**Sub: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 regarding Area-1 Offshore Rovuma Basin, Mozambique**

Sir / Madam,

Oil India Limited holds 4% interest in Area-1 Offshore Rovuma Basin Block in Mozambique through a Joint Venture entity, Beas Rovuma Energy Mozambique Limited (BREML). The initial development of the project is through two LNG trains of total capacity 13.12 MMTPA.

In April 2021, degradation of security situation in Cabo Delgado Province of Northern Mozambique, necessitated the Area-1 concessionaires to declare Force Majeure and suspend the development activities.

As the security situation has significantly improved, it is informed that the Area-1 concessionaires have decided to lift the Force Majeure.

This is for your information & records please.

Thanking you,

Yours faithfully,  
For Oil India Limited
