Note description for item no./nos. : 60

1) Dimensions of the above stretching screws, (though these suit our purpose) are not to ISS but the shape and other factors of construction should conform to IS:3121 - 1965.

2) Test certificate from the Govt. recognised Test House to be required

Note description for item no./nos. : 70, 80

i) The material should conform to IS:10942-2000.

i) Each ferrule shall be marked with manufacturer's name or recognized trade mark, year of manufacture and nominal size.

The marking shall be such that it does not get erased and last till the Ferrule is pressed for making sling.

iii) Materials shall be inspected by Third Party for specifications to conform to IS:10942 - 2000

Special Notes : 1. Guarantee / Warranty certificate for one year will be required along with the supply.

2. "Materials must be inspected and certified by any one of the OIL authorized third party inspection agencies viz. M/s. BV / IRS / Lloyds / RITES / DNV / Tuboscope Vetco prior to despatch. Bidders must quote the inspection charges separately in % (percentage) in the offer for evaluation of offer, failing which it shall be construed that the quoted rates are inclusive of 3rd party inspection charges."

When a bidder mentions third party inspection charges as extra without specifying the amount, the offer will be loaded with maximum value towards third party inspection charges quoted against the tender for comparison purposes. If the bidder emerges as lowest bidder after such loading and in the event of order on that bidder, third party inspection charges mentioned by OIL on the Purchase Order will be binding on the bidder. Please also quote minimum TPI charges in case of part order or the same will be calculated on pro-rata basis.

2. Validity of offer: 75 days from the date of tender opening. Offer with validity less than 75 days will be rejected.
