AMENDMENT No. 1 Dated 12.06.2020
To TENDER No. CJI4318P21

1.0 This amendment is issued to amend the following clause as under in lieu of existing:

Part-3 Section-I (General Conditions of Contract), Clause 3.2 :

As and when the requirement of SRP Surface Unit Services as provisioned in the contract comes up, Company will issue advance notice to the Contractor giving clear forty-five (45) days' time for the initial i.e, the 1st time mobilization and seven (07) days' time for the subsequent mobilizations to mobilize their tools, equipment and personnel to take up the jobs accordingly at the designated site. The Contractor then immediately on receipt of such mobilization notice will mobilize the resources up to the site as requisitioned within seven (07) days (including the journey time). On completion of the site jobs in consistence with the requisition from Company, the Contractor will demobilize their resources from site to their base. All related costs towards the mobilization and demobilization as above will be entirely borne by the Contractor and the rates to be quoted accordingly. Also, food, accommodation and preliminary medical facilities etc. as required for Contractor's Crew at well site during the job execution will be the sole responsibility of the Contractor.

Technical BEC clause no. 1.5 :

Bidder to confirm mobilization of the equipment and manpower within forty-five (45) days from issue of initial mobilization notice by OIL and for subsequent mobilization within seven (07) days from issue of initial mobilization notice by OIL.

The heavy crude oil parameters are as under:

API Gravity : Average 14 to 17 Deg API at 60 deg F

Viscosity : 11,000 to 17,000 Centipoise at 40 deg C

Pour point : +9 deg C

2.0 All other terms & Conditions remain unchanged.
