(EOI) NO. EOI/GLOBAL/O/574/2020-21 dated 31.12.2020

For

Expression of Interest (EOI) for "Providing services of Production Enhancement from Mature fields".

1.0 PREAMBLE:

OIL INDIA LIMITED (OIL), a Government of India Enterprise under the Ministry of Petroleum and Natural Gas, is a premier up-stream Oil Company engaged in the business of Exploration, Production & Transportation of Crude Oil & Natural Gas as well as production of LPG, having its Headquarter at Duliajan, Assam in India. Its operations are largely based in the north-eastern parts of India particularly in Assam and Arunachal Pradesh, but have also extended its activities in different parts of India and abroad. In connection with its ongoing exploration & production activities in the State of Assam, OIL invites Expression of Interest (EOIs) from reputed and established E&P Service Providers/Vendors/Contractors meeting the pre-qualification criteria as mentioned below for providing services of production enhancement from mature fields.

2.0 OBJECTIVE:

- OIL intends to hire integrated services for enhancement of production from its mature fields in India through 'Production Enhancement Contract (PEC)'. OIL is looking for globally reputed oil and gas companies having technical expertise, experience of handling Crude oil and Natural Gas fields, financial capability and resources to enhance production by improving the recovery from OIL's mature fields. This EOI is intended to lookout for such experienced companies.
- **Duration**: PEC duration will be 15 years or more
- **Investment:** Service providers shall be responsible for investment in CAPEX and OPEX required for enhancing production.
- **Service provider's capabilities:** Interested companies to demonstrate their capabilities in providing such integrated services required for enhancement of production from Crude oil and Natural Gas fields.
- **To understand** the prospective service providers experience, technical and financial capability.
- **To have inputs** from the prospective service providers to formulate a successful business model for both the parties.

The EOI is expected to provide information of prospective service providers and their suggestions thereby assisting in formulation of terms and conditions of any formal tender that may be floated for the Production Enhancement Contract (PEC).

3.0 <u>SCOPE OF WORK:</u> The scope of work/services includes but not limited to the following:

- i. Analyze field characteristics and production efforts carried out so far.
- ii. Resource assessment using OIL's existing field data.
- iii. To assess existing production infrastructure of the fields.
- iv. Developing a strategy for further development of the fields along with long term production plan.
- v. Integrated Asset development to enhance production thereby improving the recovery factor of the field.
- vi. Reservoir health management in line with Good International Petroleum Industry Practices (GIPIP).
- vii. Surface Facility Optimization/Creation of new facilities.
- viii. Technology induction/IOR/EOR planning and execution.
