Standard Notes: (1) VALIDITY : Your offer must be valid for 75 days from the date of bid opening. Offer with inadequate validity will be rejected.

(2) The offer should be submitted in Duplicate.

(3) Any sum of money due and payable to the contractor (including Security Deposit refundable to them) under this or any other contract may be appropriated by Oil India Limited and set-off against any claim of Oil India Limited (or such other person or persons contracting through Oil India Limited) for payment of a sum of money arising out of this contract or under any other contract made by the contractor with Oil India Limited (or such other person or persons contracting through Oil India Limited).

(4) In the event you authorize your dealer/stockist/channel partner to quote on your behalf, the dealer/stockist/channel partner while submitting bid should mention on the

body of the envelope that they are submitting bid on your behalf.

In the event the dealer/stockist/channel partner do not mention the name of their OEM/principal on the body of the envelope, the offer shall be treated as unsolicited offer and will not be considered for opening.

The dealer/stockist/channel partner should take note of above while submitting bid on behalf of their OEM/principal.

(5) For order with F.O.R. Destination term, 100% payment against despatch documents will not be entertained. In this regards please refer payment terms in ANNEXURE-MM/TENDER/LP/01/06.

(6) To evaluate the inter-se ranking of the offers, Assam Entry Tax on purchase value will be loaded as per prevailing Government of Assam Guidelines as applicable on bid closing date. Bidders may check this with the appropriate authority while submitting their bids.

(7) Bidder must mention page no./nos. in every pages of their offer.

(8) Bidders should submit their bids (preferably in tabular form) explicitly mentioning compliance / non compliance to all the NIT terms and conditions of NIT.

(9) Bidder should clearly mention their name and address on the outside of the envelope containing their offer.

(10) In the event of receipt of only a single offer against the tender within B.C.date, OIL reserves the right to extend the B.C. date as deemed fit by the company. During the extended period, the bidders who have already submitted the bids on or before the original B.C date, shall not be permitted to revise their quotation.

Special Notes : For All Items:

1) Other than the vendors to whom the enquiry has been issued, interested vendors who wish to participate in the tender may apply with proper credentials and other relevant details so as to reach Head-Materials, Oil India Limited, P.O. Duliajan, Dist. Dibrugarh, Assam - 786602 (e-mail : material@oilindia.in, Fax : 0374-2800533) within 10 days of publication of the tender on OIL's website.

2) Materials should be procured from manufacturers or authorised dealers only. Bidders other than OEM, should have to submit valid dealership certificate from the OEM for their offered brand.

3) Air conditioners supplied by the party should have 100% copper content in condenser and evaporator coils. Party supplying the material must categorically confirm the material content.

4) The supplier shall furnish name and complete address of the person/firm who will come for supply and installation.

5) The supplied unit shall be guaranteed for one year against any manufacturing defects from the date of acceptance at site. compressor should be Guaranteed for 5 years. Guarantee cards duly signed and stamped shall be submitted at the time of supply.

6) Materials should be packed properly to avoid transit damage and ingress of water during transportation and handling.

For item no. 60.

a) The air-conditioners will be procured against buyback of old machines as is where is basis (list attached). Offer for new machines without buyback of old machines will not be considered and will be liable for rejection. Offer will be evaluated after deducting offered price of old machines from the price of new machines. The bidders should quote separately the cost of new machines and the cost of old machines which they will have to buy back.

b)The newly supplied air conditioners shall be tested at designated site before giving suitability report.Old machines shall be handed over to the supplier only after suitability of the newly supplied machines is established.
