**Special Notes** : 1. The items shall be brand new, unused & of prime quality. Bidder shall warrant (in the event of an order) that the product supplied will be free from all defects & fault in material,

workmanship & manufacture and shall be in full conformity with ordered specifications. This clause shall be valid for 18 months from date of despatch/shipment or 12 months from date of receipt/commissioning of the items at site whichever is earlier. The defective materials, if any, rejected by us shall be replaced by the supplier at their own expense. Bidders must confirm the same while quoting.

2. The minimum FOB/FCA charges in case of partial order for reduced quantity/ items shall have to be indicated by the bidder. In case this is not indicated specifically, the charges quoted would be prorata calculated and the same will be binding on the bidder.

3. The item shall be manufactured in conformance with API Spec. 7-1 latest edition. The item shall be marked with the manufacturer's name or identification mark, API monogram, the inside diameter and the size & style of connection at each end. The marking shall be die stamped on a marking recess located on the outside diameter of the sub.

4. Bidders are to forward copies of valid API Spec. 7-1 certificate continuously for 3 years preceding from the bid closing date to manufacture and monogram quoted products under API specification 7-1 along with their quotations.

5. Mill test report, ultrasonic test certificate etc. shall be furnished to OIL along with the supply in the event of an order. Bidders are to confirm the same in their quotation.

6. The bidder should forward 3 (three) copies of relevant catalogue, literature, drawing, etc in the event of an order being placed upon them along with the consignment. Drawing indicating length, OD, bore, size & style of connection should be forwarded for the item.

7. PO number should be die stamped on the twin pin sub (in the event of order). Bidders must categorically confirm the same in their quotations.

8. All the connections should be coated with thread lubricants and protected with pressed steel thread protectors to prevent corrosion and rusting during transit. Bidders must categorically confirm the same in their quotations.

9. Bidder must indicate the name of manufacturer, country of origin and their best delivery schedule.

10. Bidders other than the Original Equipment Manufacturer (OEM), must enclose proper authorization certificate ( in original ) with a back up Warranty and Guarantee from the OEM to quote against this tender failing which the offer will be liable for rejection.

11. Bidders should confirm each & every point clearly. Deviations, if any, should be highlighted in the quotation.

12. Validity of the offers should be 120 days from the date of bid opening. Bids with lesser validity shall be rejected.

13. Quotation must be submitted in triplicate.

14. The items covered by this tender shall be used by Oil India Limited in the PEL/ML areas which are issued/renewed after 01/04/99 and hence Nil Customs Duty during import will be applicable. Deemed Export Benefit for domestic bidders is not applicable against this tender. Domestic Bidders to quote their prices without considering the Deemed Export Benefit. Domestic bidders to also quote the applicable rate of Excise Duty in their price bid. If a domestic bidder emerges L1 after loading of applicable rate of Excise Duty, order shall be placed upon the bidder inclusive of the Excise Duty amount.
