Bidder shall quote their rates / prices in the “PRICE BIDDING FORMAT” attached under “**Notes and Attachments**” tab in the main bidding engine of OIL’s e-Tender portal. The price quoted in the “PRICE BIDDING FORMAT” will only be considered for evaluation.

Bidder must include all liabilities including statutory liabilities (but excluding Service Tax) in their quoted rates. The rates shall be fixed and firm for the entire tenure of the contract and shall be binding on both the parties. No changes in these rates shall be allowed under any circumstances during the tenure of this service agreement except as mentioned in the Bid Document.

6.0 PERIOD OF VALIDITY OF BIDS:

6.1 The Bid must be valid for 180 (One hundred & eighty) days from the date of opening of the tender.

6.2 In exceptional circumstances, OIL may solicit the Bidder's consent to an extension of the period of validity. The request and the response thereto shall be made in writing (or by Fax). A Bidder may refuse the request without forfeiting its Bid Security. A Bidder granting the request will neither be required nor permitted to modify their bid.

7.0 FORMAT AND SIGNING OF BID:

7.1 The original and all copies of the bid shall be typed or written in indelible inks and shall be signed digitally by the Bidder to bind the Bidder to the contract.

8.0 SUBMISSION OF BIDS:

8.1 Bids are to be submitted online through OIL’s E-procurement portal with digital signature. The bid and all attached documents should be digitally signed by the bidder using “Class 3 digital certificate with organization’s Name” digital certificates [e commerce application (Certificate with personal verification and Organization Name)] as per Indian IT Act obtained from the licensed Certifying Authorities operating under the Root Certifying Authority of India (RCAI), Controller of Certifying Authorities (CCA) of India while uploading the bid. **Digital Signature Certificates having “Organization Name” field as “Personal” are not acceptable. However, aforesaid Digital Signature Certificates having Bidder’s Name in the “Organization Name” field are acceptable.**

The bid including all uploaded documents shall be digitally signed by duly authorized representative of the bidder to bind the Bidder to the contract. The authenticity of above digital signature shall be verified through authorized CA after bid opening and in case the digital signature used for signing is not of “Class-3 with organization’s name”, the bid will be rejected.

Bidder is responsible for ensuring the validity of digital signature and it’s proper usage by their employees.

8.2 Any person signing the Bid or any other document in respect of this Bid Document or other relevant documents on behalf of the Bidder without disclosing his authority to do so shall be deemed to have the authority to bind the Bidder. If it is discovered at any time that the person so signing has no authority to do so, the Company (OIL) may, without prejudice to any other right or remedy, cancel his Bid or Contract and hold the Bidder liable to the Company (OIL) for all costs and damages arising from the cancellation of the Bid or Contract including any loss which the Company (OIL) may sustain on account thereof.

8.3 Timely submission of the bids is the responsibility of the Bidder and Bids should be submitted before the bid closing date and time. Company shall not be responsible for any delay.

8.4 E-mail/ Fax/ Telex/Telegraphic/Telephonic offers will not be accepted.

8.5 Bidder shall submit the Bid, duly completed in terms of the Bid Document.

8.6 Before submission of Bids, Bidders are requested to make themselves fully conversant with all Conditions of the Bid Document and other relevant information related to the works to be executed under this contract.

9.0 DEADLINE FOR SUBMISSION OF BIDS:

9.1 Bids should be submitted on-line up to 11.00 AM (IST) (Server Time) on the Bid Closing date mentioned in the Forwarding Letter. Bidders will not be permitted by System to make any changes in their bid after the bid has been uploaded by the bidder. But, no such request would be entertained once the due date for submission of bids has been reached and bids are opened.

9.2 No bid can be submitted after the submission deadline is reached. The system time displayed on the e-procurement web page shall decide the submission deadline.

9.3 The documents in physical form must be received by Company at the address specified in the "Forwarding Letter" on or before the Bid opening Date & Time mentioned in the "Forwarding Letter". Timely delivery of the same at the address mentioned in the Forwarding Letter is the responsibility of the Bidders.

10.0 LATE BIDS:

10.1 Bidders are advised in their own interest to ensure that their bids are uploaded in system before the closing date and time of the bid. Any Bid received by the Company after the Bid Closing Date & Time stipulated by the Company shall be rejected.

11.0 MODIFICATION AND WITHDRAWAL OF BIDS:

11.1 The Bidder after submission of bid may modify or withdraw its bid by written notice before 03(Three) working days prior to bid closing date.

11.2 A withdrawal notice must also be sent by fax / e-mail but followed by a signed confirmation copy, postmarked not later than the deadline for submission of bids.

11.3 No bid can be modified / withdrawn subsequent to the deadline for submission of bids.

11.4 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiry of the period of bid validity. Withdrawal of any bid within validity period will lead to forfeiture of his / her / their Bid Security Deposit in full and debarred from participation in future tenders, at the sole discretion of the company.

12.0 EXTENSION OF BID SUBMISSION DATE:

12.1 Normally no request for extension of Bid Closing Date & Time will be entertained. However, OIL at its discretion, may extend the Bid Closing Date and / or Time due to any reasons. In case of receipt of only one Bid on the Bid Closing Date and Time, OIL may extend the Bid Closing / Opening Date by 2(two) weeks. However, the bidder whose bid has been received within the bid closing date and time will not be allowed to revise their Bid / prices. Withdrawal of such Bid will also not be permitted.

13.0 BID OPENING AND EVALUATION:

13.1.1 The Technical bid will be opened on scheduled Bid opening date & time in the presence of any attending Bidder(s) or their Authorized Representative, if any. However, an authorized letter (format given in Proforma Section) from the Bidder must be produced by Bidder's representative at the time of opening of Tender, without which such representative won't be allowed to attend the opening of Tenders. Only one representative against each Bid will be allowed to attend the bid opening. Attending Bidder(s) & Authorized Representative(s) will have to sign a register evidencing their presence.

In Technical bid opening date, only Collaboration Folder(C-Folder) will be opened. Bidders therefore should ensure that Un-priced Techno-Commercial bid is uploaded in the C-Folder link under “**Technical RFx Response**” Tab Page only.

13.1.2 In case of two bid system, after the evaluation of the Technical Bids, the Price Bids of the technically qualified Bidders will be opened. The opening Date and Time will be intimated to the technically qualified Bidders in due course. Price bids will be opened in the same procedure as mentioned in Para 13.1.1 above.

13.2 In case it happens to be a bundh / holiday, the tender will be opened on the next working day (except Saturday). Accordingly, Bid Closing Date / time will get extended up to the next working day and time (except Saturday).

13.3 Bid for which an acceptable notice of withdrawal has been received pursuant to Clause 11.0 shall not be opened. OIL shall examine bids to determine whether they are complete, whether requisite Bid Securities have been furnished, whether documents have been properly signed and whether the bids are generally in order.

14.0 EVALUATION AND COMPARISON OF BIDS:

14.1 OIL will evaluate and compare the bids as per Bid Evaluation Criteria (BEC) of the bidding documents.

14.2 DISCOUNTS / REBATES: Unconditional discounts / rebates, if any, given in the bid or along with the bid will be considered for evaluation.

14.3 Post bid or conditional discounts / rebates offered by any bidder shall not be considered for evaluation of bids. However, if the lowest bidder happens to be the final acceptable bidder for award of contract, and if they have offered any discounts / rebates, the contract shall be awarded after taking into account such discounts / rebates.

14.4 Conditional bids are liable to be rejected at the discretion of the Company.

15.0 OIL' S RIGHT TO ACCEPT OR REJECT ANY BID:

15.1 OIL reserves the right to accept or reject any or all bids and to annul the bidding process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected bidder, or bidders or any obligation to inform the affected bidder of the grounds for OIL's action.

16.0 NOTIFICATION OF AWARD:

16.1 Prior to the expiry of the period of bid validity or extended validity, OIL will notify the successful Bidder in writing by registered letter or by cable or telex or fax or e-mail (to be confirmed in writing by registered / couriered letter) that its bid has been accepted.

17.0 SIGNING OF CONTRACT:

17.1 The successful bidders(s) shall be notified by the Company of its intention to enter into an Agreement with him/her/them on the basis of his/her/their acceptance of the offer. Such notification shall be treated as a "Letter of Award (LOA)".

17.2 Within 2 Weeks from the date of issue of Letter of Award (LOA), the successful Bidder(s) will be required to pay an interest free Performance Security by way of Demand Draft / Banker's Cheque / Bank Guarantee (in specified format) favouring "OIL INDIA LIMITED" payable at "DULIAJAN" from any Nationalised Bank. Upon furnishing of the Performance Security, the successful Bidder(s) will be required to enter into a formal Service Agreement based on the instant tender on the OIL Standard forms of agreement.

17.3 This Performance Security must be valid for six months after the date of expiry of the tenure of the contract. In the event of contract being extended within the provisions of the contract agreement, the contractor will have to extend suitably the validity of the "Security Deposit" for the extended period.

17.4 The "Performance Security" will be refunded to the contractor within six months of satisfactory completion of works under the contract (including extension, if any), but part or whole of which shall be used by the Company in realisation of liquidated damages or claims, if any or for adjustment of compensation or loss due to the Company for any reason.

17.5 Failure of the successful bidders to comply with the conditions as specified in Para 17.2 hereof would render him liable for rejection and in turn forfeiture of Bid Security apart from any other actions the Company may take against him at its sole discretion. The party shall also be debarred for a period of 2(two) years from the date of default.

18.0 REFUND OF BID SECURITY:

The Bid Security of the bidders shall be refunded to them as under:

- (a) To the technically unsuccessful bidders after the Price Bid opening in case of Two Bid systems only.
- (b) To others after the date of issue of Letter of Award (LOA) to the successful bidders.
- (c) To the successful bidders only after submission of the Performance Security as specified in Para No. 17.2 above.

19.0 GENERAL CONDITIONS:

19.1 In case bidder takes exception to any clause of the bidding document not covered under BEC / BRC, then the Company has the right discretion to load or reject the offer on account of such exception if the bidder does not withdraw / modify the deviation when / as advised by the Company. The loading so done by the Company will be final and binding on the bidder.

19.2 To ascertain the substantial responsiveness of the bid, the Company reserves the right to ask the bidder for clarification in respect of clauses covered under BRC and such clarification fulfilling the BRC clauses must be received within the date fixed by the Company, failing which the bid will liable to be rejected.

19.3 In case, any of the clauses in the BRC contradict with other clauses of the bid document elsewhere, the clauses in the BRC shall prevail.

20.0 FURNISHING FRAUDULENT INFORMATION / DOCUMENTS:

If it is found that a bidder has furnished fraudulent information / documents, it shall constitute sufficient ground for annulment of the award and the party shall be debarred for a period of 3(three) years from the date of detection of such fraudulent act besides the legal action.

21.0 BACKING OUT BY BIDDER:

In case any bidder withdraws their bid within the bid validity period, Bid Security will be forfeited and the party will be debarred for a period of 2(two) years from the date of withdrawal of bid.

22.0 BACKING OUT BY L-1 BIDDER AFTER ISSUE OF LOA:

In case LOA issued is not accepted by the L1 bidder or the Performance Security is not submitted as per the terms of the contract within the time specified in the Bid Document, the Bid Security shall be forfeited and the bidder shall be debarred for 2 (two) years from the date of default.

23.0 The Integrity Pact is applicable against this tender:

OIL shall be entering into an Integrity Pact with the bidders as per format enclosed vide "Part-VI-Integrity Pact" of the tender document. This Integrity Pact proforma has been duly signed digitally by OIL's competent signatory. The proforma has to be returned by the bidder (along with the Un-priced Techno-Commercial Bid) duly signed (digitally) by the same signatory who signed the bid, i.e., who is duly authorized to sign the bid. Uploading the Integrity Pact with digital signature will be construed that all pages of the Integrity Pact has been signed by the bidder's authorized signatory who sign the Bid.

All the 3(Three) Parts of this service agreement will be read and construed together with the related Annexure.

2.2 Transport Supplier shall provide the transport service with vehicle(s)/equipment as determined in Part-II(SOQ) hereof and shall be responsible for all actions necessary for day to day running and maintaining the services on a continuous basis in an efficient and adequate manner. The Transport Supplier shall be responsible for timely payment of all applicable taxes, fees, insurances for smoothly operating the services envisaged under this agreement including all capital investments and operating expenses as may be necessary and incidental in relation thereto.

2.3 The rates agreed/accepted by the Transport Supplier as set-out in Part-II(SOQ) hereof are inclusive of all expenses mentioned hereof and such other similar charges as may be required including payment to his/her operator(s), Driver(s), Crew and other staff as per the provisions of the Motor Vehicles Act, 1988 and other Statutory Acts. The rates stipulated in Part-II (SOQ) hereof shall be firm and final and no escalation whatsoever except as may be stipulated otherwise shall be admissible on any account.

2.4 The Transport Supplier shall supply and maintain the services of all vehicles EVERY DAY with Operators, Driver(s), Attendant(s), Helper(s) / Jugalees/Mazdoor(s) (wherever applicable) as may be required by the Company.

2.5 The Transport Supplier shall hereby undertake to pay to his/her Crew/Staff reasonable/fair wages which are not less than the wages payable under the Minimum Wages Act as applicable to Motor Transport Workers in the area of operations of the Company as may be in force from time to time during the Currency of this Agreement. He further undertakes to pay all his/her operating staff working under this Agreement the due wages in time including any arrears of wages which may arise due to amendments in future to the above mentioned Act.

3.0 MANNER OF CONDUCTING WORK: The Transport Supplier shall carry out all operations hereunder with due diligence, in a safe and workmen like manner and in accordance with the accepted practice and safety rules of the Company in the area of its operations.

4.0 OBLIGATIONS OF THE TRANSPORT SUPPLIER:

4.1 The Transport Supplier shall observe and abide by all the Statutory Acts and shall be primarily and solely responsible for observance of the rules and regulations stipulated hereunder.

4.2 The Transport Supplier shall be responsible and liable for all claims, monetary or otherwise, arising out of the use of vehicle(s)/equipment or operations of the services envisaged under this agreement including liability under the Statutory Act or any other liability as may arise due to operation of this agreement and the Company shall not be held liable or responsible for any such claim in any manner whatsoever. The Statutory requirements and obligations to be performed under the Statutory Acts affecting the operations of the services under this Agreement shall have to be performed by the Transport Supplier only and shall be his/her sole responsibility. Be it stated particularly that the Transport Supplier hereby undertakes to fully implement entirely at his/her own cost all the provisions of the Motor Transport Workers Act, 1961 and other Statutory Acts as may be in force from time to time and the rules framed there under as may be applicable to the operation of the service envisaged under this agreement in the area of operations of the Company.

4.3 The Company shall not be liable for any dues, statutory or otherwise claimed by the employees/workmen employed by the Transport Supplier for the services rendered under this agreement and all such claims, statutory or otherwise or operation of any settlement or award in favour of the employees/workmen employed by the Transport Supplier will be solely against the Transport Supplier and not against the Company. Be it expressly stated that any demands whether present or future by the employees deployed by the Transport Supplier against the services envisaged under this agreement shall have to be settled and satisfied by the Transport Supplier solely and in the event of any loss or inconvenience or disruption that may result because of any non-settlement of such demands which may lead to a disruption of service envisaged under this Agreement shall also be deemed as a default.

4.4 The Company shall neither entertain any demands from the employees of the Transport Supplier nor deal directly or indirectly with any recognised or un-recognised unions of such employees. Be it expressly stated that it shall be primarily and solely the responsibility of the Transport Supplier to deal, interact and settle any demands or disputes of his/her employees individually or through any unions or otherwise and the Company shall not mediate in this matter at all.

4.5 Any unsettled disputes between the Transport Supplier and his/her employees leading to a legal or illegal strike by them would have to be settled by the Transport Supplier expeditiously. In the event of such a strike, whether legal or illegal, the vehicle(s)/equipment shall be treated as shut down. Any failure on the part of the Transport Supplier to settle the disputes expeditiously or with reasonable dispatch which results in interruption of the services envisaged under this Agreement would be considered as a default under this agreement and the agreement would be terminated at the discretion of the Company. The Transport Supplier shall, however, be given reasonable opportunity by the Company to explain that the cause of the dispute was not due to delay on his/her part or due to failure to implement the statutory obligations under the Statutory Acts as stipulated hereof. In the event if it is proved that the Transport Supplier was in default as mentioned here above, the Company shall have the option to terminate the Agreement forthwith and the Transport Supplier shall not be entitled to any damages or compensation whatsoever on account of such termination.

4.6 The Transport Supplier shall ensure that the vehicle(s)/equipment deployed under this service agreement do not cause any damage to the Company's properties. In the event of any such damages, the cost of repair in respect thereof as determined by the Company's Engineer shall be deducted from the Transport Suppliers outstanding bills. The Company's decision in this regard shall be final and binding.

4.7 Any normal hours/timings of duty will be decided by the Company's Engineer and shall be binding on the Transport Supplier. The normal hours of duty/timings may be changed from time to time at the discretion of the Company and the Transport Supplier shall be obliged to accept such changes.

4.8(a) The Transport Supplier will park the vehicle(s)/equipment at his/their own parking yard or at Company's yard as directed by the Company's Engineer at the end of the day's work. The Transport Supplier found violating, this will be liable for breach of Contract.

4.8(b) The Transport Supplier may be asked by Company's engineer to make his/their own arrangement for parking the vehicle/equipment within 5(five) km. from the Industrial Gate of the base station on round the clock basis with ready availability of the services of the crew in such a manner that the vehicle(s)/equipment can be deployed for any specified duties immediately on receipt of the instructions from the Company's Engineer.

4.9 The Transport Supplier must place the vehicle(s)/equipment for duties in time on any particular day as per the instructions of the Company's Engineer. In the event of failure to adhere to the foregoing or in the event of unauthorised release of vehicle(s)/equipment before completion of the normal duty hours, the vehicle(s)/equipment shall be treated as shut down and will attract the liquidated damages for each such failure.

4.10 The vehicle/equipment should be supplied with the services of Operator / Drivers / Handymen / Helpers / Supervisor /Attendant on duty hours basis, cost in respect thereof is included in that fixed charge per month as per clause No.1.15.

4.11 The Transport Supplier shall keep the vehicle(s)/equipment roadworthy throughout the contract period by complying with the statutory requirement, failing which the vehicle(s) will be treated as shut down.

4.12 The Transport Supplier should ensure that the Driver(s)/Helpers/ Jugalees/ Mazdoors (as applicable) are available every day, i.e. on Holidays, Sundays, off days or during leave of the Regular drivers/crew as per the requirements of the Company's Engineer. In the event of failure to do so would tantamount to a default and the vehicle(s)/equipment shall be treated as shut down, in which case the liquidated damages shall be deducted from the Transport Supplier.

4.13 The Transport Supplier must maintain a register incorporating particulars with the name(s) of the Operator / driver(s) / handymen / Attendant(s) / Crew engaged by the Transport Supplier and the aforesaid be required to sign the register maintained for this purpose, for monitoring their daily attendance, off days; holidays and leave roster etc. This will ensure proper roster of the crew in respect of compliance with the various Statutory Acts. This register must be available for inspection by the appropriate authorities as and when required. The Transport Supplier will be required to submit a certificate to the Company every month along with the Monthly Statement-Cum Bill in the specified format to the effect that all statutory requirements effecting the operations of the service under this agreement under various Statutory Acts have been complied with.

4.14 The Transport Supplier shall undertake only journeys authorised by the Company's Engineer. Any unauthorised journeys shall be treated as breach of Contract and shall attract penalty for each such occurrence without prejudice to the Company's right to terminate the agreement without any compensation to the Transport Supplier on any account whatsoever.

4.15 The Transport Supplier would be required to submit the statement of payments made to his/her crew employed on the Service envisaged under this agreement as and when required by the appropriate authorities.

4.16 The Transport Supplier shall indemnify the Company against any claims by the driver(s)/crew on account of payment of wages, bonus, perquisites etc.

4.17 The Transport Supplier shall operate the service envisaged under this Agreement in an efficient, workmen like manner as per the instructions of the Company's Engineer. The Transport Supplier shall abide by the Company's Engineer instructions always and ensure continuous uninterrupted service on day-to-day basis.

5.7 The Transport Supplier must ensure timely renewals of all licenses and permits within the due dates.

5.8 The Transport Supplier shall provide at his/her own cost the accommodation/housing for his/her employees, sheds for repairing and servicing of vehicle(s)/equipment, land/garages for parking of the vehicle(s)/equipment (wherever applicable) in and around the base station.

5.9 During the course of the day-to-day operations, the vehicle(s)/equipment may be required to ford or ferried through various rivers. The Transport Supplier will not object to such crossing and shall not be entitled to any additional charges.

5.10 The vehicle(s)/equipment must be maintained in first class road worthy condition along with uniform standards of safety and comfort to passengers as initially provided for at the time of acceptance of the vehicle(s) on the date of placement.

5.11(a) Hour meter, Speedometer and kilometreage gauge must be maintained at a high standard of accuracy. Any defects noticed by the Company's Engineer at the initial and subsequent periodical inspection must be rectified forthwith by the Transport Supplier at his/her own cost. Until such rectification, the readings of the instrument will be subject to such correction factor as may be determined by the Company's Engineer. The Company's decision in this regard shall be final and binding on the Transport Supplier.

5.11(b) Monthly payments shall accordingly be regulated according to the corrected readings.

5.12 All employees of the Transport Supplier who are deployed under this service agreement must observe the security and safety rules of the Company when working inside the declared prohibited areas or otherwise. Any individual found to be objectionable from security considerations must be replaced by the Transport Supplier.

5.13 All vehicles / equipment must carry special nameplates or marking for the purpose of identification as directed by the Company's Engineer. Wherever required, all vehicles must also be provided with the towing hook. All expenses on account of the foregoing shall be borne by the Transport Supplier entirely on his/her own cost.

5.14 The Transport Supplier shall not refuse the vehicle(s)/equipment to be driven by the Company's operator / driver(s) / officer(s) in case of emergency when Transport Supplier's operator / driver(s) is/are not available for any reason.

5.15 The Transport Supplier shall not refuse parking of any vehicle at such places as may be directed by the Company's Engineer.

5.16 "OIL INDIA LIMITED" must be painted prominently in the wind glass frame and number plate of all vehicles.

5.17 The Transport Supplier shall furnish together with related power of attorney the names and specimen signature(s) of the authorised representative(s) who will be overall in charge of the Transport Supplier's organisation to carry out its obligations including preparation of bills, receipts of cheques etc.

5.18 The Transport Supplier's representative(s) shall report every day to the Transport Office of the Company for receiving instruction for duties of equipment / vehicle allotted for the day-to day operations.

5.19 The Transport Supplier must furnish to the Company upon initial placement of the equipment / vehicle(s), the name(s) of the Operators, Supervisor(s), Driver(s), Handymen, Helper(s), crew as may be applicable together with particulars of their driving license(s) etc. In case any changes are made in the crew deployed under this agreement at any time during the tenure of this contract, the Transport Supplier must notify the Company in writing and furnish similar particulars as required hereof in respect of the replacement(s).

6.0 RIGHTS OF COMPANY'S ENGINEER:-

6.1 The Company's Engineer shall upon initial placement of equipment / vehicle(s) check all the relevant documentation and duly inspect/test the same before accepting it for the services under this agreement. Such inspection/test shall be carried out entirely at the Transport Suppliers' risk and cost. Any equipment / vehicle found deficient or defective in any manner will not be acceptable till such deficiency is completely rectified to the satisfaction of the Company's Engineer.

6.2 The Company's Engineer shall arrange for allocation of the equipment / vehicle(s) duty to the various departments if so desired.

6.3 Upon deployment of the equipment / vehicle(s) to a specified department if required, the transport service shall have to be provided by the Transport Supplier to the satisfaction of the Company's Engineer.

6.4 The Company's Engineer shall have power amongst others as follows:-

- a) Fix the normal duty hours/timings of the Transport Supplier and regularly monitor the same;
- b) Instruct the Transport Supplier from time to time for such further inspection as may be necessary for the proper and adequate supply of services and for keeping such records as are deemed necessary.
- c) Instruct the Transport Supplier to replace by more suitable hands any of his/her crew engaged for running/operating the equipment / vehicle(s) or for general management of the service. When such person is found unsuitable for the purpose of rendering efficient service to the Company under this agreement. Be it expressly stated that the Company shall not be responsible or liable in the event of any action by the Transport Supplier against his/her employees or workmen in any manner whatsoever arising out of their removal or replacement.
- d) Instruct the Transport Supplier to remedy breach of contract and levy any penalty in relation thereto.
- e) Refuse the services of any equipment / vehicle(s) found in deteriorated conditions and orders the Transport Supplier to rectify the defects or arrange for replacement till such default is remedied.

- p) The Company's Engineer shall clearly indicate the total shut down hours in a month due to maintenance of the equipment / vehicle(s) and/or default with reason in the monthly statement which will be treated as final for determining liquidated damages or penalty, if any.

6.5 The Transport Supplier would at all times obey the instructions of the Company's Engineer and ensure compliance of the above mentioned orders and instructions.

7.0 SECURITY DEPOSIT:

7.1 The transport supplier shall upon acceptance of the tender, pay to the Company within two weeks of issue of Letter of Award (LOA) a Security Deposit amounting to **7.5% of one year contract value** by way of DEMAND DRAFT/ BANKER'S CHEQUE/BANK GUARANTEE valid beyond six months of the full tenure of the contract, in favour of OIL INDIA LIMITED, DULIAJAN and payable at Duliajan from any Nationalised Bank as a guarantee against timely placement of all vehicles in an acceptable condition and as a guarantee

towards smooth operation of the services envisaged under the agreement. This money shall not bear any interest and will be refunded only upon successful completion of the tenure of the contract (including any extension being granted) after deduction/recovery, if any. Failure to provide the aforesaid security amount would render the party liable for rejection and in turn forfeiture of Bid Security apart from any other actions the company may take at its sole discretion.

7.2 The Security Deposit shall be forfeited in case of the occurrence of the following events:-

- (a) In case of non placement of equipment/ vehicle(s) as per agreement, in full at the sole discretion of the Company.
- b) In case of any event occurring as envisaged in clause No.8.1 hereof; and/or
- c) In case of any event occurring as envisaged in clause No.9.0 hereof, where the outstanding bills are not adequate to recover the damages to the extent of such shortfall;
- d) In case of premature termination due to default or breach of contract by the Transport Supplier.

7.3 In the event of an occurrence as envisaged in clause No.7.2 (b) & (c), the Transport Supplier will have to furnish additional Security Deposit in the manner prescribed to the extent of amount forfeited. Failure on the part of Transport Supplier to comply with this would render this agreement liable for termination whether partially or fully at the sole discretion of the Company, without prejudice to the right of the Company to take any other action or such default including but not limited to forfeited of the entire security deposit. The Transport Supplier shall not be entitled to any damages or compensation whatsoever on account of such termination.

7.4 Provided that in case of delay beyond 3(Three) months from the due date of placement, this agreement shall automatically stand terminated to the extent of the non-performance. This will be without prejudice to the right of the Company to terminate the agreement earlier with 1(One) month's due notice. The Transport Supplier will not be entitled to any damages or compensation whatsoever on account of such termination.

8.0 The Transport Supplier shall commence the supply of regular and continuous service by placing the equipment / vehicle(s) as per this agreement on and with effect from the due date of placement. Any delay in placement of equipment / vehicle(s) for whatsoever reasons beyond the stipulated due date of placement will call for forfeiture of Security Deposit as stipulated hereof without prejudice to any other rights of the Company reserved in this Agreement.

8.1 The Transport Supplier shall supply and maintain the services of all the equipment / vehicles in normal service EVERY DAY with drivers and attendant crew (wherever applicable) as required by the Company. In the event of a default leading to a shut down the Transport Supplier shall not be paid the daily pro-rata fixed charge for the day(s) or part thereof and also be liable to pay to the Company liquidated damages. Such damages will be recovered normally from the Transport Supplier's outstanding bills for the specific shut down vehicle(s). However, in case the outstanding bill for such shut down vehicle(s) (kept off road) is not adequate for such recovery, the Company will have the right to recover the damages from the bills of other vehicles under the agreement, if any. This is without prejudice to the Company's right to recover the amount in any other manner as laid out in the law including appropriation of the Security Deposit towards such outstanding.

8.2 In case of default not leading to shut down, the Company's Engineer shall notify the Transport Supplier to remedy the default within reasonable time and till such default is remedied, if necessary the vehicle(s) shall be released to the Transport Supplier, whereupon it shall be treated as shut down and the pro-rata fixed charge per day shall not be paid for the period of shut down and liquidated damages/penalty as applicable shall be levied too.

8.3(a) In case of accidents and consequent non-availability of equipment / vehicle(s), pro-rata fixed charges will be deducted but the same will not attract liquidated damages if the Transport Supplier notifies in writing to the Company with adequate proof about the accident, copy of FIR (FIRST INFORMATION REPORT) lodged by the Transport Supplier, MVI(Motor Vehicle Inspector) report and copy of garage certificate(in case of damage of vehicles) shall be required as mandatory in addition to other proof to be submitted and accepted by Head-Transport. However, this will not be applicable in case of

(i) Accidents caused by rough/rash driving or because of negligence of the driver engaged

(ii) Where a FIR is lodged by a third party and services of the equipment / vehicle(s) is/are not available for formalities to be observed as per the laws of the land. In such a situation the equipment / vehicle(s) will be treated as shut down and will attract liquidated damages in addition to deduction of pro-rata fixed charges.

8.3(b) In case of accidents or otherwise leading to damage/breakdown of the equipment / vehicle(s) the time required to repair and place back the equipment / vehicle(s) into Company's service shall be decided by the Company's Head-Transport which shall be final and not alterable. On expiry of such allotted time, pending placement of equipment / vehicle(s) liquidated damages will be recovered in addition to the deduction of pro-rata fixed charges.

8.3(c) In case of Bundhs, Rasta Roko, and Strike etc. called by other organisation and if the equipment / vehicle(s) is/are not available for operations due to absence of operator / driver or otherwise the equipment / vehicle(s) will be treated as shut down and pro-rata fixed charge will be deducted. However, if Company feels such shut down could have been avoided liquidated damages will be imposed and shall be recovered from the subsequent bills of the Transport Supplier with proper intimation. It is to be clearly understood that 48(Forty Eight) hours time allotted per month for general maintenance without deduction of pro-rata fixed charge will not be adjusted against such bandh/strike period.

9.0 TERMINATION:

In the event of the Transport Supplier's failure to place equipment / vehicles in due time or render proper services as per terms of this Agreement, the Company reserves the right to terminate wholly or partially the Agreement with 30(Thirty) days notice in writing and on the expiry of this notice period, this service Agreement shall stand terminated or modified for the reduced number of equipment / vehicle(s) and Transport Supplier shall not be entitled to any damage or compensation on account of such termination or reduction in number of equipment / vehicle(s) or otherwise from any cause arising whatsoever.

9.1 The Company may without prejudice to any other remedy for breach of contract, by written notice of default sent to the Transport Supplier to terminate this Agreement in whole or in part if the Transport Supplier fails to perform any of his/her obligations under this agreement or if the Transport Supplier does not cure his/her failure immediately upon receipt of notice from the Company or during any such time as the Company may authorise in writing after receipt of default notice from the Company.

9.2 In the event of Company terminates the contract in whole or in part pursuant to clause No.9.1, the Company may procure, upon such terms and in such manner as may deem appropriate similar services shall be liable for any excess costs incurred by the Company in this regard. However, the Transport Supplier shall continue performance of the Contract to the extent not terminated.

9.3 The Company may at any time terminate the contract giving a written notice to the Transport Supplier without compensating him, if the Transport Supplier becomes bankrupt or otherwise insolvent, provided such termination will not prejudice or effect any right of action or remedy which occurred or will occur thereafter to the Company.

9.4 The Company may send written notice to the Transport Supplier, terminate the agreement, in whole or in part at any time for its convenience. The notice of termination shall specify that the termination is for Company's convenience, the extent to which performance of service under this agreement is terminated and the date which such termination becomes effective, which will be at least 45(Forty Five) days after the date of the notice of termination. If the Company exercises this right, it shall pay the Transport Supplier in accordance with the provisions of this agreement for the services satisfactorily rendered up to the date of termination. The Transport Supplier will not be entitled to any damages or compensation on account of such termination.

9.5 This Agreement shall stand partially or fully terminated in case of default due to delay in placement of vehicle beyond 3(Three) months from the due date of placement stipulated hereof and the Transport Supplier shall be debarred at the discretion of the Company from quoting against any future contract for a period not exceeding 2(Two) years for such default. Such termination will be without prejudice to the Company to forfeit the Security Deposit also.

10.0(a) The Company will make monthly payment subject to adjustment / deduction as necessary for the services rendered in each calendar month and will endeavor to pay before expiry of 30 (Thirty) days from the date of submission of monthly statement-cum-bill for the month for every equipment / vehicle on the basis of accepted rates calculation as mentioned in Part-II (SOQ) of this Service Agreement. The above period shall be counted from day when all statements in respect of all equipment / vehicles to be deployed under this Agreement are received by the Company.

10.0(b) At the end of the month, the Transport Supplier will have to submit the monthly statement-cum-bill in triplicate. Along with the monthly statement-cum-bill, the Transport Supplier will also submit to the user department a certificate every month confirming compliance with the statutory requirement and in absence of the said certificate, bill will not be processed for payment and any delay arising out of the same shall be attributable to the Transport Supplier.

10.0(c) Monthly statement / bills submitted by the Transport Supplier will be cross checked by the Company with the records maintained by the Company. Wherever discrepancies are found the Company would have right to make necessary corrections in the statement/bill submitted by the Transport Supplier before certifying/countersigning the same for processing payment.

10.0(d) A daily logbook will be maintained in triplicate. The Transport Supplier's representative or his/her operator / driver should collect the original and a copy of the daily logbook has to be submitted with statement-cum-bill for claiming payment.

5. At the time of each inspection (during initial placement as well as subsequent inspections), all certificates/documents detailed at Clause CC.1 above as well as other documents viz. driver's license, etc. shall be submitted in original for inspection/verification.

DD: TERMS & CONDITIONS AND OTHER COMPLIANCES -

1. The contractual period of the Contract Agreement shall be counted from the date of placement of the **FIRST** crane into company's service.
2. The crane/s shall be used for jobs like loading, unloading, shifting, aligning, handling, placing etc. of all types of company's materials in OIL areas of activities in ASSAM & ARUNACHAL PRADESH.
3. The operating crew for each crane shall comprise of at least 1(one) experienced operator and 3(three) helpers/jugals (crane for 24 hrs with services of operating crew for 12 hours duty everyday throughout the month).
4. The duty timing for deployment of operating crew on 12(Twelve) hours basis shall be decided by the company and shall be binding on the contractor. The same may be changed from time to time at the discretion of company.
5. For day to day operations, the crane/s shall have to move from one place to another. Contractor shall ensure that the time taken by the crane/s for such movement does not exceed the normal travelling time. The "Normal Travelling Time" shall be computed as per standard average speed.
6. For proper & efficient functioning of the crane services, contractor shall engage skilled supervisory staff/representative and furnish along with related Power of Attorney /Affidavit the name and specimen signature of such staff who will be in charge of obligations, including preparing bills, receive cheques, etc.
7. Contractor's representative/supervisor shall report everyday to Transport Department for receiving instructions for duties of the cranes allotted for day-to-day operations.
8. Contractor/his supervisor/representative shall freely consult with company's engineer and other officers/staff regarding ways and means to improve the quality of services to company's satisfaction and to maintain a high standard of service and also furnish maintenance/servicing programme of their cranes in advance.
9. It will be entirely the responsibility of the contractor/his supervisor/representative to ensure strict adherence to all safety and security measures during operation & movement as well as safety of crew members engaged by him. Contractor and his/her crew shall abide by and comply with all the rules, regulations and guidelines of safety & security measures while on duty as per the Mines Act, any other act or statutory orders or directives issued by competent authority/company's representative/ S&E Department of OIL from time to time.
10. An undertaking of safety measures to be adopted has to be given by the contractor before the commencement of the service under this contract agreement. The format for such declaration is available in Contract Office.
11. Each member of the operating crew when operating the crane/s must be in physically and mentally fit condition and shall not be under influence of intoxication of any type. Any violation of this clause shall make the contractor liable to pay to the company the damages as per clause/clauses defined elsewhere in this Contract Agreement. The crew shall comply with all the requirements as provided in the Motor Vehicle Act and the Rules framed there-under.
12. The crew shall refrain from smoking or carry any inflammable substance at any company's installations.
13. Operation/duty authorised by company shall only be taken as 'Authorised' operation/duty and company shall make payment for such 'Authorised' operation/duty only.
14. For the purpose of payment for the service rendered, contractor shall accept as final the Log Sheets/statements certified by the company for day-to-day operation of the crane/s. Contractor shall maintain triplicate records of such Log Books/statements duly countersigned by company's engineer on day-to-day basis and shall submit the same and bills in such manner as prescribed by the company at the time of commencement Contractor

of the service or as modified from time to time. While preparing such statements/bills, contractor shall exclude the kilometrage involved on their own account, such as garaging, servicing etc.

15. In case, contractor fails to place any crane for duty in time on any particular day without prior permission from the company, then the delayed placement/duty timings shall not normally be accepted. On such occasions, the crane shall be treated as shutdown and same shall attract pro-rata deduction of fixed charge and also imposition of penalty at rates specified elsewhere in this contract agreement.

16. Similarly, if any crane is found to be deployed for any other duties during the period when released for parking at contractor's yard and/or during the period when allowed for routine servicing/maintenance, then also the crane shall be treated as shutdown and the same shall attract pro-rata deduction of fixed charge and also imposition of penalty at rates specified elsewhere in this contract agreement.

17. During the currency of the Contract Agreement, the contractor shall neither withdraw any crane from service for any reason nor operate any of the cranes for private purpose. Contractor shall not refuse to base & deploy the crane at any station in Assam & Arunachal Pradesh as specified by the company from time to time in connection with company's activities. Contractor shall also not refuse to carryout any job authorised by the company. In case of any such default, the crane/s shall be treated as shutdown and same shall attract pro-rata deduction of fixed charge and also imposition of penalty at rates specified elsewhere in this contract agreement.

18. The cranes shall be free from all financial/legal complications & encumbrances and should there be any interruption in company's jobs due to such complications, on demand, contractor shall compensate the loss to the company as decided by the company.

19. Any loss/damage/pilferage of company's materials during their handling by crane/s shall be on contractor's account and company shall recover the cost of such materials as decided by the company from the bills of the contractor. This will be without any prejudice to any other recourse the company may have or exercise against the contractor.

20. It will be solely the contractor's responsibility to fulfil all legal & statutory obligations/formalities of Central and State governments as well as other statutory bodies for operating the cranes, as applicable. Each crane shall possess valid Registration, Pollution, Fitness, Permits, Comprehensive Insurance, Load Test certificate, etc. throughout the contractual period and it shall be the contractor's responsibility to procure and renew such certificates as and when necessary. The operator of each crane shall possess valid HMTV Driving Licence (Heavy).

21. It will be also solely the contractor's responsibility to fulfil all legal & statutory obligations/formalities of Central and State governments for operating and plying the cranes in Dibrugarh, Tinsukia, Sivasagar and any other districts of Assam & Arunachal Pradesh. Contractor shall obtain and renew the necessary permits etc. required for his/her crew and vehicle/crane to enter and work in Arunachal Pradesh of his/her own.

22. Company shall not be responsible under any circumstances for any claim/compensation that arises due to damages/injury to the contractor's cranes, vehicle, property, operating crew, staff, etc. while on duty.

23. The cranes under this contract shall normally be based at Duliaganj, but will be required to make frequent trips to different OIL's areas of activities in Assam and Arunachal Pradesh. From time to time, the crane/s may be required to halt overnight at any station other than the base station, but no additional halting charges will be payable. In such an event, contractor shall have to bear the expenditures/arrangements as necessary of his/her own. Similarly, to meet the job requirement, crane/s may be stationed from time to time at Manabhum/Kumchai in Arunachal Pradesh and other areas of OIL activities. In such an event, no extra charges shall be paid to the contractor and the contractor will have to arrange his/her own accommodation etc. for his/her crew, etc.

24. The crane/s may be allowed to be parked inside company's premises subject to availability of space at the end of duty everyday, but the same shall be absolutely at the risk of the contractor.

25. Contractor shall provide adequate quantity of tools & tackles, slings, hooks and other expedients necessary for loading/unloading of materials by crane to ensure prompt and efficient operations of the cranes in prevailing slushy & difficult oilfield areas. Company's engineer / Junior Engineer or any other representative present at site shall have the power to reject any of these items, if found not suitable for use.

26. Contractor shall maintain the crane/s in perfect working condition for the rated capacity & designed efficiency, which is an essential obligation of the contractor.
27. Contractor shall provide necessary safety kits & liveries to his/her crew members. Contractor shall ensure that all the crew members of each crane supplied under this agreement regularly use Personal Protective Equipment (PPE) as per requirement of the Oil Mines Act, 1952 and Oil Mines Regulations, 1984. If any of the crew members is found without PPE, the respective crane will not be used by the company and such period of non-use shall be treated as shutdown. In case the contractor has any problem in supply of Safety Boots, Safety Helmet etc. to the crew members, he/she may request company to supply the same on chargeable basis.
28. The crew members engaged by the contractor will be required to undergo Mines Vocational Training imparted by the company. Similarly, in case company arranges any safety class / training for the crew members, the contractor shall not have any objection to such training.
29. Contractor shall ensure that his / her crew follow the instruction of the company's Engineer / Junior Engineer present at site. The crew members shall not refuse to follow any instruction given by company's Installation Manager / Safety Officer / Engineer / Official / Junior Engineer for safe operation.
30. Only adult physically & mentally fit personnel shall be employed as crew member/staff. In no case, minor or adolescent workers shall be allowed to work as crew member/staff. Decision of company's engineer / representative as to the competency & suitability of any such member engaged by the contractor shall be final and binding on the contractor.
31. In order to maintain necessary operational efficiency, contractor is expected to possess a light passenger vehicle (Jeep, Pickup, etc.) or any other light transport arrangement for transportation of fuel, crew, expedients, maintenance staff or any other assistance required by the crane/s from time to time while on duty.
32. Contractor shall not refuse to operate his/her crane/s in slushy, muddy, and underfoot plinth conditions prevailing in oilfield areas, if company engineer certifies the condition of plinth.
33. Each and every crane shall have provision of audio-visual alarm for reversing. Reflecting tapes for easy identification from a distance shall be fixed at rear, front and either side of the crane.
34. Operator of each crane shall possess valid HMV Driving Licence (Heavy); in no circumstances an operator shall be allowed to operate a crane without having a valid driving licence. In such a default, the crane shall be treated as shutdown.
35. Crew for each crane shall comprise of 1(one) operator and 3(three) helpers/jugalies. In case the minimum 3(three) helpers/jugalies are not available, the crane shall not be allowed to operate and shall be treated as shutdown. However, in case of emergency when situation arises to utilise the service of the crane even with 2(two) helpers/jugalies, a penalty of Rs. 300/- (Rupees three hundred only) per crane per day or part thereof will be imposed. In no case a crane with less than 2(two) helpers/jugalies shall be accepted and allowed to work.
36. The inscription "ON OIL INDIA LTD. DUTY" shall be painted prominently at front, rear and on either side of the crane.
37. The lifting tackles such as ropes, slings, chains, shackles etc. should be as per BIS. The company's Engineer / Junior Engineer present at site shall have the power to reject any of these lifting equipment, if found not suitable for use.
38. Records of daily attendance, accident report etc. are to be maintained in Form B, E, J (as per Mines Rules 1955) by the contractor and to be countersigned by competent official from the company.
39. Besides above, all other activities are to be in compliance with the provisions of Oil Mines Regulations 1984, Mines Act 1952.

Description of work/service:

HIRING SERVICES OF 3(THREE) NOS. BRAND NEW TRUCK MOUNTED DIESEL HYDRAULIC TELESCOPIC BOOM CRANE HAVING LIFTING CAPACITY OF MINIMUM 40(FORTY) METRIC TONNES AT 3(THREE) METERS OPERATING RADIUS (85% RATING) ON FULLY EXTENDED OUTRIGGERS AND WITH 360 DEGREE CONTINUOUS FULL CAPACITY SLEW, MAXIMUM BOOM LENGTH NOT LESS THAN 30(THIRTY) METERS AND MAXIMUM OPERATING RADIUS NOT LESS THAN 30(THIRTY) METERS, TO BE STATIONED AT ANY PLACE OF OIL'S ACTIVITIES IN ASSAM & ARUNACHAL PRADESH FOR A PERIOD OF 4(FOUR) YEARS, EXTENDABLE BY 1(ONE) YEAR, IF REQUIRED.

Sir,

We hereby confirm that we have fully understood the safety measures to be adopted during execution of the above contract and that the same have been explained to us by the concerned authorities. We also give the following assurances.

a) Only experienced and competent persons shall be engaged by us for carrying out work under the said contract.

b) The names of the authorized persons who would be supervising the jobs on day to day basis from our end are the following:

i) _____

ii) _____

iii) _____

The above personnel are fully familiar with the nature of jobs assigned and safety precautions required.

c) Due notice would be given for any change of personnel under item(b) above.

d) We hereby accept the responsibility for the safety of all the personnel engaged by us and for the safety of the Company's personnel and property involved during the course of our working under this contract. We would ensure that all the provisions under the Oil Mines Regulations, 1984 and other safety rules related to execution of our work would be strictly followed by our personnel. Any violation pointed out by the Company's Engineers would be rectified forthwith or the work suspended till such time the rectification is completed by us and all expenditure towards this would be on our account.

e) We confirm that all persons engaged by us would be provided with the necessary Safety Gears at our cost.

f) All losses caused due to inadequate safety measures or lack of supervision on our part would be fully compensated by us and the Company will not be responsible for any lapses on our part in this regard.

g) We shall abide by the following HSE (Health, Safety & Environmental) POINTS:

GENERAL HEALTH, SAFETY & ENVIRONMENT (HSE) POINTS:

1. It will be solely the Contractor's responsibility to fulfill all the legal formalities with respect to the Health, Safety and Environmental aspects of the entire job (namely; the person employed by him, the equipment, the environment, etc.) under the jurisdiction of the district of that state where it is operating. . Ensure that all sub-contractors hired by him comply with the same requirement as the contractor himself and shall be liable for ensuring compliance all HSE laws by the sub or sub-sub contractors.

2. Every person deployed by the contractor in a mine must wear safety gadgets to be provided by the contractor. INTEGRITY PACT

Between

Oil India Limited (OIL) hereinafter referred to as "The Principal"

And

(**Name of the bidder**).....hereinafter referred to as "The Bidder/Contractor"

Preamble :

The Principal intends to award, under laid down organizational procedures, contract/s for **HIRING SERVICES OF 3(THREE) NOS. BRAND NEW TRUCK MOUNTED DIESEL HYDRAULIC TELESCOPIC BOOM CRANE HAVING LIFTING CAPACITY OF MINIMUM 40(FORTY) METRIC TONNES AT 3(THREE) METERS OPERATING RADIUS (85% RATING) ON FULLY EXTENDED OUTRIGGERS AND WITH 360 DEGREE CONTINUOUS FULL CAPACITY SLEW, MAXIMUM BOOM LENGTH NOT LESS THAN 30(THIRTY) METERS AND MAXIMUM OPERATING RADIUS NOT LESS THAN 30(THIRTY) METERS, TO BE STATIONED AT ANY PLACE OF OIL'S ACTIVITIES IN ASSAM & ARUNACHAL PRADESH FOR A PERIOD OF 4(FOUR) YEARS, EXTENDABLE BY 1(ONE) YEAR, IF REQUIRED.**

The Principal values full compliance with all relevant laws and regulations, and the principles of economic use of resources, and of fairness and transparency in its relations with its Bidder/s and Contractor/s.

In order to achieve these goals, the Principal cooperates with the renowned international Non-Governmental Organisation "Transparency International" (TI). Following TI's national and international experience, the Principal will appoint an external independent Monitor who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section 1 - Commitments of the Principal

- (1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:-
1. No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for him/herself or third person, any material or immaterial benefit which he/she is not legally entitled to.
 2. The Principal will, during the tender process treat all Bidders with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidders the same information and will not provide to any Bidder confidential/additional information through which the Bidder could obtain an advantage in relation to the tender process or the contract execution.
 3. The Principal will exclude from the process all known prejudiced persons.
- (2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the relevant Anti-Corruption Laws of India, or if there be a Page 2 of 6 substantive suspicion in this regard, the Principal will inform its Vigilance Office and in addition can initiate disciplinary actions.

Contractor

Section 2 - Commitments of the Bidder/Contractor

- (1) The Bidder/Contractor commits itself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.
1. The Bidder/Contractor will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or immaterial benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.
 2. The Bidder/Contractor will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, Subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelisation in the bidding process.
 3. The Bidder/Contractor will not commit any offence under the relevant Anticorruption Laws of India; further the Bidder/Contractor will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
 4. The Bidder/Contractor will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.
- (2) The Bidder/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3 - Disqualification from tender process and exclusion from future Contracts

If the Bidder, before contract award has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or risibility as Bidder into question, the Principal is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.

Page 3 of 6

1. If the Bidder/Contractor has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is entitled also to exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressions within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.
 2. The Bidder accepts and undertakes to respect and uphold the Principal's Absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.
 3. If the Bidder/Contractor can prove that he has restored/recouped the Damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.
1. A transgression is considered to have occurred if in light of available evidence no reasonable doubt is possible.

Section 4 - Compensation for Damages

1. If the Principal has disqualified the Bidder from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover from the Bidder liquidated damages equivalent to 3 % of the value of the offer or the amount equivalent to Earnest Money Deposit/Bid Security, whichever is higher.
2. If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to section 3, the Principal shall be entitled to demand and recover from the Contractor liquidated damages equivalent to 5% of the contract value or the amount equivalent to Security Deposit/Performance Bank Guarantee, whichever is higher.
3. The bidder agrees and undertakes to pay the said amounts without protest or demur subject only to condition that if the Bidder/Contractor can prove and establish that the exclusion of the Bidder from the tender process or the termination of the contract after the contract award has caused no damage or less damage than the amount or the liquidated damages, the Bidder/Contractor shall compensate the Principal only to the extent of the damage in the amount proved.

Company

Contractor

Section 5 - Previous transgression

1. The Bidder declares that no previous transgression occurred in the last 3 years with any other Company in any country conforming to the TI approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.
2. If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

Section 6 - Equal treatment of all Bidders/Contractor/Subcontractors

1. The Bidder/Contractor undertakes to demand from all subcontractors a commitment in conformity with this Integrity Pact, and to submit it to the Principal before contract signing.
2. The Principal will enter into agreements with identical conditions as this one with all Bidders, Contractors and Subcontractors.
3. The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

**Section 7 - Criminal charges against violating Bidders/Contractors/
Subcontractors**

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor, which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

**Section 8 - External Independent Monitor/Monitors
(three in number depending on the size of the contract)
(to be decided by the Chairperson of the Principal)**

1. The Principal appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
2. The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the Chairperson of the Board of the Principal.

Page 5 of 6

3. The Contractor accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder/Contractor/Subcontractor with confidentiality.
4. The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.
5. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or heal the violation, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.
6. The Monitor will submit a written report to the Chairperson of the Board of the Principal within 8 to 10 weeks from the date of reference or intimation to him by the 'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.
7. If the Monitor has reported to the Chairperson of the Board a substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.
8. The word 'Monitor' would include both singular and plural.

Page 6 of 6

Section 9 - Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the respective contract, and for all other Bidders 6 months after the contract has been awarded.

If any claim is made/ lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by Chairperson of the Principal.

Section 10 - Other provisions

1. This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. New Delhi.
2. Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.
3. If the Contractor is a partnership or a consortium, this agreement must be, signed by all partners or consortium members.
4. Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
