Ageing Cells: 500ml capacity, Quantity- 4 Nos, Stainless Steel with pressurization valve. 16. Any other necessary accessories required for instant use. 	1	NO

- Special Notes** :
1. The items shall be brand new, unused & of prime quality. Also the party has to confirm to provide warranty that the product supplied will be free from all defects & fault in material, workmanship & manufacturer and shall be in full conformity with ordered specifications. This clause shall be valid for 18 months from date of shipment/despatch or 12 months from date of receipt of the item at site whichever is earlier. The defected materials, if any, rejected by us shall be replaced by the supplier at their own expense in F.O.R. basis. The bidder must confirm the same while quoting.
 2. Since the equipment is a plug and play type, installation & commissioning for the same may not be required. However, the equipment should be complete with all accessories including six (06) nos of high temperature ageing cells of 500ml capacity each, and should be ready for instant use once we receive.
 3. Technical bulletin with detailed specification of the equipment should be enclosed with the offer.
 4. Necessary spares required for minimum two years trouble free operation should be quoted separately. Cost of these spares will not be considered for bid evaluation. However, procurement of these spares shall be at OIL's discretion.
 5. In the event of an order, the Bidder shall provide operation and service manuals along with full circuit diagrams along with the supply.
 6. Validity of the offers should be 120 days from the date of bid opening. Bids with lesser validity shall be rejected.
 7. Quotation must be submitted in **triplicate**.
 8. The items covered by this tender shall be used by Oil India Limited in the PEL/ML areas which are issued/renewed after 01/04/99 and hence Nil Customs Duty during import will be applicable. Indigenous bidder shall be eligible for Deemed Export Benefit against this purchase. Details of Deemed Export are furnished vide Addendum to MM/GLOBAL/01/2005 enclosed.
