CORRIGENDUM NO. 1 DATED 24.06.2026 TO GeM TENDER NO. GEM/2026/B/7647176 for “Hiring the services of supply of packaged drinking water for different Production (Oil & Gas) installations/ establishments and Workover Rig locations (In-house) under Assam Field”.

1.0 This Corrigendum is issued to notify the following change:

Clause No.	Existing clause	Revised clause
Clause no. 2.4 of BEC-BRC (PQC)	The bidder shall submit documentary proof of having a processing plant and storage unit within a radius of 50 km from FHQ, Duliajan.	The bidder shall submit an undertaking confirming that it shall have a storage facility within a radius of 15 km from FHQ, Duliajan and shall maintain a minimum buffer stock equivalent to at least 07 (Seven) days' supply (1,330 bottles of 20 L each) at his storage facility during the entire duration of the contract.
Clause no. 5.1 of Scope of Work (SOW)	The water packaging plant or refining center or process plant of the Contractor shall be located within a 50 km radius of the Duliajan Field Headquarter. Every jar must be properly sealed and wrapped in a new plastic liner/bag after each refill.	The storage facility of the Contractor shall be located within a 15 km radius of the FHQ, Duliajan, during the entire duration of the contract. Every jar must be properly sealed and wrapped in a new plastic liner/bag after each refill.
Clause no. 5.2 of Scope of Work (SOW)	Contractor shall always maintain a minimum buffer stock equivalent to at least two (2) days (approx. 400 bottles of 20 L each) of supply at its own facility.	Contractor shall always maintain a minimum buffer stock equivalent to at least 07 (Seven) days' supply (1,330 bottles of 20 L each) at his storage facility, during the entire duration of the contract.
Clause no. 8.10 of Scope of Work (SOW)	The Contractor is required to maintain a base for the distribution of packaged drinking water within the 50 KM from FHQ Duliajan.	The Contractor is required to maintain a storage facility for the distribution of packaged drinking water within 15 KM from FHQ Duliajan, during the entire duration of the contract. OIL reserves the right to inspect the storage facility and verify the availability of the requisite buffer stock during the entire duration of contract. Any shortfall shall attract penalties as per the provisions of this contract.
