

**Amendment No. 1 dated 28.01.2022 to IFB No. CBI9297P22.**

The instant tender was floated with provision for submission of bid security. This provision has since been reviewed and it has since been decided to seek '**Bid Security Declaration**' in lieu of Bid Security. Accordingly, this amendment to tender is issued to notify the bidders that Bid Security is **not applicable** against this tender.

However, the bidders shall have to submit along with their bid a signed "**Bid Security Declaration**" (as per format attached as **Annexure-H**) accepting that, if they withdraw or modify their bids during the period of validity; or if they are awarded the contract / PO and they fail to sign / accept the contract / order; or if they fail to submit performance security before the deadline defined in the NIT; they will be suspended for a period of two years. This suspension of two years shall be automatic without conducting any enquiry.

**2.0** All other terms and conditions of the tender remain unchanged. Bidders are requested to submit their offer considering above amendment/notification.
