Formal confirmation of Oil India Limited's admission to the Oil & Gas Decarbonization Charter (OGDC)

Dear Dr. Ranjit Rath, Chairman & Managing Director at Oil India Limited,

On behalf of the Oil & Gas Decarbonization Charter (OGDC), we are delighted to confirm your company's formal admission to our initiative.

Oil India Limited's plans to reduce greenhouse gas emissions from oil and gas operations align closely with the Charter's goals and reflect your company's leadership in emissions reduction. We look forward to collaborating with you.

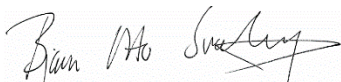

As a Signatory to the Charter, your company joins more than 50 of the world's leading oil and gas companies working together to accelerate efforts to achieve net zero in line with the Charter's ambitions.

OGDC, which was launched at COP28 in 2023, represents a significant advance in the industry's collective effort to reduce greenhouse gas emissions from oil and gas operations and accelerate the energy transition.

OGDC is an inclusive and collaborative initiative focused on supporting and enabling oil and gas companies to accelerate action to decarbonize their operations.

We look forward to working with you as we steer the industry to a net zero future.

Yours sincerely,

Bjørn Otto Sverdrup
Head of OGDC Secretariat
