Under Single Stage Two Bid System the bid should comprise of **“Techno-Commercial-Unpriced Bid”-Part-I** and **“Priced Bid”-Part-II** separately, sealed in separate envelopes. The **first inner sealed cover** will contain Techno Commercial-Unpriced bid having all details but with price column blanked out. This cover will clearly be super scribed with **“Techno-Commercial-Unpriced Bid”-Part-I** along with party’s name, tender number, Bid closing date and brief item description. The **second inner sealed cover** will contain only the price schedule duly filled in and signed and will be clearly super scribed with **“Priced Bid”-Part-II** along with other details as mentioned above. **These two covers shall be put into an outer cover and sealed.** The outer cover should bear the Tender number and Bid closing / opening date along with the address of the office where tenders are to be submitted along with bidder’s name & address. The above detail sealing and marking is also described below:

16.1 The Bidder shall seal the original and each copy of the bid duly marking as "ORIGINAL" and "COPY".

16.2 The cover containing the **“Techno-Commercial-Unpriced Bid”-Part-I** (Original + 2 copies) should be in one sealed cover bearing the following on the right hand top corner.

- (i) **Envelope No.1: Techno-Commercial-Unpriced Bid**
- (ii) Tender No._____.
- (iii) Bid closing date _____.
- (iv) Bidder's name _____.

16.3 The cover containing the “Priced Bid”-Part-II (Original + 2 copies) should be in a separate sealed cover bearing the following on the right hand top corner.

- (i) **Envelope No.2: Priced Bid**
- (ii) Tender No. _____.
- (iii) Bid closing date _____.
- (iv) Bidder's name _____.

16.4 The above mentioned two separate covers containing “Techno-Commercial-Unpriced Bid”-Part-I and the “Price Bid”-Part-II should then be put together in another envelope bearing the following details on the top and the envelope should be addressed to the person(s) as mentioned in the “Forwarding Letter”.

- (i) Tender No._____.
- (ii) Bid closing date_____.
- (iii) Bidder's name_____.

16.5 The offer should contain complete specifications, details of services and equipment/accessories offered together with other relevant literature/ catalogues of the equipment offered. **The Price Schedule should not be put in the envelope containing the Technical Bid.**

16.6 All the conditions of the contract to be made with the successful bidder are given in various Sections of this document. Bidders are requested to state their compliance/ non-compliance to each clause as per **Proforma-D**. This should be enclosed with the technical bid.

16.7 Timely delivery of the bids is the responsibility of the Bidder. Bidders should send their bids as far as possible by Courier Services or Registered Post. Bids may also be handed over to the Officer in Charge of receiving the bids before the bid closing date and time. Company shall not be responsible for any postal delay/transit loss.

16.8 Bids received in any other form (e-mail, fax etc.) other than the physical mode as per **clause No. 14.0** above shall not be accepted.

17.0 DEADLINE FOR SUBMISSION OF BIDS: Bids in physical form in triplicate (Original + 2-copies) must be received by the company within the Bid Closing Date & Time at the address specified in the “Forwarding Letter”.

18.0 LATE BIDS: Any Bid received by the Company after the deadline for submission of bids prescribed by the Company shall be straightway rejected.

19.0 MODIFICATION AND WITHDRAWAL OF BIDS:

19.1 The Bidder after submission of bid may modify or withdraw its bid by written notice prior to bid closing date and time.

19.2 The Bidder's modification or withdrawal notice shall be prepared sealed, marked and dispatched in accordance with the provisions of para 16.0 above. A withdrawal

notice may also be sent by e-mail but followed by a signed confirmation copy, postmarked no later than the deadline for submission of bids.

19.3 No bid can be modified subsequent to the deadline for submission of bids.

19.4 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiry of the period of bid validity specified by the Bidder on the Bid Form.

20.0 EXTENSION OF BID SUBMISSION DATE:

20.1 Normally no request for extension of Bid Closing Date & Time will be entertained. However, OIL at its discretion, may extend the Bid Closing Date and/or Time due to any reasons. In case of receipt of only one Bid on the Bid Closing Date and Time, OIL may extend the Bid Closing /Opening Date by 2(two) weeks. However, the bidder whose bid has been received within the bid closing date and time will not be allowed to revise their Bid/prices.

21.0 BID OPENING AND EVALUATION:

21.1 Company will open the Technical Bids (in case of Single Stage Two Bid System), including submission made pursuant to para 19.0 above, in presence of Bidder's representatives who choose to attend at the date, time and place mentioned in the Forwarding Letter. However, an authorization letter (as per **Proforma-G**) from the bidder must be produced by the Bidder's representative at the time of bid opening. Unless this Letter is presented, the representative will not be allowed to attend the bid opening. The Bidder's representatives who are allowed to attend the bid opening shall sign a register evidencing their attendance. Only one representative against each bid will be allowed to attend.

21.2 In case of any unscheduled holiday or strike on the Bid Opening Date, the Bids will be opened on the next full working day. Accordingly, Bid Closing Date / time will get extended up to the next working day and time.

21.3 Bid for which an acceptable notice of withdrawal has been received pursuant to para 19.0 above shall not be opened. Company will examine bids to determine whether they are complete, whether documents have been properly signed and whether the bids are generally in order.

21.4 At bid opening, Company will announce the Bidder's names, written notifications of bid modifications or withdrawal, if any, and such other details as the Company may consider appropriate.

21.5 Company shall prepare, for its own records, minutes of bid opening including the information disclosed to those present in accordance with the subpara 21.4.

21.6 Normally no clarifications shall be sought from the Bidders. However, for assisting in the evaluation of the bids especially on the issues where the Bidder confirms compliance in the evaluation and contradiction exists on the same issues due to lack of required supporting documents in the Bid (i.e. document is deficient or missing), or due to some statement at other place of the Bid (i.e. reconfirmation of confirmation) or vice versa, clarifications may be sought by OIL. In all the above situations, the Bidder will not be allowed to change the basic structure of the Bid

already submitted by them and no change in the price or substance of the Bid shall be sought, offered or permitted.

- 21.7** Prior to the detailed evaluation, Company will determine the substantial responsiveness of each bid to the requirement of the Bidding Documents. For purpose of these paragraphs, a substantially responsive bid is one, which conforms to all the terms and conditions of the Bidding Document without material deviations or reservation. A material deviation or reservation is one which affects in any substantial way the scope, quality, or performance of work, or which limits in any substantial way, in-consistent way with the bidding documents, the Company's right or the bidder's obligations under the contract, and the rectification of which deviation or reservation would affect unfairly the competitive position of other bidders presenting substantial responsive bids. The Company's determination of bid's responsiveness is to be based on the contents of the Bid itself without recourse to extrinsic evidence.
- 21.8** A Bid determined as not substantially responsive will be rejected by the Company and may not subsequently be made responsive by the Bidder by correction of the non-conformity.
- 21.9** The Company may waive minor informality or non-conformity or irregularity in a bid, which does not constitute a material deviation, provided such waiver, does not prejudice or affect the relative ranking of any Bidder.

22.0 OPENING OF PRICE BIDS:

- 22.1** Company will open the Priced Bids of the techno-commercially qualified Bidders on a specific date in presence of representatives of the qualified bidders. The techno-commercially qualified Bidders will be intimated about the Priced Bid Opening Date & Time in advance. In case of any unscheduled holiday or strike on the Priced Bid Opening Date, the Priced Bids will be opened on the next working day.
- 22.2** The Priced bids of the unsuccessful bidders which remain unopened with OIL may be returned to the concerned bidders on request only after receipt of Performance Security from the successful bidders after issue of Letter of Award (LOA) by OIL.
- 22.3** The Company will examine the Price quoted by Bidders to determine whether they are complete, any computational errors have been made, the documents have been properly signed, and the bids are generally in order.
- 22.4** Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price (that is obtained by multiplying the unit price and quantity) the unit price shall prevail and the total price shall be corrected accordingly. If any Bidder does not accept the correction of the errors, their bid will be rejected. If there is a discrepancy between words, and figures, the amount in words will prevail. If any Bidder does not accept the correction of the errors, their Bid will be rejected.

23.0 CONVERSION TO SINGLE CURRENCY:

While evaluating the bids, the closing rate of exchange declared by OANDA Exchange Rate of Gabon on the day prior to price bid opening will be taken into account for conversion of foreign currency. Where the time lag between the opening of the price bids and final decision exceeds three months, the rate of exchange

declared by OANDA Exchange Rate of Gabon on the date prior to the date of final decision will be adopted for conversion.

24.0 EVALUATION AND COMPARISON OF BIDS: The Company will evaluate and compare the bids as per **BID EVALUATION CRITERIA (BEC)** in **Part-2** of the bidding documents.

25.0 DISCOUNT/REBATES:

25.1 Unconditional discounts/rebates, if any, given in the bid will be considered for evaluation.

25.2 Post bid or conditional discounts/rebates offered by any bidder shall not be considered for evaluation of bids. However, if the lowest bidder happens to be the final acceptable bidder for award of contract, and if they have offered any discounts/rebates, the contract shall be awarded after taking into account such discounts/rebates.

26.0 EXCHANGE RATE RISK: Since bidders are permitted to quote any currency and receive payments in that currency, company will not be compensating for any exchange rate fluctuations in respective of the services.

27.0 CONTACTING THE COMPANY:

27.1 Except as otherwise provided in para 21.0 above, no Bidder shall contact Company on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded except as required by Company vide para 21.6.

27.2 An effort by a Bidder to influence the Company in the Company's bid evaluation, bid comparison or Contract award decisions may result in the rejection of their bid.

28.0 AWARD OF CONTRACT:

28.1 AWARD CRITERIA: The Company will award the Contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined as the **lowest evaluated bid**, provided further that the Bidder is determined to be qualified to perform the Contract satisfactorily.

29.0 COMPANY'S RIGHT TO ACCEPT OR REJECT ANY BID: Company reserves the right to accept or reject any or all bids and to annul the bidding process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected bidder, or bidders or any obligation to inform the affected bidder of the grounds for Company's action.

30.0 NOTIFICATION OF AWARD:

30.1 Prior to the expiry of the period of bid validity or extended validity, the company will notify the successful Bidder in writing by e-mail or registered letter that its bid has been accepted.

30.2 The notification of award will constitute the formation of the Contract.

31.0 PERFORMANCE SECURITY:

31.1 Successful bidder has to submit **Performance Security for an amount equivalent to 05% (five percent) of the total evaluated contract value** within **15(Fifteen) days** from the date of issue of LOA.

31.2 On receipt of notification of award from the Company, the successful Bidder shall furnish to Company the Performance Security for an amount specified in the Forwarding Letter of the tender (and Letter of Award (LOA) issued by Company to Contractor awarding the contract) which must be in the form of Bank Guarantee as per **Proforma-H** or Bank Draft or certified Banker's cheque in favour of Oil India Limited or in any other format acceptable to the Company. The performance security shall be payable to Company as compensation for any loss resulting from Contractor's failure to fulfil its obligations under the Contract. The Performance Security shall be denominated in the currency of the contract. In the event of extension of the contract period, the validity of performance security/Bank Guarantee shall be suitable extended by the Contractor.

31.3 Bank Guarantee issued by a Bank, amongst others, must contain the following particulars of such bank:

- (i) Full address
- (ii) Branch Code, if any
- (iii) The authorized signatory full name and designation
- (iv) Phone Nos., Fax Nos., E-mail address

31.4 The Performance Security specified above must be valid for 3(three) months beyond the contract period. The Performance Security will be discharged by Company not later than 30 days following its expiry. In the event of any extension of the Contract period, Bank Guarantee should be extended by Contractor by the period equivalent to the extended period.

31.5 The performance security shall be payable to Company as compensation for any loss resulting from Contractor's failure to fulfil its obligations under the Contract.

31.6 The Performance Security will not accrue any interest during its period of validity or extended validity.

31.7 In the event of failure of the successful Bidder to comply with the requirements of para 31.1 and/or 31.2, it shall constitute sufficient grounds for annulment of the award. In such an event the Company may call for new bid as the case may be and take action with the bidder as deemed fit. In such an eventuality, action shall be taken as per OIL's Banning Policy.

32.0 SIGNING OF CONTRACT:

32.1 At the same time as the Company notifies the successful Bidder that its Bid has been accepted, the Company will either call the successful bidder for signing of the agreement or send the Contract Form provided in the Bidding Documents, along with the General & Special Conditions of Contract, Technical Specifications, Schedule of rates incorporating all agreements between the parties.

32.2 Within 30 days of issue of Letter of Award (LOA), the successful Bidder shall sign and date the contract and return it to the company. Till the contract is signed, the LOA issued to the successful bidder shall remain binding amongst the two parties.

32.3 In the event of failure on the part of the successful bidder to sign the contract within the period specified above or any other time period specified by Company, OIL reserves the right to terminate the LOA issued to the successful bidder along with action as per OIL's Banning Policy.

33.0 FURNISHING FRAUDULENT INFORMATION/DOCUMENTS:

If it is found that a Bidder has furnished fraudulent document/information, the Bid Security/Performance Security (wherever applicable) shall be forfeited and action will be initiated as per OIL's Banning Policy, besides the legal action.

34.0 CREDIT FACILITY: Bidder should indicate clearly in the Bid about availability of any credit facility inclusive of Government-to-Government credits indicating the applicable terms and conditions of such credit.

35.0 LOCAL CONDITIONS:

It is imperative for each Bidder to fully inform themselves of all Gabon as well as local conditions, factors and legislation which may have any effect on the execution of the scope of work covered under the Bid Document. The bidders shall be deemed, prior to submitting their bids, to have satisfied themselves as to the circumstances at the Site, including without limitation, the ground and subsoil, the form and nature of the Site and the climate and hydrological conditions of the Site and obtained for themselves all necessary information as to the risks, contingencies and all other circumstances, which may influence or affect the Contract price and its obligations under the Contract.

No request will be considered for clarifications from the Company (OIL) regarding such conditions, factors and legislation. It is understood and agreed that such conditions, factors and legislation have been properly investigated and considered by the Bidders while submitting the Bids. Failure to do so shall not relieve the Bidders from responsibility to estimate properly the cost of performing the work within the provided timeframe. Company (OIL) will assume no responsibility for any understandings or representations concerning conditions made by any of his officers or agents prior to award of the Contract. Company (OIL) shall not permit any Changes to the time schedule of the Contract or any financial adjustments arising from the Bidder's lack of knowledge and its effect on the cost of execution of the Contract.

36.0 SPECIFICATIONS:

Before submission of Bids, bidders are requested to make themselves fully conversant with all Conditions of the Bid Document and other relevant information related to the works to be executed under this contract. The bidder has also to submit the Statement as per the format (**Proforma-E**) attached with the bid that they are fully aware of all the laws prevailing in Gabon including statutory permissions required for complete performance of the scope of work as per this bid to the satisfaction of OIL.

37.0 MOBILIZATION ADVANCE:

37.1 Request for advance payment shall not be normally considered. However, depending on the merit and at the discretion of the Company, advance against mobilisation charge may be given at an interest rate of 1% above the prevailing Bank rate (CC

rate) of Gabon preferably through **CITI Bank**, Gabon or State Bank of India from the date of payment of the advance till recovery/refund.

- 37.2** Advance payment agreed to by the Company shall be paid only against submission of an acceptable bank guarantee whose value should be equivalent to the amount of advance plus the amount of interest covering the period of advance. Bank guarantee shall be valid for 2 months beyond completion of mobilisation and the same may be invoked in the event of Contractor's failure to mobilise as per agreement.
- 37.3** In the event of any extension to the mobilisation period, Contractor shall have to enhance the value of the bank guarantee to cover the interest for the extended period and also to extend the validity of bank guarantee accordingly.
- 38.0** Bidder(s) should clearly understand all the terms & conditions, criteria, specification etc. of this tender.
- 39.0** OIL INDIA LIMITED reserves the right to (a) accept or reject any/all bids, (b) curtail/enhance the scope of work; submitted by parties or (c) cancel the process at any time, if required without any liability and assigning any reason thereof to the bidders.

PART-2

BID EVALUATION CRITERIA (BEC)

The bid should be complete covering all the Scope of Work laid down in tender document and should conform to the Technical specifications indicated in the bid documents, duly supported with technical catalogues/ literatures. Bids will be rejected in case services offered do not conform to the required parameters stipulated in the technical Specifications. Notwithstanding the general conformity of the bids to the stipulated specifications, the following mandatory requirements will have to be particularly met by the Bidders without which the same will be considered as non-responsive and rejected.

1.0 TECHNICAL CRITERIA:

1.1 The bidder/ Deviation Drilling service provider must have experience of successfully executing at least one 'Similar Work' of minimum value **US\$ 495,000 (US Dollar FOUR HUNDRED NINETY FIVE THOUSAND Only)** equivalent to **FCFA 297,000,000** in a single contract in E&P (Exploration & Production of Crude & Natural Gas, Oil well Drilling) companies in previous 07 (seven) years to be reckoned from the original bid closing date of this tender.

Notes to BEC Clause 1.1 above:

- a.** "Similar Work" mentioned above means **Providing Deviation Drilling Services for carrying out in oil & gas exploration.**
- b. Documentary Evidence for Proof of experience:** For proof of requisite experience, the bidder must submit the following documents along with the Technical Bid (Un-priced Techno-Commercial Bid):
 - (i) Contract document (Agreement) / Letter of Award (LOA) / Letter of Intent (LOI) / Work Order showing details of work or any other documentary evidence(s) issued by the organisation in which the bidder rendered similar work which can substantiate the requisite experience.

1.2. Bidder to comply all terms & conditions mentioned in the Scope of work of Deviation Drilling Service and to confirm the same during the submission of offer.

2.0 FINANCIAL CRITERIA:

2.1 The bidder shall have **Annual financial turnover from operations** of minimum **US\$ 495,000 (US Dollar FOUR HUNDRED NINETY FIVE THOUSAND Only)** equivalent to **FCFA 297,000,000** during any of the preceding 03 (three) financial/accounting years reckoned from the original bid closing date.

2.2 Net worth of bidder must be positive for financial/accounting year preceding the original Bid Closing date.

Notes to BEC Clause 2.1 & 2.2 above:

- a. For proof of Annual Turnover & Net worth, any one of the following documents/ photocopies must be submitted along with the bid:
- (i) A certificate issued by a practicing Chartered/Cost Accountant (with Membership Number and Firm Registration Number), certifying the Annual turnover & Net worth as per format prescribed in **ANNEXURE-V**.
OR
 - (ii) Audited Balance Sheet along with Profit & Loss account.
- b. Considering the time required for preparation of Financial Statements, if the last date of preceding financial/accounting year falls within the preceding six months reckoned from the original bid closing date and the Financial Statements of the preceding financial/accounting year are not available with the bidder, then the financial turnover of the previous three financial /accounting years excluding the preceding financial/accounting year will be considered. In such cases, the Net worth of the previous financial/accounting year excluding the preceding financial/accounting year will be considered. However, the bidder has to submit an undertaking in support of the same along with their technical bid as per **ANNEXURE-VI**.
- c. In case the bidder is a subsidiary company (should be a 100% subsidiary of the parent/ultimate parent/holding company) who does not meet financial criteria by itself and submits bid based on the financial strength of its parent/ultimate parent/holding company, then following documents need to be submitted along with the technical bid:
- (i) Annual Turnover from operation of last three accounting years of the parent/ultimate parent/holding company (supporting company) shall be as per Clause 2.1 above.
 - (ii) Net worth of the parent/ultimate parent/holding company (supporting company) shall be positive for the accounting year preceding the bid closing date as per Clause 2.2 above.
 - (iii) Corporate Guarantee (**Proforma-J**) on parent/ultimate parent/holding company's (supporting company) letter head signed by an authorized official undertaking that they would financially support their subsidiary company for executing the project/job in case the same is awarded to them, and
 - (iv) A certificate from the statutory Auditor of the bidding company to establish the relationship and equity percentage holding between bidding company and the supporting company. The certificate should be duly concurred/endorsed by the Company Secretary or one of the Directors of the company concerned.

The above certificate should not be more than 30 days old as on the original bid closing date.

- 3.0** The Vendor/Contractor/Service Provider should be in a position to complete mobilization of their resources at site to take up the assignment in the event of a contract as per Clause 2.2 of GCC. Vendor/Bidder/Service Provider to submit an Undertaking to this effect as per **ANNEXURE-VIII**.

4.0 COMMERCIAL CRITERIA:

4.1 Bids shall be submitted under single stage two Bid systems i.e. Technical Bid and Priced Bid separately in two different packets/envelope. The Technical Bid is to be submitted as per Scope of Work & Technical Specification of the tender and Priced Bid as per **Proforma-B** is to be in different sealed envelope/packets. Bids shall be rejected outright, if the prices are indicated in the technical bids. Bids not conforming to this two bid system shall be rejected outright.

4.2 Bid Validity: Bids must be valid for minimum **60 (Sixty) days** from the date of Technical Bid opening. If bidder does not submit / declare bid validity period, it will be presumed that the bid validity is **60 (Sixty) days**. Bids with shorter validity (i.e. less than 60 days from the schedule closing date) may be liable for rejection.

Note: In case of extension of Bid Opening Date, bid validity should be extended suitably by the bidder, as and when advised by OIL.

4.3 Bidders must quote rates clearly and strictly in accordance with the price schedule outlined in PRICE BID FORMAT as per **Proforma-B**, and submit the same separately in a sealed envelope/packet otherwise the Bid will be summarily rejected.

4.4 Bidder shall offer firm prices. Price quoted by the successful bidder must remain firm during the execution of the contract and not subject to variation on any account.

4.5 Bids submitted / received after the Bid Closing Date and Time will be rejected.

4.6 Bids received through the physical submission in sealed envelope as mentioned in ITB shall only be accepted.

4.7 Any document(s) wherever called for, and submitted by bidders, shall be legible, contain no interlineations, white fluid erasures or overwriting except as necessary to correct errors made by the Bidder, in which case such correction shall be initialled by the authorized person or persons who has/have signed the Bid.

4.8 Bids shall be typed or written in indelible ink and shall be signed by the bidder or his authorized representative.

4.9 Any Bid containing false statement will be rejected.

4.10 There should not be any indication of price/rates in the Technical Bid/Techno-commercial Bid. A bid will be straightway rejected if price/rate is given in the Technical /Techno-commercial Bid.

4.11 Bid documents are non-transferable.

4.12 Bidders must accept and comply with the following provisions as given in the tender document in toto. Deviations to such provisions shall make the bid liable for rejection.

- (i) Firm price
- (ii) Liquidated Damage and Penalty Clauses
- (iii) Performance bank guarantee / Security deposit clause

- (iv) Arbitration / Resolution of Dispute clause
- (v) Acceptance of Jurisdiction and Applicable law
- (vi) Termination clause
- (vii) Force Majeure cause
- (viii) Tax Liabilities clause
- (ix) Insurance clause
- (x) Safety Environment & Labour Laws

5.0 GENERAL CRITERIA:

- 5.1** To ascertain the substantial responsiveness of the bid the Company reserves the right to ask the bidder for clarification in respect of clauses covered under BEC also and such clarifications fulfilling the BEC clauses in toto must be received on or before the deadline given by the company, failing which the offer will be evaluated based on the submission. However, mere submission of such clarification shall not make the offer responsive, unless Company is satisfied with the substantial responsiveness of the offer.
- 5.2** If any of the clauses in the BEC contradicts with other clauses of bidding document elsewhere, the clauses in the BEC shall prevail.
- 5.3** In case bidder takes exception to any clause of bidding document not covered under BEC, then the Company has the discretion to load or reject the offer on account of such exception if the bidder does not withdraw / modify the deviation when / as advised by company. The loading so done by the Company will be final and binding on the bidders. No deviation will however be accepted in the clauses covered under BEC.
- 5.4** **Submission of Forged Documents:** Bidders should note that Company (OIL) may verify authenticity of all the documents / certificates / information submitted by the bidder(s) against the tender. In case at any stage of tendering process or Contract execution etc., if it is established that bidder has submitted forged documents / certificates / information towards fulfilment of any of the tender / contract conditions, Company shall immediately reject the bid of such bidder(s) or cancel / terminate the contract besides taking action as per OIL's Banning Policy (Revised on 17.03.2023), available in the OIL's website. Accordingly, service provider/vendor to submit the Undertaking of authenticity of information/documents submitted as per **Annexure-VII**.
- 5.5** All certificates and documentary evidence required to be submitted in support of above clauses should be clearly legible and in English language. If any certificate is submitted in a language other than English language, the same should be translated to English by certified translator, in which case, for purposes of interpretation of the bid, the translation shall prevail. Illegible and incomplete certificates or documents will not be considered for evaluation.
- 5.6** Vendor/Contractor/Service Provider must agree to abide by the law of Gabon for all purposes.
- 5.7** The originals, of the documents submitted by the bidder, shall have to be produced by the bidder(s) to OIL as and when asked for.

- 5.8** For evaluation of Bids, the closing rate of exchange declared by OANDA Exchange Rate of Gabon on the day prior to bid opening will be taken into account for conversion.
- 5.9** Any exception/deviation to the tender must be spelt out by the bidder in their "Technical Bid" only. Any additional information/terms & conditions furnished in sealed Price Bid will not be considered by OIL for evaluation/award of contract. However, OIL INDIA LIMITED expects the bidders to fully accept the terms and conditions of the bid document.
- 6.0** **PRICE EVALUATION CRITERIA:** Techno-commercially Qualified Bids conforming to the technical specifications, terms and conditions stipulated in the bidding document and considered to be substantially responsive after subjecting to Bid Evaluation Criteria (BEC) shall be considered for further evaluation as per the Evaluation Criteria given below:
- (a) Price bid shall be opened in respect of only the techno-commercially acceptable bidders whose bids have been found to be substantially responsive. A substantially responsive bid is one that meets the terms and conditions of the Tender and/or the acceptance of which bid will not result in indeterminate liability on OIL.
 - (b) The bidders must quote their Prices in the manner as called for vide Price Bid Format in **Proforma-B**.
 - (c) If there is any discrepancy between the unit price and the total price, the unit price will prevail and the total price shall be corrected. Similarly, if there is any discrepancy between words and figure, the amounts in words shall prevail and will be adopted for evaluation.
 - (d) If bidders happen to be two or more in the same position, priority list will be prepared by drawing Lottery/Lots among the bidders within the same position.
 - (e) The quantities shown against each item in the "Price Bid Format (i.e. in **Proforma-B**)" shall be considered for the purpose of Bid Evaluation. It is, however, to be clearly understood that the assumptions made in respect of the number of days/ parameters for various operations are only for the purpose of evaluation of the bid and the Contractor will be paid on the basis of the actual number of days/parameter, as the case may be.
 - (f) The bidders are advised not to offer any discount/rebate separately and to offer their prices in the Price Bid Format after considering discount/rebate, if any.
 - (g) Conditional and unsolicited discount will not be considered in evaluation. However, if such bidder happens to be the lowest recommended bidder, unsolicited discount without any condition will be considered for computing the contract price.
 - (h) To ascertain the inter-se-ranking, the comparison of the responsive bids will be made subject to loading for any deviation. Commercial Bids shall be evaluated taking into account the rates quoted in the PRICE BID FORMAT as per **Proforma-B**.

TOTAL ESTIMATED CONTRACT COST FOR HIRING OF DEVIATION DRILLING SERVICES INCLUSIVE OF ALL COST, TAXES & DUTIES EXCEPT CSS & TVA:

$$\mathbf{T = T1 + T2 + T3 + T4 + T5}$$

Where,

- (i) **T1** : Total Mobilization Cost (MOB)

- 29.8 Payment of monthly invoices, if undisputed, shall be made within 30 days following the date of receipt of invoice by Company.
- 29.9 Company shall within 30 days of receipt of the invoice notify the contractor of any item under dispute, specifying the reasons thereof, in which event, payment of the disputed amount may be withheld until settlement of the dispute, but payment shall be made of any undisputed portion on or before the due date. This will not prejudice the company's right to question the validity of the payment at a later date as envisaged in Clause 29.3 above.
- 29.10 The acceptance by Contractor of part payment on any billing not paid on or before the due date shall not be deemed a waiver of Contractor's rights in respect of any other billing, the payment of which may then or thereafter be due.
- 29.11 Contractor shall maintain complete and correct records of all information on which Contractor's invoices are based up to two (2) years from the date of last invoice. Such records shall be required for making appropriate adjustments or payments by either party in case of subsequent audit query /objection.

29.12 Any audit conducted by Company of Contractor's records, as provided herein, shall be limited to Company's verification (i) of the accuracy of all charges made by Contractor to Company and (ii) that Contractor is otherwise in compliance with the terms and conditions of this Agreement.

29.13 Payment of Final demobilization charges shall be made if applicable within 45 days on receipt of invoice by Company accompanied by the following documents from the Contractor:

- a) Audited account up to completion of the Contract, if required.
- b) Tax audit report for the above period, if required under the Gabonese Tax Laws.
- c) Documentary evidence regarding the submission of returns and payment to taxes for the expatriate personnel engaged by the Contractor or by its subcontractor.
- d) Proof of re-export of all items including the unutilized spares and consumables (excepting consumables consumed during the contract period) and also cancellation of re-export bond if any.
- e) Any other documents as required by applicable Gabonese Laws.

In case, no demobilization charges are payable, the documents mentioned above will have to be submitted by the Contractor before release of the final payment by the Company. A certificate from Chartered Accountant on (a), (b) & (c) above will suffice.

29.14 **Payment to the party within Gabon will be through A/c. Payee Cheques or online transfer in Local currency (FCFA)/ USD in USD Bank Account in Gabon. The Bank charges applicable shall be to contractor account.** The payment will be made as per prevailing law of Gabon/ Central Bank of Africa.

29.15 **Currency of Payment:** The payments due to this agreement shall be made as per the currency adopted in the agreement which are easily convertible currency such as EURO or GBP or US\$ or FCFA (Local currency of Gabon). However, in case of difficulty in payment as per the agreed currency of the agreement, then the same will be converted into any of the other easily convertible currency (EURO or GBP or US\$ or FCFA) and accordingly payment shall be made for the actual work done.

30.0 RATE OF PAYMENT: Company shall make payment to the Contractor as per the agreed rates referred to Price Schedule. These rates include all taxes, duties and other levies payable by Contractor under the Contract.

31.0 WITH-HOLDING:

31.1 Company may withhold or nullify the whole or any part of the amount due to Contractor, after informing the Contractor of the reasons in writing on account of subsequently discovered evidence in order to protect Company from loss on account of: -

- (a) For non-completion of jobs assigned as per **Section II of Part-3**.
- (b) Contractor's indebtedness arising out of execution of this Contract.
- (c) Defective work not remedied by Contractor.
- (d) Claims by sub-Contractor of Contractor or others filed or on the basis of reasonable evidence indicating probable filing of such claims against Contractor.

- (e) Failure of Contractor to pay or provide for the payment of salaries/ wages, contributions, unemployment compensation, and taxes or enforced savings withheld from wages etc.
- (f) Failure of Contractor to pay the cost of removal of unnecessary debris, materials, tools, or machinery.
- (g) Damage to another Contractor of Company.
- (h) All claims against Contractor for damages and injuries, and/or for non-payment of bills etc.
- (i) Any failure by Contractor to fully reimburse Company under any of the indemnification provisions of this Contract. If, during the progress of the work Contractor shall allow any indebtedness to accrue for which Company, under any circumstances in the opinion of Company may be primarily or contingently liable or ultimately responsible and Contractor shall, within five days after demand is made by Company, fail to pay and discharge such indebtedness, then Company may during the period for which such indebtedness shall remain unpaid, with-hold from the amounts due to Contractor, a sum equal to the amount of such unpaid indebtedness.

Withholding will also be effected on account of the following: -

- i) Order issued by a Court of Law in Gabon
- ii) Income tax deductible at source according to law prevalent from time to time in the country.
- iii) Any obligation of Contractor which by any law prevalent from time to time to be discharged by Company in the event of Contractor's failure to adhere to such laws.
- iv) Any payment due from Contractor in respect of unauthorized imports.

When all the above grounds for withholding payments shall be removed, payment shall thereafter be made for amounts so withhold.

Notwithstanding the foregoing, the right of Company to withhold shall be limited to damages, claims and failure on the part of Contractor, which is directly/ indirectly related to some negligent act or omission on the part of Contractor.

32.0 SET OFF CLAUSE:

Any sum of money due and payable to the contractor (including Performance Security refundable to them) under this contract or any other contract may be appropriated by Oil India Limited and set off against any claim of Oil India Limited (or such other person or persons contracting through Oil India Limited) for payment of a sum of money arising out of this contract or under any other contract made by the contractor with Oil India Limited (or such other person or person contracting through OIL).

33.0 RECORDS, REPORTS AND INSPECTION:

- 33.1 The Contractor shall, at all times, permit the Company and its authorised employees and representatives to inspect all the Work performed and to witness and check all the measurements and tests made in connection with the said work. The Contractor shall keep an authentic, accurate history and logs including safety records, which shall be open at all reasonable times for inspection by the Company designated representatives and its authorised employees and representatives. The Contractor shall provide the Company designated representatives with a daily written report, on form prescribed by the Company showing details of operations during the

preceding 24 hours and any other information requested by the Company whenever so requested. The Contractor shall not, without Company's written consent allow any third person(s) access to the said information, or give out to any third person information in connection therewith.

34.0 INTELLECTUAL PROPERTY OWNERSHIP:

While providing the Services to Company, contractor may utilize expertise, know-how and other intellectual capital (including intellectual Property) and develop additional expertise, know-how and other intellectual capital (including intellectual property) which are contractor's exclusive property and which Contractor may freely utilize in providing Services for its other customers. Except where expressly and specifically indicated in writing, and in exchange for appropriate agreed payment, Contractor does not develop any intellectual property for ownership by Company, Contractor retains sole ownership of any such intellectual capital (including intellectual property) created by Contractor during the course of providing the Services. Contractor grants no title, license or right to Company to use Contractor intellectual capital (including intellectual property).

35.0 INTELLECTUAL PROPERTY INFRINGEMENT:

Contractor shall indemnify and hold the Company harmless from any third party claims arising on account of intellectual property infringement with respect to its Services. Except when such infringement is caused due to (a) combination of contractor's equipment or Services in combination or their equipment and / or services not recommended by Contractor (b) out of unauthorized additions or modifications of contractor's equipment or services by Company, or (c) Company's use of contractor's equipment or services that does not correspond to Contractor.

36.0 ROYALTY AND PATENTS: Each party shall hold harmless and indemnify the other from and against all claim and proceedings for or on account of any patent rights, design, trade mark or other protected rights arising from any use of materials, equipment, processes, inventions and methods which have not been imposed on the attending party by the terms of the contract or the specifications or drawings forming part thereof.

37.0 INSPECTION BY OPERATOR: The Company shall have the right to inspect and reject for any valid cause any items furnished by Contractor and Contractor shall replace or repair at its sole expense such items so rejected with items free of defects, to the satisfaction of the Company.

38.0 The Contractor shall assume all responsibility for cleaning up and controlling pollution or contamination which originates from Contractor's equipment and facilities above the surface including all claims, demands and causes of action of every kind and character arising from such pollution or contamination.

39.0 CUSTOMS DUTY:

(i) The services under this Contract shall be carried out in OIL's exploration areas, for which, the items / equipment / spares / tools / materials to be imported in connection with execution of this particular Contract are exempted from customs duty but are subject to approval of the DGH-Gabon and Custom authority of Gabon. **Bidders/Service Providers should go through the rules & regulations, procedures of Customs of Gabon to**

make them fully aware and understand the Customs Rule for a suitable offer.

- (ii) Bidder/Contractor should provide the list of items to be imported by them under the Contract in the format specified in **Proforma-A** along with their bid for issuance of DGH-Gabon approval for exemption of Custom Duty benefit. Contractor shall made written request to DGH-Gabon immediately through company(OIL) after shipment of the goods indicated by them in Proforma-A along with the invoices and all shipping documents (with clear 15(fifteen) working days' notice) requesting for exemption of Custom Duty. OIL will provide necessary documents, if required to avail Custom duty exemption. It shall be however, Contractor's responsibility to obtain recommendation of approval from DGH and clear the goods through customs. OIL shall not be liable in whatsoever manner for the rejection of their claims for zero customs duty by any of the authorities including DGH-Gabon arising solely as a result of any default on the part of the Contractor. Contractor shall indemnify OIL from all liabilities of Customs Duty.
- (iii) It is the single point responsibility of the contractor to clear all the material, equipment, items from custom authority of Gabon, transportation to the well site, storage of all the required consumables including tubular at their own cost.
- (iv) **Re-Export:** The rig/equipment/items/materials to be imported in to Gabon on re-exportable basis for execution of this contract shall have to re-export after completion of the assignment and should complete all required formalities & documentation. The Contractor should submit all the clearances obtained from the respective Custom authorities and other agencies for re-export of the entire rig packages, equipment, tools, consumables (Leftover) to the company before releasing the final bill. The Contractor/Service provider should arrange for re-export of all items/equipment/materials within the specified period mentioned in this contract document. If the re-export is not completed within the specified period; then the applicable customs duty, penalty etc. levied by customs authorities for such delay shall be to Contractor's account and same will be deducted by the Company from Contractor's bills and Performance Security. Also, the Contractor will be fully responsible to pay the customs duty with other duties & taxes including Penalty.

40.0 RISK PURCHASE: In the event, CONTRACTOR's failure to provide the services as per the Contractual scope, terms and conditions, COMPANY (OIL) reserves the right to hire the services from any other source at the CONTRACTOR's risk & cost and the difference in cost shall be borne by the CONTRACTOR. Further, OIL shall retain the right of forfeiture of Performance Bank Guarantee and any other action as deemed fit. In certain operational situations OIL reserves the right to take over the site including the service equipment at the risk and cost of the CONTRACTOR

PART-3

SECTION-II: SCOPE OF WORK / TERMS OF REFERENCE / TECHNICAL SPECIFICATION

Brief description of service: Hiring Deviation Drilling Service with supply of all tools, equipment, man power for drilling of Two Vertical Wells in location LE & C in Block Shakthi -II, Gabon

1.0 OTHER INFORMATION

The proposed two exploratory wells will be drilled by engaging a Charter Hire on-land electrical drilling rig of 1500 HP capacity (Minimum 1200 hp) . The wells will be vertical with formation pressure to be near hydrostatic. The wells are planned to achieve TD in 8.½” hole and open hole section will be enlarged to 9.5/8” by using 9.½”-9.5/8” under reamer. Both the wells are planned to be completed by lowering 7” production liner to TD. Depth of the wells may somewhat increase or decrease at the discretion of the Company within the rated capacity of the Rig.

2.0 BRIEF DESCRIPTION OF BLOCK SHAKTHI -II

The Block Shakthi -II (G4-245) was awarded to a consortium of M/s Oil India Limited (OIL) & M/s Indian Oil Corporation Limited (IOCL), both Government of India Company under the administrative control of Ministry of Petroleum and Natural Gas, where OIL is operator. Shakthi Block-II (G4-245) with total surface area of 3761.25 SQ.KM is situated in Interior- Basin, Gabon. This block has rivers, lakes, marshy land, national parks and undulating surface. A national highway N-1 is passing through this block is a life line for this area as most of villages, small town fall along this route. This block is covered by forest with thick vegetation and flora and fauna.

3.0 BRIEF DESCRIPTION OF THE LOCATIONS:

- The wells to be drilled viz. Loc C & Loc LE are approximately 190 km & 175 km away by road from Libreville, Gabon and are approximately 95 km & 80 km away by road from Lambarene towards Libreville respectively.
- The distance between the two locations is approximately 25 Km by road.
- The nearest major airport to the location is Libreville (about 250 kilometres away); with seaports at Libreville & Port-Gentil and River Port at Lambarene.
- Drilling is to be started tentatively by May'2025.
- The wells are located within the Interior Sub-basin and are in forest area.
- The TD of the wells are Loc. C=2570 m & Loc. LE=1950 m.
- Wells are expected to be nearly hydrostatic and the bottom hole temperature is estimated to be 88 °C at 2570 metre in Loc. C and 76° C at 1950 metre in Loc. LE.
- Target formations are the N'Dombo and M'Vone.

- The Sub-surface pressure at the reservoir is expected to be nearly hydrostatic.
- Mud loss is not ruled out in the unconsolidated shallower formations

**Hole enlargement to 9.1/2" to 9.5/8" by under reamer.

Note-1:

- (a) Depths are tentative, may vary as per operational and G&G requirement.

4.5 Scope of Work of Deviation Drilling Service:

The contractor shall provide deviation drilling services with equipment/ tools and expert in case of sidetrack job.

The contractor shall mobilize the equipment/ tools and deviation expert in connection with deviation drilling services. However, contractor shall be given a mobilization notice of 72 hours for mobilization of personnel.

4.5.1 The Contractor shall workout all requirements of equipment/ tool and spares required for a particular size of hole and accordingly, mobilize their tool. It is envisaged that likely requirement of contingency side track job will be in 8.1/2" hole section. However, the same in 12.1/4" hole section shall also be required in contingency situation.

4.5.2 Following are the necessary tasks that the Contractor has to perform:

- (i) Mobilization of equipment and tool
- (ii) Selection of various BHA and drill string configuration
- (iii) Identification of usable equipment and crossover subs available with rig

- (iv) Hydraulics design
- (v) Job Execution

4.5.3 **Minimum Set of Tools, Equipment & Accessories required for the Side Track drilling operations:** 1(one) set of Directional Drilling Tools & Equipment are to be provided for drilling of 12¼" and 8-1/2" hole section as a complete package stated as below:

- SDMMs with Stabilizers & Accessories,
- MWD package consisting of
 - MWD tools (with real time Directional, Gamma Ray)
 - MWD Surface Unit
- Drilling Jars (6.1/4" or 6.1/2" or 6.3/4" sizes)
- related directional tubular and accessories (NMDCs, UBHO subs, Float subs, Cross-Over subs etc. as applicable).

The complete system should be capable of building, holding and dropping well angle and direction as per desired Side track/directional well plan.

Note:

- (i) All x-over subs required for connection contractor's string to operator's drill string is to be provided and furnished by the CONTRACTOR.
- (ii) In case of proprietary connection, all cross over subs have to be provided by the bidder to match OIL's string.
- (iii) Match on subs have to be provided by the bidder in case of proprietary connection for fishing and other job along with the lifting sub. In case of non-standard tubular, bidder has to provide overshoot tool for fishing job.
- (iv) The Contractor to deploy 02 nos Directional Drillers & 02 nos. MWD/LWD Engineers per set on 12-hour shift basis.
- (v) The system to be complete with pulsar, electronic sensors, power source etc. for transmitting and recording down-hole data in real time.
- (vi) Stabilizer requirement:
 - 12.1/4" Stabilizer: 12" & 11.3/4" Spiral/Straight blade stabilizers (01 no each)
 - 8.1/2" Stabilizer: 8" & 7.3/4" Spiral/ Straight blade stabilizers (01 no each)

4.5.4 **The Contractor shall be paid as per following format: (SCHEDULED OF RATES)**

- i) Mobilization charges for equipment/ tool and personnel on completion of mobilization of each job on lump sum basis.
- ii) De-Mobilization charges for equipment/ tool and personnel on completion of de-mobilisation after each job on lump sum basis

- iii) Day Rental Charges for equipment/ tool for the period from mobilization to demobilization.
- iv) Operating Charges for equipment/ tool, from Contractor's tool/ equipment is lowered below Rotary Table and is pulled out above Rotary table.
- v) Day rate for Deviation Expert during the presence at well site.

END OF SECTION-II

PART-3

SECTION-III: SPECIAL TERMS AND CONDITIONS OF CONTRACT (SCC)

The following Special Terms & Conditions of Contract (SCC) shall supplement and / or amend the General Conditions of Contract (GCC). Whenever there is a conflict, the provisions herein shall prevail over those in the GCC.

1.0 DEFINITIONS: Following terms and expression shall have the meaning here by assigned to them unless the context otherwise requires:

1.1 **"Agreement"** means this service agreement.

1.2 **"Approval"** as it relates to Company, means written approval.

1.3 **"deleted."**

1.4 **"Breach Of Contractual Obligation"** means amongst others also the following:

- i) Carriage of unauthorised passengers/waste/good(s) by the Contractor while under this agreement with the Company.
- ii) Withdrawal of vehicle(s)/equipment from the service for any reason whatsoever without the consent/instruction of the Company Engineer and;
- iii) Failure of the Contractor to place the vehicle(s) /equipment for inspection as and when directed by Company's Engineer.
- iv) Failure to park the vehicle(s)/equipment after release on close of working hours at place designated by Company's Engineers.

1.5 **"Company Engineer"** means GM-Gabon Project or his nominee in respect of this Agreement.

1.6 **"Contractor's representatives"** mean such persons duly appointed by the Contractor thereof at site to act on Contractor's behalf and notified in writing to the Company.

1.7 **"Contractor's personnel / Crew"** means Supervisors, Operators, Drivers, Handymen/ Helper(s), Labour to be provided by Contractor from time to time to conduct operations.

1.8 **"Day"** means a calendar day of twenty-four (24) consecutive hours beginning at 06:00 hrs. and ending at 06:00 hrs.

1.9.1 **"Default"** means any of the following commissions or omissions by the Contractor or his/her crew which will lead to shut down of vehicle(s)/equipment and/or breach of contractual obligations: -

- a) Delay in initial placement of vehicle(s)/equipment along with required manpower beyond the stipulated date;
- b) Unsuitability of the Contractor's personnel / Crew.
- c) Drunkenness and intoxication of the Contractor's personnel / Crew.
- d) Non-availability of vehicle(s)/equipment due to any reason, whatsoever, including but not limited to the following conditions:-

- i) Deteriorated mechanical condition of the vehicle(s)/equipment and/or breakdown;
- ii) Due to inadequate routine maintenance
- iii) Time taken for routine servicing / maintenance in excess of time allowed for such maintenance.
- e) Non-possession of valid permits and licenses for the crew and vehicle(s)/equipment.
- f) Non-supply of fuel.
- g) Delay in placement of vehicle(s)/equipment on any day as per the instruction of the Company's Engineer and / or unauthorized and untimely release of vehicle(s)/equipment on any day without prior permission and authorization from the Company Engineer during the tenure of this Agreement.
- h) If the Contractor bases the vehicle(s)/equipment at a station other than the stipulated Base Camp without the authorization of the Company Engineer.
- i) Non-availability of vehicle(s)/equipment due to defects detected upon periodic inspection/tests by the Company.
- j) Non-rectification of defects expeditiously upon detection by the Company Engineer upon inspection/test undertaken by the Company.
- k) Non-availability of equipment/vehicle(s)/ crew beyond 12 (Twelve) Hours allowable for repair / maintenance time.
- l) Non-availability of the vehicle(s)/equipment or crew when required by the Company's Engineer; and
- m) Failure on part of the Contractor to discharge his/her obligations as set out in Clause 4.0 hereof and/or failure on part of the Contractor to abide with particular instructions as set out in Clause 5.0 hereof and/or failure on part of the Contractor to obey the instruction of the Company's Engineer as set out in Clause 6.0 hereof.
- n) Any other acts or omissions by the Contractor or his/her crew whether specified or not hereof which disrupt the continuity of the service envisaged under this Agreement.
- o) Non-availability of equipment/vehicle(s)/crew when the Company's operations are normal.
- p) Non-availability of services due to unauthorized/lightning strike by Contractor or his/her crew for any reason whatsoever. The period of non-availability of services will be treated as shutdown.

1.9.2 In case of default not leading to shut down, the Company's Engineer shall notify the Contractor to remedy the defect within reasonable time and till such defect is remedied, if necessary the vehicle(s)/equipment shall be released to the Contractor, whereupon it shall be treated as shut down and the pro-rata operating & rental charges per day shall not be paid for the period of shut down and special liquidated damages as applicable shall be levied too.

1.10 **"Deteriorated Condition of Vehicle/Equipment"** means any vehicle(s) / equipment found not acceptable to Company's Engineer after mechanical inspection or/and vehicle(s) / equipment found to be unworthy of undertaking the services envisaged under the provisions of this Agreement or/and vehicle(s)/equipment which is/are facing repeated breakdown due to inadequate, improper and timely repairs and maintenance and / or vehicle(s)/equipment refused by the Company's Engineer as being unfit.

- 1.11 **"Driver / Operator"** means an individual including owner of the vehicle who chooses to drive the vehicle, possessing sound mental and physical health, who is in possession of an appropriate valid professional Driving License issued by the appropriate Authority, who is driving vehicle under the Contract.
- 1.12 **"Facility"** means and includes all property of Company owned or hired, to be made available for services under this Contract and as described in this agreement which is or will be a part of the Company.
- 1.13 **"Handymen/Helper"** means such crew engaged by the Contractor and provided with the vehicle/equipment, cost whereof is included in the fixed rental per month, as applicable.
- 1.14 **"Holiday"** means the National Holiday applicable in Gabon, which the Contractor may be required to give to his/her Crew as per the applicable Act / laws.
- 1.15 **"Inspection"** means inspection that may be carried out as and when desired by the Company's Engineer to ascertain road worthiness of the vehicle(s)/equipment along with necessary Permits, Insurance etc. for the vehicle(s)/equipment as well as all the Crew engaged against this contract. The Company's decision in this regard shall be final.
- 1.16 **"Insurance"** means comprehensive insurance of the vehicle(s)/equipment and shall include insurance of the crew.
- 1.17 **"Inter Location Movement" [ILM]** means transfer of vehicle(s)/equipment along with associated manpower Services from one drilling location to the next location.
- 1.18 **"Labour"** means such crew (skilled / unskilled) other than Driver, Operator, Handymen/Helper engaged by the Contractor for providing services under this contract, cost whereof is included in the fixed rental charge per month.
- 1.19 **"Licence And Permits"** means any and all of the following which must be valid and updated periodically by the Contractor to the satisfaction of the Company:-
- a. Professional driving license(s) for the driver(s)/Operator(s);
 - b. Registration Book(s) with endorsement of Road Tax, as applicable;
 - c. Permits for plying the vehicle(s)/equipment for commercial purpose as may be required
 - d. Road permits
 - e. Fitness certificate
 - f. Comprehensive insurance certificate(s) both for vehicle(s)/equipment as well as Crew.
 - g. Any other as required under law in force.

2.0 DESCRIPTION OF WORK:

- 2.1 All work performed by the Contractor shall be continuous, on day to day basis as set down in Schedule of Service, Units and Rates described in SOR /BOQ hereof which SOR /BOQ forms and constitutes part and parcel of this Agreement, read in conjunction with the particular specification and instruction contained in Section-III (SCC) /STC hereof which Section-III SCC/STC also forms and constitutes a part and parcel of this Service Agreement. All the 3(Three) Parts of this service agreement will be read and construed together with the related Annexure.
- 2.2 Contractor shall provide the transport service with vehicle(s)/equipment as determined in SOR /BOQ hereof and shall be responsible for all actions necessary for day to day running and maintaining the services on a continuous basis in an efficient and adequate manner. The Contractor shall be responsible for timely payment of all applicable taxes, fees, insurances for smoothly operating the services envisaged under this agreement including all capital investments and operating expenses as may be necessary and incidental in relation thereto.
- 2.3 The rates agreed/accepted by the Contractor as set-out in SOR /BOQ hereof are inclusive of all expenses mentioned hereof and such other similar charges as may be required including payment to his/her operator(s), Driver(s), Crew and other staff as per the provisions of Statutory Acts. The rates stipulated in SOR /BOQ hereof shall be firm and final and no escalation whatsoever except as may be stipulated otherwise shall be admissible on any account.
- 2.4 The Contractor shall supply and maintain the services of all vehicles / equipment with Operators, Driver(s), Attendant(s), Helper(s) (wherever applicable) as may be required by the Company.
- 2.5 The Contractor shall hereby undertake to pay to his/her (Crew/Staff), wages payable under applicable Act as may be in force from time to time during the currency of this Agreement. He/She further undertakes to pay all his/her operating staff, if any, working under this Agreement the due wages in time including any arrears of wages which may arise due to escalation of applicable wages under applicable statutory Act.

3.0 MANNER OF CONDUCTING WORK:

The Contractor shall carry out all operations hereunder with due diligence, in a safe and workmen like manner and in accordance with the accepted practice and safety rules of the Company in the area of its operations.

4.0 OBLIGATIONS OF THE CONTRACTOR:

- 4.1 The Contractor shall observe and abide by all the Statutory Acts and shall be primarily and solely responsible for observance of the rules and regulations stipulated hereunder.
- 4.2 The Contractor shall be responsible and liable for all claims, monetary or otherwise, arising out of the use of vehicle(s)/equipment or operations of the services envisaged under this agreement including liability under the Statutory Act or any other liability as may arise due to operation of this agreement and the Company shall not be held liable or responsible for any such claim in any manner whatsoever. The Statutory requirements and obligations to be performed under the Statutory Acts affecting the

operations of the services under this Agreement shall have to be performed by the Contractor only and shall be his/her sole responsibility. Be it stated particularly that the Contractor hereby undertakes to fully implement entirely at his/her own cost all the provisions of the Statutory Acts as may be in force from time to time as may be applicable to the operation of the service envisaged under this agreement in the area of operations of the Company.

- 4.3 The Company shall not be liable for any dues, statutory or otherwise claimed by the employees/workmen employed by the Contractor for the services rendered under this agreement and all such claims, statutory or otherwise or operation of any settlement or award in favour of the employees/workmen employed by the Contractor will be solely against the Contractor and not against the Company. Be it expressly stated that any demands whether present or future by the employees deployed by the Contractor against the services envisaged under this agreement shall have to be settled and satisfied by the Contractor solely and in the event of any loss or inconvenience or disruption that may result because of any non-settlement of such demands which may lead to a disruption of service envisaged under this Agreement shall also be deemed as a default.
- 4.4 The Company shall neither entertain any demands from the employees of the Contractor nor deal directly or indirectly with any recognised or un-recognised unions of such employees. Be it expressly stated that it shall be primarily and solely the responsibility of the Contractor to deal, interact and settle any demands or disputes of his/her employees individually or through any unions or otherwise and the Company shall not mediate in this matter at all.
- 4.5 Any unsettled disputes between the Contractor and his/her employees leading to a legal or illegal strike by them would have to be settled by the Contractor expeditiously. In the event of such a strike, whether legal or illegal, the services under this agreement shall be treated as shut down. Any failure on the part of the Contractor to settle the disputes expeditiously or with reasonable dispatch which results in interruption of the services envisaged under this Agreement would be considered as a default under this agreement and the agreement would be terminated at the discretion of the Company. The Contractor shall, however, be given reasonable opportunity by the Company to explain that the cause of the dispute was not due to delay on his/her part or due to failure to implement the statutory obligations under the Statutory Acts as stipulated hereof. In the event if it is proved that the Contractor was in default as mentioned here above, the Company shall have the option to terminate the Agreement forthwith and the Contractor shall not be entitled to any damages or compensation whatsoever on account of such termination.
- 4.6 The Contractor shall ensure that the vehicle(s)/equipment/crew deployed under this service agreement do not cause any damage to the properties of the Company or third party service providers engaged by the Company. - 1) It will be solely the Contractor's responsibility to fulfil all the legal formalities with respect to the Health, Safety and Environmental aspects of the entire job (namely; the person employed by him, the equipment, the environment, etc.) under the jurisdiction where it is operating. Ensure that all sub-contractors hired by him comply with the same requirement as the contractor himself and shall be liable for ensuring compliance all HSE laws by the sub or sub-sub-contractors.
- 2) Every person deployed by the contractor in a mine must wear safety gadgets to be provided by the contractor. The Contractor shall provide proper Personnel Protective Equipment(PPE) as per the hazard identified and risk assessed for the job and conforming to statutory requirement and company PPE schedule. Safety appliances like protective footwear, Safety Helmet and Full Body harness has to be as per the international standard. It will be the Contractor's sole responsibility to ensure that the persons engaged by him in the mines use the proper PPE while at work. All the safety gears mentioned above are to be provided to the working personnel before commencement of the work.
- 3) The Contractor shall prepare written Safe Operating Procedure (SOP) for the work to be carried out, including an assessment of risk, wherever possible and safe methods to deal with it/them. The SOP should clearly state the risk arising to men, machineries & material from the mining operation/operations to be done by the contractor and how it is to be managed.
- 4) The contractor shall provide a copy of the SOP to the person who shall be supervising the contractor's work.
- 5) Keep an up to date SOP and provide a copy of changes to a person who shall be supervising the contractor's work.
- 6) Contractor has to ensure that all work is carried out in accordance with the Statute and SOP and for the purpose he may deploy adequate qualified and competent personnel for the purpose of carrying out the job in a safe manner.
- 7) It will be entirely the responsibility of the Contractor/his Supervisor/representative to ensure strict adherence to all HSE measures and statutory rules during operation and safety of workers engaged by him. The crew members will not refuse to follow any instruction given by company's representative for safe operation.
- 8) Any compensation arising out of the job carried out by the Contractor whether related to pollution, Safety or Health will be paid by the contractor only.
- 9) Any compensation arising due to accident of the Contractor's personnel while carrying out the job, will be payable by the contractor.

- 10) The contractor shall have to report all incidents including near miss to company representative of OIL.
- 11) The contractor has to keep a register of the persons employed by him/her. The contractor's supervisor shall take and maintain attendance of his men every day for the work, punctually.
- 12) If the company arranges any safety class/training for the working personnel at site (company employee, contractor worker, etc.) the contractor will not have any objection to any such training.
- 13) To arrange daily tool box meeting and regular site safety meetings and maintain records and submit the same to OIL.
- 14) Records of daily attendance, accident report etc. are to be maintained by the contractor.
- 15) A contractor employee must, while at work, take reasonable care for the health and safety of people who are at the employee's place of work and who may be affected by the employee's act or omissions at work.
- 16) A contractor employee must, while at work, cooperate with his or her employer or other persons as far as is necessary to enable compliance with any requirement under the act or the regulations that is imposed in the interest of health, safety and welfare of the employee or any other person.
- 17) In case Contractor is found non-compliant of HSE laws as required, company will have the right for directing the contractor to take action to comply with the requirements, and for further non-compliance, the contractor may be penalized prevailing relevant Acts/ Rules/Regulations.
- 18) When there is a significant risk to health, environment or safety of a person or place arising because of a non-compliance of HSE Measures, Company will have the right to direct the contractor to cease work until the non-compliance is corrected.
- 19) Special precautions must be taken by the contractor for all its personnel to protect them from any disease/ epidemic as known or prevalent in the country/area. All vaccinations, immunization procedures against these diseases must be maintained as per local law.
- 20) As the place of work is in the forest area, any conflict or danger/damage from and to the animal/forest dwellers must be prevented with special care and to follow QHSE procedures.
- 21) The contractor should prevent the frequent change of his contractual employees as far as practicable.
- 22) The contractor should frame a mutually agreed bridging document between OIL & the contractor with roles and responsibilities clearly defined.

- 23) For any HSE matters not specified in the contract document, the contractor will abide the relevant and prevailing Acts/rules/regulations/pertaining to Health, Safety and Environment and as described in the Environmental Impact Assessment (EIA) report which is available at the Office of the Gabon-Project, OIL INDIA LTD.
