In case of receipt of only one Bid on the Bid Closing Date and Time, OIL may extend the Bid Closing / Opening Date by 2(two) weeks. However, the bidder whose bid has been received within the bid closing date and time will not be allowed to revise their Bid / prices. Withdrawal of such Bid will also not be permitted.

13.0 BID OPENING AND EVALUATION:

13.1 The Technical bid & Price Bid will be opened on scheduled Bid opening date & time in the presence of any attending Bidder(s) or their Authorized Representative, if any. However, an authorized letter (format given in Proforma Section) from the Bidder must be produced by Bidder's representative at the time of opening of Tender, without which such

representative won't be allowed to attend the opening of Tenders. Only one representative against each Bid will be allowed to attend the bid opening. Attending Bidder(s) & Authorized Representative(s) will have to sign a register evidencing their presence.

In bid opening date, Collaboration Folder(C-Folder) & Price Bid will be opened. Bidders therefore should ensure that Un-priced Techno-Commercial bid is uploaded in the C-Folder link under Technical RFx Tab Page & Price Bid is attached under **“Notes and Attachments”** tab in the main bidding engine of OIL’s e-Tender portal.

13.2 In case it happens to be a bundh / holiday, the tender will be opened on the next working day (except Saturday). Accordingly, Bid Closing Date / time will get extended up to the next working day and time (except Saturday).

13.3 Bid for which an acceptable notice of withdrawal has been received pursuant to Clause 11.0 shall not be opened. OIL shall examine bids to determine whether they are complete, whether requisite Bid Securities have been furnished, whether documents have been properly signed and whether the bids are generally in order.

13.4 OIL shall prepare, for its own records, minutes of bid opening including the information disclosed to those present in accordance with the sub-clause 13.3

13.5 To assist in the examination, evaluation and comparison of bids, normally no clarifications shall be sought from the Bidders. However, for assisting in the evaluation of the bids especially on the issues where the Bidder confirms compliance in the evaluation and contradiction exists on the same issues due to lack of required supporting documents in the Bid (i.e. document is deficient or missing), or due to some statement at other place of the Bid (i.e. reconfirmation of confirmation) or vice versa, clarifications may be sought by OIL at its discretion. The request for clarification and the response shall be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.

13.6 Prior to the detailed evaluation, OIL will determine the substantial responsiveness of each bid to the requirement of the Bidding Documents. For purpose of these paragraphs, a substantially responsive bid is one, which conforms to all the terms and conditions of the Bidding Document without material deviations or reservation. A material deviation or reservation is one which affects in any way substantial way the scope, quality, or performance of work, or which limits in any substantial way, inconsistent way with the bidding documents, the Company’s right or the bidder’s obligations under the contract, and the rectification of which deviation or reservation would affect unfairly the competitive position of other bidders presenting substantial responsive bids. OIL's determination of bid's responsiveness is to be based on the contents of the Bid itself without recourse to extrinsic evidence.

13.7 A Bid determined as not substantially responsive will be rejected by the Company and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

13.8 The Company may waive minor informality or nonconformity or irregularity in a bid, which does not constitute a material deviation, provided such waiver, does not prejudice or affect the relative ranking of any Bidder.

14.0 EVALUATION AND COMPARISON OF BIDS:

14.1 OIL will evaluate and compare the bids as per Bid Evaluation Criteria (BEC) of the bidding documents.

14.2 DISCOUNTS / REBATES: Unconditional discounts / rebates, if any, given in the bid or along with the bid will be considered for evaluation.

14.3 Post bid or conditional discounts / rebates offered by any bidder shall not be considered for evaluation of bids. However, if the lowest bidder happens to be the final acceptable bidder for award of contract, and if they have offered any discounts / rebates, the contract shall be awarded after taking into account such discounts / rebates.

14.4 Conditional bids are liable to be rejected at the discretion of the Company.

15.0 CONTACTING THE COMPANY:

15.1 Except as otherwise provided in Clause 14.0 above, no Bidder shall contact OIL on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded except as required by OIL vide sub-clause 13.5.

15.2 An effort by a Bidder to influence OIL in the bid evaluation, bid comparison or Contract award decisions may result in the rejection of their bid.

16.0 AWARD CRITERIA:

16.1 OIL will award the Contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined as the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the Contract satisfactorily.

17.0 OIL' S RIGHT TO ACCEPT OR REJECT ANY BID:

17.1 OIL reserves the right to accept or reject any or all bids and to annul the bidding process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected bidder, or bidders or any obligation to inform the affected bidder of the grounds for OIL's action.

18.0 NOTIFICATION OF AWARD:

18.1 Prior to the expiry of the period of bid validity or extended validity, OIL will notify the successful Bidder in writing by registered letter or by cable or telex or fax or e-mail (to be confirmed in writing by registered / couriered letter) that its bid has been accepted.

19.0 SIGNING OF CONTRACT:

19.1 The successful bidders(s) shall be notified by the Company of its intention to enter into an Agreement with him/her/them on the basis of his/her/their acceptance of the offer. Such notification shall be treated as a "Letter of Award (LOA)".

19.2 Within 2 Weeks from the date of issue of Letter of Award (LOA), the successful Bidder(s) will be required to pay an interest free Performance Security by way of Demand Draft / Banker's Cheque / Bank Guarantee (in specified format) favouring "OIL INDIA LIMITED" payable at "DULIAJAN" from any Nationalised Bank. Upon furnishing of the Performance Security, the successful Bidder(s) will be required to enter into a formal Service Agreement based on the instant tender on the OIL Standard forms of agreement.

19.3 This Performance Security must be valid for six months after the date of expiry of the tenure of the contract. In the event of contract being extended within the provisions of the contract agreement, the contractor will have to extend suitably the validity of the "Security Deposit" for the extended period.

19.4 The "Performance Security" will be refunded to the contractor within six months of satisfactory completion of works under the contract (including extension, if any), but part or whole of which shall be used by the Company in realisation of liquidated damages or claims, if any or for adjustment of compensation or loss due to the Company for any reason.

19.5 Failure of the successful bidders to comply with the conditions as specified in Para 19.2 above would render him liable for rejection and in turn forfeiture of Bid Security apart from any other actions the Company may take against him at its sole discretion. The party shall also be debarred for a period of 2(two) years from the date of default.

20.0 FURNISHING FRAUDULENT INFORMATION / DOCUMENTS:

If it is found that a bidder has furnished fraudulent information / documents, it shall constitute sufficient ground for annulment of the award and the party shall be debarred for a period of 3(three) years from the date of detection of such fraudulent act besides the legal action.

21.0 In the event of awarding contract the Contractor shall have to submit Invoice of Service Tax as per the following Format

1.4 GENERAL:

1.4.1 In case bidder takes exception to any clause of Bidding Document not covered under BEC/BRC, then the Company has the discretion to load or reject the offer on account of such exception if the bidder does not withdraw/ modify the deviation when/as advised by the Company. The loading so done by the Company will be final and binding on the Bidders. No deviation will however, be accepted in the clauses covered under BRC.

1.4.2 To ascertain the substantial responsiveness of the bid the Company reserves the right to ask the Bidder for clarification in respect of clauses covered under BRC also and such clarification fulfilling the BRC clauses must be received on or before the stipulated date from the date of clarification sought by the Company, failing which the bid will be summarily rejected.

1.4.3 In case, any of the clauses in the BRC contradict with other clauses of Bidding Document elsewhere, then the clauses in the BRC shall prevail.

1.4.4 Unconditional discounts/rebates, if any, given in the bid or along with the bid will be considered for evaluation. Post bid or conditional discounts/rebates offered by any bidder shall not be considered for evaluation of bids. However, if the lowest bidder happens to be the final acceptable bidder for award of contract, and if they have offered any discounts/rebates, the contract shall be awarded after taking into account such discounts/rebates.

1.4.5 OIL will not be responsible for delay, loss or non receipt of applications (for bidding documents) sent by mail and will not entertain any correspondence in this regard.

2.0 BID EVALUATION CRITERIA:

2.1 The bids conforming to the specifications, terms and conditions stipulated in the tender documents and considered to be responsive after subjecting to Bid Rejection Criteria will be considered for further evaluation as per the Bid Evaluation Criteria given below.

2.2 To ascertain the inter-se-ranking, the comparison of the responsive bids will be made subject to loading for any deviation. Comparison of offers will be done on total evaluated cost on the basis of rates quoted in the Price Bid Format.

2.3 In case of identical lowest offered rate by more than 1 (one) bidder, the selection will be made by draw of lot between the parties offering the same lowest price.

2.4 Purchase preference to Micro and Small Enterprises registered with District Industry Centers or Khadi and Village Industries Commission or Khadi and Village Industries Board or Coir Board or National Small Industries Corporation or Directorate of Handicrafts and Handloom or any other body specified by Ministry of MSME:

In case participating MSEs quote price within price band of L1+15%, such MSE shall be considered for award of contract by bringing down their price to L1 price in a situation where L1 price is from someone other than a MSE.

In case of more than one such MSE qualifying for 15% purchase preference, the contract shall be awarded to lowest eligible MSE amongst the MSEs qualifying for 15% purchase preference.

In case any part of the work is sub-contracted to a Micro or Small Enterprise as per contract conditions then the contractor shall provide complete details (i.e. name of the subcontractor, value of sub-contacted work, copy of valid registration certificate etc.) of the sub-contractor to OIL.

2.0 AMC special terms and conditions

2.1 The bidder shall provide 3 (three) years of AMC services with scope of extension for another one year under the same terms & conditions as stipulated in the tender document.

2.2 The bidder should deployed at least 1 (one) qualified and trained engineer at Duliajan exclusively for this AMC service. The engineer has to be available at site during prime-shift (7.00 AM to 3.30 PM). However, engineer shall give services as and when required even after prime-shift as advised by Company representative.

2.3 The bio-data of the engineer to be posted at Duliajan should be provided. However, OIL will have the right to ask for replacement if he is not found suitable to carry out the maintenance services at any time during the service period.

2.4 The AMC will include preventive as well as corrective maintenance of all hardware devices as mentioned in Annexure - I.

2.5 OIL shall not provide accommodation and local transport to the supplier's maintenance engineer at Duliajan.

2.6 No cannibalization of any system will be permitted for carrying out maintenance services.

2.7 The bidder will have to follow the preventive maintenance schedule of all equipment during the AMC period.

2.8 The bidder will provide all hardware items needed for carrying out the jobs under AMC.

2.9 In case the bidder fails to repair any equipment listed in Annexure - I the penalty clause will be applicable.

2.10 All hardware listed in Annexure-I necessary to carry out the maintenance job will be bidder's responsibility.

2.11 Bidder shall submit a weekly progress report about various aspects of the job to company as per the scope of work and the review meeting shall be conducted monthly to discuss the various issues. The periodicity of such report may be changed by the company at its option.

2.12 Bidder at his own cost shall arrange the clearance of spare parts, equipment etc. from customs and port authorities in India.

3.0 Scope of Equipment Supply

3.1 All equipment and machinery necessary to carry out the maintenance job will be bidder's responsibility.

4.0 Performance of Work

4.1 Bidder shall submit a weekly progress report about various aspects of the job to OIL as per the scope of work and the review meeting shall be conducted monthly to discuss the various issues. The periodicity of such report may be changed by OIL at its own discretion. All the materials, equipment, spares etc. to be provided by the bidder and speed of execution and maintenance of operations are to be conducted in a manner to satisfaction of the OIL's representative. If the rate of progress of the job at any time is too slow in the opinion of the OIL's representative, to ensure the completion of the operations by the prescribed time for completion, the OIL's representative may so notify the bidder in writing. The bidder shall reply to the written notice giving details of the measures and actions taken to expedite operation in time. If no satisfactory reply to OIL's notice is received within a period of seven days, the OIL shall be free to terminate the AMC service contract.

5.0 Safety

5.1 The bidder shall take all measures necessary to protect the personnel, work and facilities and shall observe safety rules and regulations of OIL provided to bidder in writing. The bidder shall report as soon as possible any evidence which may indicate or is likely to lead to an abnormal or dangerous situation and then immediately take the first emergency control steps confirming to good operation practice and safety regulation.

6.0 Protection of Property & Existing Facilities

6.1 The bidder shall perform each work in such a manner as will prevent damage to the OIL's property and shall carry on the works in such a manner as to conform to, and consistent with, and not to interfere in any way with continuous and safe operation of the equipment. Any permanent damage/loss to the company's installation, assets and equipment due to the operation of the services envisaged under this contract shall have to be remedied by the bidder entirely at its own cost and not to be limited to actual replacement of such damaged assets and equipment, or payment of actual replacement cost in relation there to as may incurred by the company.

7.0 Penalty

7.1 In case the bidder fails to repair any equipment listed in Annexure - I within 48 hours from the time of reporting the breakdown or in case of absence of the station engineer for more than 24 hours or failure to replenish the faulty equipment or faulty spares of the equipment at the site within ten days, a penalty of Rs. 10000/- per day will be levied subject to a maximum of 25% of the contract value. If for any reason, the bidder fails to repair the equipment within seven successive days from the date of reporting, the contract will be extended by said period at no extra cost in addition to the above penalty.

8.0 Obligation of the Bidder

8.1 Bidder at his own cost shall arrange the clearance of equipment spare parts, equipment etc. from customs and port authorities in India and shall pay all requisite duties including custom duty, demurrages, if any, clearance fees, charges, post fees, clearing and forwarding agent fees/charges, inland transport charges etc. OIL will provide all reasonable assistance but the responsibility for clearance will rest on the bidder.

8.2 Bidder will have to arrange its own transport facility for the maintenance engineers to attend to the maintenance calls, and for movement of required equipment and peripherals to replace the faulty equipment within Duliajan.

8.3 Bidder will have to maintain all hardware installed on items in Annexure -I along with interface and power cables.

8.4 No cannibalization of any equipment will be permitted to carry out the maintenance services.

8.5 Disk media is to be maintained within the scope of the maintenance services. Formatting of hard disk is to be done by the bidder whenever necessary in consult with OIL's representative. Bidder will have to take backup of hard disk before formatting and restoring after formatting.

8.6 Bidder will have to follow the preventive maintenance schedule given for each item, strictly throughout the period of the contract. The schedule will be finalized in consultation with OIL after the contract is awarded.

8.7 Bidder will arrange for office space at Duliajan for its engineer.

8.8 Bidder will have to arrange its own accommodation for its engineer at Duliajan.

8.9 The Bidder will be responsible for any property of OIL sent by the bidder to outside OIL premise for repair. Any loss or damage of such property has to be borne by the bidder.

8.10 Any defective hard disk replaced by the bidder will remain property of OIL for data security purpose. After replacement the bidder has to deposit the defective disk media to OIL's representative.

8.11 Bidder will have to submit the call reports for the calls attended by them in standard format. The call reports have to be dully signed by the respective customers.

8.12 The bidder will have to maintain an attendance register at Archival & Retrival Centre of Geophysics Department. The date and time of reporting of station engineer has to be logged on the register on all working days of OIL.

8.13 The station engineer will not be allowed to leave station without prior permission of OIL's reporting authority.

8.14 Bidder will give full assistance during hardware upgradation in Archival, GIS Centre & Field QC System, if OIL has the option to upgrade the peripherals as mentioned in Annexure-I during the course of the service
