Standard lipped guide: 1 (one) No. 30. Bowl for the overshot: 1(one) No. 31. Top sub, type (SS) with 114.13 mm (4.1/2") API IF box top connection: 1(one) No. 32. Lock ring: 1 (one) no. 33. 5.5/8" x 7.7/8" oversize Guide: 1 (one) No. 34. Operation and maintenance manual for Item-10: 3(three) sets.		

- Special Notes** :
1. The items shall be brand new, unused & of prime quality. The manufacturer shall warrant (in the event of an order) that the product supplied will be free from all defects & faults in material, workmanship & manufacture and shall be in full conformity with ordered specifications. This clause shall be valid for 18 months from date of shipment/despatch or 12 months from date of receipt/commissioning of the items at site which ever is earlier. The defective materials, if any, rejected by OIL shall be replaced by the supplier at their own expense on F.O.R. destination basis. Bidders must confirm the same in their quotations.
 2. The overshot along with all the components should be suitable for fishing operation with all types of drilling and work-over fluids.
 3. The bidder should forward Operation, service & maintenance manual (indicating assembling & disassembling procedures, drawing and spare parts book having illustrated drawings and exploded views of the items with part no). One set must be forwarded with the quotation and three sets with the consignment.
 4. The bidder should forward a list of recommended spares for two years operation indicating year wise requirement with breakup of such spares indicating price and part no of each & every item. Cost of these spares will not be considered for bid evaluation purpose. However, procurement of these spares shall be at OIL's discretion.
 5. All parts should be suitably marked for identification purpose. Additionally P.O. No. should be die stamped on the body of the overshot (in the event of order).
 6. The item should be suitably coated with a protective coating both internally & externally to prevent corrosion and rusting during transit.
 7. Threading and gauging of the rotary shoulder connections of overshot should be as per API Spec.7-1 [latest edition]. Valid API Spec. 7-1 certificate should be forwarded with the bid
 8. Bidder must indicate the name of manufacturer & country of origin.
 9. In case bidder is not the Original Equipment Manufacturer (OEM), proper authorization certificate is required with back-up warranty & guarantee from OEM to quote against this tender, failing which offer will be rejected.
 10. All the item of the NIT will be procured from the same source and the bidder is to quote for all the items with accessories.

11. The bidder must specify the offered item in details & should forward relevant product catalogue with drawing & literature of the offered item.
12. All materials as indicated in the Indent should be offered. If any of the items not offered by the bidder the offer will be considered as non responsive and rejected.
13. The bids received without warranty / guarantee and confirmation for replacement of defective materials free of cost will be considered as non responsive and rejected.
14. The bids received without company catalogues, literature, drawings indicating exploded view and dimensions with part numbers of each component for the offered items will be considered as non responsive and rejected.
15. The bids received without undertaking to make spares available for the item quoted for next 10 years will be considered as non responsive and rejected.
16. The bids received without confirmation of the item that would be brand new, unused, of prime quality, free from all defects & fault in material, workmanship & manufacture and would be in full conformity with ordered specifications will be considered as non responsive and rejected.
17. Bidders are required to filled in the Technical Checklist as per Annexure-AA and submit it along with the offer.
18. Validity of the offers should be 120 days from the date of bid opening. Bids with lesser validity shall be rejected.
19. Quotation must be submitted in **triplicate**.
20. The items covered by this tender shall be used by Oil India Limited in the PEL/ML areas which are issued/renewed after 01/04/99 and hence Nil Customs Duty during import will be applicable. Indigenous bidder shall be eligible for Deemed Export Benefit against this purchase. Details of Deemed Export are furnished vide Addendum to MM/GLOBAL/01/2005 enclosed.
