The square drive roller Kelly bushing should fit all master bushings having a drive square dimension of 13.9/16 inches (344.48 mm) API.	2	NO

Special Notes : 1. Item should be brand new, unused & of prime quality. Bidder shall warrant (in the event of an order) that the product supplied will be free from all defects & fault in material, workmanship & manufacture and shall be in full conformity with API specification 7K. This clause shall be valid for 18 months from date of despatch/shipment or 12 months from the date of receipt of the items at site whichever is earlier. The defective materials, if any, rejected by OIL shall be replaced by the supplier at their own expenses in F.O.R. destination basis. Bidder must confirm the same in their quotation.

2. The minimum FOB/FCA charges in case of partial order for reduced quantity/ items shall have to be indicated by the bidder. In case this is not indicated specifically, the charges quoted would be prorata calculated and the same will be binding on the bidder.

3. Square drive Kelly bushing shall be Manufactured, Tested, Inspected, Marked and Certified as per API Specification 7K and API RP7G. Bidders are to confirm the same in their quotations. Bidders are to forward a copy of valid API Specification certificate along with their quotation.

4. Marking shall be done as per API specification 7K i.e. Kelly bushings shall be die stamped with manufacturer's name or identification mark, the API monogram and the month and year of manufacture. Bidders are to confirm the same while quoting.

5. 'OIL' logo / mark and purchase order number shall be die stamped or paint stencilled on the bushing. Bidders shall confirm compliance to the same while quoting.

6. The quotation must accompany relevant catalogue, literature, drawing, etc in English language (US or UK).

7. Bidder should indicate the name of manufacturer, country of origin, port of dispatch of the materials and their best delivery schedule.

8. In case the bidder is sole selling agent / distributor / dealer / supply house of any API approved manufacturer, then bidder must furnish the following documents:

i) Back-up authority cum warranty letter in original on manufacturer's letter head, valid at the time of bidding which should remain valid during the entire execution period of the order, from the concerned manufacturer guaranteeing supply of the items to the bidder in the event of an order on the bidder and also authorize them to market their products.

Copies of valid API Specification 7K certificate of manufacturer as stated above.

9. Validity of the offers should be 120 days from the date of bid opening. Bids with lesser validity shall be rejected.

10. Quotation must be submitted in **triplicate**.

11. The items covered by this tender shall be used by Oil India Limited in the PEL/ML areas which are issued/renewed after 01/04/99 and hence Nil Customs Duty during import will be applicable. Indigenous bidder shall be eligible for Deemed Export Benefit against this purchase. Details of Deemed Export are furnished vide Addendum to MM/GLOBAL/01/2005 enclosed.

BID EVALUATION CRITERIA/BID REJECTION CRITERIA

1. Bidder should have an experience of minimum 5 (five) years in manufacturing the quoted items under API Specification 7K certification. For this purpose the period reckoned shall be the period prior to the date of opening of the techno-commercial bid. Copies of API 7K certificates for the last 5 (Five) years (i.e. continuous without having any break in between) must be submitted along with techno-commercial bid. Bids without copies of valid API 7K certificates or with a break in between will be rejected.
