

# Telcos seek higher int'l termination charges

Say it will ensure an ecosystem that prioritises consumer protection

GULVEEN AULAKH  
New Delhi, 10 February

Major telecom operators, including Bharti Airtel, Reliance Jio, and Vodafone Idea, are pushing for an immediate upward revision of international termination charges from the current ceiling of ₹0.65 per minute to at least ₹4.5.

This is in light of the rising number of financial frauds, including those by artificial intelligence (AI) tools.

International termination charge is an amount that any overseas carrier pays for calls landing on Indian telcos' networks. While any foreign telecom services provider would only need to pay ₹0.35-0.65 per minute to an Indian firm, the charge becomes ₹3-3.5 per minute if calls from Indian telcos terminate on foreign telcos' networks.

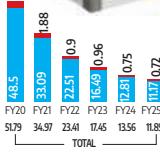

The disparity, industry executives said, was stark since the volume of incoming calls was far higher than outgoing. Therefore, it required intervention from the sector's regulator. According to data from GSMA India Consumer Scam Report of 2025, the country has high exposure to scams, with 53 per cent of adults reporting lifetime exposure, and 42 per cent said the risk is increasing rapidly.

The report, reviewed by *Business Standard*, showed that victims most often cite messaging apps (46 per cent), SMS (37 per cent), email (33 per cent), social platforms (33 per cent), and voice (20 per cent), with search ads (10 per cent), QR/payment links (18 per cent) and even dating apps (14 per cent) being a part of the mix.

The report adds that 10 per cent believe they were personally targeted by AI-enabled scams, showing a strong signal that real-time OTP relays and convincing impersonation were already in play.

The report further notes that 65 per cent of victims lost money (14 per cent large losses), and many describe emotional distress (50 per

cent), ongoing anxiety (43 per cent), and the time and effort (40 per cent) it took to put things right.

In the context of AI spam and scams rising, the call for raising international terminal charge levels has become stronger. The Telecom Regulatory Authority of India (Trai) is looking to review the entire interconnection regulation that governs the sector, including international terminal charges, in a consultation paper issued in November last year.

The last time it reviewed the charge was in 2020, raising it from a fixed rate of ₹0.3 to the current range.

"Aligning India's international terminal charge framework with global rates will ensure a secure ecosystem that prioritises consumer protection. Higher charge will directly benefit the consumers leading to reduced exposure to financial fraud," the Cellular Operators Association of India (COAI), which represents top Indian telcos, said in its representation to Trai. Another executive said that a higher rate, at par with other global markets, would also bring down the chances of financial scams, impersonation fraud, data harvesting and even loss of personal data.

## Reliance Consumer Products buys Southern Health Foods

SHARLEEN D'SOUZA  
Mumbai, 10 February

Reliance Consumer Products Ltd (RCPL), an arm of Reliance Industries, has acquired Southern Health Foods, a leading Tamil-Nadu-based maker of health foods, housing the brand "Manna".

The acquisition amount has not been disclosed.

Manna is a manufacturer of wide-ranging healthy foods for well over two decades.

"The addition of Manna gives further strength to RCPL's foods and staples portfolio, which includes brands like Udhayam, Independence and SIL, through building a strong business vertical in the growing millet-based foods segment," the company said in a release.

Southern Health Foods is a player in packaged healthy foods including millets, oats, multigrain products, health mixes, breakfast cereals, and

dry fruits. Its flagship brand Manna is widely known for its offers in many emerging packaged foods categories like millet flour, baby foods, and multigrain mixes.

Krishnakumar, director, RCPL, said: "Manna is one of the most trusted names in the market for health-focused foods in Tamil Nadu with a noticeable presence in the adjoining states.

It is known for healthy offers like millet-based staples and mixes, drinks and baby food. Apart from adding muscle to RCPL's packaged foods portfolio, Manna's addition will help us serve consumers the best nutritious foods. With our strong distribution, research and development, and supply-chain capabilities, Manna would be made available in other geographies, eventually making it a household name across the country."

## Delhi HC nudges Kapur family towards mediation on estate feud

BHAVINI MISHRA  
New Delhi, 10 February

The Delhi High Court on Tuesday urged parties locked in a succession dispute over the estate of late industrialist Sunjay Kapur to explore mediation, observing that the prolonged litigation had taken a heavy personal toll on the family.

Hearing a clutch of applications, Justice Mini Pushkarna said the proceedings reflected a "sorry state of affairs" and "a lot of dirty linen was being

washed in the open," with deep personal grievances playing out. The judge noted that while the parties had suffered an irreparable loss, they had also been left with considerable wealth, which should not become a source of enduring conflict.

"Try to resolve the issue amicably. Try to respect the relations, resolve it in a peaceful manner. These are fruits of someone else's labour and a blessing to you. Let it not turn into a curse," Justice Pushkarna said.

## Himanta, Cong file cases

STAFF REPORTER

GUWAHATI, Feb 10: Chief Minister Himanta Biswa Sarma today filed a defamation case seeking Rs 500 crore in damages against Congress leaders Jitendra Singh, Bhupesh Baghel and Gaurav Gogoi for making "false, malicious and defamatory allegations" against him through a press conference.

"The era of hit-and-run politics is over. If they have even an ounce of courage or evidence, let them prove every allegation before a court of law," Sarma said.

Meanwhile, the Assam Pradesh Congress Committee (APCC) on Tuesday lodged an FIR at Dispur Police Station against a controversial AI-generated video posted on the official 'X' handle of the BJP Assam Pradesh. The video allegedly depicts Chief Minister Himanta Biswa Sarma symbolically firing a gun at members of the minority community.

According to the FIR, signed by MLAs Diganta Barman and Shivamani Bora, the provocative video was shared on February 7, through the official BJP Assam Pradesh 'X' handle (@BJP4Assam). The complaint states that the content is highly inflammatory and overtly communal in nature.

The FIR further alleges that the caption accompanying the video used phrases such as "foreigner free Assam," "No mercy," "Why did you not go to Pakistan?" and "There is no forgiveness to Bangladeshis," deliberately targeting the minority Muslim community of the state with malicious intent.

It has been stated in the FIR that the circulation of such an AI-generated video was aimed at humiliating and provoking a particular community, which could seriously disturb social harmony and create an atmosphere of hatred and tension in society.

# Boundary wall construction begins at Zubeen Kshetra

CORRESPONDENT

JORABAT, Feb 10: Moving swiftly after days of public anger over the condition of Zubeen Kshetra, the Dimoria co-district administration began preliminary work for construction of a boundary wall around the memorial site of the late singer at Sonapur on Tuesday. Temporary vendors operating in the vicinity were removed and a coordinated cleanliness drive was undertaken at the site.

The intervention follows a directive from Chief Minister Himanta Biswa Sarma after a video recorded by a cab driver went viral, sparking intense debate across Assam on the upkeep and dignity of the resting place of one of the State's most celebrated cultural figures.

In the widely circulated clip, the driver, who had ferried tourists from Kolkata, voiced embarrassment at the dusty surroundings, absence of basic maintenance, and the presence of small shops near the memorial. The video struck a chord with the public and was shared by members of Zubeen Garg's family.

ly, amplifying demands for immediate corrective measures.

From early morning, officials of the Dimoria administration, assisted by police, local residents, and members of Zubeen Garg Fan Club, carried out a joint drive. Sources said temporary commercial establishments falling within the proposed boundary alignment have

been dismantled.

Zubeen Garg's wife Garima Garg, accompanied by his brother Arun Garg, visited the Kshetra today and reviewed the arrangements. The family members also joined the volunteers in cleaning the Kshetra. Talking to mediapersons, Garima Garg said the artiste had never liked unhygienic environments and that complaints

had been mounting for several days. She stressed the need to institutionalise a mechanism so that cleanliness is maintained every day rather than through occasional drives.

Garima Garg also renewed the family's demand for firm legal action related to the circumstances of the singer's death, calling for speedy trial procedures so

that those responsible are punished without delay.

Prior to this, the singer's sister Palmeen Borthakur had publicly questioned why a personality who brought global recognition to Assam did not have a properly managed memorial. Her remarks on social media intensified calls for accountability and structured governance of the site.

## Himanta, Cong file cases

STAFF REPORTER

GUWAHATI, Feb 10: Chief Minister Himanta Biswa Sarma today filed a defamation case seeking Rs 500 crore in damages against Congress leaders Jitendra Singh, Bhupesh Baghel and Gaurav Gogoi for making "false, malicious and defamatory allegations" against him through a press conference.

"The era of hit-and-run politics is over. If they have even an ounce of courage or evidence, let them prove every allegation before a court of law," Sarma said.

Meanwhile, the Assam Pradesh Congress Committee (APCC) on Tuesday lodged an FIR at Dispur Police Station against a controversial AI-generated video posted on the official 'X' handle of the BJP Assam Pradesh. The video allegedly depicts Chief Minister Himanta Biswa Sarma symbolically firing a gun at members of the minority community.

According to the FIR, signed by MLAs Diganta Barman and Shivamani Bora, the provocative video was shared on February 7, through the official BJP Assam Pradesh 'X' handle (@BJP4Assam). The complaint states that the content is highly inflammatory and overtly communal in nature.

The FIR further alleges that the caption accompanying the video used phrases such as "foreigner free Assam," "No mercy," "Why did you not go to Pakistan?" and "There is no forgiveness to Bangladeshis," deliberately targeting the minority Muslim community of the state with malicious intent.

It has been stated in the FIR that the circulation of such an AI-generated video was aimed at humiliating and provoking a particular community, which could seriously disturb social harmony and create an atmosphere of hatred and tension in society.

## Inland waterways transports special cargo

STAFF REPORTER

GUWAHATI, Feb 10: The Inland Waterways Authority of India (IWAI) has facilitated the movement of Over Dimensional Cargo (ODC) through inland waterways, reinforcing its commitment to efficient and environmentally sustainable transport.

An ODC consignment weighing 189,260 metric tonnes, crucial for strengthening Assam's semiconductor ecosystem, is being transported via National Waterway-2 (Brahmaputra) and

# Boundary wall construction begins at Zubeen Kshetra

CORRESPONDENT

JORABAT, Feb 10: Moving swiftly after days of public anger over the condition of Zubeen Kshetra, the Dimoria co-district administration began preliminary work for construction of a boundary wall around the memorial site of the late singer at Sonapur on Tuesday. Temporary vendors operating in the vicinity were removed and a coordinated cleanliness drive was undertaken at the site.

The intervention follows a directive from Chief Minister Himanta Biswa Sarma after a video recorded by a cab driver went viral, sparking intense debate across Assam on the upkeep and dignity of the resting place of one of the State's most celebrated cultural figures.

In the widely circulated clip, the driver, who had ferried tourists from Kolkata, voiced embarrassment at the dusty surroundings, absence of basic maintenance, and the presence of small shops near the memorial. The video struck a chord with the public and was shared by members of Zubeen Garg's family.

ly, amplifying demands for immediate corrective measures.

From early morning, officials of the Dimoria administration, assisted by police, local residents, and members of Zubeen Garg Fan Club, carried out a joint drive. Sources said temporary commercial establishments falling within the proposed boundary alignment have

been dismantled.

Zubeen Garg's wife Garima Garg, accompanied by his brother Arun Garg, visited the Kshetra today and reviewed the arrangements. The family members also joined the volunteers in cleaning the Kshetra. Talking to mediapersons, Garima Garg said the artiste had never liked unhygienic environments and that complaints

had been mounting for several days. She stressed the need to institutionalise a mechanism so that cleanliness is maintained every day rather than through occasional drives.

Garima Garg also renewed the family's demand for firm legal action related to the circumstances of the singer's death, calling for speedy trial procedures so

that those responsible are punished without delay.

Prior to this, the singer's sister Palmeen Borthakur had publicly questioned why a personality who brought global recognition to Assam did not have a properly managed memorial. Her remarks on social media intensified calls for accountability and structured governance of the site.

personal data theft. He emphasized that safe internet practices are essential for building a safe society.

Explaining the objectives of the programme, Mridul Deka, District Informatics Officer, Kamrup, stated that Safer Internet Day is observed globally on February 10 to promote awareness about responsible internet usage.

The programme was attended by Deba Kumar Misra, District Commissioner, Kamrup, as the chief guest.

Addressing the gathering, the District Commissioner highlighted the growing importance of safe and responsible internet usage in the digital age. He stressed the need for cautious and ethical use of technology, particularly artificial intelligence (AI), in everyday life. He urged the citizens to remain vigilant while using digital platforms, noting that while the internet has become integral to education, business, governance, and social interaction, it also carries risks such as misinformation, deepfakes, and

The programme was attended by Sushant Kumar Dutta, District Development Commissioner; Dr Bhupali Kashyap, Election Officer; along with officers and staff of the Integrated District Commissioner's Office.
