

**EXPRESSION OF INTEREST (EOI) No. OIL/KGB/EOI-37**

**FOR**

**HIRING OF SERVICES FOR WASTE DISPOSAL FROM DRILLING  
LOCATIONS IN KG BASIN PROJECT, ANDHRA PRADESH.**

**1. Introduction**

Oil India Limited (OIL), KG Basin Project, Nookalamma Temple Street, Ramaraopeta, Kakinada, Andhra Pradesh, PIN – 533004, a Government of India “NAVARATNA” category Enterprise with its Field Headquarters at Duliajan, Assam, India engaged in the business of Exploration, Production and Transportation of Crude Oil & Natural Gas and Production of LPG, invites Expression of Interest (EOI) for ‘**Hiring of services for waste disposal from drilling locations in KG Basin Project, Andhra Pradesh, India**’ from indigenous reputed firm/contractor for a period of 2(two) years, extendable by another 1(one) year.

**2. Bidder Qualification Criteria**

i) The firm/contractor should have all regulatory permits from state pollution control board/ any other appropriate regulatory authority to process, handle and dispose the wastes as indicated in the scope of work & copies of the same have to be submitted along with EOI.

ii) The firm/contractor should have at least 3 years' experience in the related waste management field for Oil & Gas industry. The firm/contractor should have handled at least one such contract with reputed E&P companies in past three years. The firm/contractor is required to provide documentary evidence in this respect along with the EOI.

iii) The firm/contractor must have established Health, Safety, Security and Environment Management System with sound track record. The firm/contractor is required to provide documentary evidence.

iv) MOBILIZATION SCHEDULE: The firm/contractor must be in a position to mobilize the services with crew within 10 days from issue of LOA by the Company.

v) Average annual financial turnover of the firm/contractor shall be minimum **INR 2.60 Crores during the last 3 accounting years.**

vi) In case of consortium/collaboration agreement of companies, the leader of consortium should satisfy the experiences (i) to (iv) above. However, any one of the consortium/collaboration agreement members individually shall have to meet the financial turnover criteria as mentioned in (v) above.

**3. DOCUMENTS TO BE SUBMITTED**

To qualify for consideration, the firm/contractor is required to supply one (1) set of the following documentation, with the specific chapters, separated by dividers, in the same order as set out here below (i) to (vii):

- i) Copies of the regulatory permits and details of experiences as called for vide 2(i) and 2(ii) above.
- ii) Details of company's Health, Safety and Environmental Policy and Program together with HSE Management System.
- iii) Safety record summaries for accidents, injuries, damages, near-misses & LTI over the past two (2) years.
- iv) Reference (including emails and telephone numbers) of major customers that can be contacted for information / reference.
- v) Description and brief specifications of services offered for this project.
- vi) Qualifier's audited accounts for the last three (3) accounting years.
- vii) All relevant information concerning contacts, telephone, fax, e-mail of the contractor's representative.

#### **4. SCOPE OF WORK**

The scope of work will cover the following :

- i) Collection, transportation, treatment and disposal of dry to semidry Water Base Mud (WBM) drill cuttings from Company's onshore drilling sites in East Godavari District, Andhra Pradesh by utilizing its own/hired resources such as mud skips, trucks, manpower etc. Water base mud (WBM) has been planned to be used and the drilling sites are in the vicinity of Mumudivaram at a distance of 50 to 80 KM (approx.) from Kakinada town.
- ii) Providing services for collection, transportation (in sealed skips), processing and disposal of SOBM drill cuttings from Company's drilling sites in the same area in case SOBM is used for the reasons whatsoever.
- iii) Providing services for collection of contaminated brines from company's drilling sites, transportation, processing and disposal in contractor's approved site.
- iv) Providing services for collection of oily sludge, transportation (in sealed skips), processing and disposal in contractor's approved site.
- v) Collection of used chemical bags, drums, carboys etc. from Company's drilling sites, transportation and suitable disposal in contractor's site.
- vi) Providing services for collection of supernatant fluid (Contaminated water during storms etc.) from effluent pits.
- vii) The contractor shall deploy an experienced supervisor and suitable working hands to coordinate logistics / collection and transfer including the transportation of waste materials to the contractor's treatment and disposal site. The supervisor is required to closely coordinate / liaise with OIL towards collection of waste materials & its transportation on full truck load basis.

viii) The contractor is required to deploy all necessary equipment in connection with waste handling including but not limited to transfer pumps, hoses, loaders etc. for waste transfer from effluent pits at company's site to tankers / trucks etc. Transfer of waste material from one pit to another pit may be required under the scope of this contract for ease of lifting / loading.

ix) The contractor shall deploy trained and skilled manpower with HSE focus for this work. All necessary PPE like helmets/ safety shoes / gum boots / gloves / masks / ear plugs etc. shall be provided by the contractor to its workers for carrying out the jobs at oil well drilling sites as deemed necessary.

x) The above should be carried as per the process conforming to hazardous Waste Management regulations, Central Pollution Control Board, Andhra Pradesh State Pollution Board, Ministry of Environment and forest guidelines and all applicable Legislations.

xi) The bidder should submit undertaking towards compliance of environment standards against the recycling of the material as and when asked for by the Company during the tenancy of the contract.

Interested Parties having relevant experience and expertise as above are invited to submit their EOI, complete with all documents as asked at our e-mail id: **oilkgbprojecteoi@gmail.com** within **23.11.2015**, followed by hard copies of the same through courier/post super-scribing **"Expression of Interest No. OIL/KGB/EOI-37"** at the following address:
