

OIL Jeevika empowers rural farmers with agro-based clusters

14th August, 2023: As part of AKAM, under OIL Jeevika, Assam, a programme focussed on promoting agro-based clusters on spices to empower socio-economically rural farmers was organised. The farmers were provided a comprehensive briefing on the significance of agro-based clusters for sustaining livelihoods. The programme also included live demonstrations of pit making, land preparations, black pepper (spice) vine distribution, plantations and remedies from various threats such as weather, fungus, various seasonal diseases etc.
