5.0 GUIDELINES FOR PARTICIPATING IN OIL'S E-PROCUREMENT:

5.1 In order to bid for OIL e-tenders all the bidders are required to obtain a legally valid Digital Certificate Class 3 [Organization] along with Encryption Certificate as per Indian IT Act from the licensed Certifying Authorities (CA) operating under the Root Certifying Authority of India (RCAI), Controller of Certifying Authorities (CCA) of India. Digital Signature Certificate comes in a pair of Signing/verification and Encryption/decryption certificate. Bidder should have both the Signing/verification and Encryption/decryption certificate for Signing and encryption, decryption purpose respectively. The driver needs to be installed once, without which the DSC will not be recognized. While participating on e-Tendering the DSC token should be connected to your system.

Encryption certificate is mandatorily required for submission of bid. In case bidder created response with one certificate (using encryption key) and bidder change his Digital Signature Certificate then old certificate (used for encryption) is required in order to decrypt his encrypted response for getting the edit mode of the response. Once decryption is done, bidder may use new DSC certificate for uploading and submission of their offer. It is the sole responsibility of the bidder to keep their DSC certificate properly. In case of loss of the certificate, OIL INDIA LTD is not responsible.

The authenticity of above digital signature shall be verified through authorized CA after bid opening. If the digital signature used for signing is not of "Class - 3" with Organizations name, the bid will be rejected.

Digital Signature Certificates having "**Organization Name**" field other than **Bidder's Name** are not acceptable. However, aforesaid Digital Signature Certificates having Bidder's Name in the "Organization Name" field are acceptable.

Bidder is responsible for ensuring the validity of digital signature and its proper usage by their employee.

FORWARDING LETTER

Duly authorized representative of the bidding company shall digitally sign the bid including all uploaded documents.

5.2 For participation, applicants already having User ID & Password for OIL's E-Procurement Portal need to register against the IFB. New vendors/existing vendors not having User ID & Password for OIL's E-Procurement Portal shall obtain User ID & password through online vendor registration system in E-Portal.

5.2.1 Bidders without having E-Tender Login ID and password should complete their online registration at least 07 (Seven) days prior to the scheduled Bid Closing Date and time of the tender. For online registration, bidder may visit OIL's E-Tender site <https://etender.srm.oilindia.in/irj/portal>.

5.2.2 Necessary Login ID & Password will be issued by OIL only after submitting the complete online registration by the Bidder. In the event of late registration/incomplete registration by Bidder, OIL INDIA LIMITED shall not be responsible for late allotment of User ID & Password and request for bid closing date extension on that plea shall not be entertained by Company.

5.3 Parties, who do not have a User ID, can click on **Guest** login button in the E-portal to view and download the tender. **The detailed guidelines are available in OIL's e-procurement site (Help Documentation).** For any clarification in this regard, bidders may contact E-Tender Support Cell at Duliajan at erp_mm@oilindia.in, Ph.: 0374-2807178/4903.

5.4 Details of process for submission of Bid Security (EMD) through the online payment gateway are available in Vendor User Manual under E-Procurement Portal. (Note: Important Points for on-line Payment can be viewed at Oil India's website at url: <http://oil-india.com/pdf/ETenderNotification.pdf>).

5.5 The link to OIL's E-Procurement portal has been provided through OIL's web site (www.oil-india.com).

6.0 EXEMPTION OF BID SECURITY:

In case any bidder is exempted from paying the Bid security, they should upload the supporting documents along with technical bid. The detailed guidelines for exemption of the Bid security are given below.

8.0 MAINTENANCE OF TOTAL BID VALUE IN THE RESPONSE

The rates / costs quoted by bidders against the e-tender shall be available for online viewing after price bid opening to those bidders whose price bids have been opened in the system. For tenders where **Detailed Price Information** under “**RFx Information**” Tab Page is “**No price**”, the bidders shall have to enter the **Total Cost (including GST)** as per their price bid in the data field “**Total Bid Value**” under “RFx Information” Tab Page in addition to uploading their pricing as per the “Price Bid format” under “**Notes & Attachment**” Tab Page.

The screenshot shows the 'Create RFX Response' interface. At the top, there are tabs: **Submit**, **Read Only**, **Print Preview**, **Check**, **Technical RFX Response**, and **Close**. Below these, a summary bar displays: **RFX Response Number** 60038748, **RFX Number** 1396, **Status** In Proce, **RFX Owner** BHARALI, **Total Value** 0.00 INR, and **RFX Response Version Nu**. A navigation bar includes **RFX Information** (selected), **Items**, **Notes and Attachments**, and **Conditions**. Below this is another bar with **Basic Data** (selected), **Questions**, and **Technical Attachments**. The main section is titled **Event Parameters** and contains three fields: **Currency:** Indian Rupee (dropdown), **Detailed Price Information:** No Price (dropdown), and **Terms of Payment:** (text field with a calendar icon). The **Total Bid Value:** field is highlighted with a red box and a yellow background. Two callouts explain this field: one states '“Total Bid Value” is mandatory in “No Price” RFX only.' and the other states '“Total Bid Value” considering all the taxes & duties.'

The Total Amount (inclusive of GST) as entered by the bidders against “Total Bid Value” in their on-line response shall be displayed in the e-tender portal amongst the bidders whose price bids have been opened and Company will not take any responsibility whatsoever towards incorrect information furnished by the bidders in the “Total Bid Value” field.

It is to be noted that amount mentioned in the “Total Bid Value” field will not be considered for bid evaluation and evaluation will be purely based on the Price bid submitted as per the Price Bid Format.

10.1 Bidders are advised in their own interest to ensure that their bids are uploaded in system before the closing date and time of the bid. Any Bid received by the Company after the Bid Closing Date & Time stipulated by the Company shall be rejected.

11.0 MODIFICATION AND WITHDRAWAL OF BIDS:

11.1 Bidders will be permitted by System to withdraw their bid or make any changes in their bid after the bid has been uploaded by the bidder prior to the Bid Closing date and time as mentioned in the bid. But no changes or withdrawal would be allowed by the system once the due date and time for submission of bids has been reached and bids are opened.

11.2 No bid can be modified / withdrawn subsequent to the deadline for submission of bids.

11.3 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiry of the period of bid validity. Withdrawal of any bid within validity period will lead to forfeiture of his / her / their Bid Security Deposit in full and debar from participation in future tenders, at the sole discretion of the company.

12.0 EXTENSION OF BID SUBMISSION DATE:

12.1 Normally no request for extension of Bid Closing Date & Time will be entertained. However, OIL at its discretion, may extend the Bid Closing Date and / or Time due to any reasons.

13.0 BID OPENING AND EVALUATION:

13.1 Both Technical & Price bid will be opened on scheduled Bid opening date & time in the presence of any attending Bidder(s) or their Authorized Representative, if any. However, an authorized letter (format given in Proforma Section) from the Bidder must be produced by Bidder's representative at the time of opening of Tender, without which such representative won't be allowed to attend the opening of Tenders. Only one representative against each Bid will be allowed to attend the bid opening. Attending Bidder(s) & Authorized Representative(s) will have to sign a register evidencing their presence.

13.2 In case it happens to be a bundh / holiday, the tender will be opened on the next working day (except Saturday). Accordingly, Bid Closing Date / time will get extended up to the next working day and time (except Saturday).

13.3 Bids which have been withdrawn pursuant to Clause 11.0 will not be allowed to be opened by the system. OIL shall examine bids to determine whether they are complete, whether requisite Bid Securities have been furnished, whether documents have been properly signed and whether the bids are generally in order.

13.4 OIL shall prepare, for its own records, minutes of bid opening including the information disclosed to those present in accordance with the sub-clause 13.3.

13.5 To assist in the examination, evaluation and comparison of bids, normally no clarifications shall be sought from the Bidders. However, for assisting in the evaluation of the bids especially on the issues where the Bidder confirms compliance in the evaluation and contradiction exists on the same issues due to lack of required supporting documents in the Bid (i.e. document is deficient or missing), or due to some statement at other place of the Bid (i.e. reconfirmation of confirmation) or vice versa, clarifications may be sought by OIL at its discretion. The request for clarification and the response shall be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.

13.6 Prior to the detailed evaluation, OIL will determine the substantial responsiveness of each bid to the requirement of the Bidding Documents. For purpose of these paragraphs, a substantially responsive bid is one, which conforms to all the terms and conditions of the Bidding Document without material deviations or reservation. A material deviation or reservation is one which affects in any substantial way the scope, quality, or performance of work, or which limits in any substantial way, in-consistent way with the bidding documents, the Company's right or the bidder's obligations under the contract, and the rectification of which deviation or reservation would affect unfairly the competitive position of other bidders presenting substantial responsive bids. OIL's determination of bid's responsiveness is to be based on the contents of the Bid itself without recourse to extrinsic evidence.

13.7 A Bid determined as not substantially responsive will be rejected by the Company and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

13.8 The Company may waive minor informality or nonconformity or irregularity in a bid, which does not constitute a material deviation, provided such waiver, does not prejudice or affect the relative ranking of any Bidder.

14.0 EVALUATION AND COMPARISON OF BIDS:

14.1 OIL will evaluate and compare the bids as per Bid Evaluation Criteria (BEC) of the bidding documents.

14.2 To ascertain the inter-se-ranking, the comparison of the responsive bids will be made on the basis of total amount quoted inclusive of all liabilities and GST for the items of Part-II (i.e. schedule of works, units, quantity, rates) of the tender.

14.3 DISCOUNTS / REBATES: Unconditional discounts / rebates, if any, given in the bid or along with the bid will be considered for evaluation.

14.4 Post bid or conditional discounts / rebates offered by any bidder shall not be considered for evaluation of bids. However, if the lowest bidder happens to be the final acceptable bidder for award of contract, and if they have offered any discounts / rebates, the contract shall be awarded after taking into account such discounts / rebates.

14.5 Conditional bids are liable to be rejected at the discretion of the Company.

15.0 CONTACTING THE COMPANY:

15.1 Except as otherwise provided in Clause 14.0 above, no Bidder shall contact OIL on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded except as required by OIL vide sub-clause 13.5.

15.2 An effort by a Bidder to influence OIL in the bid evaluation, bid comparison or Contract award decisions may result in the rejection of their bid.

16.0 AWARD CRITERIA:

16.1 OIL will award the Contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined as the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the Contract satisfactorily.

17.0 OIL' S RIGHT TO ACCEPT OR REJECT ANY BID:

17.1 OIL reserves the right to accept or reject any or all bids and to annul the bidding process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected bidder, or bidders or any obligation to inform the affected bidder of the grounds for OIL's action.

18.0 NOTIFICATION OF AWARD:

18.1 Prior to the expiry of the period of bid validity or extended validity, OIL will notify the successful Bidder in writing by registered letter or by cable or telex or fax or e-mail (to be confirmed in writing by registered / couriered letter) that its bid has been accepted.

19.0 SIGNING OF CONTRACT:

19.1 The successful bidders(s) shall be notified by the Company of its intention to enter into an Agreement with him/her/them on the basis of his/her/their acceptance of the offer. Such notification shall be treated as a "Letter of Award (LOA)".

19.2 Within 02 Weeks from the date of issue of Letter of Award (LOA), the successful Bidder(s) will be required to enter into a formal Service Agreement based on the instant tender on the OIL Standard forms of agreement.

19.3 Failure of the successful bidders to comply with the conditions as specified in Para 19.2 above would render him liable for rejection and in turn forfeiture of Bid Security apart from any other actions the Company may take against him at its sole discretion. The bidder shall be dealt as per the Banning Policy (available in OIL's website) of Company.

BID EVALUATION CRITERIA (BEC) – BID REJECTION CRITERIA (BRC)**1.0 BID EVALUATION CRITERIA:**

The bid shall conform to the specifications and terms and conditions given in the Bidding Documents. Bids will be rejected in case material and services offered do not conform to the required parameters stipulated in the technical specifications. Notwithstanding the general conformity of the bid to the stipulated specifications, the following requirements will have to be particularly met by the Bidders without which the same will be considered as non-responsive and will not be considered for evaluation. All the documents related to BEC shall be submitted along with the Technical Bid.

1.1 Technical Criteria:

Bidder must have experience of at least one **SIMILAR work** of value **Rs. 13,32,000.00 (Rupees Thirteen Lakh Thirty-Two Thousand)** only in previous 07 (seven) years reckoned from the original bid closing date with PSUs / Central Government / State Government Organization/Public Limited Company.

Notes to BEC Clause No. 1.1:

1. **“SIMILAR work”** mentioned above means “Experience in successful completion of Designing of Municipal sewage Treatment plant(s)”
2. If the prospective bidder is executing **SIMILAR work** which is still running and the job executed prior to original bid closing date satisfies the BEC Clause No. 1.1, then such experience will also be taken into consideration provided that the bidder submits relevant document(s) certified by the end user clearly showing the value of **SIMILAR work** executed prior to original bid closing date along with Contract documents / work order of the running contract.
3. In case the start date of the requisite experience is prior to the preceding 07 (seven) years’ period reckoned from the original bid closing date but completion is within the preceding 07 (seven) years’ period reckoned from the original bid closing date, then the value of only that part of **SIMILAR Work** will be considered which has been executed within preceding 07 (seven) years’ period reckoned from the original bid closing date. This value should meet the criteria prescribed in the BEC Clause No. 1.1. In such cases, the bidder must submit relevant document(s) certified by the end user or a certificate issued by a practicing Chartered / Cost Accountant Firm (with Membership Number & Firm Registration Number) clearly indicating the value of such experience.

4. If the prospective bidder has executed contract(s) in which **SIMILAR work** is a component, and the value of Similar work executed satisfies the minimum criteria prescribed in the BEC Clause No. 1.1 then such experience will also be taken into consideration provided that the bidder submits the breakup of the works executed under such contract(s) clearly indicating the value of **SIMILAR work**, which must be certified by the end user.

5. For proof of requisite experience of **SIMILAR work**, self-attested photocopies of following documents must be submitted along with the bid: Contract document / Work order showing details of work supported with Completion Certificate issued by PSUs / Govt. Organisation / Public Limited Companies for the similar work mentioned above confirming the following:

- a. Gross value of work done
- b. Nature of Job done.
- c. Contract start and completion date.

6. **SIMILAR work** executed by a bidder for its own organization / subsidiary will not be considered as experience for the purpose of meeting BEC.

1.2 Financial Criteria:

1.2.1 Annual Financial Turnover of the bidder in any of preceding 03 (three) financial / accounting years, reckoned from the original bid closing date should be at least **Rs. 7,99,000.00 (Rupees Seven Lakh Ninety-Nine Thousand)** only.

1.2.2 In case of Consortium of companies, the Annual Financial Turnover of at least one member of the consortium in any of preceding 03 (three) financial / accounting years, reckoned from the original bid closing date should be at least **Rs. 7,99,000.00 (Rupees Seven Lakh Ninety-Nine Thousand)** only and the other members of consortium should have Annual Financial Turnover of at least **Rs. 3,99,500.00 (Rupees Three Lakh Ninety-Nine Thousand Five Hundred)** only in any of preceding 03 (three) financial / accounting years, reckoned from the original bid closing date.

1.2.3 Net worth of bidder must be positive for preceding financial/ accounting year.

Note: The Net worth to be considered against the clause above, should be read in conjunction with the definition of Net worth as mentioned in Section 2 (57) of The Companies Act, 2013.

Notes to BEC Clause No. 1.2:

A. For proof of Annual Turnover & Net worth any one of the following document must be submitted along with the bid:

(i) A certificate issued by a practicing Chartered /Cost Accountant (with Membership Number and Firm Registration Number), certifying the Annual turnover & Net worth as per format prescribed in **PROFORMA-I**.

OR

(ii) Audited Balance Sheet along with Profit & Loss account.

Note:

- Mention of UDIN (Unique Document Identification Number) is mandatory for all Certificates issued w.e.f. February 1, 2019 by Chartered Accountant in Practice.

- In case the bidder is a Central Govt. organization / PSU /State Govt. organization / Semi-State Govt. Organization or any other Central / State Govt. Undertaking, where the auditor is appointed only after the approval of Comptroller and Auditor General of India and the Central Government, their certificates may be accepted even though FRN is not available. However, bidder to provide documentary evidences for the same.

B. Considering the time required for preparation of Financial Statements, if the last date of preceding financial/accounting year falls within the preceding six months reckoned from the original bid closing date and the Financial Statements of the preceding financial/accounting year are not available with the bidder, then the financial turnover of the previous three financial /accounting years excluding the preceding financial/accounting year will be considered. In such cases, the Net worth of the previous financial / accounting year excluding the preceding financial/accounting year will be considered. However, the bidder has to submit an affidavit/undertaking certifying that the balance sheet/Financial Statements for the financial year _____ have actually not been audited so far, as per format prescribed in **PROFORMA-IX**.

C. In case the bidder is a Government Department, they are exempted from submission of documents mentioned under para **A.** and **B.** above.

1.3 BID FROM CONSORTIUM OF COMPANIES:

Bids can be submitted by an individual Firm / Company or by a Consortium of Firms / Companies. In case the bidder is a Consortium of Firms /

Companies, then the bidder must comply by the following criteria for participating in the bidding process:

- A consortium may comprise of a maximum of **03 (three) Nos.** of firms/companies as partner meeting the following requirements:
 - I. The consortium members shall have to meet the Financial Criteria as per Clause **No: 1.2.2** above.
 - II. Atleast any one consortium member individually should meet the Technical Criteria as per **Clause No: 1.1** above.
 - III. Consortium bids shall have to be submitted along with **‘Memorandum of Understanding (MoU)’** between the consortium members duly signed by the authorized representative of the consortium members clearly defining the role/scope of work of each partner/member and identifying the Leader of consortium. The MoU must state that all the members of the consortium shall be jointly and severally responsible for discharging all obligations under the Contract. MoU should be addressed to the Company, clearly stating that it shall be applicable to this Tender and shall remain valid for the entire contract period, including extensions, if any. Also, the MoU should be duly Notarized by Notary. The consortium MoU and notarization thereof shall be executed **before the original bid closing date.**

However, the Leader of the Consortium must submit an **undertaking** along with the technical bid towards Unconditional acceptance of full responsibility for executing the "Scope of Work" of this tender document.

- IV. The following provisions should also be incorporated in the MoU executed by the members of the Consortium:
 - a) Only the Leader of the consortium shall buy the bid document and submit bid on behalf of the consortium. The other members of the Consortium shall ratify all the acts and decisions of the Leader of Consortium, which are taken in connection with and/or during the evaluation of the tender and execution of the contract.
 - b) The Bid Security shall be in the name of the Leader of the consortium on behalf of consortium with specific reference to consortium bid and name & address of consortium members.
 - c) The leader of the consortium on behalf of the consortium shall coordinate with OIL during the period the bid is under evaluation as well as during the execution of works in the event contract is awarded and he shall also be responsible for resolving dispute/

misunderstanding/undefined activities, if any, amongst all the consortium members.

- d) Any correspondence exchanged with the leader of consortium shall be binding on all the consortium members.
 - e) Payment shall be made by OIL only to the leader of the consortium towards fulfilment of contract obligations.
 - f) Consortium bid shall be digitally signed by the leader of Consortium. The Power of Attorney from each member authorising the leader for signing and submission of Bid on behalf of individual member must accompany the Bid offer.
 - g) Members of the consortium are not allowed to quote separately/independently against this tender. All the bids received in such case will be summarily rejected.
 - h) **Signing of Contract:** In the event of award of contract to the consortium, the contract shall be signed by all the members of the consortium and the liability of each one of them shall be jointly and severally.
- 1.4** Both Technical & Price bid will be opened on scheduled Bid opening date & time. However, Price bids shall be evaluated of only the techno-commercially acceptable bidders, whose bids have been found to be substantially responsive. A substantially responsive bid one that meets the terms and conditions of the Tender and / or the acceptance of which bid will not result in indeterminate liability on OIL.
- 1.5** Bidders are required to quote for all the items as per Price Bid Format; otherwise the offer of the bidder will be straightway rejected.
- 1.6** If there is any discrepancy between the unit price and the total price, the unit price will prevail and the total price shall be corrected. Similarly, if there is any discrepancy between words and figure, the amounts in words shall prevail and will be adopted for evaluation.
- 1.7** The quantities shown against each item in the "Price Bid Format" shall be considered for the purpose of Bid Evaluation. It is, however, to be clearly understood that the assumptions made in respect of the quantities for various operations are only for the purpose of evaluation of the bid and the Contractor will be paid on the basis of the actual number of days/parameter, as the case may be.

- 1.8 Price Bids of techno-commercially qualified bidders will be evaluated on overall lowest cost basis (L-1 offer) i.e. considering the Total quoted price inclusive of all liabilities and GST as per the PRICE BID FORMAT.**
- 1.9** Based on the evaluation of techno-commercially qualified bidders, the job will be awarded to L-1 bidder.
- 1.10** The bidders are advised not to offer any discount/rebate separately and to offer their prices in the Price Bid Format after considering discount/rebate, if any.
- 1.11** Conditional and unsolicited discount will not be considered in evaluation. However, if such bidder happens to be the lowest recommended bidder, unsolicited discount without any condition will be considered for computing the contract price.
- 1.12** In case of identical overall lowest offered rate by more than 01 (one) bidder, the selection will be made by draw of lot between the parties offering the same overall lowest price.
- 1.13 PURCHASE PREFERENCE CLAUSE:** Purchase Preference to Micro and Small Enterprises registered with District Industry Centres or Khadi and Village Industries Commission or Khadi and Village Industries Board or Coir Board or National Small Industries Corporation or Directorate of Handicrafts and Handloom or any other body specified by Ministry of MSME:
- (a)** In case participating MSEs quote price within price band of L1+15%, such MSE shall be considered for award of contract by bringing down their price to L1 price in a situation where L1 price is from someone other than a MSE.
- (b)** In case of more than one such MSE qualifying for 15% purchase preference, the contract shall be awarded to lowest eligible MSE amongst the MSEs qualifying for 15% purchase preference.
- (c)** In case any part of the work is sub-contracted to a Micro or Small Enterprise as per contract conditions then the contractor shall provide complete details (i.e. name of the subcontractor, value of sub-contacted work, copy of valid registration certificate etc.) of the sub-contractor to OIL.
- (d) Documentation required to be submitted by MSEs:**
Submit a copy of valid Registration Certificate, if bidder is a Micro or Small Enterprises (MSE) registered with District Industry Centres or Khadi and Village Industries Commission or Khadi and Village Industries Board or Coir Board or National Small Industries Corporation or Directorate of Handicrafts

and Handloom or any other body specified by Ministry of MSME. The Registration Certificate should clearly indicate the monetary limit, if any and the items for which bidder are registered with any of the aforesaid agencies. In case bidding MSE is owned by Schedule Caste or Schedule Tribe entrepreneur, valid documentary evidence issued by the agency who has registered the bidder as MSE owned by SC/ST entrepreneur should also be enclosed.

2.0 BID REJECTION CRITERIA (BRC):

- 2.1** The bids are to be submitted in **Single-Stage Composite Bid System** i.e. Un-priced Techno-Commercial Bid and Price Bid together. Only the Price Bid should contain the quoted price.
- 2.2** The price quoted by the successful bidder must be firm during the performance of the contract and not subject to variation on any account except as mentioned in the bid document. Any bid submitted with adjustable price quotation other than the above will be treated as non-responsive and rejected.
- 2.3** Bid security shall be furnished as a part of the Techno Commercial Un-priced Bid. The amount of bid security should be as specified in the forwarding letter. Any bid not accompanied by a proper bid security will be rejected.
- For availing EMD exemption, the interested MSE Bidders must ensure that their technical offer must include a valid copy of relevant MSE Certificate issued by appropriate authority. If the technical offer does not include a valid copy of relevant MSE Certificate, then the Bid without EMD shall be rejected.
- 2.4** Bid Documents / User Id & Password for OIL's E-Tender portal are not transferable.
- 2.5** Any bid received in the form of Physical document/Telex/Cable/Fax/E-mail will not be accepted.

- (viii) Liquidated Damages clause
- (ix) Tax liabilities
- (x) Arbitration / Resolution of Dispute Clause
- (xi) Force Majeure
- (xii) Applicable Laws
- (xiii) Specifications
- (xiv) Integrity Pact

2.11 There should not be any indication of price in the Un-priced Techno-Commercial Bid. A bid will be straightway rejected if this is given in the Un-priced Techno-Commercial Bid.

2.12 Bid received with validity of offer less than **90 (Ninety) days** from the date of Technical Bid opening will be rejected.

2.13 The Integrity Pact is applicable against this tender. OIL shall be entering into an Integrity Pact with the bidders as per format enclosed vide **Part-VI** of the tender document. This Integrity Pact proforma has been duly signed digitally by OIL's competent signatory. The proforma has to be returned by the bidder (along with the Un-priced Techno-Commercial Bid) duly signed (digitally) by the same signatory who signed the bid, i.e., who is duly authorized to sign

the bid. Uploading the Integrity Pact with digital signature will be construed that all pages of the Integrity Pact has been signed by the bidder's authorized signatory who sign the Bid.

3.0 GENERAL:

- 3.1** In case bidder takes exception to any clause of bidding document not covered under BEC-BRC, then the Company has the discretion to load or reject the offer on account of such exception if the bidder does not withdraw / modify the deviation when / as advised by company. The loading so done by the company will be final and binding on the bidders. No deviation will however be accepted in the clauses covered under BEC-BRC.
- 3.2** To ascertain the substantial responsiveness of the bid the Company reserves the right to ask the bidder for clarification in respect of clauses covered under BEC-BRC also and such clarifications fulfilling the BEC-BRC clauses in toto must be received or before the deadline given by the company, failing which the offer will be will be evaluated based on the submission. However, mere submission of such clarification shall not make the offer responsive, unless company is satisfied with the substantial responsiveness of the offer.
- 3.3** If any of the clauses in the BEC-BRC contradict with other clauses of bidding document elsewhere, the clauses in the BEC-BRC shall prevail.
- 3.4** Bidder(s) must note that requisite information(s)/financial values etc. as required in the BEC-BRC & Tender are clearly understandable from the supporting documents submitted by the Bidder(s); otherwise Bids shall be rejected.

Act and contract cost is inclusive of P.F., must ensure strict compliance of provisions of Provident Fund and Miscellaneous Provisions Act, 1952 in addition to the various Acts mentioned elsewhere in this contract. Any contractor found violating these provisions will render themselves disqualified from any future tendering. As per terms of the contract, if applicable, the Contractor must deposit Provident Fund Contribution (covering Employee's & Employer's share) with the competent authority monthly under their direct code. The Contractor shall be required to submit documentary evidence of deposit of P.F. Contribution to the Company. In case of failure to provide such documentary evidence, the Company reserves the right to withhold the amount equivalent to applicable P.F. Contribution.

19.0 ARBITRATION:**19.1 ARBITRATION (APPLICABLE FOR SUPPLIERS/CONTRACTORS OTHER THAN PSU)**

Except as otherwise provided elsewhere in the contract, if any dispute, difference, question or disagreement arises between the parties hereto or their respective representatives or assignees, in connection with construction, meaning, operation, effect, interpretation of the contract or breach thereof which parties are unable to settle mutually, the same shall be referred to Arbitration as provided hereunder:

- a) A party wishing to commence arbitration proceeding shall invoke Arbitration Clause by giving 30 days' notice to the other party. The notice invoking arbitration shall specify all the points of dispute with details of the amount claimed to be referred to arbitration at the time of invocation of arbitration and not thereafter. If the claim is in foreign currency, the claimant shall indicate its value in Indian Rupee for the purpose of constitution of the arbitral tribunal.
- b) The number of arbitrators and the appointing authority will be as under:

Claim amount (excluding claim for interest and counter claim, if any)	Number of Arbitrator	Appointing Authority
Up to Rs. 5 Crore	Sole Arbitrator	OIL
Above Rs. 5 Crore	3 Arbitrators	One Arbitrator by each party and the 3 rd Arbitrator, who shall be the presiding Arbitrator, by the two Arbitrators.

- c) The parties agree that they shall appoint only those persons as arbitrators who accept the conditions of the arbitration clause. No person shall be appointed as Arbitrator or Presiding Arbitrator who does not accept the conditions of the arbitration clause.

d) Parties agree that there will be no objection if the Arbitrator appointed holds equity shares of OIL and/or is a retired officer of OIL/any PSU. However, neither party shall appoint its serving employees as arbitrator.

e) If any of the Arbitrators so appointed dies, resigns, becomes incapacitated or withdraws for any reason from the proceedings, it shall be lawful for the concerned party/arbitrators to appoint another person in his place in the same manner as aforesaid. Such person shall proceed with the reference from the stage where his predecessor had left if both parties consent for the same; otherwise, he shall proceed de novo.

f) Parties agree that neither shall be entitled for any pre-reference or pendentelite interest on its claims. Parties agree that any claim for such interest made by any party shall be void.

g) The arbitral tribunal shall make and publish the award within time stipulated as under:

Amount of Claims and counter claims(excluding interest)	Period for making and publishing of the award (counted from the date of first meeting of the Arbitrators)
Up to Rs. 5 Crore	Within 8 months
Above Rs. 5 Crore	Within 12 months

The above time limit can be extended by Arbitrator, for reasons to be recorded in writing, with the consent of the other parties.

h) If after commencement of the arbitration proceedings, the parties agree to settle the dispute mutually or refer the dispute to conciliation, the arbitrators shall put the proceedings in abeyance until such period as requested by the parties.

i) Each party shall be responsible to make arrangements for the travel and stay etc. of the arbitrator pointed by it. Claimant shall also be responsible for making arrangements for travel/stay arrangements of the Presiding Arbitrator and the expenses incurred shall be shared equally by the parties.

In case of sole arbitrator, OIL shall make all necessary arrangements for his travel, stay and the expenses incurred shall be shared equally by the parties.

j) The Arbitration shall be held at **Duliajan, Assam**. However, parties to the contract can agree for a different place for the convenience of all concerned.

k) The Arbitrator(s) shall give reasoned and speaking award and it shall be final and binding on the parties.

l) Subject to aforesaid, provisions of the Arbitration and Conciliation Act, 1996 and any statutory modifications or re-enactment thereof shall apply to the arbitration proceedings under this clause.

19.2 ARBITRATION (APPLICABLE IN CASE OF CONTRACT AWARDED ON PUBLIC SECTOR ENTERPRISE):

In the event of any dispute or difference relating to, arising from or connected with the Contract, such dispute or difference shall be referred by either party to the arbitration of one of the Arbitrators in the Department of Public Enterprises, to be nominated by the Secretary to the Government of India, In-Charge of the Bureau of Public Enterprises. The Arbitration and Conciliation Act 1996 shall not be applicable to the Arbitration under this clause. The award of the Arbitrator shall be binding upon the parties to the dispute, provided however, any party aggrieved by such award may make a further reference for setting aside or revision of the award to the Law Secretary, Deptt. of Legal Affairs, Ministry of Law and Justice, Government of India. Upon such reference, the dispute shall be decided by the Law Secretary or the Special Secretary/Additional Secretary, whose decision shall bind the parties finally and conclusively. The parties in the dispute will share equally the cost of the arbitration as intimated by the Arbitrator.

The venue of all arbitrations under both 19.1 & 19.2 will be **Duliajan, Assam**. The award made in pursuance thereof shall be binding on the parties.

20.0 FORCE MAJEURE:

20.1 In the event of either party being rendered unable by 'Force majeure' to perform any obligations required to be performed by them under the contract the relative obligations of the party affected by such 'Force Majeure' shall upon notification to the other party be suspended for the period during which force majeure event lasts. The cost and loss sustained by the either party shall be borne by the respective parties.

The term 'Force Majeure' as employed herein shall mean acts of God, earthquake, war (declared/undeclared) revolts, riots, fires, floods, rebellions, explosions, hurricane, sabotage, civil commotions, and acts and regulations of respective Govt. of the two parties, namely the Company and the contractor.

20.2 Upon the occurrence of such cause(s) and upon its termination, the party alleging that it has been rendered unable as aforesaid thereby, shall notify the other party in writing immediately but not later than 72 (Seventy-two) hours of the alleged beginning and ending thereof giving full particulars and satisfactory evidence in support of its claim.

Time for performance of the relative obligations suspended by the force majeure shall then extended by the period for which such cause lasts.

20.3 Should 'force majeure' condition as stated above occurs and should the same be notified within Seventy-Two (72) hours after its occurrence the 'force majeure' rate shall apply for the first fifteen days. Parties will have the right to terminate the Contract if such 'force majeure' conditions continue beyond fifteen (15) days with prior written notice. Should either party decide not to terminate the Contract even under such condition, no payment would apply after expiry of fifteen (15) days force majeure period unless otherwise agreed to.

21.0 TERMINATION:

21.1 TERMINATION ON EXPIRY OF THE TERMS (DURATION): The contract shall be deemed to have been automatically terminated on the expiry of duration of the Contract or the extension period, if exercised by Company under the provision of the Contract.

21.2 TERMINATION ON ACCOUNT OF FORCE MAJEURE: Either party shall have the right to terminate this Contract on account of Force Majeure as set forth in Article 20.0 above.

21.3 TERMINATION ON ACCOUNT OF INSOLVENCY: In the event that the Contractor or its collaborator at any time during the term of the Contract, becomes insolvent or makes a voluntary assignment of its assets for the benefit of creditors or is adjudged bankrupt, then the Company shall, by a notice in writing have the right to terminate the Contract and all the Contractor's rights and privileges hereunder, shall stand terminated forthwith.

21.4 TERMINATION FOR UNSATISFACTORY PERFORMANCE: If the Company considers that, the performance of the Contractor is unsatisfactory, or not up to the expected standard, the Company shall notify the Contractor in writing and specify in details the cause of the dissatisfaction. The Company shall have the option to terminate the Contract by giving 15 days' notice in writing to the Contractor, if Contractor fails to comply with the requisitions contained in the said written notice issued by the Company.

21.5 TERMINATION DUE TO CHANGE OF OWNERSHIP & ASSIGNMENT: In case the Contractor's rights and/or obligations under this Contract and/or the Contractor's rights, title and interest to the equipment/material, are transferred or assigned without the Company's consent, the Company may at its absolute discretion, terminate this Contract.

21.6 If at any time during the term of this Contract, breakdown of Contractor's equipment results in Contractors being unable to perform their obligations hereunder for a period of 15 successive days, Company at its option, may terminate this Contract in its entirety without any further right or obligation on the part of the Company, except for the payment of money then due. No notice shall be served by the Company under the condition stated above.

21.7 Notwithstanding any provisions herein to the contrary, the Contract may be terminated at any time by the Company on giving 30 (thirty) days written notice to the Contractor due to any other reason not covered under the above clause from 21.1 to 21.6 and in the event of such termination the Company shall not be liable to pay any cost or damage to the Contractor except for payment for services as per the Contract up to the date of termination including the De-mob cost, if any.

22.0 CONSEQUENCES OF TERMINATION:

In all cases of termination herein set forth, the relative obligations of the parties to the Contract shall be limited to the period up to the date of termination. Notwithstanding the termination of this Contract, the parties shall continue to be bound by the provisions of this Contract that reasonably require some action or forbearance after such termination.

22.1 Upon termination of this Contract, Contractor shall return to Company all of Company's items, which are at the time in Contractor's possession.

22.2 In the event of termination of contract, Company will issue Notice of termination of the contract with date or event after which the contract will be terminated. The contract shall then stand terminated and the Contractor shall demobilize their personnel & materials.

23.0 I.B. VERIFICATION REPORT AND SECURITY REVIEW:

Contractor will be required to submit the verification report to ascertain character and antecedents from the Civil Administration towards the persons engaged under this contract to the Head of the user Department before engagement.

24.0 In case of any doubt or dispute as to the interpretation of any clause herein contained, the decision of the Company's Engineer shall be final and binding on the contractor.

25.0 SET OFF CLAUSE:

"Any sum of money due and payable to the contractor (including Security Deposit refundable to them) under this or any other contract may be appropriated by Oil India Limited and set off against any claim of Oil India Limited (or such other person or persons contracting through Oil India Limited) for payment of a sum of money arising out of this contract or under any other contract made by the contractor with Oil India Limited (or such other person or persons contracting through Oil India Limited)."

26.0 FURNISHING FRAUDULENT INFORMATION/DOCUMENT:

The information and documents furnished by the bidder/contractor in respect of the subject tender/contract are expected to be true and genuine. However, if it is detected during technical scrutiny or after award of the contract or after expiry of the contract, that the bidder had submitted any fake/fraudulent document or furnished false statement, the offer/contract shall be rejected/cancelled, as the case may be and the bidder (if fake document/false statement pertains to such bidder) shall be dealt as per the Banning Policy (available in OIL's website) of Company.

27.0 PROVISION FOR ACTION IN CASE OF ERRING/DEFAULTING AGENCIES:

Action against erring and defaulting agencies like bidder, contractor, supplier, vendor, service provider will be as per OIL's Banning Policy dated 6th January, 2017 available in OIL's website www.oil-india.com.

28.0 LIQUIDATED DAMAGES FOR DELAY IN MOBILIZATION/COMPLETION OF WORKS AND SERVICES:

In the event of the Contractor's default in timely mobilization/completion within the stipulated period, the Contractor shall be liable to pay liquidated damages @ 0.5% of contract value, per week or part thereof of delay subject to maximum ceiling of 7.5% of contract value.

29.0 SUBCONTRACTING:

Contractor shall not subcontract, transfer or assign the contract, in full or any part under this contract, to any third party. Except for the main services under this contract, Contractor may sub-contract the petty support services subject to Company's prior approval. However, Contractor shall be fully responsible for complete execution and performance of the services under the Contract.

30.0 MISCELLANEOUS PROVISIONS:

Contractors shall conform in all respects with the provisions of any Statute, Ordinance of Law and the regulations or bye-law of any local or other duly constituted authority which may be applicable to the services and with such rules and regulation public bodies and Companies as aforesaid and shall keep OIL indemnified against all penalties and liability of every kind for breach of any such Statute, Ordinance or Law, regulation or byelaw.

31.9 LIMITATION OF LIABILITY

Notwithstanding any other provisions except only in cases of willful misconduct and/or criminal acts,

(a) Neither the Contractor nor the Company (OIL) shall be liable to the other, whether in Contract, tort, or otherwise, for any consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs.

(b) Notwithstanding any other provisions incorporated elsewhere in the contract, the aggregate liability of the Contractor in respect of this contract, whether under Contract, in tort or otherwise, shall not exceed 100% of the Contract price, provided however that this limitation shall not apply to the cost of repairing or replacing defective equipment by the Contractor, or to any obligation of the Contractor to indemnify the Company with respect to Intellectual Property Rights.

Company shall indemnify and keep indemnified Contractor harmless from and against any and all claims, costs, losses and liabilities in excess of the aggregate liability amount in terms of clause (b) above.

32.0 CONSEQUENTIAL DAMAGE:

Except as otherwise expressly provided, neither party shall be liable to the other for special, indirect or consequential damages resulting from or arising out of the contract, including but without limitation, to loss or profit or business interruptions, howsoever caused and regardless of whether such loss or damage was caused by the negligence (either sole or concurrent) of either party, its employees, agents or sub-contractors.

33.0 INDEMNITY AGREEMENT:

33.1 Except as provided hereof Contractor agrees to protect, defend, indemnify and hold Company harmless from and against all claims, suits, demands and causes of action, liabilities, expenses, cost, liens and judgments of every kind and character, without limit, which may arise in favour of Contractor's employees, agents, Contractors and subcontractors or their employees on account of bodily injury or death, or damage to personnel/property as a result of the operations contemplated hereby, regardless of whether or not said claims, demands or causes of action arise out of the negligence or otherwise, in whole or in part or other faults.

33.2 Except as provided hereof Company agrees to protect, defend, indemnify and hold Contractor harmless from and against all claims, suits, demands and causes of action, liabilities, expenses, cost, liens and judgments of every kind and character, without limit, which may arise in favour of Company's employees, agents, Contractor and subcontractors or their employees on account of bodily injury or death, or damage to personnel/property as a result of the operations contemplated hereby, regardless of whether or not said claims, demands or causes of action arise out of the negligence or otherwise, in whole or in part or other faults.

34.0 APPLICABLE LAW:

34.1 This Contract shall be deemed to be a Contract made under, governed by and construed in accordance with the laws of India for the time being in force and shall be subject to the exclusive jurisdiction of Courts situated at Dibrugarh in Assam.

34.2 The Bidders shall ensure full compliance of various Indian Laws and Statutory Regulations, to the extent applicable for performing under this Contract.

35.0 TAXES:

35.1 Tax levied as per the provisions of Indian Income Tax Act and any other enactment/rules on income derived/payments received under the contract will be on Contractor's account.

36.0 SUBSEQUENTLY ENACTED LAWS:

36.1 In the event of introduction of any new legislation or any change or amendment or enforcement of any Act or Law, rules or regulations of Government of India or State Government(s) or Public Body which becomes effective after the date of submission of Price Bid or revised price bid, if any, for this CONTRACT and which results in increased/decreased cost of the works under the CONTRACT through increased/decreased liability of taxes, (other than personnel and Corporate taxes), duties, the Parties shall agree to a revision in pricing to reflect such change

subject to the production of documentary proof to the satisfaction of the COMPANY/CONTRACTOR as applicable to the extent which directly is attributable to such introduction of new legislation or change or amendment as mentioned above and adjudication by the competent authority (applicable when disputed by COMPANY) & the courts wherever levy of such taxes/duties are disputed by COMPANY/CONTRACTOR.

36.2 Any increase in net amount of the duties and taxes (i.e. the amount of taxes/duties payable minus eligible credit of taxes/duties paid on input services/inputs) after the contractual completion/mobilization date during the extended period will be to the contractor's account, where delay in completion /mobilization period is attributable to the CONTRACTOR. However, any decrease in net amount of the duties and taxes (i.e. the amount of taxes/duties payable minus eligible credit of taxes / duties paid on input services/inputs) after the contractual completion/mobilization date will be to COMPANY's account.

36.3 The Contract Price and other prices given in the Schedule of Prices are based on the applicable tariff as indicated by the CONTRACTOR in the Schedule of Prices. In case this information subsequently proves to be wrong, incorrect or misleading, COMPANY will have no liability to reimburse/pay to the CONTRACTOR the excess duties, taxes, fees, if any finally levied/imposed by the concerned authorities. However, in such an event, COMPANY will have the right to recover the difference in case the rate of duty/tax finally assessed is on the lower side.

36.4 Notwithstanding the provision contained in clause 36.1 to 36.2 above, the COMPANY shall not bear any liability in respect of:

- i. Personal taxes on the personnel deployed by CONTRACTOR, his sub-contractor / sub-sub-contractors and Agents etc.
- ii. Corporate taxes and Fringe benefit tax in respect of contractor and all of their sub-contractors, agents etc.
- iii. Other taxes & duties including Customs Duty, Excise Duty and Service Tax in addition to new taxes etc. in respect of sub-contractors, vendors, agents etc. of the CONTRACTOR.

36.5 In order to ascertain the net impact of the revisions/enactment of various provisions of taxes / duties, the CONTRACTOR is liable to provide following disclosure to COMPANY:

- i. Details of each of the input services used in relation to providing service to COMPANY including estimated monthly value of input service and service tax amount.
- ii. Details of Inputs (material/consumable) used/required for providing service to Company including estimated monthly value of input and excise duty/CVD paid/payable on purchase of inputs.

37.0 GOODS AND SERVICES TAX:

37.1 GENERAL REMARKS ON TAXES & DUTIES:

In view of **GST** Implementation from 1st July 2017, all taxes and duties including Excise Duty, CST/VAT, Service tax, Entry Tax and other indirect taxes and duties

have been submerged in **GST**. Accordingly reference of Excise Duty, Service Tax, VAT, Sales Tax, Entry Tax or any other form of indirect tax except of **GST** mentioned in the bidding document shall be ignored.

37.2 Bidders are required to submit copy of the GST Registration Certificate while submitting the bids wherever **GST** (CGST & SGST/UTGST or IGST) is applicable.

37.3 “**GST**” shall mean Goods and Services Tax charged on the supply of material(s) and services. The term “**GST**” shall be construed to include the Integrated Goods and Services Tax (hereinafter referred to as “IGST”) or Central Goods and Services Tax (hereinafter referred to as “CGST”) or State Goods and Services Tax (hereinafter referred to as “SGST”) or Union Territory Goods and Services Tax (hereinafter referred to as “UTGST”) depending upon the import / interstate or intrastate supplies, as the case may be. It shall also mean GST compensation Cess, if applicable.

37.4 Quoted price/rate(s) should be inclusive of all taxes and duties, except **GST** (i.e. **IGST or CGST and SGST/UTGST applicable in case of interstate supply or intra state supply respectively and cess on GST if applicable**) on the final service. However, GST rate (including cess) to be provided in the respective places in the Price Bid. Please note that the responsibility of payment of GST (CGST & SGST or IGST or UTGST) lies with the Supplier of Goods / Services (Service Provider) only. Supplier of Goods / Services (Service Provider) providing taxable service shall issue an Invoice/ Bill, as the case may be as per rules/ regulation of **GST**. Further, returns and details required to be filled under GST laws & rules should be timely filed by Supplier of Goods / Services (Service Provider) with requisite details.

37.4.1 Bidder should also mention the **Harmonised System of Nomenclature** (HSN) and **Service Accounting Codes (SAC)** at the designated place in SOR.

37.5 Where the OIL is entitled to avail the input tax credit of GST:

37.5.1 OIL will reimburse the **GST** to the Supplier of Goods / Services (Service Provider) at actuals against submission of Invoices as per format specified in rules/ regulation of GST to enable OIL to claim input tax credit of **GST** paid. In case of any variation in the executed quantities, the amount on which the **GST** is applicable shall be modified in same proportion. Returns and details required to be filled under GST laws & rules should be timely filed by supplier with requisite details.

37.5.2 The input tax credit of **GST** quoted shall be considered for evaluation of bids, as per evaluation criteria of tender document.

37.6 Where the OIL is not entitled to avail/take the full Input Tax Credit of GST:

37.6.1 OIL will reimburse **GST** to the Supplier of Goods / Services (Service Provider) at actuals against submission of Invoices as per format specified in rules/ regulation of **GST** subject to the ceiling amount of **GST** as quoted by the bidder. In case of any variation in the executed quantities (If directed and/or certified by the In-Charge) the ceiling amount on which **GST** is applicable will be modified on pro-rata basis.

37.6.2 The bids will be evaluated based on total price including **GST**.

37.7 Payments to Service Provider for claiming **GST** amount will be made provided the above formalities are fulfilled. Further, OIL may seek copies of challan and certificate from Chartered Accountant for deposit of **GST** collected from OIL.

37.8 Contractor/vendor shall be required to issue tax invoice in accordance with GST Act and/or Rules so that input credit can be availed by OIL. In the event that the contractor / vendor fails to provide the invoice in the form and manner prescribed under the GST Act read with GST Invoicing Rules thereunder, OIL shall not be liable to make any payment on account of **GST** against such invoice.

37.9 **GST** shall be paid against receipt of tax invoice and proof of payment of **GST** to government. In case of non-receipt of tax invoice or non-payment of **GST** by the contractor/vendor, OIL shall withhold the payment of **GST**.

37.10 **GST** payable under reverse charge mechanism for specified services or goods under GST act or rules, if any, shall not be paid to the contractor/vendor but will be directly deposited to the government by OIL.

37.11 Where OIL has the obligation to discharge **GST** liability under reverse charge mechanism and OIL has paid or is /liable to pay **GST** to the Government on which interest or penalties becomes payable as per GST laws for any reason which is not attributable to OIL or ITC with respect to such payments is not available to OIL for any reason which is not attributable to OIL, then OIL shall be entitled to deduct/ setoff / recover such amounts against any amounts paid or payable by OIL to Contractor / Supplier.

37.12 Notwithstanding anything contained anywhere in the Agreement, in the event that the input tax credit of the **GST** charged by the Contractor / Vendor is denied by the tax authorities to OIL for reasons attributable to Contractor / Vendor, OIL shall be entitled to recover such amount from the Contractor / Vendor by way of adjustment from the next invoice. In addition to the amount of **GST**, OIL shall also be entitled to recover interest at the rate prescribed under GST Act and penalty, in case any penalty is imposed by the tax authorities on OIL.

37.13 TDS under GST, if applicable, shall be deducted from contractor's/vendor's bill at applicable rate and a certificate as per rules for tax so deducted shall be provided to the contractor/vendor.

37.14 The Contractor will be under obligation for charging correct rate of tax as prescribed under the respective tax laws. Further the Contractor shall avail and pass on benefits of all exemptions/concessions available under tax laws. Any error of interpretation of applicability of taxes/ duties by the contractor shall be to contractor's account.

37.15 It is the responsibility of the bidder to quote the correct GST rate. The classification of goods/services as per GST (Goods & Service Tax) Act should be correctly done by the contractor to ensure that input tax credit on GST (Goods & Service Tax) is not lost to the OIL on account of any error on the part of the contractor.

37.16 In case, the quoted information related to various taxes, duties & levies subsequently proves wrong, incorrect or misleading, OIL will have no liability to

reimburse the difference in the duty/ tax, if the finally assessed amount is on the higher side and OIL will have to right to recover the difference ~~and~~ in case the rate of duty/ taxes finally assessed is on the lower side.

37.17 Notwithstanding anything mentioned elsewhere in the Bidding Document the aggregate liability of OIL towards Payment of GST shall be limited to the volume of GST declared by the bidder in its bid & nothing shall be payable extra except for the statutory variation in GST.

37.18 Further, it is the responsibility of the bidders to make all possible efforts to make their accounting / IT system GST compliant in order to ensure availability of Input Tax Credit (ITC) to Oil India Ltd.

37.19 GST liability, if any on account of supply of free samples against any tender shall be to bidder's account.

37.20 In case of statutory variation in **GST**, other than due to change in turnover, payable on the contract value during contract period, the Supplier of Goods / Services (Service Provider) shall submit a copy of the 'Government Notification' to substantiate the rate as applicable on the Bid due date and on the date of revision.

Beyond the contract period, in case OIL is not entitled for input tax credit of **GST**, then any increase in the rate of **GST** beyond the contractual delivery period shall be to Service provider's account whereas any decrease in the rate **GST** shall be passed on to the OIL.

Beyond the contract period, in case OIL is entitled for input tax credit of **GST**, then statutory variation in applicable **GST** on supply and on incidental services, shall be to OIL's account.

Claim for payment of **GST**/ Statutory variation, should be raised within two [02] months from the date of issue of 'Government Notification' for payment of differential (in %) **GST**, otherwise claim in respect of above shall not be entertained for payment of arrears.

The base date for the purpose of applying statutory variation shall be the Bid Opening Date.

37.21 The contractor will be liable to ensure to have registered with the respective tax authorities, wherever applicable and to submit self-attested copy of such registration certificate(s) and the Contractor will be responsible for procurement of material in its own registration (GSTIN) and also to issue its own Road Permit/ E-way Bill, if applicable etc.

37.22 In case the bidder is covered under Composition Scheme under GST laws, then bidder should quote the price inclusive of the GST (CGST & SGST/UTGST or IGST). Further, such bidder should mention "Cover under composition system" in column for GST (CGST & SGST/UTGST or IGST) of price schedule.

37.23 OIL will prefer to deal with registered supplier of goods/ services under GST. Therefore, bidders are requested to get themselves registered under GST, if not registered yet. However, in case any unregistered bidder is submitting their bid, their prices will be loaded with applicable GST while evaluation of bid. Where OIL is

entitled for input credit of GST, the same will be considered for evaluation of bid as per evaluation methodology of tender document.

37.24 Procurement of Specific Goods: Earlier, there is no tax incidence in case of import of specified goods (i.e. the goods covered under List-34 of Customs Notification no. 12/2012-Cus dated. 17.03.2012 as amended). Customs duty is not payable as per the policy. However, under GST regime, IGST Plus GST compensation cess (if applicable) would be liveable on such imports. Bidders should quote GST as inclusive considering IGST component for the imported Materials portion while quoting their prices on destination basis. However, GST rate to be specified in the price bid format.

37.25 Documentation requirement for GST:

The vendor will be under the obligation for invoicing correct tax rate of tax/duties as prescribed under the GST law to OIL, and pass on the benefits, if any, after availing input tax credit.

Any invoice issued shall contain the following particulars:

- a. Name, address and GSTIN of the supplier;
- b. Serial number of the invoice;
- c. Date of issue;
- d. Name, address and GSTIN or UIN, if registered of the recipient;
Note: OIL GSTIN numbers are as follows:
Assam: 18AAACO2352C1ZW
Arunachal Pradesh: 12AAACO2352C1Z8
- e. Name and address of the recipient and the address of the delivery, along with the State and its code,
- f. HSN code of goods or Accounting Code of services[SAC];
- g. Description of goods or services;
- h. Quantity in case of goods and unit or Unique Quantity Code thereof;
- i. Total value of supply of goods or services or both;
- j. Taxable value of supply of goods or services or both taking into discount or abatement if any;
- k. Rate of tax (IGST, CGST, SGST/ UTGST, cess);
- l. Amount of tax charged in respect of taxable goods or services (IGST, CGST, SGST/UTGST, cess);
- m. Place of supply along with the name of State, in case of supply in the course of interstate trade or commerce;
- n. Address of the delivery where the same is different from the place of supply and
- o. Signature or digital signature of the supplier or his authorised representative.

GST invoice shall be prepared in triplicate, in case of supply of goods, in the following manner

- (i) The original copy being marked as ORIGINAL FOR RECIPIENT;
- (ii) The duplicate copy being marked as DUPLICATE FOR TRANSPORTER and
- (iii) The triplicate copy being marked as TRIPLICATE FOR SUPPLIER.

In case of any advance given against any supplies contract, the supplier of the goods shall issue Receipt Voucher containing the details of details of advance taken

along with particulars as mentioned in clause no. (a), (b), (c), (d), (g), (k), (l), (m) & (o) above.

37.26 ANTI-PROFITEERING CLAUSE:

As per Clause 171 of GST Act it is mandatory to pass on the benefit due to reduction in rate of tax or from input tax credit to the consumer by way of commensurate reduction in prices. The Supplier of Goods / Services may note the above and quote their prices accordingly.

37.26.1 In case the GST rating of vendor on the GST portal / Govt. official website is negative / black listed, then the bids may be rejected by OIL. Further, in case rating of bidder is negative / black listed after award of work for supply of goods / services, then OIL shall not be obligated or liable to pay or reimburse GST to such vendor and shall also be entitled to deduct / recover such GST along with all penalties / interest, if any, incurred by OIL.

38.0 WITHHOLDING:

Company may withhold or nullify the whole or any part of the amount due to Contractor, after informing the Contractor of the reasons in writing, on account of subsequently discovered evidence in order to protect Company from loss on account of:

- a. For non-completion of jobs.
- b. Contractor's indebtedness arising out of execution of this Contract.
- c. Defective work not remedied by Contractor.
- d. Claims by sub-Contractor of Contractor or others filed or on the basis of reasonable evidence indicating probable filing of such claims against Contractor.
- e. Failure of Contractor to pay or provide for the payment of salaries/ wages, contributions, unemployment compensation, taxes or enforced savings withheld from wages etc.
- f. Failure of Contractor to pay the cost of removal of unnecessary debris, materials, tools, or machinery.
- g. Damage to another Contractor of Company.
- h. All claims against Contractor for damages and injuries, and/or for non-payment of bills etc.
- i. Any failure by Contractor to fully reimburse Company under any of the indemnification provisions of this Contract. If, during the progress of the work Contractor shall allow any indebtedness to accrue for which Company, under any circumstances in the opinion of Company may be primarily or contingently liable or ultimately responsible and Contractor shall, within five days after demand is made by Company, fail to pay and discharge such indebtedness, then Company may during the period for which such indebtedness shall remain unpaid, with-hold from the amounts due to Contractor, a sum equal to the amount of such unpaid indebtedness.

Withholding will also be effected on account of the following:

- i Order issued by a Court of Law in India.
- ii Income-tax deductible at source according to law prevalent from time to time in the country.

- iii Any obligation of Contractor which by any law prevalent from time to time to be discharged by Company in the event of Contractor's failure to adhere to such laws.
- iv Any payment due from Contractor in respect of unauthorized imports.
When all the above grounds for withholding payments shall be removed, payment shall thereafter be made for amounts so with-hold.

Notwithstanding the foregoing, the right of Company to withhold shall be limited to damages, claims and failure on the part of Contractor, which is directly/indirectly related to some negligent act or omission on the part of Contractor.

OIL INDIA LIMITED, DULIAJAN CONTRACTS DEPARTMENT			
(SOQ) Schedule of Work, Unit and Quantity			
DESCRIPTION OF WORK/ SERVICE: Hiring of Consultancy Services for 02 (Two) Nos. Sewage Treatment Plants (STPs) for Duliajan Township.			
Item No.	Description of Services	UOM	Quantity
10	Survey, Study and Determination of Capacities of both the STPs	JOB	1.00
20	Designing of STP for Main Leader Drain (MLD)	JOB	1.00
30	Designing of STP for Bijulibari Leader Drain (BLD)	JOB	1.00
40	Submission of Detailed Project Report	JOB	1.00
50	Formulation and Finalization of Tender Document for Phase-II of both the STPs	JOB	1.00
60	Statutory Clearance for Construction and Operation	JOB	1.00
70	Supervision of Phase - II	JOB	1.00
Notes:			
1. The rates shall be quoted per unit as specified in the "PRICE BIDDING FORMAT" attached under "Notes and Attachments" tab.			
2. Tenure of Agreement: 02 (two) years and 06 (six) months from the date of issue of work order. Note: The Contract shall have a provision of extension for another 01 (one) year at the same terms & conditions and at mutually agreed rates limited to original contract rates at the discretion of OIL.			
3. Mobilisation Period: 60 (sixty) days from the date of issue of work order.			
4. Details of Each Line Items are provided in the Clause 3.0 of SCC (Part-III of Tender Document).			

SPECIAL CONDITIONS OF CONTRACT (SCC)

1.0 PREAMBLE:

1.1 General: Duliajan is an industrial township located in Dibrugarh District in the upper north-east corner of India. The town is situated about 45 km east of Dibrugarh City. It is particularly known for its oil related industries; Oil India Limited (OIL), country's second largest oil and gas Navaratna PSU is headquartered in Duliajan and Assam Gas Company Limited, which carries out business related to natural gas in India, owned by the Government of Assam.

1.2 Geographical Location & Climate: Situated in 27.3667° N, 95.3167° E, in Duliajan, the climate is moderate. In winter there is much less rainfall than in summer. The average annual temperature in Duliajan is 23.2 °C. The average annual rainfall is 2528 mm. The driest month is December with 21 mm. Most precipitation falls in July, with an average of 489 mm. The warmest month of the year is August with an average temperature of 27.8 °C. In January, the average temperature is 16.1 °C. It is the lowest average temperature of the whole year.

1.3 Brief about Drainage & Sewage at Duliajan:

a. In Duliajan, domestic/household sewage mixed with Effluent coming out ETPs of OIL Hospital, oil traps of Industrial Area, effluent & sewage of AGCL are discharged through two leader drains. The Main Leader Drain (MLD) caters to sewage of OIL's residential area, Effluent of OIL Hospital, Effluent of Industrial Area, effluent & sewage of AGCL and sewage of private commercial and residential areas along the route of the MLD. The sewage carried by MLD is discharged into the river Burhi Dihing at Tipling.

b. The Bijulibari Leader Drain (BLD) originating from CT/BT area of OIL's housing area caters to the sewage of OIL's residential area along the drain and sewage of private commercial and residential areas along the route of the. The sewage carried by BLD is discharged into the Hugrija Nullah.

1.4 As per the preliminary studies carried out in the MLD & BLD, the types of sewage / effluent / waste discharged by these Drainage systems can be chiefly classified as below:

- a.** Greywater (from sinks, tubs, showers, and clothes washers)
- b.** Blackwater (the water used to flush toilets, combined with the human waste that it flushes away)
- c.** Soaps and Detergents
- d.** Hospital Effluent (discharged from OIL Hospital's ETP)

- e. Market Solid Waste (disposed from various markets along the RoW of the MLD)
- f. Industrial Effluent (discharged from oil traps of Industrial Area and the branch drain from AGCL)
- g. Human excreta (discharged from numerous service latrines along the RoW of the MLD)
- h. Surface run offs containing solid wastes during rains.

2.0 SEWAGE TREATMENT PLANTS FOR DULIAJAN TOWNSHIP:

Oil India Limited (OIL) intends to establish 02 (two) Sewage Treatment Plants (STP) for OIL's Duliajan Township as detailed below:

- a. 01 (One) no Sewage Treatment Plant for treatment of Sewage Discharged through Main Leader Drain (MLD).
- b. 01 (One) no Sewage Treatment Plant for treatment of Sewage Discharged through Bijlibari Leader Drain (BLD)

However, since it is observed that there is rampant disposal of Municipal Solid Waste (MSW) in both the drains, management of collected MSW at the STP should also be taken in account while designing any STP.

Note: OIL intends to carry out Survey, Study and determination of Capacities and designing of both the STPs. However, initially the STP catering to the sewage of Main Leader Drain only shall be constructed.

2.1 Land for STPs:

- a. A plot of land measuring approximately 37 Bighas had been procured for setting up of an STP at Tipling near Duliajan. The plot of land is strategically located very near to the discharge point of MLD to the river Burhi Dihing. The plot plant of this is enclosed. (OIL Drawing No: OIL 1655)
- b. However, there is no plot of land earmarked for setting up of STP for BLD. The plot for setting up the STP for BLD is to be selected/ identified.

2.2 "Plan of Action" for Setting up the Sewage Treatment Plants for Duliajan Township:

The Project is proposed to be undertaken in two distinct phases as below:

- a. Phase-I: To undertake a study including survey of the present Sewage discharge system of Duliajan Township for designing 02 (Two) nos Sewage Treatment Plants as detailed under para 2.0 above, for the township by engagement of a Project Management Consultant (PMC, to be referred as the

"Consultant" hereafter) through Open Tendering Process. On completion of the study, the infrastructure required for sustaining Sewage Treatment for the next 30 (Thirty) years shall be reviewed and designed accordingly.

b. Phase-II: On completion of Phase-I of the Project, Construction of the STP catering to the sewage of Main Leader Drain only shall be taken up in Phase -II of the project, by engagement of independent LSTK Contractor(s) through open tendering process, based on the design input of the Consultant engaged in Phase-I.

Note: OIL intends to carry out Survey, Study and determination of Capacities and designing of both the STPs. However, initially the STP catering to the sewage of Main Leader Drain only shall be constructed.

As the Construction phase during Phase-II of the Project shall be as per the design input of the Consultant of Phase -I, therefore, OIL at its own discretion may engage the Consultant for Supervision during Phase-II of the Project as per the requirement of OIL (detailed under Sub-head 3.2).

NOTE:

a. The supervision by the consultant during Phase-II of the Project shall be an "Optional Item" to be executed at the sole discretion of the Company.

b. The Consultant engaged during Phase - I of the Project shall not be eligible to bid for Phase - II as Construction Contractor.

2.3 Period of Phase-I: The total duration of Phase-I shall be 02 (Two) Years and 06 (Six) Months. The study for designing the STPs is to be carried out over a period of 02 (two) consecutive years starting from date of issue of Work Order.

2.3.1 Indicative Time Line for Execution of the Phase - I of the Project:

Sl. No.	Description	Indicative duration (in Months) within which the activity is to be completed from commencement of the Contract Period
1.	Starting of the Contract	0
2.	Submission of a draft proposal for capacity determination of STPs for both MLD and BLD	13
3.	Submission of draft Basic Engineering Design Package of STPs for both MLD and BLD	14
4.	Submission of Draft Detailed Project Reports of STPs for both MLD and BLD	16
5.	Submission of Final Detailed Project Reports of STPs for both MLD and BLD to OIL for Approval	27
6.	Contract Completion	30

3.0 SCOPE OF WORK AND ROLE OF CONSULTANT:

The brief scope of work of the consultant is as follows:

Sl. No.	Job description	Quantity	UoM
1.0	Survey , Study and determination of Capacities of both the STPs	One	Job
2.0	Designing of STP for MLD	One	Job
3.0	Designing of STP for BLD	One	Job
4.0	Submission of Detailed Project Report for both the STPs	One	Job
5.0	Formulation and Finalization of Tender Document for Phase - II of both the STPs	One	Job
6.0	Statutory Clearance for Construction and Operation for both the STPs	One	Job
7.0	Supervision of Phase – II of the Project (ie: Supervision of construction of STP for MLD only)	One	Job

(Optional Item: OIL at its discretion reserves the right to engage the Consultant in Supervisory role during Phase-II of the Project.)

3.1 SCOPE OF WORK FOR PHASE-I:**3.1.1 Survey, Study and determination of Capacities of both the STPs:**

The following steps are to be followed during the Survey and Study:

a. Estimation for the Sewage Generation of the Township for a horizon of next thirty years: The quantity of sewage generation is to be estimated for the time horizon of next thirty years. The present sewage generation can be established by measuring the quantity of sewage being carried through the drainage system. For other data, field survey / questionnaire survey in the Duliajan Township may be required to be carried out. Other required data like population projections etc. are to be sourced by the Consultant. OIL is having expansion plan for its township and the nearby installations. The data pertaining to the expansion plan shall be made available to the Consultant by OIL.

b. Chemical analysis of sewage samples: For study of the sewage parameters and characteristics, sewage samples to be collected as detailed below:

- i.** Sewage Samples to be collected from MLD at 04 (Four) locations. The locations shall be confirmed by OIL in consultation with the Consultant. In each location, the samples are to be collected 04 (four) times each year [ie: total 08 (eight) times for the entire project duration]. The exact timing of collection of the said samples shall be confirmed by OIL in

consultation with the Consultant. Total number of samples to be collected from MLD during the entire project duration shall be 32 (Thirty Two) Numbers.

- ii.** Sewage Samples to be collected from BLD at 03 (Three) locations. The locations shall be confirmed by OIL in consultation with the Consultant. In each location, the samples are to be collected 04 (four) times each year [ie: total 08 (eight) times for the entire project duration]. The exact timing of collection of the said samples shall be confirmed by OIL in consultation with the Consultant. Total number of samples to be collected from BLD during the entire project duration shall be 24 (Twenty Four) Numbers.

Note: The sewage samples are to be collected by following proper sampling procedure. The collected samples shall be analyzed in NABL / CPCB / PCBA accredited / approved laboratories for parameter specified by CPCB / PCBA.

- c.** Selection of Land for Establishment of Sewage Treatment Plant of BLD: The Consultant shall have to identify / select suitable plots of lands along the BLD for establishment of a Sewage Treatment Plant. More than one plot of Land is to be identified for establishment of Sewage Treatment Plant for BLD. The Plot plans of the Lands selected/ identified for establishment of the Sewage Treatment Plant is submitted to OIL in proper scaled Plot Plans in Both Digital and Hard form by the Consultant.

- d.** Based on the results of Step (a) & (b) above, the capacity of STPs for both MLD and BLD to be finalized for a horizon of next thirty years. The consultant should submit a draft proposal for capacity determination of STPs for both MLD and BLD after Survey, Study and Chemical analysis of sewage samples [as per 3.1.1 (a) & (b)] preferably within 13 months of commencement of the Contract Period. The final results of the Survey, Study and Chemical analysis of sewage samples [as per 3.1.1 (a) & (b)] shall be used for validation of the draft results obtained and preparation of the Final proposal for capacity determination of STPs for both MLD and BLD. The Final Results and the Proposal shall have to be approved by OIL.

3.1.2 Designing of STP for MLD:

The job involves selection of Treatment Technology, the identification and selection of Residue and Solid Waste Management system and designing of the STP catering to Main Leader Drain (MLD). Based on the capacity of the STP (catering to MLD, determined / fixed vide 3.1.1 above) and the results of Chemical analysis of sewage samples (for MLD) the technology(s) to be used and the engineering design to be carried out. The discharge / effluent of the STP so designed must conform to the latest statutory/ CPCB/PCBA Norms. Generally speaking, this design shall incorporate all the basic studies/data required for supporting a Basic Engineering Design Package (BEDP) containing all data needed by a competent contractor (EPC) to perform the Detail Engineering. The

Consultant should submit a draft Basic Engineering Design Package within 14 months of commencement of the Contract Period supported by a presentation to OIL for initial approval.

The Consultant should submit a draft design of the STP for MLD along with the draft detailed project report (as per 3.1.4 below) within 16 months of commencement of the Contract Period.

The consultant should design both:

1. Basic Engineering Design Package
2. Front End Engineering Design Package

1. Basic Engineering Design Package: The basic engineering design for plant should include (but not limited to):

- a)** Conceptual process studies (material balances, process flowsheets, preliminary plot plan, etc.).
- b)** The various treatment processes/sub-processes and units for production of biologically and chemically safe water for discharge as per the latest ISO Standard/CPCB/PCBA Norms.
- c)** Preliminary Piping and Instrument Design and Diagrams.
- d)** Preliminary Electrical Design & Diagram for complete package of Electrical Power System
- e)** Definition and sizing of main equipment resulting in process specifications, specification of effluents.
- f)** Description and quantum of the various chemicals, solvents and catalysts etc. which may be used for the sewage treatment.
- g)** Definition of control and safety devices etc.
- h)** Regulations concerning environmental pollution (air, disposal, noise etc.)
- i)** Other requirement such as General design information for the buildings, insulation, painting, fire proofing etc.
- j)** Effluent summary tables: All gaseous, liquid effluents and solid waste showing quantities and qualities of impurities which are object of control (sulfur, phenol, oil, BOD, COD, etc.) shall be tabulated to facilitate determining the environmental impact of the project.
- k)** Safety: The following requirements shall be included:

- i.** Specifications, fire rating and identification of areas for fire proofing.
 - ii.** Recommendations for handling/storage of various chemicals, catalysts, hazardous materials etc.
 - iii.** Number and location of safety showers, eye washes, fire hydrants, etc.
 - iv.** Proposed methods of fire-fighting for different types of fires.
 - v.** The HSE management Plan is to be prepared in consultation with OIL and submitted to OIL by the Consultant.
 - vi.** Any other specific safety requirement.
- 1)** Hazardous area classification: It shall indicate the sources of hazards and the extent of hazardous areas, providing area classifications for the selection of electrical equipment.

Note: The Consultant should submit a draft Basic Engineering Design Package within 14 months of commencement of the Contract Period supported by a presentation to OIL for initial approval. Based on this the Front End Engineering Design Package shall have to be designed.

2. Front End Engineering Design Package: On completion and approval of the Basic Engineering Design of the Plants by OIL, the Consultant shall proceed with the Front End Design of STP for Main Leader Drain (MLD) covering (but not limited to):

- a)** Development of Mechanical data sheets of the main equipment, starting from the process specifications issued during the BED and incorporating the specific requirements of codes and standards to be applied to the project in question.
- b)** Preparation of tender packages for the main equipment.
- c)** Development of process and utility Piping and including piping material, classification, lay-out, fittings, valves, etc.
- d)** Development of Instrument Diagrams
- e)** Elaboration of the civil works layouts including specifications for concrete, paving, stairs, platforms, structures, buildings, site preparations, rough gradings, foundations, painting etc.
- f)** Development of Sufficient process design data, required calculations and design data shall have to be developed so as to perform detail design and procurement of the items. Standard engineering specifications and drawings for the detailed design of the specific Units shall have to be

developed. The engineering standards/specifications shall have to be provided to define the basic requirements for design and engineering, vendor selection, procurement, manufacturing, inspection and installation of the equipment and materials.

- g)** Details of Complete HSE package including fire protection system etc. And, generally speaking, all the studies to be performed before ordering the main equipment.

NOTE:

The following are to be taken note by the Consultant during designing phase of the Sewage Treatment Plant(s):

- a)** The design of the Sewage Treatment Plant including the augmentation phase is to be carried out in consultation with OIL.
- b)** The plant designs developed should be flexible to future conditions, emergency situations, operating personnel capabilities and future expansion.
- c)** Due consideration of statutory safety & HSE standards should be taken into account during designing of the plant.
- d)** Available Drawing/Information of the existing Sewage Discharge System shall be made available to the Consultant on award of the Contract for guidance only. However, the Consultant shall be required to study the discharge system and on completion of the study shall be required to submit drawing of the system.
- e)** The volume of sewage being discharged by the drainage system is to be measured/ monitored at a suitable location near the discharge point of MLD to the river Burhi Dihing. The volume of sewage is to be measured/ monitored for 04 (four) times each year [ie: total 08 (eight) times for the study/ survey period]. Care should be taken to measure/ monitor the Minimum and the maximum sewage discharged / handled by the MLD.
- f)** The design should include complete package of Electrical Power Supply system. The Electrical design package should include Power Supply from independent Captive Power Plant to be set up inside the premises of the Plants as well as Electrical Power Supply from the existing main source of OIL/ASEB. Necessary provision for Black Start DG set if required should also be incorporated. Details of OIL's Electrical Power Supply source(s) available near the Plant Sites shall be intimated by OIL during design phase.
- g)** All the relevant statutory & applicable clearances have to be obtained by the Consultant on behalf of OIL. The permission for water withdrawal from river (if required) or withdrawal of ground water (if required) to be

used for operation of the Sewage Treatment Plants is also to be obtained by the Consultant on behalf of OIL. During Phase-I of the Project, the Consultant is to identify all the relevant & applicable clearance to be obtained and also identify the statutory/Govt. authority for the same.

- h)** As the execution (construction) of the shall be taken up in Phase-II of the Project, as per the "Detail Project Report" of the Consultant, therefore OIL at its own discretion may engage the consultant for supervision during Phase-II of the Project.

3.1.3 Designing of STP for BLD:

The job involves selection of Treatment Technology, the identification and selection of Residue and Solid Waste Management system and designing of the STP catering to Bijlibari Leader Drain (BLD). Based on the capacity of the STP (catering to BLD, determined / fixed vide 3.1.1 above) and the results of Chemical analysis of sewage samples (for BLD) the technology(s) to be used and the engineering design to be carried out. The discharge / effluent of the STP so designed must conform to the latest statutory/ CPCB/PCBA Norms. Generally speaking, this design shall incorporate all the basic studies/data required for supporting a Basic Engineering Design Package (BEDP) containing all data needed by a competent contractor to perform the Detail Engineering. The Consultant should submit a draft Basic Engineering Design Package within 14 months of commencement of the Contract Period supported by a presentation to OIL for initial approval.

The Consultant should submit a draft design of the STP for BLD along with the draft detailed project report (as per 3.1.4 below) within 16 months of commencement of the Contract Period.

The consultant should design both:

- 1.** Basic Engineering Design Package
 - 2.** Front End Engineering Design Package
- 1. Basic Engineering Design Package:** The basic engineering design for plant should include (but not limited to):
 - a)** Conceptual process studies (material balances, process flowsheets, preliminary plot plan, etc.
 - b)** The various treatment processes/sub-processes and units for production of biologically and chemically safe water for discharge as per the latest ISO Standard/CPCB/PCBA Norms.
 - c)** Preliminary Piping and Instrument Design and Diagrams,

- d)** Preliminary Electrical Design & Diagram for complete package of Electrical Power System
- e)** Definition and sizing of main equipment resulting in process specifications, specification of effluents.
- f)** Description and quantum of the various chemicals, solvents and catalysts etc. which may be used for the sewage treatment.
- g)** Definition of control and safety devices etc.
- h)** Regulations concerning environmental pollution (air, disposal, noise etc.
- i)** Other requirement such as General design information for the buildings, insulation, painting, fire proofing etc.
- j)** Effluent summary tables: All gaseous, liquid effluents and solid waste showing quantities and qualities of impurities which are object of control (sulfur, phenol, oil, BOD, COD, etc.) shall be tabulated to facilitate determining the environmental impact of the project.
- k)** Safety: The following requirements shall be included:
 - i.** Specifications, fire rating and identification of areas for fire proofing.
 - ii.** Recommendations for handling/storage of various chemicals, catalysts, hazardous materials etc.
 - iii.** Number and location of safety showers, eye washes, fire hydrants, etc.
 - iv.** Proposed methods of fire-fighting for different types of fires.
 - v.** The HSE management Plan is to be prepared in consultation with OIL and submitted to OIL by the Consultant.
 - vi.** Any other specific safety requirement.
- l)** Hazardous area classification: It shall indicate the sources of hazards and the extent of hazardous areas, providing area classifications for the selection of electrical equipment.

Note: The Consultant should submit a draft Basic Engineering Design Package within 14 months of commencement of the Contract Period supported by a presentation to OIL for initial approval. Based on this the Front End Engineering Design Package shall have to be designed.

2. Front End Engineering Design Package: On completion and approval of the Basic Engineering Design of the Plants by OIL, the Consultant shall proceed with the Front End Design of STP for Bijlibari Leader Drain (BLD) covering (but not limited to):

- a) Development of Mechanical data sheets of the main equipment, starting from the process specifications issued during the BED and incorporating the specific requirements of codes and standards to be applied to the project in question.
- b) Preparation of tender packages for the main equipment.
- c) Development of process and utility Piping and including piping material, classification, lay-out, fittings, valves, etc.
- d) Development of Instrument Diagrams.
- e) Elaboration of the civil works layouts including specifications for concrete, paving, stairs, platforms, structures, buildings, site preparations, rough gradings, foundations, painting etc.
- f) Development of Sufficient process design data, required calculations and design data shall have to be developed so as to perform detail design and procurement of the items. Standard engineering specifications and drawings for the detailed design of the specific Units shall have to be developed. The engineering standards/specifications shall have to be provided to define the basic requirements for design and engineering, vendor selection, procurement, manufacturing, inspection and installation of the equipment and materials.
- g) Details of Complete HSE package including fire protection system etc. And, generally speaking, all the studies to be performed before ordering the main equipment.

NOTE:

The following are to be taken note by the Consultant during designing phase of the Sewage Treatment Plant(s):

- a) The design of the Sewage Treatment Plant including the augmentation phase is to be carried out in consultation with OIL.
- b) The plant designs developed should be flexible to future conditions, emergency situations, operating personnel capabilities and future expansion.
- c) Due consideration of statutory safety & HSE standards should be taken into account during designing of the plant.

- d)** Available Drawing/Information of the existing Sewage Discharge System shall be made available to the Consultant on award of the Contract for guidance only. However, the Consultant shall be required to study the discharge system and on completion of the study shall be required to submit drawing of the system.
- e)** The volume of sewage being discharged by the drainage system is to be measured/ monitored at a suitable location near the discharge point of BLD to the river Hugrijan Nullah. The volume of sewage is to be measured/ monitored for 04 (four) times each year [ie: total 08 (eight) times for the study/ survey period]. Care should be taken to measure/ monitor the Minimum and the maximum sewage discharged / handled by the BLD.
- f)** The design should include complete package of Electrical Power Supply system. The Electrical design package should include Power Supply from independent Captive Power Plant to be set up inside the premises of the Plants as well as Electrical Power Supply from the existing main source of OIL/ASEB. Necessary provision for Black Start DG set if required should also be incorporated. Details of OIL's Electrical Power Supply source(s) available near the Plant Sites shall be intimated by OIL during design phase.
- g)** All the relevant statutory & applicable clearances have to be obtained by the Consultant on behalf of OIL. The permission for water withdrawal from river (if required) or withdrawal of ground water (if required) to be used for operation of the Sewage Treatment Plants is also to be obtained by the Consultant on behalf of OIL. (Name of the bidder) hereinafter referred to as "The Bidder/Contractor"

Preamble:

The Principal intends to award, under laid down organizational procedures, contract/s for **"Hiring of Consultancy Services for 02 (Two) Nos. Sewage Treatment Plants (STPs) for Duliajan Township."**

(IFB No. CDI4576P21)

The Principal values full compliance with all relevant laws and regulations, and the principles of economic use of resources, and of fairness and transparency in its relations with its Bidder/s and Contractor/s.

In order to achieve these goals, the Principal cooperates with the renowned international Non-Governmental Organization "Transparency International" (TI). Following TI's national and international experience, the Principal will appoint an external independent Monitor who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section: 1 - Commitments of the Principal

(1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:

1. No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for him/herself or third person, any material or immaterial benefit which he/she is not legally entitled to.
2. The Principal will, during the tender process treat all Bidders with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidders the same information and will not provide to any Bidder confidential/additional information through which the Bidder could obtain an advantage in relation to the tender process or the contract execution.
3. The Principal will exclude from the process all known prejudiced persons.

(2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the relevant Anti-Corruption Laws of India, or if there be a

Page 2 of 6 substantive suspicion in this regard, the Principal will inform its Vigilance Office and in addition can initiate disciplinary actions.

Section: 2 - Commitments of the Bidder/Contractor

(1) The Bidder/Contractor commits itself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.

1. The Bidder/Contractor will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or immaterial benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.

2. The Bidder/Contractor will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, Subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

3. The Bidder/Contractor will not commit any offence under the relevant Anticorruption Laws of India; further the Bidder/Contractor will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

4. The Bidder/Contractor will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.

(2) The Bidder/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

(3) The Bidder/Contractor signing Integrity Pact shall not approach the Courts while representing the matters to IEMs and he/she will await their decision in the matter.

Section 3 - Disqualification from tender process and exclusion from future Contracts

If the Bidder, before contract award has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or credibility as Bidder into question, the Principal is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.

1. If the Bidder/Contractor has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is entitled also to exclude the Bidder/Contractor from future contract

award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressions within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.

2. The Bidder accepts and undertakes to respect and uphold the Principal's Absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.

3. If the Bidder/Contractor can prove that he has restored/recouped the Damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.

4. A transgression is considered to have occurred if in light of available evidence no reasonable doubt is possible.

5. Integrity Pact, in respect of a particular contract, shall be operative from the date Integrity Pact is signed by both the parties till the final completion of the contract **or as mentioned in Section 9 - Pact Duration whichever is later.** Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings.

Section 4 - Compensation for Damages

(1) If the Principal has disqualified the Bidder from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover from the Bidder liquidated damages equivalent to Earnest Money Deposit / Bid Security.

(2) If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the principal shall be entitled to demand and recover from the Contractor liquidated damages equivalent to Security Deposit / Performance Bank Guarantee.

(3) The bidder agrees and undertakes to pay the said amounts without protest or demur subject only to condition that if the Bidder/Contractor can prove and establish that the exclusion of the Bidder from the tender process or the termination of the contract after the contract award has caused no damage or less damage than the amount or the liquidated damages, the Bidder/Contractor shall compensate the Principal only to the extent of the damage in the amount proved.

Section 5 - Previous transgression

- (1) The Bidder declares that no previous transgression occurred in the last 3 years with any other Company in any country conforming to the TI approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.
- (2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

Section: 6 - Equal treatment of all Bidders/Contractor/Subcontractors

- (1) The Principal will enter into Pacts on identical terms with all bidders and contractors.
- (2) The Bidder / Contractor undertake(s) to procure from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the provisions laid down in this agreement/Pact by any of its sub-contractors/sub-vendors.
- (3) The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

**Section: 7 - Criminal charges against violating Bidders/Contractors/
Subcontractors**

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor, which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

Section: 8 - External Independent Monitor/Monitors

- (1) The Principal appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
- (2) The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the Chairperson of the Board of the Principal.
- (3) The Contractor accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder/Contractor/Subcontractor with confidentiality.

(4) The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.

(5) As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or heal the violation, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action. However, the Independent External Monitor shall give an opportunity to the bidder / contractor to present its case before making its recommendations to the Principal.

(6) The Monitor will submit a written report to the Chairperson of the Board of the Principal within 8 to 10 weeks from the date of reference or intimation to him by the 'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.

(7) If the Monitor has reported to the Chairperson of the Board a Substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

(8) The word 'Monitor' would include both singular and plural.

Section: 9 - Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the respective contract, and for all other Bidders 6 months after the contract has been awarded.

If any claim is made/ lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by Chairperson of the Principal.

Section: 10 - Other provisions

(1) This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. New Delhi. The Arbitration clause provided in the main tender document / contract shall not be applicable for any issue / dispute arising under Integrity Pact.

(2) Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

(3) If the Contractor is a partnership or a consortium, this agreement must be, signed by all partners or consortium members.

PART-VI INTEGRITY PACT

(4) Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
