OIL's response to the queries of the Pre-Bid conference held on 24.02.2022 through VC against Tender No. GEM/2022/B/1962979 for 'Hiring of services for design/development, installation and commissioning of graphics based tag database & maintenance report generation system'.

Sl. No.	Page No.	Section	Tender Clause	Clarification Sought/Recommendations	OIL's Response
1		PRE QUALIFICATION CRITERIA (PQC)	1.1.1 Bidder must have experience of successfully completing at least one SIMILAR work of value Rs. 24,00,000 (Rupees Twenty Four Lakh) only in previous 7 (Seven) years reckoned from the original bid closing date with PSUs/Central Government/State Government Organization/Public Limited Company.	Please note that we have already done similar work for the substation automation reporting system in Tata Steel jamshedpur, and tata steel is a public limited company. We want to know whether the same credentials will be acknowledged.	If the experience is executed with PSUs/Central Government/State Government Organization/Public Limited Company and satisfies the value as in Clause No. 1.1.1. The experience may be considered for evaluation purpose.
2		SCOPE OF WORK (SOW)		To complete this project we need to do the field survey in 20 remote OCS & GCS. We want to get your cooperation during field visit time otherwise it will not be completed within stimulated time, please ensure this.	May please be guided as per NIT. (Page 4 of 15, clause 3.2.2 One competent personnel from Instrumentation Department may accompany the personnel deployed for the survey job depending upon the job requirement.)
3		SCOPE OF WORK (SOW)		After field visit and tag put up in the relevant instrument we would prepare a modified P&ID diagram and submit the same to you. You have to approve the drawing then only we	Will be finalized during kick-off meeting.
