

VENDOR DEVELOPMENT PROGRAMME for SC/ST and WOMEN led Micro and Small Enterprises, 2025.

Vendor Development Programme was conducted on 11th June, 2025 at the Auditorium of the Drilling Department, located in New Industrial Area, Duliagan. The event aimed to foster inclusive economic growth, enhance vendor participation in public procurement, and establish sustainable business partnerships with SC/ST and Women led MSE vendors. The event was graced by the esteemed presence of RCE-officiating, ED-F&A, ED-C&P and other senior officials from C&P and user departments, as well as representatives from the Ministry of Micro, Small and Medium Enterprises (MSME) including Tool Room and Training Centre (TRTC), and numerous participating vendors.

Detailed presentations were delivered by representatives from Contracts, ESG, and INDEG departments. Officials from the Ministry of MSME and TRTC also provided informative presentations. The presentations were followed by an interactive session with vendors to facilitate dialogue, address concerns, and encourage collaborative participation. During the session, vendors raised a range of queries, all of which were addressed to their satisfaction by the panel members from OIL and MSME.
