

Foundation stone of CFBIC laid under CSR Project Jeevika

Under Project OIL Jeevika, the foundation stone for civil construction of CFBIC (Common Facility & Business Information Centre Centre) at Diyun near Kumchai EPS at Arunachal Pradesh was laid on 30th September 2020. The CFBIC soon after completion of construction will set up a processing and value addition unit for honey, mustard, buckwheat and local pulses. The CFBIC will link all the small producer beneficiaries under the project and facilitate production of finished items along with marketing. On behalf of OIL, the foundation for civil construction was laid by Shri T Hazarika, DGM (CSR&CC) and Ms Nayana Madhu Dutta, Sr Manager (CSR), OIL.
