Detailed Public Announcement dated May 20, 2024 and published on May 21, 2024 and; d. Letter of Offer dated May 21, 2024 Based on the review of the IPA, DPA and LOF issued by the Manager to the Offer on behalf of the Promoter Acquirers, the IDC Chairperson and Member have considered the following reasons for making recommendations in paragraph 11 above: (i) The proposed delisting would enable the promoter and members of the promoter group to obtain full ownership of the Company, which in turn will provide enhanced operational flexibility. As the Company will no longer remain listed, there will be reduction in dedicated management time to comply with the requirements associated with continued listing of equity shares, which can be refocused to its business. (ii) The delisting proposal will enhance the Company's operational, financial and strategic flexibility including but not limited to corporate restructurings, acquisitions, exploring new financing structures, including financial support from the promoter/promoter group. (iii) The delisting proposal is in the interest of the public shareholders as it will provide them an opportunity to exit from the Company at a price determined in accordance with the Delisting Regulations, providing immediate liquidity given the heightened market volatility. (iv) It is believed that instead of subjecting the Public Shareholders to uncertainties, it would be fair to provide them an exit opportunity through a delisting offer. Thus, the proposed delisting is in the interest of the Public Shareholders as it will provide them an opportunity to exit from the Company at a price determined in compliance with the Delisting Regulations. The IDC Chairperson and Member, however, suggest that Public Shareholders of the Company should independently evaluate this Delisting Offer, market performance of the Company scrip, the performance of the Company and take informed decisions in respect of the Delisting Offer. This statement of recommendations will be available on the website of the Company at <a href="http://www.shardulsecurities.com">www.shardulsecurities.com</a> The recommendations were unanimously approved by the IDC Chairperson and Member.
