Tender No. & Date : KID6315L18/03 09.11.2017

Bid Security Amount : INR 0.00 OR USD 0.00
 (or equivalent Amount in any currency)

Bidding Type : Single Bid (Composite Bid)

Bid Closing On : 26.12.2017 at 14:00 hrs. (IST)

Bid Opening On : 26.12.2017 at 14:00 hrs. (IST)

Performance Guarantee : Applicable

OIL INDIA LIMITED invites Limited tenders for items detailed below:

Item No./ Mat. Code	Material Description	Quantity	UOM
<u>10</u> 99069139	<p>Safety relief valve, spring loaded, angle design, bottom inlet and side outlet, flanged ends drilled as per ANSI B-16.5 complete with necessary companion flange (screwed as per API line pipe thread) for bottom with requisite studs & nuts. Threads to be tested as per API 5B specifications for the following size & pressure rating: Inlet size : 50.8 mm (2#)Outlet size : 76.2 mm (3#) Inlet connection : Flanged ANSI 300 Class, RF Outlet Connection : Flanged ANSI 150 class, RF Set pressure : 21 kg/sq. cm (300 psi)</p> <p>MATERIALS OF CONSTRUCTION: Material for body & bonnet : Cast Steel ASTM A-216 Gr.WCB Material for Spring : Cadmium plated, carbon steel. Material for spindle : ASTM A-410, stainless steel Material for Disc & Seat : ASTM A-316, stainless steel Material for Cylinder : ASTM A-181 Gr.1, forged carbon steel Material for companion flange ; Forged ASTM A-105 Fluid to be handled: Sweet natural gas of specific gr. 0.70 (air =1) Back pressure : Atmospheric Capacity required : 6 MMSCFD</p>	15	NO
<u>20</u> 99069140	<p>Safety relief valve, spring loaded, angle design, bottom inlet and side outlet, flanged ends drilled as per ANSI B-16.5 complete with necessary companion flange (screwed as per API line pipe thread) for bottom with requisite studs & nuts. Threads to be tested as per API 5B specifications for the following size & pressure rating: Inlet size : 76.2 mm (3#)Outlet size : 101.6 mm (4#) Inlet connection : Flanged ANSI 300 Class, RF Outlet Connection : Flanged ANSI 150 class, RF Set pressure : 21 kg/sq. cm (300 psi)</p> <p>MATERIALS OF CONSTRUCTION: Material for body & bonnet : Cast Steel ASTM A-216 Gr.WCB Material for Spring : Cadmium plated, carbon steel. Tender No. & Date : KID6315L18/03 09.11.2017

Item No./ Mat. Code	Material Description	Quantity	UOM
	Material for companion flange ; Forged ASTM A-105 Fluid to be handled: Sweet natural gas of specific gr. 0.70 (air =1) Back pressure : Atmospheric Capacity required : 6 MMSCFD		

Special Notes : 1. PAYMENT TERMS:

1.1 Payment will generally be made against completed supply. Where phased delivery is indicated in the order, payment will be made against each lot as per phasing.

1.2 In certain cases, payment to the extent of 90% maximum of the value of the supply will be made against proof of dispatch presented through Bank or to OIL directly. Balance 10% of the value will be released not later than 30 days of receipt of goods at OIL's site. Adjustments, if any, towards liquidated damage shall be made from the balance 10% payment. OIL may consider releasing 100% payment against dispatch documents for suppliers having good track record with OIL and where 10% Performance Security is submitted in time and no installation/commissioning is involved.

2. Validity of offer: 75 days from the date of tender opening. Offer with validity less than 75 days will be rejected.

3. PERFORMANCE GUARANTEE:

Performance Guarantee is applicable against this tender. 10% of the ordered value shall be given as performance guarantee in the form of bank guarantee and shall be valid for 90 days beyond applicable warranty / guarantee / defect liability period (if any). Bidders should undertake in their bid to submit Performance Security as stated above.

4. Bidder must provide information / confirm the followings in their offer.

i) Percentage of the blow down of their valves . Limit should be 10%.

ii) Limits for set pressure adjustments allowed in the valve spring (+ 10%)

iii) Set pressure tolerances (1 psig for set pressure 15 psig & below, 2 psig for set pressure 16 to 70 psig: and 3 psig for set pressure above 70 psig).

iv) Valves must be certified by any agency approved by ASME for flow capacity test.

v) Design calculation of fluid handling capacity of the valves to be submitted along with the offer.

5. Bidder must send engineering drawing, technical brochures along with their offer.

6. Materials must have identification mark / stamp /purchase order no. on each piece of the item supplied. Size, capacity, pressure rating & set pressure etc. also be indicated on the plate provided on the body of the valve.

7. Fabrications shall only be carried out after getting drawing approval from OIL.

8. All the valves shall be inspected by any of the OIL approved Third party inspection agencies i.e. M/s. Bureau Veritas / IRCLASS Systems and Solution Private Limited / Lloyds / RITES / DNV

/ Tubescope Vetco only considering the following.

(a) Radiography of body & bonnet, mechanical & chemical properties of the materials used, dimensional checking of the body & flanges as per the specifications of the purchase order. All necessary certificates will be issued by the 3rd party inspector and shall be submitted along with the supply.

(b) Each valve shall be subjected to the following tests & test certificate should be furnished along with the supply.

- i) Set pressure test & popping point consistency test.
- ii) Shell pneumatic test by air.
- iii) Inlet hydro test at 1.5 times of the set pressure.
- iv) Seat tightness test as per API RP-527.

9. OIL may also depute their Engineer for final inspection before despatch of the materials for which 15 days advance intimation will be required.

10. All materials must be guaranteed for fabrication, workmanship & performance for a period of 18 months from the date of dispatch or 12 months from the date of receipt whichever is earlier & certificate to that extent shall be submitted to us along with the supply.

11. DELIVERY-Material to be delivered to us within 6 months from the date of issue of Purchase order.

12. Bidder to confirm point wise compliance with the enquiry requirements. Deviations from enquiry specifications, if any must be highlighted in the offer.

13.(A) Taxes:

1. For the purposes of levy and imposition of GST, the expressions shall have the following meanings:

- (a) GST - means any tax imposed on the supply of goods and/or services under GST Law.
- (b) Cess - means any applicable cess, existing or future on the supply of Goods and Services as per Goods and Services Tax (Compensation to States) Act, 2017.
- (c) GST Law - means IGST Act 2017, CGST Act 2017, UTGST Act, 2017 and SGST Act, 2017 and all related ancillary Rules and Notifications issued in this regard from time to time.

2. The rates quoted by the bidders shall be inclusive of all taxes, duties and levies. However, bidders are required to provide separately the rate and amount of all types of taxes, duties and levies. In case, the quoted information related to various taxes, duties and levies subsequently proves wrong, incorrect or misleading, OIL will have no liability to reimburse the difference in the duty/tax, if the finally assessed amount is on the higher side and OIL will have the right to recover the difference in case the rate of duty/ taxes finally assessed is on the lower side. Further, bidders have to clearly show the amount of GST separately in the Tax invoices. Further, it is the responsibility of the bidders to make all possible efforts to make their accounting / IT system GST compliant in order to ensure availability of Input Tax Credit (ITC) to Oil India Ltd.

3. Offers without giving any of the details of the taxes (including rates and amounts) as specified above will be considered as inclusive of all taxes including GST. When a bidder mentions taxes as extra without specifying the rates and amount, the offer will be loaded with maximum value towards taxes received against the tender for comparison purposes. If the bidder emerges as lowest bidder after such loading, in the event of order on that bidder, taxes mentioned by OIL on the Purchase Order/ contracts will be binding on the bidder.

4. Bidder is required to pass on the benefit arising out of introduction of GST, including

seamless flow of Input Tax Credit, reduction in Tax Rate on inputs as well as final goods by way of reduction of price as contemplated in the provision relating to Anti-Profiteering Measure vide Section 171 of the CGST Act, 2017. Accordingly, for supplies made under GST, the bidder must confirm that benefit of lower costs has been passed on to OIL by way of lower prices/taxes and must also provide details of the same as applicable. OIL reserves the right to examine such details about costs of inputs/input services of the bidder to ensure that the intended benefits of GST have been passed on to OIL.

5. Statutory variation (increase/decrease) of GST within the contractual delivery period will be to the account of OIL subject to documentary evidence. However, any increase in statutory levy after the expiry of the scheduled date of delivery shall be to the supplier's account.

6. Bidder agrees to do all things but not limited to providing GST compliant Tax Invoices or other documentation as per GST law relating to the supply of goods and/or services covered in the instant contract like raising of and /or acceptance or rejection of credit notes / debit notes as the case may be, payment of taxes, timely filing of valid statutory Returns for the tax period on the Goods and Service Tax Network (GSTN), submission of general information as and when called for by OIL in the customized format shared by OIL in order to enable OIL to update its database etc. that may be necessary to match the invoices on GSTN common portal and also for claiming input tax credit in relation to any GST payable under this Contract or in respect of any supply under this Contract.

7. In case Input Tax Credit of GST is denied to OIL or demand is recovered from OIL by the Central / State Authorities on account of any non-compliance by Bidder/Supplier, including non-payment of GST charged and recovered, the Bidder/Supplier shall indemnify OIL in respect of all such claims of tax, penalty and/or interest, loss, damages, costs, expenses and liability that may arise due to such non-compliance. OIL, at its discretion, may also withhold/recover such an amount demanded and recovered by the authorities/ state authorities from the pending payments of the Bidder/Supplier.

8. GST liability, if any on account of supply of free samples against any tender/purchase order (wherever applicable) shall be to bidder's/ supplier's account.

(B) Comparison of Offers:

Comparison of bids shall be done on the basis of " Total FOR DESTINATION VALUE" quoted by the bidders against each individual item as per Price Bid format given in Annexure-A. Therefore, bidders are required to submit prices as per said price bid format.

(C) Price Bid Format : attached as per Annexure-A.
