

Minutes Of Special Vendor Awareness Programme for MSEs held at Luitpaar Club, PHQ Guwahati on 17th November 2025.

Pipeline Sphere of OIL INDIA LTD is responsible for transporting crude oil produced from the oilfields in Upper Assam of both OIL and ONGCL to presently four Refineries – Digboi, Numaligarh, Guwahati and Bongaigaon. Pipeline Sphere is also responsible for maintenance of 1157 km Duliajan - Barauni pipeline and 654 km Namaligarh – Siliguri product Pipeline. To maintain seamless pipeline operations, the procurement of goods and services is critical. The C&P department at PHQ fulfills all operational requirements for the pipeline. Materials & Contracts department plays a vital role not only in the smooth operation of transportation of crude oil but also all the pipeline maintenance activities including Pipeline Upgradation Projects through its controlled supply chain management.

It has always been an endeavour of OIL to encourage more participation in its tenders and accordingly, it is felt essential to provide an interactive and collaborative platform to the vendors enabling them to understand Company's Procurement Procedures and provide their views/suggestions for common interest.

As per the directive from Ministry of MSME, to organize **Special Vendor Awareness Programme for MSEs**, Pipeline sphere of OIL organized the vendor awareness programme in Luitpar club at PHQ Guwahati on **17.11.2025** to foster large partnership of MSEs enterprises in procurement of OIL.

This programme aimed to enhance vendors' understanding of procurement procedures, quality standards, and the company's business expectations.

A total 36 representatives attended this programme.

ED-PLS(Officiating)(Arindam Barua) and several other senior officials of OIL from Pipeline headquarter was attended this programme. Sri S.S BARUAH, Assistance Director MSME was also invited for the programme.
