

**NOTIFICATION ON AMENDMENT OF TENDERING RULES
for OIL's Registered Civil Contractors**

Ref. No. OIL/CONT/V/C/538/2019-20

Date: 29.07.2020

This is for general information to all concerned OIL's Registered Civil Contractors that in continuation to existing tendering procedures published vide Notification Ref. No. OIL/CONT/V/C/753/2019-20 dated 11.09.2019, Company has decided to amend a few provisions pertaining to Civil tenders which are as follows:

- (a) Against open tenders having estimated tender value from **Rs. 200 Lakh** to **Rs. 500 Lakh** for **construction of Roads and Drilling Locations only**, OIL's registered '**A**' Class Civil Contractors shall be exempted from submitting BID SECURITY and supporting documents towards TECHNICAL QUALIFYING CRITERIA. However, they are not exempted from submission of supporting documents pertaining to Financial or any other qualifying criteria of such tenders.
- (b) For all other type of Civil Engineering Works (other than Roads and Drilling Locations) covered under open tenders having estimated tender value more than Rs. 200 Lakh, OIL's registered 'A' Class civil Contractors shall not be exempted from any of the tender qualifying criteria, but to be treated at par with any other bidder.
