### **3.0 GUIDELINES FOR PARTICIPATING IN OIL'S E-PROCUREMENT**

**3.1** Bids are to be submitted online through OIL's E-Procurement Portal with digital signature. To participate in OIL's E-Procurement tender, bidders should have a legally valid digital certificate **of Class 3 with Organizations Name** and **Encryption Certificate** as per Indian IT Act from the licensed Certifying Authorities operating under the Root Certifying Authority of India (RCAI), Controller of Certifying Authorities (CCA) of India (<http://www.cca.gov.in>). Digital Signature Certificates having "**Organization Name**" field other than **Bidder's Name** are not acceptable. However, aforesaid Digital Signature Certificates having Bidder's Name in the "Organization Name" field are acceptable.

Encryption certificate is mandatorily required for submission of bid. In case bidder creates response with one certificate (using encryption key) and then the bidder changes his Digital Signature Certificate, then the old certificate (used for encryption) is required in order to decrypt his encrypted response for getting the edit mode of the response. Once decryption is done, bidder may use new DSC certificate for uploading and submission of their offer. It is the sole responsibility of the bidder to keep their DSC certificate properly. In case of loss of the certificate, OIL INDIA LTD. is not responsible.

The authenticity of above digital signature shall be verified through authorized CA after bid opening and in case the digital signature used for signing is not of "**Class 3 with Organizations Name** and **Encryption Certificate**", the bid will be rejected.

Bidder is responsible for ensuring the validity of digital signature and its proper usage by their employee.

The bid including all uploaded documents shall be digitally signed by duly authorized representative of the bidding company.

The bid including all uploaded documents shall be digitally signed by duly authorized representative of the Bidder/Bidding company to bind the Bidder/Bidding company to the contract.

**3.2** For participation, applicants already having User ID & Password for OIL's E-Procurement Portal need to register against the IFB. New vendors/existing vendors not having User ID & Password for OIL's E-Procurement Portal shall obtain User ID & password through online vendor registration system in E-Portal.

**3.2.1** Bidders without having E-Tender Login ID and password should complete their online registration at least 07 (Seven) days prior to the scheduled Bid Closing Date and time of the tender. For online registration, bidder may visit OIL's E-Tender site <https://etender.srm.oilindia.in/irj/portal>.

**3.2.2** Necessary Login ID & Password will be issued by OIL only after submitting the complete online registration by the Bidder. In the event of late registration/incomplete registration by Bidder, OIL INDIA LIMITED shall not be responsible for late allotment of User

ID & Password and request for bid closing date extension on that plea shall not be entertained by Company.

**3.3** Parties, who do not have a User ID, can click on **Guest** login button in the E-portal to view and download the tender. **The detailed guidelines are available in OIL's E-Procurement site (Help Documentation).** For any clarification in this regard, bidders may contact E-Tender Support Cell at Duliajan at [erp\\_mm@oilindia.in](mailto:erp_mm@oilindia.in), Ph.: 0374- 2807178/4903.

**3.4** Details of process for submission of Bid Security (EMD) through the online payment gateway are available in Vendor User Manual under E-Procurement Portal. (**Note:** Important Points for on-line Payment can be viewed at Oil India's website at url: <http://oil-india.com/pdf/ETenderNotification.pdf>).

**3.5** The link to OIL's E-Procurement Portal has been provided through OIL's web site ([www.oil-india.com](http://www.oil-india.com)).

**4.0 EXEMPTION FROM BID SECURITY PAYEMENT:** In case any bidder is exempted from paying the Bid security, they should request OIL with supporting documents. The detailed guidelines for exemption of the Bid security are given below.

- a) MSEs Units (manufacturers/Service Providers only and not their dealers/ distributors) who are already registered with District Industry Centres or Khadi & Village Industries Commission or Khadi & Village Industries Board or Coir Board or National Small Industries Corporation or Directorate of Handicrafts & Handloom or any other body specified by Ministry of MSME are exempted from payment of Bid Security (EMD) irrespective of monetary limit mentioned in their registration.
- b) Central Government Departments and Central Public Sector Undertakings (CPSUs) are also exempted from submitting bid security.
- c) In case bidding MSE is owned by Schedule Caste or Schedule Tribe entrepreneur, valid documentary evidence issued by the agency who has registered the bidder as MSE owned by SC/ST entrepreneur should also be enclosed.
- d) Bids without EMD shall be rejected, if the technical offer does not include a valid copy of relevant MSE Certificate issued by appropriate authority.

**5.0** Bid should be submitted online in OIL's E-Procurement site up to **11.00 AM (IST) (Server Time)** on the date as mentioned and will be opened on the same day at **2.00 PM (IST)** at the office of the CGM-Contracts in presence of the authorized representatives of the bidders.

**7.0** The tender is invited under **OPEN E-TENDER SINGLE STAGE TWO BID SYSTEM.** The bidder has to submit both the **"TECHNICAL"** and **"PRICED"** bid through electronic form in the OIL's E-Tender portal within the Bid Closing Date and Time stipulated in the E-Tender. For submission of Bids online at OIL's E-Tender Portal, detailed instructions are available in "User Manual" available in OIL's E-Tender Portal. The Technical Bid should be submitted as per Scope of Work & Technical Specifications along with all technical

documents related to the tender and uploaded under “**Technical Attachment**” Tab only. **Bidders to note that no price details should be uploaded in “Technical Attachment” Tab Page.** The Price Bid rates shall be quoted per unit as specified in the “**PRICE BIDDING FORMAT**” attached under “**Notes and Attachments**” tab in the main bidding engine of OIL’s E-Tender portal. The price quoted in the “PRICE BIDDING FORMAT” will only be considered for evaluation.

**8.0** The Company reserves the right to reject any or all the tenders or accept any tender without assigning any reason.

**9.0** (a) No Bidder can withdraw his bid within the validity or extended validity of the bid. Withdrawal of any bid within validity period will lead to forfeiture of his/her/their Bid Security Deposit in full and debar from participation in future tenders, at the sole discretion of the company.

(b) Once a withdrawal letter is received from any bidder, the offer will be treated as withdrawn and no further claim/correspondence will be entertained in this regard.

**10.0** Conditional bids are liable to be rejected at the discretion of the Company.

**11.0** The bidders are required to furnish the composition and status of ownership of the firm in whose name bid documents have been purchased/issued along with one or more of the following documentary evidences (which are applicable to the bidder) in support of the same and scanned copies of the same should be uploaded along with the Un-priced Techno-Commercial Bid documents.

**amendments to the bid documents before submission of their bids. No separate intimation shall be sent to the Bidders.**

## 19.0 SUBMISSION OF BIDS:

**19.1** The bid including all uploaded documents shall be digitally signed by duly authorized representative of the bidder to bind the Bidder to the contract.

**19.2** Any person signing the Bid or any other document in respect of this Bid Document or other relevant documents on behalf of the Bidder without disclosing his authority to do so shall be deemed to have the authority to bind the Bidder. If it is discovered at any time that the person so signing has no authority to do so, the Company (OIL) may, without prejudice to any other right or remedy, cancel his Bid or Contract and hold the Bidder liable to the Company (OIL) for all costs and damages arising from the cancellation of the Bid or Contract including any loss which the Company (OIL) may sustain on account thereof.

**19.3** Timely submission of the bids is the responsibility of the Bidder and Bids should be submitted before the bid closing date and time. Company shall not be responsible for any delay.

**19.4** Bidder shall submit the Bid, duly completed in terms of the Bid Document.

**19.5** Before submission of Bids, Bidders are requested to make themselves fully conversant with all Conditions of the Bid Document and other relevant information related to the works to be executed under this contract.

## 20.0 SCREEN SHOTS

Go to this Tab **“Notes and Attachments”** for Uploading “Price Bid”

Go to this Tab **“Technical Attachment”** for Uploading “Technical Bid”.

On **“EDIT”** Mode, bidders are advised to upload **“Technical Bid”** and **“Priced Bid”** in the respective places as indicated above:

### Note:

- \* The **“Technical Bid”** shall contain all techno-commercial details **except the prices.**

- \*\* The “**Priced bid**” must contain the price schedule and the bidder’s commercial terms and conditions, if any. For uploading Priced Bid, first click on Add Attachment, a browser window will open, select the file from the PC and name the file under Description, Assigned to General Data and click on OK to digitally sign and upload the File. Please click on Save Button of the Response to Save the uploaded files.

**21.0 Maintenance of Total bid value in the Response:** For convenience of the Bidders and to improve transparency, the rates/costs quoted by bidders against the E-tender shall be available for online viewing after price bid opening to those bidders whose price bids have been opened in the system. For tenders where **Detailed Price Information under RFx Information Tab is “No price”**, the Price Bid is invited through attachment form under “Notes & Attachment”. As per the existing process, Bidders must upload their pricing as per the “Price Bidding Format” under **“Notes & Attachment”**. Additionally the bidders must fill up the **on-line field “Total Bid Value”** under Tab Page **“RFx Information”** with the Total Cost (Including the GST component) as per the amount of the Price Bid in attachment form.

The screenshot shows the 'Create RFx Response' interface. At the top, there are tabs: Submit, Read Only, Print Preview, Check, Technical RFx Response, and Close. Below this, the RFx Response Number is 60038748 and the RFx Number is 60038748. The RFx Owner is BHARALI and the Total Value is 0.00 INR. The main section is divided into three tabs: RFx Information, Items, and Notes and Attachments. Under RFx Information, there are sub-tabs: Basic Data, Questions, and Technical Attachments. The 'Event Parameters' section contains several fields: 'Currency' (set to Indian Rupee), 'Detailed Price Information' (set to No Price), 'Terms of Payment' (with a checkbox), and 'Total Bid Value' (a text input field). Three callout boxes provide additional information: 1. 'Bidder to select the currency of the Response' points to the 'Currency' dropdown. 2. '“Total Bid Value” is mandatory in “No Price” RFx only' points to the 'Detailed Price Information' dropdown. 3. '“Total Bid Value” considering all the taxes & duties.' points to the 'Total Bid Value' text input field.

The “Total Bid Value” as entered by the Bidder in the on-line response shall be displayed in the e-tender portal amongst the Techno-Commercially qualified bidders and Company will not take any responsibility whatsoever towards incorrect information furnished by the bidders in the “Total Bid Value” field.

It is to be noted that Amount mentioned in the “Total Bid Value” field will not be considered for bid evaluation and evaluation will be purely based on the “Price bidding Format”.

## **22.0 DEADLINE FOR SUBMISSION OF BIDS:**

**22.1** Bids should be submitted on-line up to **11.00 a.m. (IST) (Server Time) on the Bid Closing date** mentioned in the Forwarding Letter. Bidders will be permitted by System to make any changes in their bid after the bid has been uploaded by the bidder prior to the Bid Closing date and time as mentioned in the bid except in condition mentioned in clause 25.0

below. But no changes would be allowed by the system once the due date and time for submission of bids has been reached and bids are opened.

**22.2** No bid can be submitted after the submission deadline is reached. The system time displayed on the e-procurement web page shall decide the submission deadline.

**22.3** The documents in physical form must be received by Company at the address specified in the "Forwarding Letter" on or before **12:45 p.m. (IST) on the bid closing date**. Timely delivery of the same at the address mentioned in the Forwarding Letter is the responsibility of the Bidders.

**23.0 LATE BIDS:** Bidders are advised in their own interest to ensure that their bids are uploaded in system before the closing date and time of the bid. Any Bid received by the Company after the Bid Closing Date & Time stipulated by the Company shall be rejected.

**24.0 MODIFICATION AND WITHDRAWAL OF BIDS:**

**24.1** Bidders will be permitted by System to withdraw their bid or make any changes in their bid after the bid has been uploaded by the bidder prior to the Bid Closing date and time as mentioned in the bid. But no changes or withdrawal would be allowed by the system once the due date and time for submission of bids has been reached and bids are opened.

**24.2** No bid can be modified/withdrawn subsequent to the deadline for submission of bids.

**24.3** No bid may be withdrawn in the interval between the deadline for submission of bids and the expiry of the period of bid validity. Withdrawal of any bid within validity period will lead to forfeiture of his/her/their Bid Security Deposit in full and debar from participation in future tenders, at the sole discretion of the company.

**25.0 EXTENSION OF BID SUBMISSION DATE:** Normally no request for extension of Bid Closing Date & Time will be entertained. However, OIL at its discretion, may extend the Bid Closing Date and/or Time due to any reasons.

**26.0 BID OPENING AND EVALUATION:**

**26.1.1** The bid will be opened on scheduled Bid opening date & time in the presence of any attending Bidder(s) or their Authorized Representative, if any. However, an authorized letter (format given in Proforma Section) from the Bidder must be produced by Bidder's representative at the time of opening of Tender, without which such representative won't be allowed to attend the opening of Tenders. Only one representative against each Bid will be allowed to attend the bid opening. Attending Bidder(s) & Authorized Representative(s) will have to sign a register evidencing their presence.

**26.1.2** In case of two bid system, after the evaluation of the Technical Bids, the Price Bids of only the techno-commercially acceptable Bidders will be opened. The opening Date and Time will be intimated to the techno-commercially qualified Bidders in due course. Price bids will be opened in the same procedure as mentioned in Para 26.1.1 above.

**26.2** In case it happens to be a bandh/holiday, the tender will be opened on the next working day (except Saturday). Accordingly, Bid Closing Date/time will get extended up to the next working day and time (except Saturday).

**26.3** Bids which have been withdrawn pursuant to Clause 24.0 will not be allowed to be opened by the system. OIL shall examine bids to determine whether they are complete,

whether requisite Bid Securities have been furnished, whether documents have been properly signed and whether the bids are generally in order.

**26.4** OIL shall prepare, for its own records, minutes of bid opening including the information disclosed to those present in accordance with the sub-clause 26.3.

**26.5** To assist in the examination, evaluation and comparison of bids, normally no clarifications shall be sought from the Bidders. However, for assisting in the evaluation of the bids especially on the issues where the Bidder confirms compliance in the evaluation and contradiction exists on the same issues due to lack of required supporting documents in the Bid (i.e. document is deficient or missing), or due to some statement at other place of the Bid (i.e. reconfirmation of confirmation) or vice versa, clarifications may be sought by OIL at its discretion. The request for clarification and the response shall be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.

**26.6** Prior to the detailed evaluation, OIL will determine the substantial responsiveness of each bid to the requirement of the Bidding Documents. For purpose of these paragraphs, a substantially responsive bid is one, which conforms to all the terms and conditions of the Bidding Document without material deviations or reservation. A material deviation or reservation is one which affects in any substantial way the scope, quality, or performance of work, or which limits in any substantial way, in-consistent way with the bidding documents, the Company's right or the bidder's obligations under the contract, and the rectification of which deviation or reservation would affect unfairly the competitive position of other bidders presenting substantial responsive bids. OIL's determination of bid's responsiveness is to be based on the contents of the Bid itself without recourse to extrinsic evidence.

**26.7** A Bid determined as not substantially responsive will be rejected by the Company and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

**26.8** The Company may waive minor informality or nonconformity or irregularity in a bid, which does not constitute a material deviation, provided such waiver, does not prejudice or affect the relative ranking of any Bidder.

## **27.0 EVALUATION AND COMPARISON OF BIDS:**

**27.1** OIL will evaluate and compare the bids as per Bid Evaluation Criteria (BEC) of the bidding documents.

**27.2** To ascertain the inter-se-ranking, the comparison of the responsive bids will be made on the basis of total amount quoted inclusive of all liabilities and GST for the items of part-II (i.e. schedule of works, units, quantity, rates) of the tender.

**27.3** DISCOUNTS/REBATES: Unconditional discounts/rebates, if any, given in the bid or along with the bid will be considered for evaluation.

**27.4** Post bid or conditional discounts/rebates offered by any bidder shall not be considered for evaluation of bids. However, if the lowest bidder happens to be the final acceptable bidder for award of contract, and if they have offered any discounts/ rebates, the contract shall be awarded after taking into account such discounts/ rebates.

**27.5** Conditional bids are liable to be rejected at the discretion of the Company.

**28.0 BACKING OUT BY BIDDER:** In case any bidder withdraws their bid within the bid validity period, Bid Security will be forfeited and the party will be put on Holiday as per the Banning Policy (available in OIL's website) of Company.

**29.0 CONTACTING THE COMPANY:**

**29.1** Except as otherwise provided in Clause 27.0 above, no Bidder shall contact OIL on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded except as required by OIL vide sub-clause 26.5.

**29.2** An effort by a Bidder to influence OIL in the bid evaluation, bid comparison or Contract award decisions may result in the rejection of their bid.

**30.0 AWARD CRITERIA:** OIL will award the Contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined as the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the Contract satisfactorily.

**31.0 OIL' S RIGHT TO ACCEPT OR REJECT ANY BID:** OIL reserves the right to accept or reject any or all bids and to annul the bidding process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected bidder, or bidders or any obligation to inform the affected bidder of the grounds for OIL's action.

**32.0 NOTIFICATION OF AWARD:** Prior to the expiry of the period of bid validity or extended validity, OIL will notify the successful Bidder in writing by registered letter or by cable or telex or fax or e-mail (to be confirmed in writing by registered/couriered letter) that its bid has been accepted.

**33.0** The selected bidder will be required to enter into a formal contract, which will be based on their bid and OIL's Standard Form of Contract.

**34.0** The successful bidder shall furnish a Performance Security Deposit in the form of Bank Guarantee as specified above before signing the formal contract. The Performance Security Deposit will be refunded to the Contractor after satisfactory completion of the work, but a part or whole of which shall be used by the Company in realization of liquidated damages or claims, if any or for adjustment of compensation or loss due to the Company for any reason. This Security Money shall not earn any interest.

**35.0 BACKING OUT BY L1 BIDDER AFTER ISSUE OF LOA:** In case LOA issued is not accepted by the L1 bidder or the Performance Security is not submitted as per the terms of the contract within the time specified in the Bid Document, the Bid Security shall be forfeited and the bidder shall be dealt as per the Banning Policy (available in OIL's website) of Company.

**36.0 FURNISHING FRAUDULENT INFORMATION/DOCUMENT:** The information and documents furnish by the bidder/contractor in respect of the subject tender/contract are accepted to be true and genuine. However, if it is detected during technical scrutiny or after award of the contract or after expiry of the contract, that the bidder had submitted any fake/fraudulent document or furnished false statement, the offer/contract shall be rejected/cancelled, as the case may be and the bidder (if fake document/false statement pertains to such bidder) shall be dealt as per the Banning Policy (available in OIL's website) of Company. The bidder has to submit an undertaking in this regard as per attached **Proforma-IX.**

**37.0 MOBILISATION ADVANCE PAYMENT:**

37.1 Request for advance payment shall not be normally considered. However, depending on the merit and at the discretion of the Company, advance against mobilization charge may be given at an interest rate of 1% above the prevailing Bank rate (CC rate) of SBI, CAG Branch, Kolkata from the date of payment of the advance till recovery/refund.

37.2 Advance payment agreed to by the Company shall be paid only against submission of an acceptable bank guarantee whose value should be equivalent to the amount of advance plus the amount of interest covering the period of advance. Bank guarantee shall be valid for 02 months beyond completion of mobilization and the same may be invoked in the event of Contractor's failure to mobilize as per agreement.

37.3 In the event of any extension to the mobilization period, Contractor shall have to enhance the value of the bank guarantee to cover the interest for the extended period and also to extend the validity of bank guarantee accordingly.

**38.0 PROVISION FOR ACTION IN CASE OF ERRING/DEFAULTING AGENCIES:** Erring and defaulting agencies like bidder, contractor, supplier, vendor, service provider will be dealt as per OIL's Banning Policy dated 6<sup>th</sup> January, 2017 available in OIL's website: [www.oil-india.com](http://www.oil-india.com).

**39.0 SIGNING OF CONTRACT:**

39.1 The successful bidders(s) shall be notified by the Company of its intention to enter into an Agreement with him/her/them on the basis of his/her/their acceptance of the offer. Such notification shall be treated as a "Letter of Award (LOA)".

39.2 Within 02 Weeks from the date of issue of Letter of Award (LOA), the successful Bidder(s) will be required to pay an interest free Performance Security by way of Bank Guarantee (in specified format) or in the form of Demand Draft favoring "OIL INDIA LIMITED" payable at "DULIAJAN" from any Nationalized Bank. Upon furnishing of the Performance Security, the successful Bidder(s) will be required to enter into a formal Service Agreement based on the instant tender on the OIL Standard forms of agreement.

39.3 This Performance Security must be valid for 90 (Ninety) days after the date of expiry of the tenure of the contract. In the event of contract being extended within the provisions of the contract agreement, the contractor will have to extend suitably the validity of the "Security Deposit" for the extended period.

39.4 The "Performance Security" will be refunded to the contractor after 90 (Ninety) days of satisfactory completion of works/defect liability period (if any) under the contract (including extension, if any), but part or whole of which shall be used by the Company in realization of liquidated damages or claims, if any or for adjustment of compensation or loss due to the Company for any reason.

40.0 Time will be regarded as the essence of the Contract and the failure on the part of the Contractor to complete the work within the stipulated time shall entitle the Company to recover liquidated damages and/or penalty from the Contractor as per terms of the tender/contract.

41.0 The contractor will be required to allow OIL officials to inspect the work site and documents in respect of the workers' payment.

**42.0** Failure of the successful bidders to comply with the conditions as specified in Para 39.2 above would render him liable for rejection and in turn forfeiture of Bid Security apart from any other actions the Company may take against him at its sole discretion. The bidder shall be dealt as per the Banning Policy (available in OIL's website) of Company.

**43.0** OIL now looks forward to your active participation in the IFB.

- f.** SIMILAR work executed by a bidder for its own organization/subsidiary cannot be considered as experience for the purpose of meeting BEC.
- g.** Bids submitted for part of the work will be rejected. Bid will be rejected if not accompanied with adequate documentary proof in support of Work experience as mentioned in Para 1.2.

1.3 The bidder must confirm the following in their bid:

- i. To provide experience and qualified personnel. The qualification and work experiences of key personnel to be deployed by the bidder must be in accordance with the requirement as per the Clause 2.0 under Scope of Work of Part-III: SCC. The complete Bio-data of the key personnel to this effect must be submitted for OIL'S approval and clearance at the time of deployment.
- ii. To quote for full service as laid down in Terms of Reference/Technical Specifications/Details of Services.

1.4 Bidders must submit price break-up for 'Operating Day Rate for personnel' as per Annexure-A, complying minimum statutory wage payment to different class of workers to be deployed by them under the contract. Bids without "Price break-up" and with Price break-up with un-realistic price not conforming to the minimum wage act shall be rejected.

1.5 Price bid shall be opened in respect of only the techno-commercially acceptable bidders whose bids have been found to be substantially responsive. A substantially responsive bid is one that meets the terms and conditions of the Tender and/or the acceptance of which bid will not result in indeterminate liability on OIL.

1.6 Bidders are required to quote for all the items as per Price Bid Format; otherwise the offer of the bidder will be straightway rejected.

1.7 If there is any discrepancy between the unit price and the total price, the unit price will prevail and the total price shall be corrected. Similarly, if there is any discrepancy between words and figure, the amounts in words shall prevail and will be adopted for evaluation.

1.8 The quantities shown against each item in the "Price Bid Format" shall be considered for the purpose of Bid Evaluation. It is, however, to be clearly understood that the assumptions made in respect of the quantities for various operations are only for the purpose of evaluation of the bid and the Contractor will be paid on the basis of the actual number of days/parameter, as the case may be.

1.9 The bidders are advised not to offer any discount/rebate separately and to offer their prices in the Price Bid Format after considering discount/rebate, if any.

1.10 Conditional and unsolicited discount will not be considered in evaluation. However, if such bidder happens to be the lowest recommended bidder, unsolicited discount without any condition will be considered for computing the contract price.

1.11 In case of identical overall lowest offered rate by more than 01 (one) bidder, the selection will be made by draw of lot between the parties offering the same overall lowest price.

1.12 **PURCHASE PREFERENCE CLAUSE:** Purchase Preference to Micro and Small Enterprises registered with District Industry Centers or Khadi and Village Industries Commission or Khadi and Village Industries Board or Coir Board or National Small Industries Corporation or Directorate of Handicrafts and Handloom or any other body specified by Ministry of MSME:

1.12.1 In case participating MSEs Quote price within price band of L1+15%, such MSE shall be considered for award of contract by bringing down their price to L1 price in a situation where L1 price is from someone other than a MSE.

1.12.2 In case of more than one such MSE qualifying for 15% purchase preference, the contract shall be awarded to lowest eligible MSE amongst the MSEs qualifying for 15% purchase preference.

1.12.3 **Documentation required to be submitted by MSEs:** Copy of valid Registration Certificate, if bidder is a Micro or Small Enterprises (MSE) registered with District Industry Centers or Khadi and Village Industries Commission or Khadi and Village Industries Board or Coir Board or National Small Industries Corporation or Directorate of Handicrafts and Handloom or any other body specified by Ministry of MSME. The Registration Certificate should clearly indicate the monetary limit, if any and the items for which bidder are registered with any of the aforesaid agencies. In case bidding MSE

is owned by Schedule Caste or Schedule Tribe entrepreneur, valid documentary evidence issued by the agency who has registered the bidder as MSE owned by SC/ST entrepreneur should also be enclosed.

1.13 Price Bids shall be evaluated on overall lowest cost to OIL (L-1 offer) basis i.e. considering total quoted price for all services including applicable GST (CGST & SGST/UTGST or IGST).

**Total estimated contract cost for MMC service for WDW including all taxes & duties except GST which shall be extra to OIL:**

$$\mathbf{T = TM + TODR1 + TILM1 + TILM + TODR2 + TRM + TC}$$

where,

- i. Total Mobilization charges of personnel and Crane, Lumpsum,  $TM = M$ .
- ii. Total Operating day rate charge for personnel,  $TODR1 = ODR1 \times 1077$  Days [Total days less ILM days in 04 (Four) years (384 days, considering 08 ILM in 01 (One) year and 12 (Twelve) days for each ILM].
- iii. Total Inter-location move charge up to 30 KM,  $TILM1 = ILM1 \times 32$  [considering 08 ILM in 01 (One) year i.e., 32 nos. for 04 (Four) years].
- iv. Total Kilometrage charge when the ILM is in excess of 30 Km,  $TILM = ILM \times 800$  [considering 200 KM in 01 (One) year i.e., 800 KM for 04 (Four) years].
- v. Total Operating charge for Crane  $TODR2 = ODR2 \times 1077$  Days [Total days less ILM days in 04 years (384 days, considering 08 ILM in 01 (One) year].
- vi. Total Re-mobilization charge for personnel and Crane, Lump sum  $TRM = RM \times 04$  [Considering 01 (One) Re-mobilization in 01 (One) year].
- vii. Total Charges for catering services per person  $TC = 400 \times 4000$ .

NOTES: The above items/activities are as defined in 'Scope of Work' of Part-III: SCC and Part-II: SOQ of the tender.

1.14 OIL will prefer to deal with registered bidder under GST. Therefore, bidders are requested to get themselves registered under GST, if not registered yet.

However, in case any unregistered bidder is submitting their bid, their prices will be loaded with applicable GST while evaluation of bid. Where OIL is entitled for input credit of GST, the same will be considered for evaluation of bid as per evaluation methodology of tender document.

1.15 Price Bid uploaded without giving any of the details of the taxes (Including rates and amounts) will be considered as inclusive of all taxes including GST.

When a bidder mentions taxes as extra without specifying the rates & amount, the offer will be loaded with maximum value towards taxes received against the tender for comparison purposes. If the bidder emerges as lowest bidder after such loading, in

the event of order on that bidder, taxes mentioned by OIL on the Purchase Order/Contracts will be binding on the bidder.

1.16 Input Tax Credit on GST (Goods & Service Tax) for this service is NOT available to OIL & the bids will be evaluated based on total price including GST.

1.17 Based on the evaluation of techno-commercially qualified bidders, the job will be awarded to L-1 bidder.

## **2.0 BID REJECTION CRITERIA (BRC):**

2.1 The bids are to be submitted in Single Stage under Two Bid System i.e. Un-priced Techno-Commercial Bid and Price Bid together. Only the Price Bid should contain the quoted price.

2.2 The price quoted by the successful bidder must be firm during the performance of the contract and not subject to variation on any account except as mentioned in the bid document. Any bid submitted with adjustable price quotation other than the above will be treated as non-responsive and rejected.

2.3 Bid security shall be furnished as a part of the Techno Commercial Un-priced Bid. The amount of bid security should be as specified in the forwarding letter. Any bid not accompanied by a proper bid security will be rejected.

2.4 Bid Documents/User Id & Password for OIL's E-Tender portal are not transferable.

2.5 Any bid received in the form of Physical document/Telex/Cable/Fax/E-mail will not be accepted.

2.6 Bids shall be typed or written in indelible ink. The bidder or his authorized representative shall sign the bid digitally, failing which the bid will be rejected.

2.7 Bids shall contain no interlineations, erasures or overwriting except as necessary to correct errors made by bidder, in which case such corrections shall be initiated by the persons(s) signing (digitally) the bid. However, white fluid should not be used for making corrections. Any bid not meeting this requirement shall be rejected.

2.8 Any bid containing false statement will be rejected and action will be taken by Company as per Bid Document.

2.9 Bidders must quote clearly and strictly in accordance with the price schedule outlined in Price Bidding Format attached under "Notes and Attachments" tab in the main bidding engine of OIL's E-Tender portal; otherwise the bid will be rejected. All other techno-commercial documents other than price details to be submitted with Un-priced Techno-Commercial Bid as per tender requirement under "Technical Attachment" Tab Page only.

2.10 Bidder must accept and comply with the following provisions as given in the Tender Document in toto, failing which offer will be rejected:

- (i) Firm price
- (ii) EMD/Bid Bond
- (iii) Period of validity of Bid
- (iv) Price Schedule
- (v) Performance Bank Guarantee/Security deposit
- (vi) Delivery/Completion Schedule
- (vii) Scope of work
- (viii) Guarantee of material/work
- (ix) Liquidated Damages clause
- (x) Tax liabilities
- (xi) Arbitration/Resolution of Dispute Clause
- (xii) Force Majeure
- (xiii) Applicable Laws
- (xiv) Specifications
- (xv) Integrity Pact

2.11 There should not be any indication of price in the Un-priced Techno-Commercial Bid. A bid will be straightway rejected if this is given in the Un-priced Techno-Commercial Bid.

2.12 Bid received with validity of offer less than 120 (One Hundred Twenty) days from the date of Technical Bid opening will be rejected.

2.13 The Integrity Pact is applicable against this tender. OIL shall be entering into an Integrity Pact with the bidders as per format enclosed vide **“Part-VI/Integrity Pact”** of the tender document. This Integrity Pact proforma has been duly signed digitally by OIL's competent signatory. The proforma has to be returned by the bidder (along with the Un-priced Techno-Commercial Bid) duly signed (digitally) by the same signatory who signed the bid, i.e., who is duly authorized to sign the bid. Uploading the Integrity Pact with digital signature will be construed that all pages of the Integrity Pact has been signed by the bidder's authorized signatory who sign the Bid.

### **3.0 GENERAL:**

3.1 In case bidder takes exception to any clause of bidding document not covered under BEC/BRC, then the Company has the discretion to load or reject the offer on account of such exception if the bidder does not withdraw/modify the deviation when/as advised by company. The loading so done by the company will be final and binding on the bidders. No deviation will however be accepted in the clauses covered under BEC/BRC.

3.2 To ascertain the substantial responsiveness of the bid the Company reserves the right to ask the bidder for clarification in respect of clauses covered under BEC/BRC also and such clarifications fulfilling the BEC/BRC clauses in toto must be received on or before the deadline given by the company, failing which the offer will be evaluated based on the submission. However, mere submission of such clarification shall not make the offer responsive, unless company is satisfied with the substantial responsiveness of the offer.

3.3 If any of the clauses in the BEC/BRC contradict with other clauses of bidding document elsewhere, the clauses in the BEC/BRC shall prevail.

3.4 Bidder(s) must note that requisite information(s)/financial values etc. as required in the BEC/BRC & Tender are clearly understandable from the supporting documents submitted by the Bidder(s); otherwise Bids shall be rejected

3.5 OIL will not be responsible for delay, loss or non-receipt of applications for participating in the bid sent by mail and will not entertain any correspondence in this regard.

3.6 The originals of such documents [furnished by bidder(s)] shall have to be produced by bidder(s) to OIL as and when asked for.

**19.0 ARBITRATION:****19.1 ARBITRATION (APPLICABLE FOR SUPPLIERS/CONTRACTORS OTHER THAN PSU)**

Except as otherwise provided elsewhere in the contract, if any dispute, difference, question or disagreement arises between the parties hereto or their respective representatives or assignees, in connection with construction, meaning, operation, effect, interpretation of the contract or breach thereof which parties are unable to settle mutually, the same shall be referred to Arbitration as provided hereunder:

- a) A party wishing to commence arbitration proceeding shall invoke Arbitration Clause by giving 30 days' notice to the other party. The notice invoking arbitration shall specify all the points of dispute with details of the amount claimed to be referred to arbitration at the time of invocation of arbitration and not thereafter. If the claim is in foreign currency, the claimant shall indicate its value in Indian Rupee for the purpose of constitution of the arbitral tribunal.
- b) The number of arbitrators and the appointing authority will be as under:

Claim amount (excluding claim for interest and counter claim, if any)	Number of Arbitrator	Appointing Authority
Up to Rs. 5 Crore	Sole Arbitrator	OIL
Above Rs. 5 Crore	3 Arbitrators	One Arbitrator by each party and the 3 <sup>rd</sup> Arbitrator, who shall be the presiding Arbitrator, by the two Arbitrators.

- c) The parties agree that they shall appoint only those persons as arbitrators who accept the conditions of the arbitration clause. No person shall be appointed as Arbitrator or Presiding Arbitrator who does not accept the conditions of the arbitration clause.
- d) Parties agree that there will be no objection if the Arbitrator appointed holds equity shares of OIL and/or is a retired officer of OIL/any PSU. However, neither party shall appoint its serving employees as arbitrator.
- e) If any of the Arbitrators so appointed dies, resigns, becomes incapacitated or withdraws for any reason from the proceedings, it shall be lawful for the concerned party/arbitrators to appoint another person in his place in the same manner as aforesaid. Such person shall proceed with the reference from the stage where his predecessor had left if both parties consent for the same; otherwise, he shall proceed de novo.

- f)** Parties agree that neither shall be entitled for any pre-reference or pendente-lite interest on its claims. Parties agree that any claim for such interest made by any party shall be void.
- g)** The arbitral tribunal shall make and publish the award within time stipulated as under:

Amount of Claims and counter claims(excluding interest)	Period for making and publishing of the award (counted from the date of first meeting of the Arbitrators)
Up to Rs. 5 Crore	Within 8 months
Above Rs. 5 Crore	Within 12 months

The above time limit can be extended by Arbitrator, for reasons to be recorded in writing, with the consent of the other parties.

- h)** If after commencement of the arbitration proceedings, the parties agree to settle the dispute mutually or refer the dispute to conciliation, the arbitrators shall put the proceedings in abeyance until such period as requested by the parties.
- i)** Each party shall be responsible to make arrangements for the travel and stay etc. of the arbitrator pointed by it. Claimant shall also be responsible for making arrangements for travel/stay arrangements of the Presiding Arbitrator and the expenses incurred shall be shared equally by the parties.
- In case of sole arbitrator, OIL shall make all necessary arrangements for his travel, stay and the expenses incurred shall be shared equally by the parties.
- j)** The Arbitration shall be held at **Duliajan, Assam**. However, parties to the contract can agree for a different place for the convenience of all concerned.
- k)** The Arbitrator(s) shall give reasoned and speaking award and it shall be final and binding on the parties.
- l)** Subject to aforesaid, provisions of the Arbitration and Conciliation Act, 1996 and any statutory modifications or re-enactment thereof shall apply to the arbitration proceedings under this clause.

## **19.2 ARBITRATION (APPLICABLE IN CASE OF CONTRACT AWARDED ON PUBLIC SECTOR ENTERPRISE):**

In the event of any dispute or difference relating to, arising from or connected with the Contract, such dispute or difference shall be referred by either party to the arbitration of one of the Arbitrators in the Department of Public Enterprises, to be nominated by the Secretary to the Government of India, In-Charge of the Bureau of Public Enterprises. The Arbitration and Conciliation Act 1996 shall not be applicable to the Arbitration under this clause. The award of the Arbitrator shall be binding upon the parties to the dispute, provided however, any party aggrieved by such award may make a further reference for setting aside or revision of the award to the Law Secretary, Deptt. of Legal Affairs, Ministry of Law and Justice, Government of India. Upon such reference, the dispute shall be decided by the Law Secretary or the Special Secretary/Additional Secretary, whose

decision shall bind the parties finally and conclusively. The parties in the dispute will share equally the cost of the arbitration as intimated by the Arbitrator.

The venue of all arbitrations under both 19.1 & 19.2 will be **Duliajan, Assam**. The award made in pursuance thereof shall be binding on the parties.

## **20.0 FORCE MAJEURE:**

**20.1** In the event of either party being rendered unable by 'Force majeure' to perform any obligations required to be performed by them under the contract the relative obligations of the party affected by such 'Force Majeure' shall upon notification to the other party be suspended for the period during which force majeure event lasts. The cost and loss sustained by the either party shall be borne by the respective parties.

The term 'Force Majeure' as employed herein shall mean acts of God, earthquake, war (declared/undeclared) revolts, riots, fires, floods, rebellions, explosions, hurricane, sabotage, civil commotions, and acts and regulations of respective Govt. of the two parties, namely the Company and the contractor.

**20.2** Upon the occurrence of such cause(s) and upon its termination, the party alleging that it has been rendered unable as aforesaid thereby, shall notify the other party in writing immediately but not later than 72 (Seventy-two) hours of the alleged beginning and ending thereof giving full particulars and satisfactory evidence in support of its claim.

Time for performance of the relative obligations suspended by the force majeure shall then extended by the period for which such cause lasts.

**20.3** Should 'force majeure' condition as stated above occurs and should the same be notified within Seventy-Two (72) hours after its occurrence the 'force majeure' rate shall apply for the first fifteen days. Parties will have the right to terminate the Contract if such 'force majeure' conditions continue beyond fifteen (15) days with prior written notice. Should either party decide not to terminate the Contract even under such condition, no payment would apply after expiry of fifteen (15) days force majeure period unless otherwise agreed to.

## **21.0 TERMINATION:**

**21.1 TERMINATION ON EXPIRY OF THE TERMS (DURATION):** The contract shall be deemed to have been automatically terminated on the expiry of duration of the Contract or the extension period, if exercised by Company under the provision of the Contract.

**21.2 TERMINATION ON ACCOUNT OF FORCE MAJEURE:** Either party shall have the right to terminate this Contract on account of Force Majeure as set forth in Article 20.0 above.

**21.3 TERMINATION ON ACCOUNT OF INSOLVENCY:** In the event that the Contractor or its collaborator at any time during the term of the Contract, becomes insolvent or makes a voluntary assignment of its assets for the benefit of creditors or is adjudged bankrupt, then the Company shall, by a notice in writing have the right to terminate the Contract and all the Contractor's rights and privileges hereunder, shall stand terminated forthwith.

**21.4 TERMINATION FOR UNSATISFACTORY PERFORMANCE:** If the Company considers that, the performance of the Contractor is unsatisfactory, or not up to the expected standard, the Company shall notify the Contractor in writing and specify in details the cause of the dissatisfaction. The Company shall have the option to terminate the Contract by giving 15 days' notice in writing to the Contractor, if Contractor fails to comply with the requisitions contained in the said written notice issued by the Company.

**21.5 TERMINATION DUE TO CHANGE OF OWNERSHIP & ASSIGNMENT:** In case the Contractor's rights and/or obligations under this Contract and/or the Contractor's rights, title and interest to the equipment/material, are transferred or assigned without the Company's consent, the Company may at its absolute discretion, terminate this Contract.

**21.6** If at any time during the term of this Contract, breakdown of Contractor's equipment results in Contractors being unable to perform their obligations hereunder for a period of 15 successive days, Company at its option, may terminate this Contract in its entirety without any further right or obligation on the part of the Company, except for the payment of money then due. No notice shall be served by the Company under the condition stated above.

**21.7** Notwithstanding any provisions herein to the contrary, the Contract may be terminated at any time by the Company on giving 30 (thirty) days written notice to the Contractor due to any other reason not covered under the above clause from 21.1 to 21.6 and in the event of such termination the Company shall not be liable to pay any cost or damage to the Contractor except for payment for services as per the Contract upto the date of termination including the De-mob cost, if any.

**22.0 CONSEQUENCES OF TERMINATION:** In all cases of termination herein set forth, the relative obligations of the parties to the Contract shall be limited to the period up to the date of termination. Notwithstanding the termination of this Contract, the parties shall continue to be bound by the provisions of this Contract that reasonably require some action or forbearance after such termination.

**22.1** Upon termination of this Contract, Contractor shall return to Company all of Company's items, which are at the time in Contractor's possession.

**22.2** In the event of termination of contract, Company will issue Notice of termination of the contract with date or event after which the contract will be terminated. The contract shall then stand terminated and the Contractor shall demobilize their personnel & materials.

**23.0 I.B. VERIFICATION REPORT AND SECURITY REVIEW:** Contractor will be required to submit the verification report to ascertain character and antecedents from the Civil Administration towards the persons engaged under this contract to the Head of the user Department before engagement.

**24.0** In case of any doubt or dispute as to the interpretation of any clause herein contained, the decision of the Company's Engineer shall be final and binding on the contractor.

**25.0 SET OFF CLAUSE:** "Any sum of money due and payable to the contractor (including Security Deposit refundable to them) under this or any other contract may be appropriated by Oil India Limited and set off against any claim of Oil India Limited (or

such other person or persons contracting through Oil India Limited) for payment of a sum of money arising out of this contract or under any other contract made by the contractor with Oil India Limited (or such other person or persons contracting through Oil India Limited)."

**26.0 FURNISHING FRAUDULENT INFORMATION/DOCUMENT:** The information and documents furnished by the bidder/contractor in respect of the subject tender/contract are expected to be true and genuine. However, if it is detected during technical scrutiny or after award of the contract or after expiry of the contract, that the bidder had submitted any fake/fraudulent document or furnished false statement, the offer/contract shall be rejected/cancelled, as the case may be and the bidder (if fake document/false statement pertains to such bidder) shall be dealt as per the Banning Policy (available in OIL's website) of Company.

**27.0 PROVISION FOR ACTION IN CASE OF ERRING/DEFAULTING AGENCIES:** Action against erring and defaulting agencies like bidder, contractor, supplier, vendor, service provider will be as per OIL's Banning Policy dated 6<sup>th</sup> January, 2017 available in OIL's website [www.oil-india.com](http://www.oil-india.com).

**28.0 LIQUIDATED DAMAGES FOR DELAY IN MOBILIZATION/COMPLETION OF WORKS AND SERVICES:** In the event of the Contractor's default in timely mobilization/completion within the stipulated period, the Contractor shall be liable to pay liquidated damages @ 0.5% of contract value, per week or part thereof of delay subject to maximum ceiling of 7.5% of contract value.

**29.0 SUBCONTRACTING:** Contractor shall not subcontract, transfer or assign the contract, in full or any part under this contract, to any third party. Except for the main services under this contract, Contractor may sub-contract the petty support services subject to Company's prior approval. However, Contractor shall be fully responsible for complete execution and performance of the services under the Contract.

**30.0 MISCELLANEOUS PROVISIONS:** Contractors shall conform in all respects with the provisions of any Statute, Ordinance of Law and the regulations or bye-law of any local or other duly constituted authority which may be applicable to the services and with such rules and regulation public bodies and Companies as aforesaid and shall keep OIL indemnified against all penalties and liability of every kind for breach of any such Statute, Ordinance or Law, regulation or byelaw.

- iii. Other taxes & duties including Customs Duty, Excise Duty and Service Tax in addition to new taxes etc. in respect of sub-contractors, vendors, agents etc. of the CONTRACTOR.

**36.5** In order to ascertain the net impact of the revisions/enactment of various provisions of taxes/duties, the CONTRACTOR is liable to provide following disclosure to COMPANY:

- i. Details of each of the input services used in relation to providing service to COMPANY including estimated monthly value of input service and service tax amount.
- ii. Details of Inputs (material/consumable) used/required for providing service to Company including estimated monthly value of input and excise duty/CVD paid/payable on purchase of inputs.

### **37.0 GOODS AND SERVICES TAX:**

#### **37.1 GENERAL REMARKS ON TAXES & DUTIES:**

In view of **GST** Implementation from 1st July 2017, all taxes and duties including Excise Duty, CST/VAT, Service tax, Entry Tax and other indirect taxes and duties have been submerged in **GST**. Accordingly reference of Excise Duty, Service Tax, VAT, Sales Tax, Entry Tax or any other form of indirect tax except of **GST** mentioned in the bidding document shall be ignored.

**37.2** Bidders are required to submit copy of the GST Registration Certificate while submitting the bids wherever **GST** (CGST & SGST/UTGST or IGST) is applicable.

**37.3** “**GST**” shall mean Goods and Services Tax charged on the supply of material(s) and services. The term “**GST**” shall be construed to include the Integrated Goods and Services Tax (hereinafter referred to as “IGST”) or Central Goods and Services Tax (hereinafter referred to as “CGST”) or State Goods and Services Tax (hereinafter referred to as “SGST”) or Union Territory Goods and Services Tax (hereinafter referred to as “UTGST”) depending upon the import/interstate or intrastate supplies, as the case may be. It shall also mean GST compensation Cess, if applicable.

**37.4** Quoted price/rate(s) should be inclusive of all taxes and duties, except **GST (i.e. IGST or CGST and SGST/UTGST applicable in case of interstate supply or intra state supply respectively and cess on GST if applicable) on the final service**. However, GST rate (including cess) to be provided in the respective places in the Price Bid. Please note that the responsibility of payment of GST (CGST & SGST or IGST or UTGST) lies with the Supplier of Goods/Services (Service Provider) only. Supplier of Goods/Services (Service Provider) providing taxable service shall issue an Invoice/Bill, as the case may be as per rules/regulation of **GST**. Further, returns and details required to be filled under GST laws & rules should be timely filed by Supplier of Goods/Services (Service Provider) with requisite details.

**37.4.1** Bidder should also mention the **Harmonized System of Nomenclature** (HSN) and **Service Accounting Codes (SAC)** at the designated place in SOR.

#### **37.5 Where the OIL is entitled to avail the input tax credit of GST:**

**37.5.1** OIL will reimburse the **GST** to the Supplier of Goods/Services (Service Provider) at actuals against submission of Invoices as per format specified in rules/regulation of GST to enable OIL to claim input tax credit of **GST** paid. In case of any variation in the executed quantities, the amount on which the **GST** is applicable shall be modified in same

proportion. Returns and details required to be filled under GST laws & rules should be timely filed by supplier with requisite details.

**37.5.2** The input tax credit of **GST** quoted shall be considered for evaluation of bids, as per evaluation criteria of tender document.

**37.6 Where the OIL is not entitled to avail/take the full Input Tax Credit of GST:**

**37.6.1** OIL will reimburse **GST** to the Supplier of Goods/Services (Service Provider) at actuals against submission of Invoices as per format specified in rules/regulation of **GST** subject to the ceiling amount of **GST** as quoted by the bidder. In case of any variation in the executed quantities (If directed and/or certified by the In-Charge) the ceiling amount on which **GST** is applicable will be modified on pro-rata basis.

**37.6.2** The bids will be evaluated based on total price including **GST**.

**37.7** Payments to Service Provider for claiming **GST** amount will be made provided the above formalities are fulfilled. Further, OIL may seek copies of challan and certificate from Chartered Accountant for deposit of **GST** collected from OIL.

**37.8** Contractor/vendor shall be required to issue tax invoice in accordance with GST Act and/or Rules so that input credit can be availed by OIL. In the event that the contractor/vendor fails to provide the invoice in the form and manner prescribed under the GST Act read with GST Invoicing Rules thereunder, OIL shall not be liable to make any payment on account of **GST** against such invoice.

**37.9** **GST** shall be paid against receipt of tax invoice and proof of payment of **GST** to government. In case of non-receipt of tax invoice or non-payment of **GST** by the contractor/vendor, OIL shall withhold the payment of **GST**.

**37.10** **GST** payable under reverse charge mechanism for specified services or goods under GST act or rules, if any, shall not be paid to the contractor/vendor but will be directly deposited to the government by OIL.

**37.11** Where OIL has the obligation to discharge **GST** liability under reverse charge mechanism and OIL has paid or is/liable to pay **GST** to the Government on which interest or penalties becomes payable as per GST laws for any reason which is not attributable to OIL or ITC with respect to such payments is not available to OIL for any reason which is not attributable to OIL, then OIL shall be entitled to deduct/setoff/recover such amounts against any amounts paid or payable by OIL to Contractor/Supplier.

**37.12** Notwithstanding anything contained anywhere in the Agreement, in the event that the input tax credit of the **GST** charged by the Contractor/Vendor is denied by the tax authorities to OIL for reasons attributable to Contractor/Vendor, OIL shall be entitled to recover such amount from the Contractor/Vendor by way of adjustment from the next invoice. In addition to the amount of **GST**, OIL shall also be entitled to recover interest at the rate prescribed under GST Act and penalty, in case any penalty is imposed by the tax authorities on OIL.

**37.13** TDS under GST, if applicable, shall be deducted from contractor's/vendor's bill at applicable rate and a certificate as per rules for tax so deducted shall be provided to the contractor/vendor.

**37.14** The Contractor will be under obligation for charging correct rate of tax as prescribed under the respective tax laws. Further the Contractor shall avail and pass on benefits of all exemptions/concessions available under tax laws. Any error of interpretation of applicability of taxes/duties by the contractor shall be to contractor's account.

**37.15** It is the responsibility of the bidder to quote the correct GST rate. The classification of goods/services as per GST (Goods & Service Tax) Act should be correctly done by the contractor to ensure that input tax credit on GST (Goods & Service Tax) is not lost to the OIL on account of any error on the part of the contractor.

**37.16** In case, the quoted information related to various taxes, duties & levies subsequently proves wrong, incorrect or misleading, OIL will have no liability to reimburse the difference in the duty/tax, if the finally assessed amount is on the higher side and OIL will have to right to recover the difference ~~and~~ in case the rate of duty/taxes finally assessed is on the lower side.

**37.17** Notwithstanding anything mentioned elsewhere in the Bidding Document the aggregate liability of OIL towards Payment of GST shall be limited to the volume of GST declared by the bidder in its bid & nothing shall be payable extra except for the statutory variation in GST.

**37.18** Further, it is the responsibility of the bidders to make all possible efforts to make their accounting/IT system GST compliant in order to ensure availability of Input Tax Credit (ITC) to Oil India Ltd.

**37.19** GST liability, if any on account of supply of free samples against any tender shall be to bidder's account.

**37.20** In case of statutory variation in **GST**, other than due to change in turnover, payable on the contract value during contract period, the Supplier of Goods/Services (Service Provider) shall submit a copy of the 'Government Notification' to substantiate the rate as applicable on the Bid due date and on the date of revision.

Beyond the contract period, in case OIL is not entitled for input tax credit of **GST**, then any increase in the rate of **GST** beyond the contractual delivery period shall be to Service provider's account whereas any decrease in the rate **GST** shall be passed on to the OIL.

Beyond the contract period, in case OIL is entitled for input tax credit of **GST**, then statutory variation in applicable **GST** on supply and on incidental services, shall be to OIL's account.

Claim for payment of **GST**/Statutory variation, should be raised within two [02] months from the date of issue of 'Government Notification' for payment of differential (in %) **GST**, otherwise claim in respect of above shall not be entertained for payment of arrears.

The base date for the purpose of applying statutory variation shall be the Bid Opening Date.

**37.21** The contractor will be liable to ensure to have registered with the respective tax authorities, wherever applicable and to submit self-attested copy of such registration certificate(s) and the Contractor will be responsible for procurement of material in its own registration (GSTIN) and also to issue its own Road Permit/E-way Bill, if applicable etc.

**37.22** In case the bidder is covered under Composition Scheme under GST laws, then bidder should quote the price inclusive of the GST (CGST & SGST/UTGST or IGST). Further, such bidder should mention "Cover under composition system" in column for GST (CGST & SGST/UTGST or IGST) of price schedule.

**37.23** OIL will prefer to deal with registered supplier of goods/services under GST. Therefore, bidders are requested to get themselves registered under GST, if not registered yet. However, in case any unregistered bidder is submitting their bid, their prices will be loaded with applicable GST while evaluation of bid. Where OIL is entitled for input credit of GST, the same will be considered for evaluation of bid as per evaluation methodology of tender document.

**37.24** Procurement of Specific Goods: Earlier, there is no tax incidence in case of import of specified goods (i.e. the goods covered under List-34 of Customs Notification no. 12/2012-Cus dated. 17.03.2012 as amended). Customs duty is not payable as per the policy. However, under GST regime, IGST Plus GST compensation cess (if applicable) would be liveable on such imports. Bidders should quote GST as inclusive considering IGST component for the imported Materials portion while quoting their prices on destination basis. However, GST rate to be specified in the price bid format.

**37.25 Documentation requirement for GST:**

The vendor will be under the obligation for invoicing correct tax rate of tax/duties as prescribed under the GST law to OIL, and pass on the benefits, if any, after availing input tax credit.

Any invoice issued shall contain the following particulars:

- a) Name, address and GSTIN of the supplier;
- b) Serial number of the invoice;
- c) Date of issue;
- d) Name, address and GSTIN or UIN, if registered of the recipient;  
Note: OIL GSTIN numbers are as follows:  
Assam :18AAACO2352C1ZW  
Arunachal Pradesh :12AAACO2352C1Z8
- e) Name and address of the recipient and the address of the delivery, along with the State and its code,
- f) HSN code of goods or Accounting Code of services[SAC];
- g) Description of goods or services;
- h) Quantity in case of goods and unit or Unique Quantity Code thereof;
- i) Total value of supply of goods or services or both;
- j) Taxable value of supply of goods or services or both taking into discount or abatement if any;
- k) Rate of tax (IGST, CGST, SGST/UTGST, cess);
- l) Amount of tax charged in respect of taxable goods or services (IGST, CGST, SGST/UTGST, cess);
- m) Place of supply along with the name of State, in case of supply in the course of interstate trade or commerce;
- n) Address of the delivery where the same is different from the place of supply and
- o) Signature or digital signature of the supplier or his authorized representative.  
GST invoice shall be prepared in triplicate, in case of supply of goods, in the following manner

- a) The original copy being marked as ORIGINAL FOR RECIPIENT;
- b) The duplicate copy being marked as DUPLICATE FOR TRANSPORTER and
- c) The triplicate copy being marked as TRIPLICATE FOR SUPPLIER.

In case of any advance given against any supplies contract, the supplier of the goods shall issue Receipt Voucher containing the details of details of advance taken along with particulars as mentioned in clause no. (a), (b), (c), (d), (g), (k), (l), (m) & (o) above.

**37.26 ANTI-PROFITEERING CLAUSE:**

As per Clause 171 of GST Act it is mandatory to pass on the benefit due to reduction in rate of tax or from input tax credit to the consumer by way of commensurate reduction in prices. The Supplier of Goods/Services may note the above and quote their prices accordingly.

**37.26.1** In case the GST rating of vendor on the GST portal/Govt. official website is negative/black listed, then the bids may be rejected by OIL. Further, in case rating of bidder is negative/black listed after award of work for supply of goods/services, then OIL shall not be obligated or liable to pay or reimburse GST to such vendor and shall also be entitled to deduct/recover such GST along with all penalties/interest, if any, incurred by OIL.

**38.0 WITHHOLDING:**

Company may withhold or nullify the whole or any part of the amount due to Contractor, after informing the Contractor of the reasons in writing, on account of subsequently discovered evidence in order to protect Company from loss on account of:

- a) For non-completion of jobs.
- b) Contractor's indebtedness arising out of execution of this Contract.
- c) Defective work not remedied by Contractor.
- d) Claims by sub-Contractor of Contractor or others filed or on the basis of reasonable evidence indicating probable filing of such claims against Contractor.
- e) Failure of Contractor to pay or provide for the payment of salaries/wages, contributions, unemployment compensation, taxes or enforced savings with-held from wages etc.
- f) Failure of Contractor to pay the cost of removal of unnecessary debris, materials, tools, or machinery.
- g) Damage to another Contractor of Company.
- h) All claims against Contractor for damages and injuries, and/or for non-payment of bills etc.
- i) Any failure by Contractor to fully reimburse Company under any of the indemnification provisions of this Contract. If, during the progress of the work Contractor shall allow any indebtedness to accrue for which Company, under any circumstances in the opinion of Company may be primarily or contingently liable or ultimately responsible and Contractor shall, within five days after demand is made by Company, fail to pay and discharge such indebtedness, then Company may during the period for which such indebtedness shall remain unpaid, with-hold from the amounts due to Contractor, a sum equal to the amount of such unpaid indebtedness.

Withholding will also be effected on account of the following:

- i) Order issued by a Court of Law in India.
  - ii) Income-tax deductible at source according to law prevalent from time to time in the country.
  - iii) Any obligation of Contractor which by any law prevalent from time to time to be discharged by Company in the event of Contractor's failure to adhere to such laws.
  - iv) Any payment due from Contractor in respect of unauthorized imports.
- When all the above grounds for withholding payments shall be removed, payment shall thereafter be made for amounts so with-hold.

Notwithstanding the foregoing, the right of Company to withhold shall be limited to damages, claims and failure on the part of Contractor, which is directly/indirectly related to some negligent act or omission on the part of Contractor.

**39.0** In case any part of the work is sub-contracted to a Micro or Small Enterprise as per contract conditions than the contractor shall provide complete details (i.e. name of the subcontractor, value of sub-contacted work, copy of valid registration certificate etc.) of the sub-contractor to OIL.

**40.0 PERFORMANCE SECURITY:** The Contractor has furnished to Company a Demand Draft/Bank Guarantee No. \_\_\_\_\_ dated \_\_\_\_\_ issued by \_\_\_\_\_ for \_\_\_\_\_ (being 10% of annualized contract value) with validity of 03 (Three) months beyond the contract period. The performance security shall be payable to Company as compensation for any loss resulting from Contractor's failure to fulfill their obligations under the Contract. If the performance security is submitted in the form of bank guarantee then in the event of extension of the Contract period, the validity of the bank guarantee shall be suitably extended by the Contractor. The bank guarantee will be discharged by Company not later than 30 days following its expiry.

70	Re-Mobilization Charge for personnel and crane	LSM (Lumpsum)	4
<b>1. Tenure of Agreement: 04 (Four) years</b>			
<b>2. Mobilisation Period: 45 (Forty Five) days from the date of issue of LOA</b>			

**Notes:**

The bidders must quote their rates as per Price Schedule in their priced bids considering the following and payment against the contract shall be made accordingly:

**1.0 Mobilization Charges for Personnel and Crane (Lumpsum - one time):**

The mobilization charges shall be applicable after mobilization of contractor's personnel and crane at designated site as stated in Clause 2.2 of Special Conditions of Contract and ready to start rig operation, duly certified by the Company's representative.

Note: Mobilization Charge shall not exceed 1.5% of the total contract price for 04 years. However, mobilization charges if quoted in excess of 1.5% of the estimated contract cost, the excess amount shall be paid at the end of the contract.

**2.0 De-Mobilization Charges (Lumpsum - one time):** The demobilization charges shall be applicable after demobilization of contractor's personnel and crane, duly certified by the Company's representative at completion of contract period.

**3.0 Rate for Crew for Rig Operation Day:** Day rate charges shall be applicable once mobilization under the contract is complete in all aspect as certified by Company. Day rate charges for personnel during operation shall apply upon commencement of drilling operation i.e. after spudding in of well till declaration of rig-down/rig-release after completion of Drilling operation in present location.

Day rate shall not be applicable during the period of ILM, i.e., from the date of rig-release till spudding-in of the next location.

**4.0 Inter Location Movement (ILM) Rate:**

4.1 Depending on the distance between the locations, separate rates will be applicable as mentioned below:

- a. Fixed Charge (Lumpsum) per rig move up to 30 KM (ILM1)
- b. Kilometerage charges for rig movement in excess of 30 KM. This will be in addition to Lumpsum rate for ILM up to 30 Km as mentioned in 'a' above (ILM)

4.2 Interlocation movement operation will start from the moment the Company releases the drilling unit for rig-down at previous location, all the materials including the additional and optional items of Rig Package except Rig Carrier & Mast are to be transferred by Contractor with his own fleet and personnel after rig-down and rig-up at the next location is completed and the well is spudded. Rig carrier and Mast are to be transferred by Company. Before spudding-in, the Contractor shall complete all jobs, including, but not limited to, rig-up of service lines, block, hook, etc, drilling and setting scabbards of mouse & rat hole, compliance/rectification to meet safety norms and any other job normally done prior to spudding-in. The inter-location movement of Rig package should be completed within the period as specified in clause 5.4.1 under 'Scope of Work' of the contract.

4.3 The Inter location movement operation will include the clearing of the drilling location off all materials, rig parts and made free from all pollutants.

4.4 No other rate hereof will be payable when Interlocation move rate is applicable. In case of suspension of ILM due to any reason mentioned under Clause 6.0, NODR (Non-Operating Day Rate) will be payable during the suspension period of ILM.

4.5 The time for ILM suspended due to the reasons mentioned under Clause 6.0 shall be extended by the period from which ILM suspension ends.

4.6 ILM charge shall be payable only after completion of all activities described under ILM operation. Zero ILM rate shall be payable if ILM activities are partially completed.

**5.0 Operating Day Rate for Crane:**

5.1 Operating day rate for the crane shall be payable from the date and time of completion of mobilization of the crane till Rig release from that location. No any payment including day rate shall be payable for the crane during ILM period. After completion of ILM, i.e. from the time of spudding in of forward location, Operating Day Rate for crane shall be applicable again.

5.2 Zero rate of the crane shall be payable for shut down period of the crane as certified by Company. If rig operation remains shut down due to non-availability of the crane, zero rate shall be payable for the day rate of crew (man-power) as well as for crane. If Company decides to continue operation without the service of Contractor's crane, 80% of day rate for crew shall be payable. However, no payment shall be made during shut down period for the crane.

**6.0 Non-Operating Day Rate (NODR) during ILM shall be applicable at the rate of 75% of ODR Rate under following conditions:**

- Interruption in ILM due to non-readiness of forward location.
- ILM is interrupted due to adverse condition of approach road, plinth or concrete foundation.
- Waiting on company's equipment/material to continue rig-up.
- Outfit is under major break-down and being repaired at Company's facility for which rig up is delayed
- Waiting on order from OIL.
- For all time during which the Company at its option may suspend operations.
- Company decides to replace old equipment and commission new equipment.
- Rig package ready for ILM but Contractor unable to carry out the ILM for any reason not attributable to the Contractor.
- Delay of ILM due to attributable to OIL.

The time of reckoning shall be rounded to hours and total working hours per day for ILM shall be considered as one day.

**7.0 Charges for Catering Services:** Contractor shall have to provide catering services to Company's personnel as and when required on chargeable basis. Payment against the catering services shall be made at the rate of Rs. 400.00 (Rupees Four Hundred only) per person per day with following details:

- i. Breakfast : Rs. 60.00 per day per person.
- ii. Lunch : Rs. 150.00 per day per person.
- iii. Evening tea/snacks : Rs. 40.00 per day per person.
- iv. Dinner : Rs. 150.00 per day per person.

Following minimum items shall have to be included in the catering services:

(i) Qualification & relevant experience:

a) Diploma in Mech / Automobile Engg from any Recognized Institutions with minimum 2 Years related oil field experience including 01 year as assistant mechanic ICE.

OR

b) ITI (01-year duration) in Diesel Mechanic/Fitter/Motor Mechanic trade from any State Gov. ITI or other Recognized Institutions with minimum 3 Years related oil field experience including 01 year as assistant mechanic ICE.

OR

c) Class 10+2 pass or equivalent with minimum 5 Years related oil field experience including 01 year as assistant mechanic ICE.

(ii) Work Knowledge: Should have sufficient knowledge of operation/repair/maintenance of rig and its components such as engines, air compressor etc.

F. Asst. Mechanic ICE:

(i) Qualification & relevant experience:

a) Diploma in Mech / Automobile Engg from any Recognized Institutions with Minimum 1 Year related oil field experience.

OR

b) ITI (01-year duration) in Diesel Mechanic/Fitter/Motor Mechanic trade from any State Gov. ITI or other Recognized Institutions with minimum 2 Years related oil field experience.

OR

c) Class 10+2 pass or equivalent with minimum 3 Years related oil field experience.

(ii) Work Knowledge: Should have sufficient knowledge of operation/repair/maintenance of rig and its components such as engines, air compressor etc.

G. Mechanic Pump:

(i) Qualification & relevant experience:

a) Diploma in Mech / Automobile Engg from any Recognized Institutions with minimum 2 Years related oil field experience including 01 year as assistant mechanic Pump.

OR

b) ITI (01-year duration) in Diesel Mechanic/Fitter/Motor Mechanic trade from any State Gov. ITI or other Recognized Institutions with minimum 3 Years related oil field experience including 01 year as assistant mechanic pump.

OR

c) Class 10+2 pass or equivalent with minimum 5 Years related oil field experience including 01 year as assistant mechanic pump.

(ii) Work Knowledge: Should have knowledge of operation/maintenance and servicing of centrifugal pumps, reciprocating pumps and solid control equipment's.

H. Asst. Mechanic Pump:

(i) Qualification & relevant experience

a) Diploma in Mech / Automobile Engg from any Recognized Institutions with minimum 1 Years related oil field experience.

OR

b) ITI (01-year duration) in Diesel Mechanic/Fitter/Motor Mechanic trade from any State Gov. ITI or other Recognized Institutions with minimum 2 Years related oil field experience.

OR

c) Class 10+2 pass or equivalent with minimum 3 Years related oil field experience.

(ii) Work Knowledge: Should have knowledge of operation/maintenance and servicing of centrifugal pumps, reciprocating pumps and solid control equipments

I. Electrical Supervisor:

a) B.E/ B.Tech in Electrical Engineering with 2 years of experience in Drilling/ Work over Rig. He must possess valid Electrical Supervisor's Certificate of Competency (Part I, II, III, IV & VIII) issued by State Electrical Licensing board.

OR

b) 3 Years Diploma Course in Electrical Discipline with 3 years relevant experience in Drilling/ Work over Rigs. He must possess valid Electrical Supervisor's Certificate of Competency (Part I, II, III, IV & VIII) issued by State Electrical Licensing board

OR

c) 2 years full time government recognized ITI (Electrician) course in electrical Trade with National Trade Certificate from any Govt recognized Institute with 5 years of Experience in Drilling / Work over Rigs. He must possess valid Electrical Supervisor's Certificate of Competency (Part I, II, III, IV & VIII) issued by State Electrical Licensing board

ii) The Electrical Supervisor shall have the experience of carrying out the jobs in his independent capacity in diesel Electrical Drilling or Work over Rigs. The Electrical Supervisor must conversant with the Generator Control system of Drilling Rigs like ROSSHILL, USA / HILLGRAHAM, UK etc.

iii) He should be capable of independently carrying out the fault finding analysis, fault rectification, operation and maintenance of all the electrical equipment such as Generators, Motors, Starters, FLP equipments, lighting circuits of Drilling or work over Rigs including Air Conditioners.

iv) He should be able to read Electrical circuits, communicate / detect and rectify faults.

v) He should have the knowledge on hazardous area classification and be guided by the statutory requirements and directives of DGMS, OISD, OMR-2017, IE Rules and BIS Standards etc. In Drilling / Work over mine.

vi) He should have knowledge of all the electrical equipment of AC SCR Drilling Rigs/ Work over Rigs (Alternators, DC Motors, Transformers, Air Circuit Breakers, different light fittings, Star/ Delta/ DOL Starters, Cable etc.) and use of all the electrical tools and instruments

J. Rig Electrician:

i) Qualification & relevant experience:

a) 3 years full time government recognized Diploma course in Electrical discipline from any institute recognized by Govt. of India. 3(Three) year's experience in the operation and maintenance of low/medium voltage electrical equipments such as Gen-sets, motors, starters, FLP equipments, lighting circuitries of a diesel electric drilling rig. The Rig Electrician should have the experience of carrying out the jobs in his independent capacity. He must possess valid electrical work man permit (part-I&II) issued/recognized by state Electrical Licensing Board.

OR

b) 2 years full time government recognized ITI (electrician) course from any institute recognized by Govt. of India. 6(Six) years" experience in the operation and maintenance of low/medium voltage electrical equipments such as Gen-sets, motors, starters, FLP equipments, lighting circuitries of a diesel electric drilling rig. The Rig Electrician should have the experience of carrying out the jobs in his independent capacity. He must possess valid electrical work man permit (part-I&II) issued/recognized by state Electrical Licensing Board.

(ii) Should have knowledge on use of tools and instrument such as multimeter, insulation tester, earth resistance tester, clip-on-meter etc.

(iii) Should have the knowledge and capable of working on DOL / Star-delta starters, earth leakage relay, circuit breakers, change over switch, FLP equipments, FLP double compression glanding, cable terminations etc.

(iv) Should be able to read electrical circuits, communicate/detect and rectify faults.

(v) Should have knowledge on hazardous area classification and be guided by the statutory requirements and directives of DGMS, OISD, OMR, IE rules, BIS standards etc. in drilling mines.

(vi) Should have the knowledge of training on Fire Fighting, Mines Vocational Training.

K. ASST. Rig Electrician:

i) Qualification & relevant experience:

a) 3 years full time government recognized Diploma course in Electrical discipline from any institute recognized by Govt. of India. 01(ONE) year's experience in the operation and maintenance of low/medium voltage electrical equipments such as Gen-sets, motors, starters, FLP equipments, lighting circuitries of a diesel electric drilling rig. The Asst. Rig Electrician should have the experience of carrying out the jobs in his independent capacity. He must possess valid electrical work man permit (part-I&II) issued/recognized by state Electrical Licensing Board.

OR

b) 2 years full time government recognized ITI (electrician) course from any institute recognized by Govt. of India. 02(TWO) years" experience in the operation and maintenance of low/medium voltage electrical equipments such as Gen-sets, motors, starters, FLP equipments, lighting circuitries of a diesel electric drilling rig. The Asst. Rig Electrician should have the experience of carrying out the jobs in his independent capacity. He must possess valid electrical work man permit (part-I&II) issued/recognized by state Electrical Licensing Board.

(ii) Should have knowledge on use of tools and instrument such as multimeter, insulation tester, earth resistance tester, clip-on-meter etc.

(iii) Should have the knowledge and capable of working on DOL / Star-delta starters, earth leakage relay, circuit breakers, change over switch, FLP equipments, FLP double compression glanding, cable terminations etc.

(iv) Should be able to read electrical circuits, communicate/detect and rectify faults.

(v) Should have knowledge on hazardous area classification and be guided by the statutory requirements and directives of DGMS, OISD, OMR, IE rules, BIS standards etc. in drilling mines.

(vi) Should have the knowledge of training on Fire Fighting, Mines Vocational Training.

L. Welder:

(i) Qualification & relevant experience:

(a) Certificate of welding trade from any recognized institute of state (one-year course)

ii. Should have minimum 2 years experience in working in drilling wells as a welder and must be conversant of wellhead & accessories

M. Mud Attendant:

(i) Qualification and experience

(a) B.SC Chemistry with minimum 2 Year related Oil Field Exp (Mud Handling)

- (b) 10+2 ( Science) Pass with minimum 4 Year related Oil Field Exp (Mud Handling)
- (ii) Experience of handling various kinds of mud in Drilling/Workover wells and other related activities.

N. HSE cum Liaison Officer:

- (i) Qualification & relevant experience:
- a) Should be a graduate in science/ Diploma in fire safety / fire Engineering.  
OR
- b) Should have experience of working as HSE officer at least for 1(one) year in any E&P company or service provider to E&P companies.
- (ii) Health, Safety & Environment experience includes implementation of HSE policies, Work Site Inspection & hazard Identification, Training of employees, Task risk Assessments, Permit To Work systems, pre job safety meeting, Accident, incident and Near Miss Investigation & analysis, Report making & Record Keeping, Selection of PPEs suitable for work activity & work environment, Work site Inspections & Audits, and Emergency Response Planning & Loss Control programs, taking precaution for pollution control and environmental management. Should have knowledge on ISO, ISRS etc.
- (iii) Should be conversant with various sequence of operation in drilling rig.
- (iv) Should have fair idea of Mines Act'1952 & OMR. 1952 & OMR. 2017 and all other Rules (Mines Rule, 1955, MVTR1966) Regulation (OMR1984) circulars and notification hereunder or any revision of these time to time.
- (v) Should have fair idea of use of PPE and other safety/pollution rules & measures pertaining to drilling operation.
- (vi) Should have fair idea of Environment Act'1986 and all other Rules, Regulation, circulars and notification hereunder or any revision of these time to time.

Note:

- The experiences & qualifications are not exhaustive; however company may reject or accept a person without assigning any reason.
- Emphasis for selection shall be on the job performance & output. At Company's own discretion, may accept a person relatively under qualified & less experience based on his performance and output.
- If any vacancy arises during running of the contract, at Company's own discretion, contractor can fill up the vacancy by promoting the one step lower rank person .

**4.0 JOB DESCRIPTION:**

4.1 Tool Pusher/Tour Pusher/Night Tool Pusher: Tool Pusher must possess leadership quality to motivate the team for excellent performance and output and responsible for 24 hours operation of the rig. He shall be the co-coordinators of contractor at well site, for acquiring consumables and spares as required for the rig, well in time, to avoid down time. He shall be the competent person from drilling to handle independently any down hole and well control problem and shall be responsible for maintenance and repair all the equipment related to the rig. All break down, well killing, down hole problems, critical operation and routine maintenance work shall be carried out under his direct supervision at the well site. Critical operations shall be identified by Company representative. He shall endorse DPRs to ensure proper time break up and correct entry of all the jobs carried out during the tour and shall hand over to Company representative in the preceding day.

He shall receive instruction from Company representative daily/shift basis and execute operation as per instruction and well policy or GTO.

He shall make schematic drawing layout of rig in consultation with Company representative for placement of rig equipment and accessories to avoid double shifting during ILM and plan schedule of transfer and placement for speedy and effective ILM. Safety of man and equipment also shall be his responsibility also ensure compliance of all safety rules/regulation in rig and maintain record keeping/documentation in this regard as instructed by company representative. He shall not allow any body at well site to work without proper PPE.

He [shall have valid IWCF (Supervisory Level) certificate] must be able to detect/control well kick at right time and confident to kill the well independently.

To ensure use of proper personal protective equipment by workmen while at work shall be his responsibility.

4.2 Driller: Driller shall be responsible for operation of the shift. Shall operate brake and handle Drawworks/pumps etc. during drilling/ round trips/lowering casings in and during any critical well operation where better control is required. Rig up/rig down of mast shall be carried out by him in presence of Tool pusher. He shall keep abreast himself with each and every operation happening around derrick floor and within the well site for issuing cold and hot work permit. He shall communicate regularly the happening at well site to Tool pusher and Company representative as instructed. He shall ensure periodic function test of BOP and detect early indication of well kick and take appropriate actions immediately to contain impending blow out. He shall carry out BOP drill/Tool box meeting regularly and Job safety analysis before start of any critical operation and proper record be maintained. DPR shall be written indicating time break up for each operation and regularly be sent to company through Tool pusher. Detailed tally of tubular and dimensional sketch of tools lowered in hole shall be done by him without fail. He shall receive instruction from Company representative daily/shift basis and ensure operation as per order and well policy or GTO. He shall identify all the size of tubular and API connections.

He [shall have valid IWCF (Driller Level) certificate] must be able to detect/control well kick at right time and confident to kill the well independently.

All down hole and surface problem in drilling operation shall be promptly detected and remedial measure be taken immediately as per best drilling practices.

The preventive maintenance of drilling equipment and other accessories of the rig shall be carried out as per check list provided by Company representative.

During ILM he shall carry out dismantling of all the equipments with other crew member as per procedure and it is necessary to place equipment of rig at specific place precisely during rig up, the rig lay out drawing shall be understood properly and placement be done without double handling.

Preserving clean/tidy environment of well site with better house keeping shall be driller's responsibility. Use of proper personal protective equipment while at work shall be mandatory for him.

He shall ensure that person working in the rig use proper personal protective equipment and debar those who disobey the rules.

4.3 HSE Officer: Shall be solely responsible for all the safety related matters of the rig such as issue of PPE to all the personnel working in the rig and ensure make use of same by each and every body. He shall visit well site regularly to supervise and ensure compliance all safety regulation and rules.

Use of proper personal protective equipment while at work shall be mandatory for him. Consumption of alcoholic beverage at work place or working in inebriate condition and unruly behaviour with co-worker shall be strictly avoided.

Duties & responsibilities include safety during drilling site preparation, rig up, rig down & rig move, raising & lowering mast, rig floor operations like making & lowering BHA, cementing job, tripping in /tripping out tubular, safety meeting during crew change, pre job safety meetings, routine inspections & drilling /workover rig inspections, preparation of job specific SOP in local language, ERP (Emergency Response Plan), Risk Register, preparation of Job Safety Analysis, Permit to Work systems, investigation & analysis of accidents, incidents & near miss. To follow all DGMS, OISD & MoEF guidelines and submit return at specified intervals.

Responsible for designating "Safe Briefing Area" and advising all personnel of the "current" safe briefing area.

Responsible for issuing safety equipment to all personnel arriving at rig and ascertain that all personnel use and maintain these equipment properly

Responsible for designating location entrance and exit.

4.4 Assistant Driller: Assistant Driller shall operate brake and handle Drawworks/pumps etc. for any operation of the rig as instructed by Driller. If the Driller is not in derrick floor and any abnormality in down hole or surface is noticed while operating

brake, he must bring the same to notice of Driller immediately or may take remedial measure as deem fit without causing damage to hole and equipment. He shall ensure rig pumps are lined up correctly before start of drilling and all solid control equipment are in working condition including repair/ maintenance of same. Shall check physically pump strokes and pressure regularly and record shall be maintained to detect wash out/plug nozzle etc. He may work in double board occasionally if necessary to relief assigned Top Man. He shall identify all the size of tubular and API connections. Use of proper personal protective equipment while at work shall be mandatory for him and must possess valid MVT certificate and knowledge of fire fighting at well site.

4.5 Top Man: Top Man shall work mainly in Thribble/double board of the rig for latching/unlatching elevator and racking of tubular during round trips and any other works need to be carried out at any height of the mast. He shall alert Driller for any imperfection noticed on mast for which he shall physically check the mast and crown every day. Greasing of crown and function test of top man escape device shall be his responsibility. Racking of tubular properly on the rack with the help of crane including cleaning/measuring/flushing with water and rejecting damaged joints shall be his responsibility. Rigging up of BOP/wellhead and tightening of same shall be done by him with the help of other crew. He shall be responsible to work at any height of the mast due to repair /inspection or regular work.

Use of proper personal protective equipment while at work shall be mandatory for him and must possess valid MVT certificate knowledge of fire fighting at well site.

4.6 Rig Man: Rig Man shall work mainly on derrick floor to help Driller/ Assistant driller during round trip and drilling by handling rig tongs and slip. Operation of winch and cathead for spinning and lifting equipment shall be his responsibility. Cleaning up derrick floor/ Drawworks and any associated equipment of the rig shall be carried by Rig Man.

Use of proper personal protective equipment while at work shall be mandatory for him and must possess valid MVT certificate knowledge of fire fighting at well site.

4.7 Rig Electrician: Rig Electricians shall have to carryout shift duty (in 12 hrs shift) and shall have to attend and rectify electrical faults. He is responsible for proper house keeping of generator house, electrical ghoomties and PCRs etc. Rig electrician is responsible to check Abnormal heating of plugs/sockets/terminal box/junction box / MCC components etc., Abnormal vibration, overheating, and bearing noise of all rotating electrical machines, connection, testing & commissioning of new electrical equipments / additional electrical gadgets. During rig up time, he is responsible for erection of electric poles for fixing up of light fittings and to support overhead cables, burying of electrodes for earthing of PCRs, gen-sets, ghoomties, motors, light fittings, shades, mast etc., insulation resistance testing all the electrical equipments (e.g. Generators, Motors, Cables, transformers etc.) & recording, earth resistance testing & recording, insulation testing of all cables, motors, generators etc., powering up of DCPCR & ACPCR, commissioning of all the Electrical equipments including EC brake, installation & commissioning of new / additional electrical equipments / gadgets. During rig down time he is responsible disconnection of generators, motors, light fittings, dismantling of electrodes, electric poles, cables, earthing system etc., box up of

cables, electrodes, small motors, light fittings etc. for safe transfer to the next location etc.

Use of proper personal protective equipment while at work shall be mandatory for him and must possess valid MVT certificate knowledge of fire fighting at well site..

4.8 Mechanic (ICE): Mechanic (ICE) shall be responsible for operation, preventive maintenance and repair of all engines connected to rig including Air Compressors, Mud Agitators, Welding Machine, Fire Pump etc. as per instruction of Company representative (Drilling #TS). Preventive maintenance shall be carried out as per check list provide by Company representative (Drilling #TS) and proper record shall be maintained. In addition to the above jobs, he will have to carryout minor maintenance jobs of Draw-works, EC Brake, BOP Control Unit, Solid Control equipment, Power Tong unit, Kill Pump etc. The incumbent should be conversant with Safe Operating Procedures and oilfield related Safety & Environmental practices.

He shall maintain record of running hours for periodic maintenance of engines and log sheets for engine performance monitoring. Use of proper personal protective equipment while at work shall be mandatory for him and must posses valid MVT certificate knowledge of fire fighting at well site.

4.9 Assistant Mechanic (ICE): Assistant Mechanic (ICE) shall always be in touch with the Mechanic (ICE) and perform his day to day activities as assigned by Mechanic(ICE). Assistant Mechanic (ICE) shall be responsible for smooth operation of all the engines at well sites including Rig engines without any shut downs.

4.10 Mechanic (Pump): Mechanic (Pump) shall be responsible for operation, maintenance and repair of all the reciprocating and centrifugal pumps connected to the rig including all the solid control equipment. Preventive maintenance shall be carried out as per check list provide by Company representative (Drilling #TS) and proper record shall be maintained. He shall also be responsible for O&M of Pulsation Dampener, Safety relief Valves, various HP/LP valves, pipe & fittings, etc. In addition to the above jobs, he will have to carry out minor maintenance jobs of Solid Control equipment, Choke Manifolds, BOP Control Unit etc. The incumbent should be conversant with Safe Operating Procedures and oilfield related Safety & Environmental practices.

He shall maintain record of running hours for periodic maintenance of pumps and log sheets for pump performance monitoring. Use of proper personal protective equipment while at work shall be mandatory for him and must posses valid MVT certificate knowledge of fire fighting at well site.

4.11 Assistant Mechanic (Pump): Assistant Mechanic (Pump) shall always be in touch with the Mechanic (Pump) and perform his day to day activities as assigned by Mechanic(Pump). Assistant Mechanic (Pump) shall be responsible for smooth operation of all the pumps at well sites including Rig pumps without any shut downs.

4.12 Mud Attendant:

I. To maintain mud parameters as per detailed mud policy.

- II. To test all required mud parameters as specified at least once per shift.
- III. To monitor at hourly interval the important parameters of drilling fluid viz density, M/T viscosity, and temperature of both in going and out coming mud keep records.
- IV. To measure important parameters of Reserves mud viz density, M/F viscosity twice in the shift.
- V. To monitor and ensure chemical treatment required for proper maintenance of mud parameters.
- VI. To monitor critically mud loss and / or mud gain, indication of gas cut many other unusual changes in the mud system during drilling / circulation and to corrective measures in consultation with Contractor's supervisor.
- VII. To maintain all adequate stock of mud volume (circulating + reserve) as required.
- VIII. To monitor and record hole fill up volume and displacement volume of drilling fluid during round trips and during running in of drilling string / casing.
- IX. To monitor and keep records of stock and consumption of mud/mud chemicals and indicate the requirements to their supervisor well in advance (2-3 days in advance) so that supervisor can inform the Company representative.
- X. To take circulation test and to calculate hydraulics during drilling operation and to report their supervisor to forward the same to Chief Chemist /Company's representative.
- XI. In case of stuck pipe, to prepare and spot spotting fluid/OBM etc. as required. In case of loss circulation to prepare and spot LCM pill etc. as required.
- XII. To prepare pre flush formulations and gauging water for well cementation as required.
- XIII. To measure and record cement slurry weight and viscosity during cementation.
- XIV. To carry out any other mud/cement related jobs as required.
- XV. To prepare a shift report.

4.13 Welder: Welder shall carryout all the routine welding jobs arising out of well operation as well as for break down of any equipment as per instruction of Driller or his deputy. He must be capable of welding well head and accessories which requires job specific experience and practice. The welding jobs carried out by him shall be of better quality to withstand high pressure. It shall be necessary for him to work up in the mast sometime for repair work. Use of proper personal protective equipment while at work shall be mandatory for him and must possess valid MVT certificate including trade certificate knowledge of fire fighting at well site.

**4.14 Electrical Supervisor:**

- I. Electrical Supervisor shall be responsible for supervising all the electrical works related to operation and maintenance of the Rig. He is responsible for all electrical jobs to be carried out during rig up, work over operation, and Rig down and supervise all electrical jobs carried out by Rig Electrician.
- II. He shall look for healthiness of all the Electrical Equipments at site, carry out schedule maintenance jobs.
- III. He shall be responsible for measurement and record of Earth Resistance and Insulation Resistance of all Electrical Items.
- IV. He shall supervise Power up of ACPCR and carry out synchronisation of Generators during operation. He shall monitor the operation of the Generators and record operational parameter of Generators.
- V. He shall supervise installation & commissioning of new / additional electrical equipment / gadgets
- VI. He shall oversee the safety function of the Electrical jobs.
- VII. He shall prepare the Commissioning report of the Rig
- VIII. He shall carryout shift duty.
- IX. Routine maintenance & statutory duties, responsibilities: -
  - a. He shall have to carry out routine day to day maintenance and keeping of all maintenance records.
  - b. He shall have to test and record the ELCBs periodically.
  - c. He shall attend and carry out the fault finding analysis & fault rectification of all the electrical equipment such as Generators and Generator control panels, Motors, Starters, FLP equipments, lighting circuits of Drilling or work over Rigs including Air Conditioners during operation
  - d. Electrical Supervisor shall discharge the duties and responsibilities of a competent person (Electrical discipline) as specified by IE Rule, OMR, DGMS and OISD guide line. He shall be responsible for keeping Statutory Records up to date.
  - e. Use of Proper personal protective equipment while at work shall be mandatory for him and must possess valid MVT certificate and knowledge of fire fighting at well site.

Note: Electrical Supervisor shall have to carry out any additional jobs which may arise due to operational / maintenance necessities and have not been mentioned or specified in the contract. Use of proper personal protective equipment while at work shall be mandatory for him

4.15 Telephone Attendant cum Office Boy: Telephone Attendant cum Office Boy shall recognize each key personnel working in the rig by designation & name to call them from work to attend telephone. He shall have fair idea about various operation and terminology used in drilling to understand callers viewpoint while attending telephone call. He shall work as Office Boy in company's representative office during his visit to well site.

Use of proper personal protective equipment while at work shall be mandatory for him..

4.16 Other Unskilled personnel: Unskilled helper shall assist key personnel (Mud Attendant, Mechanic Pump/ICE, and Electrician) as per assignment fixed by Tool Pusher/Driller on day to day requirement basis. Generally, four numbers of helper shall be engaged per shift.

Use of proper personal protective equipment while at work shall be mandatory for him. Consumption of alcoholic beverage at work place or working in inebriate condition and unruly behaviour with co-worker shall be strictly avoided.

NOTE:

- i. The Contractor will not engage any employee of the company who has resigned from the service of the company for at least two years earlier from the date of such engagement except with the express approval of company Management (competent authority).
- ii. Consumption of alcoholic beverage at work place or working in inebriate condition and unruly behaviour with co-worker shall be strictly avoided .

**5.0 APPROVAL OF MANPOWER:** Prior approval of key personnel shall be obtained by contractor from company's representative before engaging at well site. The application for approval must be accompanied by proof of experience, qualification, recent photograph, & undertaking as per ANNEXURE-II

**6.0 CREW DEPLOYMENT PATTERN AND WORKING HOURS:** Contractor shall engage crew as per clause 3.1 A & B. The working hours for the rig operation shall be round the clock and in two 12-hourly shift. Necessary approval for 12 hours shift shall be obtained by contractor from DDMS before start of operation.

**7.0 DETAILS OF SERVICE TO BE PROVIDED BY CONTRACTOR:** Contractor shall be engaged for drilling shallow wells (around 1600 m) with medium/heavy duty Workover rig. The casing policy of such wells is generally 2 stage of casing sizes 9.5/8" and 5.1/2". However, 3 stage casing policy may also be used depending on well design.

Broad guidelines of job involvement on the part of contractor are given below:

- i. Drilling of hole of sizes ranging from 17½" OD to 4.5/8" OD.
- ii. Conventional coring operation as per policy.
- iii. Reaming/hole opening and hole probing.
- iv. Lowering of different sizes of casing from 13.3/8" OD to 4½" OD.
- v. Round tripping with any type of tubular and any downhole tools such as bit, fishing tool, Rotovert and packer etc.

- vi. Well head completion and testing of well head at various stage of drilling including hermetical testing.
- vii. Circulation of drilling and Workover fluid in hole.
- viii. Shall have to save drill cuttings and collect/rerecord gas readings as instructed by Company representative.
- ix. Facilitate/help company's cementing crew to carry out cementing job.
- x. Working on stuck pipe as per instruction of Company representative.
- xi. Cut and slip of casing line as per recommended drilling practice.
- xii. Preventive and break down maintenance of rig equipment and ancillaries at well site except major breakdown for which contractor personnel is not qualified, or cannot maintain or repair, with manpower and tools.
- xiii. To carry out fishing operation using various fishing tools.
- xiv. Breaking and laying down of tubular on completion of well.
- xv. Cleaning out cement /float collar/shoe and milling junk in hole.
- xvi. Facilitate/help company's crew to carry out productivity /injectivity test etc. Such tests and services may include, without limitations, electric logging, drill stem tests, perforation casing, acidizing, well activation operation by Coil Tubing and Nitrogen Pumping, fracturing and acid fracturing.
- xvii. To carry out isolation repair/casing patch job etc.
- xviii. To prepare drilling/ Workover fluid and maintain properties as per policy.
- xix. Shall have to check and start rig engines, rig pumps, kill pump and other ancillary pumps and engines and keep them in good operating condition.
- xx. Rig up/rig down mast including centering with respect to rotary table, assembling and disassembling of all rig equipment and ancillaries including piping and electrical connections work required during inter location movement (ILM).
- xxi. To hook up all surface connections related to production testing at well site including rigging up/testing of x-mass tree & its accessories under direct supervisor of Company representative (Production).
- xxii. Installation/connection/commissioning and dismantling of alternator, switch board, motors, light fittings with erection of poles for illumination of area and rig.
- xxiii. In the event of any fire or blowout, shall use all reasonable means at their disposal to protect the well /men/equipment and bring the fire or blow out under control.
- xxiv. Any other services pertaining to oilfield operation shall be carried out by contractor as per instruction of Company's representative.

**8.0 ASSOCIATED SERVICES:** Following associated services shall have to be performed by contractor under scope of work of the contract:

**8.1 Inter Location Movement (ILM):** Contractor shall have to complete Inter Location Movement (ILM) activities from one location to the forward location as advised by Company with Contractor's own fleet and man-power. Contract rate for ILM shall be payable with the following conditions:

- (i) ILM for a distance of 30 (thirty) km shall have to be completed within 12(twelve) days. For excess kilometerage, the time allowed shall be in proportions of 1 (one) day for each 30 km or part thereof.

- ii) The time for inter-location movement suspended by force majeure, shall be extended by the period for which the Force majeure conditions last. No day rate of crew will be payable for extended period due to force majeure conditions.
- (iii) No other rate shall be payable during ILM other than the ILM rate.
- (iv) The ILM charge shall be discounted by 5% of total cost for ILM for each day's delay beyond the stipulated days, payable for that particular rig movement.
- (v) Cranes, trailers truck etc. required for the ILM shall have to be arranged by contractor and charges of which are included in the ILM charge. However the crane deployed by the contractor for day to day rig operation, may be utilized during ILM.
- (vi) Safe handling of rig equipments during ILM shall be the responsibility of Contractor. Cost of damage of the rig equipments due to negligence of Contractor like mishandling, if established, shall be recovered from the contractor.
- (vii) During Inter-location Movement, any left out consumables including but not limited to, well head, casing, tubing or any kind of tubular, bits, chemicals, barytes, bentonite etc. should be collected, loaded, unloaded, stored, handled, transported between locations by the Contractor or as directed by OIL.
- (viii) ILM of Carrier and Mast of the rig package will be done by the Company (OIL) and Contractor shall provide all support including manpower during movement of Carrier and Mast .

8.2 Crane service: Contractor shall have to provide 1(one) no. of Diesel Hydraulic, Truck mounted, Telescoping Boom mobile crane of 40 Tonne minimum capacity at well site with operator and helper for day to day rig operations.

Mobilisation of the crane shall have to be done along with personnel within 45 (Forty Five) days from the date of issue of LOA. Payment for the crane shall be made as per contract rate with following conditions:

- (i) Operating day rate for the crane shall be payable from the date and time of completion of mobilization of the crane till Rig release. No any payment including day rate shall be payable for the crane during ILM.
- (ii) Zero rate of the crane shall be payable for shut down period of the crane as certified by Company. If rig operation remains shut down due to non-availability of the crane, zero rate shall be payable for the day rate of crew (man-power) as well as for crane. If Company decides to continue operation without the service of Contractor's crane, 80% of day rate for crew shall be payable. However, no payment shall be made during shut down period for the crane.

**9.0 EQUIPMENT & SERVICES TO BE FURNISHED BY THE COMPANY TO THE CONTRACTOR FOR EXECUTION OF THE CONTRACT:**

9.1 Tools & Equipment: The drilling rig, equipment, tools, materials, ancillaries & instrument and other services shall be provided by the Company at the location, the details of which are given below:

i) The drilling unit deployed by the Company hereunder shall be fully equipped and capable of drilling and completing the wells in the locations specified by the company. The drilling unit and all other equipment, materials to be provided by the Company will be under the terms of this Contract. The Contractor shall maintain the drilling unit, equipment and all the accessories supplied to them by the Company in a good operating condition. The drilling rig will be medium duty Workover Rig DM-5 or any other Workover Rig

The Drilling unit having Carrier & substructure, pumps, engines, tanks, solid control system and other ancillaries to make a complete rig package.

ii) Blowout preventer with other well control accessories and necessary fittings including shut-in valve.

iii) Choke and kill line with necessary manifolds.

iv) Fishing tools/milling tools as and when required.

v) Drilling string, drill collars, casing pipes, rotary substitute.

vi) Tubing, pup joints

vii) Casing line / sand line.

viii) Handling gears for different types & sizes of tubular; links, travelling block, hook, hydraulic power tubing tongs.

ix) Logging unit and tools at the time of logging.

x) Wireless/Telephone (OIL) between rig and the Company's office

xi) Adequate generator for rig and rig site. This will be fully equipped for electrification complete with lighting & fittings.

xii) Water pumps, water storage tanks and lines and necessary connections for supply of water at rig.

xiii) Mud storage tank, salt solution/storage tank with necessary lines and connection.

xiv) Necessary extra lines and fittings as may be required depending upon well sites.

xv) Company will provide well site office for both contractor's use and also OIL's representative.

xvi) The Contractor will be provided with mud testing equipment during the contractual period depending on operational requirement and it will be the sole responsibility of the Contractor to maintain those in working condition during the contractual period and return the same in working condition on completion of contract. Any damage to such equipment, replacement cost will be recovered from the Contractor.

xvii) Power tongs & hydraulic unit with accessories

xviii) Fire trailer with accessories.

9.2 Consumables: All the Consumables required to carry out drilling operation , shall be issued by Company. However, contractor shall maintain proper record of such items received from the company and shall return unused items to designated place as directed. Contractor shall give requisition for day to day requirement in the prescribed format. The requisition for materials should reach concerned office latest by 8:00 AM and materials should be collected as per instruction of Company representative from the designated place. FOR & ON BEHALF OF CONTRACTOR

**INTEGRITY PACT**

Between

Oil India Limited (OIL) hereinafter referred to as "The Principal"

And

(Name of the bidder).....hereinafter referred to as "The Bidder/Contractor"

**Preamble:**

The Principal intends to award, under laid down organizational procedures, contract/s for **Hiring of MMC service for drilling Water Disposal Wells (WDW) for a period of 04 (Four) years.** The Principal values full compliance with all relevant laws and regulations, and the principles of economic use of resources, and of fairness and transparency in its relations with its Bidder/s and Contractor/s.

In order to achieve these goals, the Principal cooperates with the renowned international Non-Governmental Organization "Transparency International" (TI). Following TI's national and international experience, the Principal will appoint an external independent Monitor who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

**Section: 1 - Commitments of the Principal**

**(1)** The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:

1. No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for him/herself or third person, any material or immaterial benefit which he/she is not legally entitled to.
2. The Principal will, during the tender process treat all Bidders with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidders the same information and will not provide to any Bidder confidential/additional information through which the Bidder could obtain an advantage in relation to the tender process or the contract execution.
3. The Principal will exclude from the process all known prejudiced persons.

**(2)** If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the relevant Anti-Corruption Laws of India, or if there be a Page 2 of 6 substantive suspicion in this regard, the Principal will inform its Vigilance Office and in addition can initiate disciplinary actions.

**Section: 2 - Commitments of the Bidder/Contractor**

**(1)** The Bidder/Contractor commits itself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.

1. The Bidder/Contractor will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or immaterial benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.

2. The Bidder/Contractor will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, Subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

3. The Bidder/Contractor will not commit any offence under the relevant Anticorruption Laws of India; further the Bidder/Contractor will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

4. The Bidder/Contractor will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.

**(2)** The Bidder/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

**(3)** The Bidder/Contractor signing Integrity Pact shall not approach the Courts while representing the matters to IEMs and he/she will await their decision in the matter.

### **Section 3 - Disqualification from tender process and exclusion from future Contracts**

If the Bidder, before contract award has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or credibility as Bidder into question, the Principal is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.

1. If the Bidder/Contractor has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is entitled also to exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressions within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.

2. The Bidder accepts and undertakes to respect and uphold the Principal's Absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.

3. If the Bidder/Contractor can prove that he has restored/recouped the Damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.

4. A transgression is considered to have occurred if in light of available evidence no reasonable doubt is possible.

5. Integrity Pact, in respect of a particular contract, shall be operative from the date Integrity Pact is signed by both the parties till the final completion of the contract **or as mentioned in Section 9 - Pact Duration whichever is later**. Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings

#### **Section 4 - Compensation for Damages**

1. If the Principal has disqualified the Bidder from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover from the Bidder liquidated damages equivalent to Earnest Money Deposit/Bid Security.
2. If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the principal shall be entitled to demand and recover from the Contractor liquidated damages equivalent to Security Deposit/Performance Bank Guarantee.
3. The bidder agrees and undertakes to pay the said amounts without protest or demur subject only to condition that if the Bidder/Contractor can prove and establish that the exclusion of the Bidder from the tender process or the termination of the contract after the contract award has caused no damage or less damage than the amount or the liquidated damages, the Bidder/Contractor shall compensate the Principal only to the extent of the damage in the amount proved.

#### **Section 5 - Previous transgression**

1. The Bidder declares that no previous transgression occurred in the last 3 years with any other Company in any country conforming to the TI approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.
2. If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

#### **Section: 6 - Equal treatment of all Bidders/Contractor/Subcontractors**

1. The Principal will enter into Pacts on identical terms with all bidders and contractors.

2. The Bidder/Contractor undertake(s) to procure from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the provisions laid down in this agreement/Pact by any of its sub-contractors/sub-vendors.

3. The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

**Section: 7 - Criminal charges against violating Bidders/Contractors/Subcontractors**

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor, which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

**Section: 8 - External Independent Monitor/Monitors**

1. The Principal appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.

2. The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the Chairperson of the Board of the Principal.

3. The Contractor accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder/Contractor/Subcontractor with confidentiality.

4. The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.

5. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or heal the violation, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action. However, the Independent External Monitor shall give an opportunity to the bidder/contractor to present its case before making its recommendations to the Principal.

6. The Monitor will submit a written report to the Chairperson of the Board of the Principal within 8 to 10 weeks from the date of reference or intimation to him by the

'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.

7. If the Monitor has reported to the Chairperson of the Board a Substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

8. The word 'Monitor' would include both singular and plural.

**Section: 9 - Pact Duration**

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the respective contract, and for all other Bidders 6 months after the contract has been awarded.

If any claim is made/lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by Chairperson of the Principal.

**Section: 10 - Other provisions**

1. This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. New Delhi. The Arbitration clause provided in the main tender document/contract shall not be applicable for any issue/dispute arising under Integrity Pact.

2. Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

3. If the Contractor is a partnership or a consortium, this agreement must be, signed by all partners or consortium members.

4. Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.

*Gentlemen,*

Having examined the General and Special Conditions of Contract and the Terms of Reference including all attachments thereto, the receipt of which is hereby duly acknowledged, we the undersigned offer to perform the work/services in conformity with the said conditions of Contract and Terms of Reference for the sum quoted in the Price Bid Format or such other sums as may be ascertained in accordance with the Schedule of Prices attached herewith and made part of this Bid.

We undertake, if our Bid is accepted, to commence the work as per the terms & conditions set out in the subject tender.

If our Bid is accepted, we will submit the Performance Security Deposit as specified in the tender document for the due performance of the Contract.

We agree to abide by this Bid for a period of 120 days from the original date of Bid closing and it shall remain binding upon us and may be accepted at any time before the expiration of that period.

Until a formal Contract is prepared and executed, this Bid, together with your written acceptance thereof in your notification of award shall constitute a binding Contract between us.

We understand that you are not bound to accept the lowest or any Bid you may receive.

Dated this \_\_\_\_\_ day of \_\_\_\_\_ 2019.

		<p><b>f.</b> SIMILAR work executed by a bidder for its own organization/subsidiary cannot be considered as experience for the purpose of meeting BEC.</p> <p><b>g.</b> Bids submitted for part of the work will be rejected. Bid will be rejected if not accompanied with adequate documentary proof in support of Work experience as mentioned in Para 1.2.</p>			
7	<b>1.3</b>	<p>The bidder must confirm the following in their bid:</p> <p>i. To provide experience and qualified personnel. The qualification and work experiences of key personnel to be deployed by the bidder must be in accordance with the requirement as per the Clause 2.0 under Scope of Work of Part-III: SCC. The complete Bio-data of the key personnel to this effect must be submitted for OIL'S approval and clearance at the time of deployment.</p> <p>ii. To quote for full service as laid down in Terms of Reference/Technical Specifications/Details of Services.</p>			
8	<b>1.4</b>	Bidders must submit price break-up for 'Operating Day Rate for personnel' as per Annexure-A, complying minimum statutory wage payment to different class of workers to be deployed by them under the contract. Bids without "Price break-up" and with Price break-up with un-realistic price not conforming to the minimum wage act shall be rejected.			
9	<b>1.5</b>	Price bid shall be opened in respect of only the techno-commercially acceptable bidders whose bids have been found to be substantially responsive. A substantially responsive bid is one that meets the terms and conditions of the Tender and/or the acceptance of which bid will not result in indeterminate liability on OIL.			
10	<b>1.6</b>	Bidders are required to quote for all the items as per Price Bid Format; otherwise the offer of the bidder will be straightway rejected.			

**TECHNICAL EVALUATION SHEET FOR BEC**  
**E-TENDER NO. CDO2025P20**

11	<b>1.7</b>	If there is any discrepancy between the unit price and the total price, the unit price will prevail and the total price shall be corrected. Similarly, if there is any discrepancy between words and figure, the amounts in words shall prevail and will be adopted for evaluation.			
12	<b>1.8</b>	The quantities shown against each item in the "Price Bid Format" shall be considered for the purpose of Bid Evaluation. It is, however, to be clearly understood that the assumptions made in respect of the quantities for various operations are only for the purpose of evaluation of the bid and the Contractor will be paid on the basis of the actual number of days/parameter, as the case may be.			
13	<b>1.9</b>	The bidders are advised not to offer any discount/rebate separately and to offer their prices in the Price Bid Format after considering discount/rebate, if any.			
14	<b>1.10</b>	Conditional and unsolicited discount will not be considered in evaluation. However, if such bidder happens to be the lowest recommended bidder, unsolicited discount without any condition will be considered for computing the contract price.			
15	<b>1.11</b>	In case of identical overall lowest offered rate by more than 1 (one) bidder, the selection will be made by draw of lot between the parties offering the same overall lowest price.			
16	<b>1.12</b>	<p><b><u>PURCHASE PREFERENCE CLAUSE:</u></b> Purchase Preference to Micro and Small Enterprises registered with District Industry Centers or Khadi and Village Industries Commission or Khadi and Village Industries Board or Coir Board or National Small Industries Corporation or Directorate of Handicrafts and Handloom or any other body specified by Ministry of MSME:</p> <p>1.12.1 In case participating MSEs Quote price within price band of L1+15%, such MSE shall be considered for award of contract by bringing down their price to L1 price in a situation where L1 price is</p>

		including GST.  When a bidder mentions taxes as extra without specifying the rates & amount, the offer will be loaded with maximum value towards taxes received against the tender for comparison purposes. If the bidder emerges as lowest bidder after such loading, in the event of order on that bidder, taxes mentioned by OIL on the Purchase Order/Contracts will be binding on the bidder.			
20	<b>1.16</b>	Input Tax Credit on GST (Goods & Service Tax) for this service is NOT available to OIL & the bids will be evaluated based on total price including GST.			
21	<b>1.17</b>	Based on the evaluation of techno-commercially qualified bidders, the job will be awarded to L-1 bidder.			
<b>2.0 <u>BID REJECTION CRITERIA (BRC):</u></b>					
22	<b>2.1</b>	The bids are to be submitted in single stage under Two Bid System i.e. Un-priced Techno-Commercial Bid and Price Bid together. Only the Price Bid should contain the quoted price.			
23	<b>2.2</b>	The price quoted by the successful bidder must be firm during the performance of the contract and not subject to variation on any account except as mentioned in the bid document. Any bid submitted with adjustable price quotation other than the above will be treated as non-responsive and rejected.			
24	<b>2.3</b>	Bid security shall be furnished as a part of the Techno Commercial Un-priced Bid. The amount of bid security should be as specified in the forwarding letter. Any bid not accompanied by a proper bid security will be rejected.			
25	<b>2.4</b>	Bid Documents/User Id & Password for OIL's E-Tender portal are not transferable.			
26	<b>2.5</b>	Any bid received in the form of Physical document/Telex/Cable/Fax/E-
