply, after allowing the discount, if any, offered by the Supplier.

The Supplier shall extend a non-interest-bearing credit period of **15 (fifteen) days** from the date of invoice for each supply, without requiring any security deposit or advance payment from OIL. OIL shall release 100% of the invoice value within **15 (fifteen)** days from the date of invoice, against each undisputed invoice, subject to submission of all requisite supporting documents as stipulated in the Agreement.

xix) The price of HF-HSD to be supplied will be inclusive of taxes/levies applicable on the date of supply. The sales tax and other levies payable by OIL on HF-HSD will be subject to revision of the rates of such taxes and levies from time to time and depending upon the directives of the Govt. of India and the respective States/Union Territory.

xx) Safety: The bidder shall ensure that all activities related to the storage, handling, transportation, and supply of HF-HSD are carried out in strict compliance with applicable safety standards, statutory norms, and environmental regulations, including but not limited to Petroleum Rules, 2002, relevant IS/BIS standards, and Port/Local Authority guidelines.

The bidder shall:

- Employ trained personnel for handling HF-HSD and ensure use of appropriate personal protective equipment (PPE).
- Provide vehicles/tankers that are duly licensed, certified, and equipped with all mandatory fire and safety appliances.
- Implement necessary precautions to prevent spillage, leakage, fire, or any hazardous incidents during operations.
- Be solely responsible for any accident, damage, injury, or loss arising due to unsafe practices during the supply process.

xxi) OIL shall not be held liable for any safety lapses, incidents, or consequences resulting from the bidder's failure to adhere to prescribed safety norms.

xxii) The requirement shall not be split and will be awarded in its entirety to a single successful bidder.

xxiii) Detailed prices with all break up and discount offered are to be submitted preferably as per Proforma-IB. OIL understands that prices, levies, excise duties, taxes given are current ruling price and are subject to revision from time to time. Price prevailing on the date of supply shall be applicable.

xxiv) OIL shall be entering into an Integrity Pact with the supplier as per format enclosed vide Proforma-IP. The duly signed integrity pack is required to be submitted by the supplier along with their quotation.

xxv) Under the Andhra Pradesh (AP) VAT Act, sale by one Oil Company to another Oil Company shall not be deemed to be the first sale in the State. Accordingly, in respect of sale of HF-HSD by specified Oil Companies to another Oil Companies will be exempt from AP VAT. In this regard, bidder to note that Oil India Limited is currently pursuing with the competent authority for inclusion of its name in the list of Oil Companies Under Explanation IV of Schedule -VI of the VAT Act of Andhra Pradesh. Upon inclusion, Oil India Limited will be eligible for the AP VAT exemption and the successful bidder shall extend the benefit accordingly, upon receipt of intimation from OIL.

Sub: Technical proposal against EOI No. **OIL/KGB/EOI/578/2026 dated 11.08.2026** for Supply of High Flash High Speed Diesel (HF-HSD) at Kakinada Port

Sir,

We, M/s. ____ (Name of the Bidder), hereby submit the following information in relation to the subject Expression of Interest (EOI). We affirm that all the information provided herein are true and correct to the best of my knowledge. We understand that if any information is found to be incorrect, misleading, or not in compliance with the EOI requirements, Oil India Limited (OIL) reserves the right to reject this proposal without seeking any clarifications.

I, certify that I am duly authorized to represent my company and am competent to submit this Expression of Interest along with the required details.

It is hereby confirmed that this offer will remain valid for 90 days from the EOI closing date and we accept all the terms and conditions specified in the EOI document. We confirm that I have gone through the EOI and confirm acceptance of all terms and conditions.

In the event of our selection pursuant to the EOI, we hereby agree to enter into a Memorandum of Understanding (MoU) with OIL for the supply of HF-HSD at Kakinada, on an “as and when required” basis, at the prevailing applicable fuel price on the date of each supply, after allowing for the discount, if any, offered by us. The MoU shall remain valid for a period of 36 (thirty-six) months, with an option for OIL to extend the validity of the MoU for a further period of 12 (twelve) months, on the same discount, terms and conditions.

We hereby confirm that every consignment of HF-HSD supplied will strictly adhere to IS/BIS specifications and internationally accepted standards (ISO 8217:2017 DMA, MIL-DTL-16884M, IS 16861:2018 or equivalent). Each batch shall be accompanied by a manufacturer’s/test certificate, and we undertake full responsibility for maintaining product quality up to the delivery point (OIL’s designated vessel).

Based on the requirement of the EOI, I hereby submit the following documents, for evaluation of OIL:

(tick whichever is applicable)

- Proof of being a producer of HF-HSD / Authorization from producer.
- Valid MoU with producer ensuring supply commitment.
- Backup guarantee of product quality and test certificates.
- Undertaking that producer will not be changed during the agreement tenure.

- Evidence of storage facility ownership/hiring agreements.
- Barge ownership/hiring agreements.
- PESO and Port/Customs approvals, if any.

We confirm acceptance of the Integrity Pact and enclose the duly signed document as part of this submission. We have submitted our offer under the following payment terms:
…………………………
…………………………..
…………………………..

We confirm that, wherever required, we shall arrange the necessary Marine Barge/Fuel Bowser for delivery of HF-HSD to OIL's designated Drilling Unit(s)/Vessel(s) at ports other than Kakinada Deep Water Port (KDWP), in accordance with the terms and conditions of the EOI. The actual transportation/delivery charges incurred towards such Barge/Bowser shall be submitted to OIL for reimbursement, along with valid supporting documentary evidence, in accordance with the provisions of the EOI.

We, M/s. ________________________, hereby confirm our capability, capacity, and commitment to supply HF-HSD to OIL's designated vessels at Kakinada in strict compliance with technical, commercial, and safety requirements specified in the EOI.

We hereby confirm that we will adhere to all the applicable safety norms and statutory regulations, ensuring safe storage, handling, transportation, and supply of HF-HSD, and shall remain fully responsible for compliance and safe operations at all times.

We look forward to a long-term association with Oil India Limited and assure timely, safe, and reliable services.

Similarly, the Bidder (s)/ Contractor (s) of Indian Nationality shall furnish the name and address of the foreign principals, if any. Further, all the payments made to the Indian agent/ representative have to be in India Rupees only.

(vii) Bidders not to pass any information provided by Principal as part of business relationship to others and not to commit any offence under PC/ IPC Act;

(2) The Bidder/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

(3) The Bidder/Contractor signing Integrity Pact shall not approach the Courts while representing the matters to IEMs and he/she will await their decision in the matter.

Section 3 -Disqualification from tender process and exclusion from future Contracts

If the Bidder, before contract award has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or risibility as Bidder into question, the Principal is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.

1. If the Bidder/Contractor has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is entitled also to exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressions within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 2 years.

2. The Bidder accepts and undertakes to respect and uphold the Principal's Absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the

decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.

3. If the Bidder/Contractor can prove that he has restored/recouped the Damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.

4. A transgression is considered to have occurred if in light of available evidence no reasonable doubt is possible.

5. Integrity Pact, in respect of a particular contract, shall be operative from the date Integrity Pact is signed by both the parties till the final completion of the contract **or as mentioned in Section 9- Pact Duration whichever is later**. Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings. Any issue relating to execution of contract, if specifically raised before the IEMs shall be looked into by IEMs.

Section 4 -Compensation for Damages

1. If the Principal has disqualified the Bidder from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover from the Bidder liquidated damages equivalent to Earnest Money Deposit / Bid Security.

(2) If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the principal shall be entitled to demand and recover from the Contractor liquidated damages equivalent to Security Deposit / Performance Bank Guarantee.

3. The bidder agrees and undertakes to pay the said amounts without protest or demur subject only to condition that if the Bidder/Contractor can prove and establish that the exclusion of the Bidder from the tender process or the termination of the contract after the contract award has caused no damage or less damage than the amount or the liquidated damages, the Bidder/Contractor shall compensate the Principal only to the extent of the damage in the amount proved.

Section 5 -Previous transgression

1. The Bidder declares that no previous transgression occurred in the last 3 years with any other Company in any country conforming to the TI approach or with

any other Public Sector Enterprise in India that could justify his exclusion from the tender process.

2. If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

Section: 6 -Equal treatment of all Bidders/Contractor/Subcontractors

1. The Principal will enter into Pacts on identical terms with all bidders and contractors.

2. The Bidder / Contractor undertake(s) to procure from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the provisions laid down in this agreement/Pact by any of its sub-contractors/sub-vendors.

3. The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

Section: 7 -Criminal charges against violating Bidders/Contractors/ Subcontractors

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor, which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

Section: 8 -External Independent Monitor/Monitors

1. The Principal appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.

2. The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the Chairperson of the Board of the Principal.

3. The Contractor accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents

of the Bidder/Contractor/Subcontractor with confidentiality. However, the documents/records/information having National Security implications and those documents which have been classified as Secret/Top Secret are not to be disclosed.

4. The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.

5. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or heal the violation, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action. However, the Independent External Monitor shall give an opportunity to the bidder / contractor to present its case before making its recommendations to the Principal.

6. The Monitor will submit a written report to the Chairperson of the Board of the Principal within 8 to 10 weeks from the date of reference or intimation to him by the 'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.

7. If the Monitor has reported to the Chairperson of the Board a Substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

8. The word 'Monitor' would include both singular and plural.

9. In case of any complaints referred under IP Program, the role of IEMs is advisory and would not be legally binding and it is restricted to resolving the issues raised by an intending bidder regarding any aspect of the tender which allegedly restricts competition or bias towards some bidder.

Section:9 -Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the respective contract, and for all other Bidders 6 months after the contract has been awarded.

If any claim is made/ lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by Chairperson of the Principal.

Section:10 -Other provisions

1. This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal. The Arbitration clause provided in the main tender document / contract shall not be applicable for any issue / dispute arising under Integrity Pact.

2. Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

3. If the Contractor / Bidder is a Joint Venture or a partnership concern or a consortium, this agreement must be signed by all partners or consortium members. In case of sub-contracting, the Principal contractor shall take the responsibility of the adoption of IP by the sub-contractor and all sub-contractors shall also sign the IP.

4. Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intensions.

5. Issues like warranty / guarantee, etc. shall be outside the purview of IEMs.
