Special Notes : 1. Item must be brand new, unused, free from all defects and in ready to use condition. Bidder must confirm this in their offer.

2. Threads must be inspected by original NPT / BSTPT (Master Gauge) for L.P. fittings and same must be categorically confirmed in the offer, failing which your offer may be ignored.

3. "Materials mustl be inspected and certified by any one of the OIL authorized third party inspection agencies viz. M/s. BV / IRS / LRIS / RITES / DNV or by our inspection engineer based at Kolkata prior to despatch. Bidders must quote the inspection charges separately in % (percentage) in the offer for evaluation of offer, failing which it shall be construed that the quoted rates are inclusive of 3rd party inspection charges."(OIL reserves the right to decide inspection by 3rd party inspection agency or by OIL inspection Engineer based at Kolkata at the time of ordering.)

When a bidder mentions third party inspection charges as extra without specifying the amount, the offer will be loaded with maximum value towards third party inspection charges quoted against the tender for comparison purposes. If the bidder emerges as lowest bidder after such loading and in the event of order on that bidder, third party inspection charges mentioned by OIL on the Purchase Order will be binding on the bidder.

4. Scope of inspection will be as per Annexure A & C enclosed.

5. All fittings must be thoroughly cleaned, dried and properly greased prior to despatch.

6. OIL's P.O. Number, size of material packed and bag/ crate number must be clearly written on the gunny bag / crate with a marker pen and a card containing details of the content viz. OIL's P.O. No., item No., quantity, size of material, challan reference etc. must be tagged to the bag / crate securely. A copy of the tag must also be kept inside the bag / crate to enable the receiving personnel at Duliajan to properly account for the goods. Weight of each bag / crate shall not exceed 40 kg.

7. In case of order for more than one item, each item must be packed individually as above. In case consignment of mixed items is booked, the segregation shall be done at receiving point at supplier's cost. The amount decided by OIL for the same shall be final and binding on the supplier.

8. Guarantee / Warranty certificate for one year must be required along with the supply.

9. Deviation if any must be clearly spelt out in the offer.

10. Validity of offer: 75 days from the date of tender opening. Offer with validity less than 75

days will be rejected.
