Body Diameter under sleeve / cup : 7.5/8" (193.7 mm) Maximum 10. Bore Diameter : 4" (101.60 mm) Minimum	1	NO

Special Notes : 1. Item should be brand new, unused & of prime quality. Bidder shall warrant (in the event of an order) that the product supplied will be free from all defects & fault in material, workmanship & manufacture and shall be in full conformity with ordered specification. This clause shall be valid for 18 months from date of despatch/shipment or 12 months from the date of receipt of the items. The defective materials, if any, rejected by OIL shall be replaced by the supplier at their own expenses. Bidder must confirm the same in their quotation.

2. Threads of Junk Sub shall be manufactured as per API Specification 7-1 and bidder to forward a copy of the valid API Specification 7-1 certificate along with the quotation.

3. The junk Sub should be made of AISI 4145H modified alloy steel, fully heat treated to 285-341 Brinnel Hardness. Bidder to confirm the same while quoting.

4. The Sleeve / Cup of Junk Basket should have rib guides to prevent it from bending / denting and help in guiding the tool through tight places upon withdrawal from the hole. Additionally, the Sleeve / Cup should have tiny ports for drainage of drilling fluid. Bidder to confirm the same while quoting.

5. Junk baskets should be complete with thread protectors installed at both ends. Bidder to confirm the same while quoting.
6. Markings shall be done as per API Specification 7-1 i.e. items shall be die stamped with manufacturer's name or identification mark, the API monogram and the month and year of manufacture. Bidders are to confirm the same while quoting.
7. 'OIL' logo / mark and purchase order number shall be die stamped or paint stenciled on the junk sub. Bidders shall confirm compliance to the same while quoting.
8. The quotation must accompany relevant catalogue, literature, drawing etc. in English (US&UK) language.
9. Bidder should indicate the name of manufacturer, country of origin, port of dispatch and their best delivery schedule.
10. Bidder should have an experience of minimum 5 (five) years in manufacturing the quoted items under API Specification 7 / 7-1 certification. For this purpose the period reckoned shall be the period prior to the date of opening of the techno-commercial bid. Copies of API 7 / 7-1 certificates for the last 5 (Five) years (i.e. continuous without having any break in between) must be submitted along with techno-commercial bid. Bids without copies of valid API 7 / 7-1 certificates or with a break in between will be rejected.
11. In case the bidder is sole selling agent / distributor / dealer / supply house of any API approved manufacturer, then bidder must furnish the following documents:
 - i) Back-up authority cum warranty letter in original on manufacturer's letter head, valid at the time of bidding which should remain valid during the entire execution period of the order, from the concerned manufacturer guaranteeing supply of the items to the bidder in the event of an order on the bidder and also authorize them to market their products.
Copies of valid API Specification 7-1 certificate of manufacturer as stated in point10 above.
12. Validity of the offers should be 120 days from the date of bid opening. Bids with lesser validity shall be rejected.
13. Quotation must be submitted in **triplicate**.
14. The items covered by this tender shall be used by Oil India Limited in the PEL/ML areas which are issued/renewed after 01/04/99 and hence Nil Customs Duty during import will be applicable. Indigenous bidder shall be eligible for Deemed Export Benefit against this purchase. Details of Deemed Export are furnished vide Addendum to MM/GLOBAL/01/2005 enclosed.
