Note: To participate in OIL's E-procurement tender, bidders should have a legally valid Digital Signature Certificate as per Indian IT Act from the licensed Certifying Authorities operating under the Root Certifying

Authority of India (RCAI), Controller of Certifying Authorities (CCA) of India (<http://www.cca.gov.in>). The digital signature should be of Class 3 digital certificate for the designated individual with organization name. Bidders must have a valid User Id to access OIL e-Procurement site. Bidder shall request OIL through e-mail or fax or letter along-with the cost of bid documents for issue of the user ID for accessing the e-Tender. The user ID shall be issued to the eligible bidders on receipt of the requisite cost of bid document through e-mail. In case any bidder is exempted from paying the Tender Fee, the request letter should accompany the supporting documents for issue of the User ID on free of charge basis. Bidders, who do not have a user id, can click on Guest login button to view the available open tenders. The detailed guidelines are available in OIL's e-procurement site. For any clarification in this regard, bidders may contact OIL.

BID CLOSING/ OPENING DATE : As per Online Tender Document.

BID SECURITY DEPOSIT : INR 1,48,000.00

- a) Bid Security deposited vide Demand Draft / Banker's Cheque / Bank Guarantee should reach the office of **ED (KGB & BEP)** before Bid opening date and time, otherwise Bid will be rejected. A scanned copy of this document should also be uploaded along with the Un-priced bid documents. The Bid Security must be valid for a period of 30 days more than the validity of the Bid.
- b) Bidders to confirm that in the event of award of Contract they will submit Performance Security Deposit @ 2.5% of the total contract value and their acceptance of payment after deduction @ 7.5% against each running bill towards retention money as per Company policy. Earnest Money/Bid Security, Performance Security Deposit and Retention Money will not earn any interest whatsoever.

2.0 SEALED ENVELOPES containing the Bid Security Deposit (EMD) shall be marked with the above Tender Number and description of work and addressed to:

ED (KGB & BEP), Oil India Limited,
D. No. 11-4-7, Nookalamma Temple Street,
Ramarao Peta, Kakinada-533004,
Andhra Pradesh.

2.1 All bidders shall deposit the requisite BID SECURITY in the form of Demand Draft/Banker's Cheque/Bank Guarantee from a Nationalized Bank in favour of M/s Oil India Limited and payable at Kakinada, Andhra Pradesh. This Bid Security shall be refunded to all unsuccessful bidders, but is liable to be forfeited in full or part, at Company's discretion, as per Clause No. 6 below. Bids without Bid Security in the manner specified above will be summarily rejected. Bid should be submitted on-line through OIL's e-Tendering Portal up to 11:00 hrs (IST) (Server Time) on the date as mentioned and will be opened on the same day at 15:00 hrs. (IST) at Office of the **ED (KGB & BEP)** in presence of authorized representative of the bidder. THE BID SECURITY SHOULD BE DROPPED IN THE TENDER BOX PLACED AT THE OFFICE OF THE ED (KGB & BEP) ON OR BEFORE 15.00 HRS. OF THE SCHEDULE DATE OF OPENING OF TENDER.

2.2 THE BID SECURITY IS TO BE SUBMITTED ALONGWITH A COVERING LETTER MENTIONING THE IFB NO AND THE BIDDERS NAME AND ADDRESS IN A DULY SEALED ENVELOPE ADDRESSED TO – ED(KGB & BEP), Oil India Limited, D. No.11-4-7, Nookalamma Temple Street, Ramarao Peta, Kakinada-533004, Andhra Pradesh.

3.0 However, if the above mentioned closing / opening day of the tender happens to be non-working day due to Bandh / Strike or any other reason, the bids will be received and opened on the following working day at the same time except on Saturdays.

4.0 The rates shall be quoted per unit as specified in the “Price Bidding Format” attached under “**Notes and Attachments**” tab in OIL’s e-tender portal.

4.1 The tender document is available in the ‘**Technical Rfx**’ page in OIL’s e-tender portal.

4.2 The bid and all uploaded documents must be Digitally signed using “Class 3 digital certificate” with Organization’s Name, [e-commerce application (Certificate with personal verification and Organization name)] as per Indian IT Act obtained from the licensed Certifying Authorities operating under the Root Certifying Authority of India (RCAI), Controller of Certifying Authorities (CCA) of India.

4.3 The authenticity of above digital signature shall be verified through authorized CA after bid opening. If the digital signature used for signing is not of “Class -3” with Organizations name, the bid will be rejected.

4.4 Bidder is responsible for ensuring the validity of digital signature and its proper usage by their employee.

4.5 The bid including all uploaded documents shall be digitally signed by duly authorized representative of the bidding company.

5.0 The Company reserves the right to reject any or all the tenders or accept any tender without assigning any reason.

6.0 (a) No Bidder can withdraw his bid within the validity or extended validity of the bid. Withdrawal of any bid within validity period will lead to forfeiture of his/her/their Bid Security in full and debarred from participation in future tenders, at the sole discretion of the company and the period of debarment will not be less than 2 (two) years.

(b) Once a withdrawal letter is received from any bidder, the offer will be treated as withdrawn and no further claim / correspondence will be entertained in this regard.

7.0 The Bid must be valid for 180 (One hundred & eighty) days from the date of opening of the tender.

8.0 Conditional bids are liable to be rejected at the discretion of the Company.

9.0 The work may be split up amongst more than one contractor at the sole discretion of the Company.

10.0 Before submission of bids, the bidder is advised to inspect the work site to assess the nature and extent of work and the conditions under which it will be

carried out. He may also seek such clarification from this office as are deemed necessary.

11.0 The bidders should quote their rates against individual items. The rates shall be quoted within (+/-) 10% on the internal estimate against individual items as specified in Schedule of Works (Part-II) subject to the limit of overall percentage from (-10%) to at par of the internal estimated contract cost. However the bids with overall percentage quoted at below (-10%) and above the internal estimated cost will be rejected outright. The rates shall be in figures and upto two decimal places only. In case of any identical situation, the L-1 bidder will be decided through draw of lots.

12.0 The bidders are required to furnish the composition and status of ownership of the firm in whose name bid documents have been purchased/issued along with one or more of the following documentary evidences (which are applicable to the bidder) in support of the same and scanned copies of the same should be uploaded along with the Un priced bid documents.

12.1 In case of Sole Proprietorship Firm, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form indicating therein the name, business and residential address, E-mail and telephone numbers of the owner and copies of Service Tax and Central Excise Registration Certificate.

12.2 In case of HUF, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form, Family Arrangement indicating therein the name, residential address, E-mail and telephone numbers of the owners in general and Karta in particular and copies of Service Tax and Central Excise Registration Certificate.

12.3 In case of Partnership Firm, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form indicating therein the name, residential address, E-mail and telephone numbers of all the partners(including the Managing Partner), registered partnership agreement/deed and copies of Service Tax and Central Excise Registration Certificate.

12.4 In case of Co-Operative Societies, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form indicating therein the name, residential address, E-mail and telephone numbers of all the Directors or persons who are at the helm of affairs, registration certificate from Registrar of Co-Operative Societies and copies of Service Tax and Central Excise Registration Certificate.

12.5 In case of Societies registered under the Societies Registration Act, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form indicating therein the name, residential address, E-mail and telephone numbers of all the Directors or persons who are at the helm of affairs, registration certificate from the Registrar of the state and copies Service Tax and Central Excise Registration Certificate.

12.6 In case of Joint Stock Companies registered under the Indian Companies Act, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form indicating therein the name, residential address, E-mail and telephone numbers of all the Directors or persons who are at the helm of affairs, Certificate of Incorporation from the Registrar of Companies, Memorandum and Articles and copies of Service Tax and Central Excise Registration Certificate.

12.7 In case of Trusts registered under the Indian Trust Act, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form indicating therein the name, residential address, E-mail and telephone numbers of all the Trustee or persons who are at the helm of affairs, registration certificate from the Registrar of the state, Trust Deed and copies Service Tax and Central Excise Registration Certificate.

13.0 The selected bidder will be required to enter into a formal contract, which will be based on their bid, i.e. O.I.L's Standard Form of Contract.

14.0 SECURITY DEPOSIT:

The successful bidder shall furnish a Performance Security Deposit @ 2.5 % of Contract Value in the form of Demand Draft / Banker's Cheque / Bank Guarantee as specified above before signing the formal contract. The Security Deposit will be refunded to the Contractor after satisfactory completion of the work, but a part or whole of which shall be used by the Company in realization of liquidated damages or claims, if any or for adjustment of compensation or loss due to the Company for any reason. This Security Money shall not earn any interest.

15.0 OIL INDIA LIMITED reserves the right to curtail / enhance the scope of the work stated above or cancel, if required.

16.0 RETENTION MONEY: A retention money equivalent to 7.5% of each running bill will be deducted till final completion of the work. This deducted amount will be released after 6 (six) months from the date of completion certificate from the concerned department.

17.0 The work shall have to be started within 7 (Seven) days from the date of issue of work order by Company.

18.0 Time Schedule: The time allowed for completing the work will be reckoned from the date of issue of work order. Time is the essence of the Contract and failure on part of the contractor to complete the work within the stipulated time, shall entitle the Company to impose liquidated damages and / or penalty from the contractor as per terms of the Contract.

19.0 The contractor will be required to allow OIL officials to inspect the work site and documents in respect of the workers payment.

20.0 BACKING OUT BY BIDDER: In case any bidder withdraws their bid within the bid validity period, the Bid Security will be forfeited and the party will be debarred for a period of 2(two) years from the date of withdrawal of bid.

21.0 BACKING OUT BY L-1 BIDDER AFTER ISSUE OF LOA: In case LOA issued is not accepted by the L1 bidder or the Performance Security is not submitted as per the terms of the contract within the time specified in the Bid Document, the Bid Security shall be forfeited and the bidder shall be debarred for 2 (two) years from the date of default.

22.0 FURNISHING FRAUDULENT INFORMATION/DOCUMENT: If it is found at any time that, a Bidder / Contractor has / had furnished fraudulent documents / information, the Bid Security / Performance Security shall be forfeited and the bidder / contractor shall be debarred for a period of three (03) years from the date of detection of such fraudulent act, besides legal action.

23.0 Bidder(s) must also furnish the followings:

- a) **NAME OF FIRM** :
- b) **DETAIL POSTAL ADDRESS** :
- c) **MOBILE / TELEPHONE NO** :
- d) **E-MAIL ADDRESS** :
- e) **FAX NO (If available)** :
- f) **CONTACT PERSON** :
- g) **VENDOR CODE (If available)** :

24.0 The tender will be governed by:

- a) COVERING LETTER
- b) Part - I - CONDITIONS OF AGREEMENT
- c) Part - II - SCOPE OF WORK
- d) Part - III - SPECIAL INSTRUCTIONS
- e) Part - IV - SPECIAL CONDITIONS
- f) Part - V- BEC_BRC
- g) APPENDIX-A and APPENDIX-B
- h) APPENDIX-D – INTEGRITY PACT

Special Note:

Please note that all tender forms and supporting documents are to be submitted on-line through OIL's E-Procurement site only except Earnest money/Bid Security deposited vide Demand Draft/Banker's Cheque/Bank Guarantee which is to be submitted manually in sealed envelope super scribed with tender no. and due date at the office of ED (KGB & BEP), Oil India Limited, D. No. 11-4-7, Nookalamma Temple Street, Ramarao Peta, Kakinada-533004, Andhra Pradesh on or before the scheduled bid opening time and date, otherwise the Bid will be rejected.

Bidders may send their bid security by Registered Post or by Courier Services or drop in the Tender Box placed at the Office on or before the scheduled date of opening of tender. Company shall not be however responsible for any postal delay/transit loss. Timely delivery of the bid security is the responsibility of the Bidder.

A scanned copy of this document should also be uploaded online along with the un-priced Techno-commercial bid documents.

Bids without Bid Security in the manner specified above will be summarily rejected.

Bidders are requested to examine all instructions, forms, terms and specifications in the bid. Failure to furnish all information required as per the bid or submission of offers not substantially responsive to the bid in every respect will be at the bidders risk and may result in the rejection of its offer without seeking any clarifications. Offers sent without the requisite value of prescribed (if called for in the bid) in original will be ignored straightway.

25.0 The tender is invited under SINGLE STAGE-COMPOSITE BID SYSTEM. The bidder has to submit both the "TECHNO-COMMERCIAL" and "PRICED" bid through electronic form in the OIL's e-Tender portal within the Bid Closing Date and Time stipulated in the e-Tender. The Technical Bid is to be submitted as per

Scope of Work & Technical Specification of the tender. The Price Bid rates shall be quoted per unit as specified in the “Price Bidding Format” attached under “**Notes and Attachments**” tab in the main bidding engine of OIL’s e-Tender Portal. The price quoted in the “Price Bidding Format” will only be considered for evaluation.

26.0 Please go through the help document provided in OIL’s e-Portal, in detail before uploading the document. **For any support on this matter, you are requested contact the telephone no. 0374-2807192 during 7.30 AM to 4.00 PM (Monday to Friday).**

NB: All the Bids must be Digitally Signed using “Class 3” digital signature certificate with Organizations Name (*e-commerce application*) as per Indian IT Act obtained from the licensed Certifying Authorities operating under the Root Certifying Authority of India (RCAI), Controller of Certifying Authorities (CCA) of India.

27.0 The Integrity Pact is applicable against this tender:

OIL shall be entering into an Integrity Pact with the bidders as per format enclosed vide “Appendix-D Integrity Pact” of the tender document. This Integrity Pact proforma has been duly signed digitally by OIL’s competent signatory. The proforma has to be returned by the bidder (along with the techno-commercial bid) duly signed (digitally) by the same signatory who signed the bid, i.e., who is duly authorized to sign the bid. Any bid not accompanied by Integrity Pact Proforma duly signed (digitally) by the bidder shall be rejected straightway. Uploading the Integrity Pact with digital signature will be construed that all pages of the Integrity Pact has been signed by the bidder’s authorized signatory who sign the Bid.

(Note: Shri Rajiv Mathur, IPS (Retd.), e-mail ID: rajivmathur23@gmail.com has been appointed as Independent External Monitors).

Thanking you.

Yours faithfully
Oil India Limited

PART – I

CONDITIONS OF AGREEMENT

MEMORANDUM OF AGREEMENT made this day ----- between OIL INDIA LIMITED, a Company incorporated under the Companies Act 1956 and having its Registered Office at Duliajan in the District of Dibrugarh, Assam and Project Office at D. No. 11-4-7, Nookalamma Temple Street, Ramarao Peta, Kakinada-533004, Andhra Pradesh (hereinafter called "The Company") of the one part and ----- carrying on business as PROPRIETOR under the firm name M/s -----with their office at ----- in the district of ----- aforesaid (hereinafter called "The Contractor") of the other part.

WHEREAS, in this agreement the following terms shall be interpreted as indicated below:

- a) The "Agreement" means the Contract entered into between the Company and Contractor, and terms & conditions as recorded in this document signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- b) The "Agreement Price" means the prices/costs/rates payable by Company to the Contractor under the agreement for the full and proper performance of its Contractual obligations.
- c) The "Work" means each and every activity described in the Schedule of Work/ Specifications, detailed in Part-II.
- d) "Company" means OIL INDIA LIMITED and its executors, successors, administrators and assignees.
- e) "Contractor" means the individual or firm or Company performing the "Work" under this Agreement and its executors, successors and assignees.
- f) "Contractor's personnel" means the personnel to be provided/deployed by the Contractor for due performance of the assigned work as per the Agreement.
- g) "Company Personnel" means the personnel to be provided by the Company. The Representative/Engineer of the Company are also included in the Company's personnel. The Company's Representative/Engineer means the person or persons appointed and approved from time to time by the Company to act on its behalf for overall co-ordination and project management at site.
- h) "Site" means the land, installation and other places, provided and designated by the Company on which the works are to be executed by the Contractor.
- i) "Company's items" means the equipment, materials, installations and services, which are to be provided by the Company at the expense of the Company.

- j) "Contractor's items" means the equipment, materials and services, which are to be provided by the Contractor at the expense of the Contractor.
- k) "Commencement date" means the date on which the Contractor's personnel starts the job as mentioned in the Agreement.
- l) "Gross Negligence" as used in this Agreement shall mean "willful and wanton disregard for harmful, avoidable and foreseeable consequence".

WITNESSETH:

- 1.0 (a) The Contractor hereby agrees to carry out the work set down in the Schedule of Work which forms Part-II of this Agreement in accordance with General Specifications read in conjunction with any drawings and Particular Specifications and Instructions which forms Part-III of this Agreement utilizing the services as offered by the Company and listed in Part-IV of the Agreement.

(b) In this Agreement all words and expressions shall have the same meanings as are respectively assigned to them hereinabove which the Contractor has perused and is fully conversant with before entering into this Agreement.
- 2.0 The Contractor shall provide all labour, supervision and transport and such specified materials described in Part-II of the Agreement including tools and plants as necessary for the work and shall be responsible for all royalties and other levies and his rates shall include all incidental and contingent work which, although not specifically mentioned in this Agreement but are necessary for completion of the work in a sound manner and with good workmanship.
- 3.0 The Company's Engineer shall have power to -
 - (a) Reduce the rates at which payments shall be made if the quality of the work, although acceptable, is not up to the required standard, set forth in the Company's standard specifications which have been perused and fully understood by the Contractor.
 - (b) Order the Contractor to remove any inferior materials from the work site and to demolish or rectify any work of inferior workmanship, failing which the Company's Engineer may arrange for any such work to be demolished or rectified by any other means at the Contractor's expense.
 - (c) Order the Contractor to remove or replace any workman whom he (the Engineer) considers incompetent or unsuitable. The Engineer's opinion as to the competence and suitability of any workmen engaged by the Contractor shall be final and binding on the Contractor.
 - (d) Issue to the Contractor from time to time during the progress of the work such further drawings and instructions as shall be necessary for the purpose of proper and adequate executions and maintenance of the works and the Contractor shall carry out and be bound by the same.
 - (e) Order deviations in Part-II and III of this Agreement after obtaining

approval from the Company's management. All such deviation orders shall be in writing and shall show the financial effect, if any, and whether any extra time is to be allowed. The rates to be applied for such deviation order shall be the same as those appearing in the Basic Schedule of Rates of Andhra Pradesh P.W.D. in force on the date of issue of such deviation order.

- 4.0 The Contractor shall have no claim against the Company in respect of any work which may be withdrawn, but only for work actually completed under this Agreement. The Contractor shall have no objection to carry out work in excess of the quantities stipulated in Part-II, if so ordered by the Company at the same rates, terms and conditions.
- 5.0 The Company reserves the right to cancel this Agreement at any time upon full payment of work done and the value of the materials collected by the Contractor for permanent incorporation in the work under this Agreement particularly for execution of this Agreement up to the date of cancellation of the Agreement. The valuation of the work done and the materials collected shall be estimated by the Company's Engineer in presence of the Contractor. The Contractor shall have no claim to any further payment whatsoever. The valuation would be carried out ex-party if Contractor fails to turn up despite reasonable notice, which will be binding on the Contractor.
- 6.0 The Contractor hereby undertakes to indemnify the Company against all claims which may arise against the under noted Act:-
- i) The Mines Act.
 - ii) The Minimum Wages Act.
 - iii) The Workmen's Compensation Act.
 - iv) The Payment of Wages Act.
 - v) The Payment of Bonus Act., 1965.

Or any other Acts or statutes not herein above specifically mentioned having bearing over engagement of workers directly or indirectly for execution of work. The Contractor shall not make the Company liable to reimburse the Contractor for the statutory increase in the wage rates of the Contract Labourer appointed by the Contractor. Such statutory increase in the wage rates of Contract Labourer shall be borne by the Contractor.

- 6.1 Contractor(s) whoever is liable to be covered under P.F. Act must ensure strict compliance of provisions of Provident Fund and Miscellaneous Provisions Act, 1952 in addition to the various Acts mentioned elsewhere in this contract. Any contractor found violating these provisions will render themselves disqualified from any future tendering. As per terms of the contract, if applicable, the contractor must deposit Provident Fund Contribution (covering employee's & employer's share) with the competent authority under their direct code. The contractor shall be required to submit documentary evidence of deposit of P.F. Contribution to the company. In case of failure to provide such documentary evidence, the company reserves the right to withhold the final bill.
- 7.0 The Contractor shall clear away all rubbish and surplus materials from the site on completion of work and shall leave the site clean and tidy.
- 8.0 **Work Completion Time:** The Contractor must commence the work within

7 (seven) days from the date of issue of Letter of Award and the work should be completed within 8 (eight) weeks from the date of issue of LOA. Non compliance of this time schedule will call for imposition of liquidated damage.

- 9.0 **Validity of the Agreement:** The Agreement shall remain valid for a period of 8 (eight) weeks from the date of letter of award of the Agreement or till the completion of work against the last Work Order issued within the currency of the Agreement, whichever is later.
- 10.0 **Schedule of Rates:** Payment to the Contractor will be made against work completed by them at the rates entered in the Schedule of Rates, Part-II hereof.
- 11.0 **Liquidated Damages:** Time is the essence of this Agreement and the work should be completed within stipulated period of completion. For any default in timely completion of assigned work from the date of assigning the work, Liquidated Damages at the rate of ½% (half percent) of the total value of the contract, per week or part thereof, upto a maximum of 7.1/2% (seven & half percent) of the total value of the contract.
- 12.0 In order to promote, safeguard and facilitate the general, operational economic interest of the Company, during the continuance of this Agreement the Contractor hereby agrees and undertakes not to take any direct or indirect interest and/or support, assist maintain or help any person or persons engaged in antisocial activities, demonstrations, riots, or in any agitation prejudicial to the Company's interest and any such event taking shape or form at any place of the Company's work and its neighborhood.
- 13.0 **Estimated Value of Contract:** The total evaluated value of the Agreement (all inclusive) is estimated to be Rs ----- (Approx.), but the Company shall pay the Contractor only for actual work done at the all-inclusive rates set down in the Schedule of Rates which forms Part-II of this Agreement.
- 14.0 **Payment Terms:** Payment shall be made against work completed by the Contractor after deducting the retention money @ 7.5% of the running bills. Taxes will be deducted at source as per the existing Act, wherever applicable.
- 15.0 **Performance Security:** Within two weeks of issue of Notification of Award of the Agreement, the successful bidder shall furnish Performance Security to the Company in the Form of a Bank Draft or Bank Guarantee from a scheduled bank located in India as per format provided in Appendix-B of the Bid Document. The amount of Performance Security shall be equivalent to 2.5% (Two point Five percent) of the total evaluated value of the Agreement. A Performance Bank Guarantee should be so endorsed that it can be invoked at the issuing bank's branch located in Kakinada, Andhra Pradesh. The proceeds of the Performance Security shall be payable to the Company as compensation for any loss resulting from Contractor's failure to complete his/her obligations under the Agreement. The Performance Security shall be valid till six months beyond the validity of the Agreement.
- 16.0 The Contractor employing more than 20 (twenty) workmen on any day of

the preceding 12 (twelve) months shall be required to obtain requisite license at his cost from the appropriate licensing Officer before undertaking any contract work. The Contractor shall also observe the rules and regulations framed under the contract labour (Regulations & Abolition) Act.

- 17.0 Wages shall be paid by the Contractor to the workmen directly without the intervention of any Jamadars or Thekadars and that the Contractor shall ensure that no amount by way of commission or otherwise is deducted or recovered by the Jamadars from wages of the workmen.
- 18.0 The Contractor will not be allowed to construct any structure (for storage/housing purpose) with thatch, bamboo or any other inflammable materials within industrial or other fenced area of the Company.
- 19.0 The Contractor shall ensure that all men engaged by him are provided with appropriate protective clothing and safety wear in accordance with Regulations 89(a) and 89 (b) of the Indian Oil Mines Regulations 1984. The Company's representative shall not allow/accept those who are not provided with the same.

20.0 LIABILITY:

- 20.1 Except as otherwise expressly provided, neither the Company nor its servants, agents, nominees, shall have any liability or responsibility whatsoever to whomsoever (including the owner) for loss or damage to the equipment and/or loss or damage to the property of Contractor and/or its sub-contractors, irrespective of how much loss or damage is caused unless caused by willful and gross negligence of the Company and/or its servants, agents, nominees, assignees. The Contractor shall protect, defend, indemnify and hold harmless the Company from and against such loss or damage and any suit, claim or expense resulting therefrom.
- 20.2 Neither the Company nor its servants, agents, nominees, assignees, sub-contractors shall have any liability or responsibility whatsoever for injury to, illness, or death of any employee of the Contractor irrespective of how such injury, illness or death is caused unless caused by willful and gross negligence of the Company and/or its servants, agents, nominees, assignees. The Contractor shall protect, defend, indemnify and hold harmless the Company from and against such loss or damage and any suit, claim or expense resulting there from.

21.0 FORCE MAJEURE:

- 21.1 In the event of either party being rendered unable by 'Force Majeure' to perform any obligation required to be performed by them under the contract, the relative obligation of the party affected by such 'Force Majeure' will stand suspended as provided herein. The word 'Force Majeure' as employed herein shall mean acts of God, war, revolt, agitation, strikes, riot, fire, flood, sabotage, civil commotion, road barricade (but not due to interference of employment problem of the party) and any other cause, whether of kind herein enumerated or otherwise which are not within the control of the party to the contract and which renders performance of the contract by the said party impossible.
- 21.2 Upon occurrence of such cause and upon its termination, the party alleging that it has been rendered unable as aforesaid thereby, shall notify the other party in writing within Seventy Two (72) hours of the alleged

beginning and ending thereof, giving full particulars and satisfactory evidence in support of its claim.

- 21.3 Should 'Force Majeure' condition as stated above occurs and should the same be notified within seventy two (72) hours after its occurrence, the either party will have the right to terminate the contract with prior written notice if such 'Force Majeure' condition continues beyond consecutive ten (10) days. Should either party decide not to terminate the contract even under such condition, no payment would apply during the force majeure period unless otherwise agreed to.

22.0 TERMINATION:

22.1 TERMINATION ON EXPIRY OF THE TERMS (DURATION)

The contract shall be deemed to be automatically terminated on the expiry of duration of the contract (or extension, if any, thereof).

22.2 TERMINATION ON ACCOUNT OF FORCE MAJEURE:

Either party shall have the right to terminate the Contract on account of Force Majeure as set forth herein above.

22.3 TERMINATION ON ACCOUNT OF INSOLVENCY:

In the event that the Contractor at any time during the term of the Contract, becomes insolvent or makes a voluntary assignment of its assets for the benefit of creditors or is adjudged bankrupt, then the Company shall, by a notice in writing have the right to terminate the Contract and all the Contractor's rights and privileges hereunder, shall stand terminated forthwith.

22.4 TERMINATION FOR UNSATISFACTORY PERFORMANCE:

If the Company considers that, the performance of the Contractor is unsatisfactory, or not upto the expected standard, the Company shall notify the Contractor in writing and specify in details the cause of the dissatisfaction. The Company shall have the option to terminate the Contract by giving 7 days' notice in writing to the Contractor, if Contractor fails to comply with the requisitions contained in the said written notice issued by the Company.

22.5 TERMINATION DUE TO CHANGE OF OWNERSHIP & ASSIGNMENT:

In case the Contractor's rights and/or obligations under the Contract and/or the Contractor's rights, title and interest to the equipment/material, are transferred or assigned without the Company's consent, the Company may at its absolute discretion, terminate the Contract.

22.6 CONSEQUENCES OF TERMINATION:

In all cases of termination herein set forth, the relative obligations of the parties to the contract shall be limited to the period up to the date of termination. Notwithstanding the termination of the Contract, the parties shall continue to be bound by the provisions of the Contract that reasonably require some action or forbearance after such termination.

- 22.7 If at any time during the term of the Contract, breakdown of Contractor's equipment results in Contractors being unable to perform their obligations hereunder for a period of 7 successive days (not including Force Majeure delay), the Company at its option, may terminate the Contract in its entirety without any further right or obligation on the part of the Company, except for the payment of money then due. No notice shall be served by the Company under the condition stated above.
- 22.8 Upon termination of the Contract, Contractor shall return to the Company all of Company's items, which are in Contractor's possession at the time.
- 22.9 Notwithstanding any provisions herein to the contrary, the Contract may be terminated at any time by the Company on giving 7 (seven) days written notice to the Contractor due to any other reason not covered under the above clauses from 22.1 to 22.7 and in the event of such termination the Company shall not be liable to pay any cost or damage to the Contractor except for payment for service charges and other charges as per the Contract up to the date of termination.
- 22.10 In the event of termination of contract, the Company will issue Notice of termination to the Contractor with date or event after which the contract will be terminated. The contract shall then stand terminated and the Contractor shall demobilize their personnel & materials.
- 23.0 ARBITRATION:
- 23.1 The Contractor and the Company shall make every effort to resolve amicably by direct informal negotiation any disagreement arising between them under or in connection with the agreement.
- 23.2 In the event of any disagreement or dispute arising in connection with execution of the Agreement which cannot be settled in an amicable manner between the Contractor and the Company, the matter shall be referred to arbitration. Such arbitration shall be governed by the provisions of the Indian Arbitration Act, 1940 as amended upto date by any statutory modification or reenactment thereof for the time being in force. Arbitration proceeding will be held in New Delhi/Kakinada.
- 24.0 In case of any doubt or dispute as to the interpretation of any clause herein contained the decision of the Company's Engineer shall be final and binding on the Contractor.
- 25.0 General Health, Safety and Environment aspects will be as per the terms set forth in Appendix -A.
- 26.0 **SET OFF :-**Any sum of money due and payable to the contractor (including security Deposit refundable to them) under this or any other contract may be appropriated by Oil India Limited and set off against any claim of Oil India Limited (or such other person or persons contracting through Oil India Limited) for payment of a sum of money arising out of this contract or under any other contract made by the contractor with Oil India Limited (Or such other person or persons contracting through Oil India Limited).

- 27.0 **Tax Liability:** All statutory taxes/levies by the Central / State Govt. or other authority from time to time will be borne by the Contractor. Rates/Amounts under this agreement are inclusive of all taxes, royalty, sales tax, Service Tax, VAT etc. In respect of Royalty, the Contractor must submit to the Company - the proof of payment, Short-Term Permit (STP) within 15 days and N.O.C. / N.D.C. from the Mining department before payment of final bill. The rate of Royalty may vary from time to time as per Govt. directives and the same is binding on the Contractor.

IN WITNESS where of the parties hereunto set their hand and seals the day and year first above written.

END OF PART – I

PART-II**SCOPE OF WORK**

Scope of Work: Development/ Improvement of 2.5km long existing Black Topped Road connecting NH-216 near Kothakalava Junction to Gadilanka Village upto the Statue of Anjaneya Swami for drilling operation at Loc-12 (alternate road) including supply of all materials.

SL. NO.	DESCRIPTION OF ITEMS	QTY.	UOM	RATE (Rs.)	TOTAL AMOUNT (Rs.)
10	Earth work excavation and depositing on bank in all type of soil (excluding rock) with an initial lead of 50 mtrs & lift upto 1.50 mtrs complete all as directed by Engineer-in-charge	1000	M3	127.78	1,27,780.00
20	Supply and Filling sand in trenches, sides of foundations and basement with initial lead in layers not exceeding 20 cm thick, consolidating each deposited layer by watering and ramming including cost and conveyance of water to work site and all operational, incidental, labour charges, hire charges of T & P etc., complete for finished item of work. (APSS NO. 309 & 310)	1000	M3	866.22	8,66,220.00
30	Dismantling of flexible pavements and disposal of dismantled materials upto a lead of 1000 m, stacking serviceable and unserviceable materials separately as per Technical Specification Clause 202 MORD / MORTH, Bituminous course.	22	M3	738.47	16,246.34
40	Dismantling of flexible pavements and disposal of dismantled materials upto a lead of 1000 m, stacking serviceable and unserviceable materials separately as per Technical Specification Clause 202 MORD / MORTH FOR Granular course	55	M3	452.85	24,906.75
50	Providing, Laying, Spreading and compacting stone aggregates of 63 mm to 40mm size to water bound macadam specification including spreading in uniform thickness, hand packing, rolling with three wheel 8-10 Tonne static roller / Vibratory Roller 8-10 Tonne in stages to proper grade and camber, applying and brooming, crushable screening to fill up the interstices of coarse aggregate, watering and compacting to the required density.	960	M3	2,748.71	26,38,761.60
60	Collection and supply of Gravel including loading, transportation, unloading at site work and stacking to measurable standard gauge stacks etc.	750	M3	986.13	7,39,597.50

70	Labour charges for gravelling well graded material, spreading in uniform layers with motor grader on prepared surface, mixing by mix in place method with rotavator at OMC, and compacting with three wheel 8-10 Ton static roller to achieve the desired density, complete as per Technical Specifications Clause 402 MORD.	750	M3	89.19	66,892.50
80	Labour charges for consolidation of metal rolling with 8 to 10 tonne capacity road roller including watering, hire and operational charges of road roller etc. complete all as directed by Engineer-in-charge.	750	M3	169.57	1,27,177.50
90	Providing and applying tack coat with Bitumen emulsion (RS-1) using emulsion distributor at the rate of 0.25 to 0.30 kg per sqm on the prepared dry and hungry bituminous surface cleaned with Hydraulic broom as per Technical Specification Clause 503 MORD. RBR-BASC-2.	10,000	M2	12.14	1,21,400.00
100	Providing, laying and rolling of open-graded premix carpet of 20 mm thickness composed of 13.2 mm to 5.6 mm aggregates either using penetration grade bitumen or emulsion to required line, grade and level to serve as wearing course on a previously prepared base, including mixing a suitable plant, laying and rolling with a three wheel 8-10 Ton static roller capacity, finished to required level and grades to be followed by seal coat of Type C as per Technical Specification Clause 508 MORD.	10,000	M2	181.62	18,16,200.00
110	Providing and laying seal coat sealing the voids in a bituminous surface laid to the specified levels, grade and cross fall using Type C as per Technical Specification Clause 510 MORD. (using Three wheel 80-100 kN static roller) RBR-BASC-17.	10,000	M2	86.39	8,63,900.00
Total Estimated Contract Cost					74,09,082.19

Notes:

- (i) Bidders are requested to quote for all the items mentioned above. Bids will be evaluated considering the entire requirement as above. Rates/amounts should be quoted by the Bidders inclusive of all applicable taxes.
- (ii) Bidders should quote their rates against individual items. The rates shall be quoted within (+/-) 10% on the internal estimate against individual items as specified in Schedule of Works (Part-II) subject to the limit of overall percentage from (-10%) to at par of the internal estimated contract cost. However the bids with overall percentage quoted at below (-10%) and above the internal estimated cost will be rejected outright. The rates shall be in figures and upto two decimal places only. In case of any identical situation, the L-1 bidder will be decided through draw of lots.

END OF PART – II

PART-III

SPECIAL INSTRUCTIONS & SPECIFICATIONS

Description of job: Development/ Improvement of 2.5km long existing Black Topped Road connecting NH-216 near Kothakalava Junction to Gadilanka Village upto the Statue of Anjaneya Swami for drilling operation at Loc-12 (alternate road) including supply of all materials.

Special Conditions:

- (i) Bidders must submit a detail work programme for the project to complete the work within the allotted time.
- (ii) Bidders have to keep a Telephone connection/Mobile Phone connection exclusively for the site and same should be communicated to OIL.
- (iii) Successful Bidder has to ensure uninterrupted power supply to the site, necessary Genset for the same has to be installed at site and also arrange for pump, tube well for water supply at his own cost.
- (iv) Bidder will have to engage an experienced Supervisor preferably a Junior Engineer (Civil) i.e. passed from a recognized University. He must have at least three years' experience of similar nature of jobs.
- (v) Since it is time bound project, bidder must ensure that he will be able to complete the work within the stipulated time and be able to execute work on shift basis at least in two shifts of 8 Hours each with adequate manpower and materials to meet the target date of completion. Moreover all necessary arrangement including the power for light shall have to be made to work in all days including the rainy days.
- (vi) Successful bidder has to obtain all necessary permission from the Government Departments, Public/ Private or local Authorities to carry out the job and to settle local issues for successful completion of the same without any interference/ hindrance.

TECHNICAL REQUIREMENTS

1.0 SCOPE OF WORK:

The scope of work envisaged under this tender covers as per tender specifications, drawings and standards etc. In general job shall be done as per Andhra Pradesh Common SOR, CPWD specifications. However brief specifications are given here under for general guidance purpose of the tenderers. The scope of job includes Tack coat, Premixing and seal coat for repairing of existing premixed road as per the instruction of the Engineer In-Charge. It shall be clearly be noted that the bidders are required to give their lump-sum rates taking into consideration all aspects as per site requirements and specifications enclosed along with this tender document. Quoted offers shall be inclusive of all materials and labour and all other taxes & levies including service tax and VAT etc. Water and Power shall have to be arranged by the contractor for execution of the tendered work. The contractor shall be responsible to complete the entire work in all respects including obtaining all necessary permissions required to be taken from any

agencies like Government Department, Private & Public Authorities at no additional cost to Oil India Limited and also any other works necessary to complete the job though especially not covered in the scope of work. In general, the scope of work covers the following but not limited to:

- a) WBM
- b) Preparation of side berm with gravel/morrum
- c) Tack coat.
- d) Premixing and
- e) Seal coat.

SPECIAL INSTRUCTIONS:

1. The rates must be valid for entire agreement period for which the Contractor shall have no objection. Otherwise contract will be cancelled at the discretion of the Company (OIL).
2. The Company will constantly watch the progress made by the Contractor in the time frame mentioned above. In case the Contractor fails to achieve progress commensurating with time elapsed at any point of time within the allotted period, the Company reserves the right to carry out the remaining work, through any other agency. The additional cost, if any, incurred by the Company in getting the remaining work completed through any other agency will be recovered from the Contractor.
3. The Contractor must commence the work within 3 days of issue of work order after obtaining Labour clearance.
4. The Company reserves the right to ask the Contractor to carry out work more than the quantities mentioned in Part-II of the contract at the same rates, terms and conditions to which the Contractor shall have no objection. Likewise, the quantities of work to be executed may be reduced by the Company, to which the Contractor will have no objection. The Contractor will be paid for actual quantities of work executed by him at the directions of the Company, and at rates agreed in the contract.
5. Efficient workmen are to be engaged by the Contractor.
6. Materials rejected by the Company must be removed by Contractor from work site within 24 Hrs. of rejection, failing which the Company reserves the right to get the rejected materials removed under risk and cost of the Contractor.
7. The Contractor shall obtain Labour clearance within seven (07) days of issue of firm Letter of Award of Contract by the Company.
8. The Company reserves the right to get the part or whole work completed under risk and cost of the Contractor, if the Contractor fails to complete the work within the stipulated time without any valid reason. The Company's decision shall be final and binding on the Contractor.
9. All statutory taxes/levies by the Central / State Govt. or other authority from time to time will be borne by the Contractor. Rates/Amounts under

this agreement are inclusive of all taxes, royalty, sales tax, Service Tax, VAT etc. In respect of Royalty, the contractor should produce Mineral Revenue Clearance Certificate (MRCC) as a proof of having paid the Seigniorage fee towards minor minerals as per the applicable rates and N.O.C. / N.D.C. from the Mining department before payment of final bill. In the event of non-submission of MRCC certificate normal Seigniorage fee will be directly deducted from contractors bills and remitted to mines departments as per Annexure below:

1.a) Boulders, Building stone including stone used for road metal/ballast, concrete and other construction purpose: Rs.50/- (Rupees Fifty per Cubic meter)

1.b) Boulders and Building stone exclusively used for foundation purposes and not useful for crushing purposes, Khomdalite, laterites, sand stone: Rs.50/- (Rupees Fifty per Cubic meter)

2. Lime stone slabs for flooring and roofing purposes.

a) Colour (All colours other than black): Rs.7/- (Rupees Seven) per square meter or Rs.88/- (Rupees eighty eight) per Metric tonnes whichever is higher (All other colour other than black)

b) Black: Rs.4/- (Rupees Four) per square meter or Rs.44/- (Rupees Forty four) per Metric tonnes whichever is higher.

3. Lime Kankar: As per schedule of Mines & Mineral Development & Regulation Act 1957.

4. Marble: Rs.165/- (Rupees One Hundred sixty five per Cubic meter.)

5. Mosaic chips: Rs.44/- (Rupees forty four per tonne.)

6. Gravel, murrom, shingle, ordinary earth and other such material used for the commercial purpose as filling material in road and constructional works: Rs.22/- (Rupees twenty two per Cubic meter.)

7. Ordinary sand: Rs.40/- (Rupees forty per Cubic meter.)

8. Ordinary clay, silt & brick earth used in the manufacture of bricks and tiles including Mangalore tiles: Rs.3,850/- (Rupees three thousand eight hundred fifty per kiln up to a maximum quantity of 1.00 Lakh bricks/tiles per annum.

9. Chalcadany pebbles used for building purposes: Rs.33/- (Rupees thirty three per metric tonne)

10. Lime stone used for burning and building: Rs.40/- (Rupees forty per tonne.)

11. Lime stone other than classified as major minerals used for lime burning for building construction purpose: As per schedule of Mines & Mineral Development & Regulation Act.1957.

12. Lime stone used in cutting and polishing units for using as panels and flooring material: As per schedule of Mines & Mineral Development & Regulation Act.1957.

13. Fuller's earth/bentonite: Rs.110.00 / Rs.44.00 (Rupees One Hundred Ten / Forty Four per tonne)

14. Shale and slate and Phyllite: Rs.110/- (Rupees one hundred ten per tonne.)

15. Rah-Matti: Rs.17/- (Rupees seventeen per tonne.)

NOTE: As per G.O. Ms.No.198; Dt. 13.08.2009

10. All items of work are to be carried out as per sound engineering practice, as per relevant IS codes and latest detailed specifications of State PWD, Andhra Pradesh, CPWD.
11. Electricity if required at any site of work during execution under this contract will have to be arranged by the Contractor at his own cost.
12. Contractor will be responsible for supply & transportation of water to work site in the required quantities both for construction works and drinking purpose of his workers.
13. All debris, waste etc. to be cleared off and the surrounding areas to be leveled on completion of work.
14. All materials required for the work must be as per the approved list as provided in the tender documents. The Contractor will produce before the Engineer, purchase voucher from authorized source and test certificate before it is incorporated in the work. Materials purchased from unauthorized source and not having a test certificate conforming to ISI standards will be rejected.
15. The Contractor must provide experienced and qualified Supervisor for continuous and efficient supervision of works. The name of such persons shall be intimated to the Company.
16. The Contractor must provide adequate tools, accessories etc. in time for efficient execution of work as per instruction of the Engineer.
17. The Contractor shall have no claim for any delay arising out of emergencies, or land disputes etc. beyond the Company's control.
18. Rates under Part-II of the contract are inclusive of all materials for permanent incorporation in the works.
19. SCOPE OF WORK - The works under this agreement is as per the schedule given in Part-II.
20. PROCEDURE FOR EXECUTION OF WORK -

- (a) The Contractor must keep daily contact with Engineer in charge to receive instructions regarding work. The Engineer in charge shall be free to take action against the Contractor as per terms of this contract.
- (b) For efficient workmanship, the Contractor will engage adequate labour force and supervisory staff. The relevant specifications will be adhered to in all details. If standard of work is not achieved, the Engineer in charge will be free to reduce the rates as per clause 3 (a) of Part-I of Contract.
- (c) The Contractor must maintain adequate and right type of tools required for efficient discharge of responsibility.

21. SPECIFICATION FOR WORKS -

All works will be carried out as per the standard specifications of the contract.

21.1 **Tack Coat:** It is to be carried out as per Technical Specification Clause 503 MORD and the methodology for the same are briefed below:

- a. Use a rapid setting bitumen emulsion for applying a tack coat, the use of cutback being restricted to areas having sub-zero temperature or for emergency applications.
- b. The surface on which tack coat is to be applied should be clean, free from dust, dirt and any extraneous materials and dry.
- c. The surface should be prepared as per sub-section 501.
- d. The binder should be sprayed uniformly over the surface using suitable bitumen pressure sprayer capable of spraying bitumen and emulsion at specified rates and temperature so as to provide a uniformly unbroken spread of bitumen emulsion. For smaller jobs, a pressure hand sprayer may be used. Normal range of spraying temperature should be 20°C-60°C in case of emulsion and 50°C-80°C in case of cutback. The rate of application depends upon the type of surface and is given in Table 503.1.
- e. The surface should be allowed to cure until all the volatiles have evaporated.

TABLE 503.1: RATE OF APPLICATION OF BINDER FOR TACK COAT

<u>Type of Surface</u>	<u>Quantity of emulsion per sqm area (kg):</u>
Normal Bituminous surfaces:	0.20 to 0.25
Dry and hungry bituminous surfaces:	0.25 to 0.30
Granular (primed):	0.25 to 0.30
Cement Concrete Pavement:	0.30 to 0.35

21.2 **20MM THICK PREMIX CARPET:**

Methodology AS PER Technical Specification Clause 508 MORD

- a. Prepare the base on which premix carpet is to be laid to the specified lines, grade and cross-section.

- b. Apply a prime coat followed by tack coat over a granular base preparatory to laying of the carpet.
- c. The quantities of material required for 20 mm thick premix carpet should be as indicated in Table 508.1.1.

TABLE 508.1.1: QUANTITIES OF MATERIAL REQUIRED FOR 10 m² AREAAGGREGATE:

- i) Nominal size 13.2 mm (passing 22.4 mm sieve and 0.18 m³ retained on 11.2 mm sieve)
 - ii) Nominal size 11.2 mm (passing 13.2 mm sieve and 0.09 m³ retained on 5.6 mm sieve)
- Total - 0.27 m³

BINDER:

- i) For 0.18 m³ of 13.2 mm nominal size stone at 52 kg 9.5 kg bitumen per m³
 - ii) For 0.09 m³ of 11.2 mm nominal size stone at 56 kg 5.1 kg bitumen per m³
- Total - 14.6 kg

Prepare the mix in a hot mix plant of suitable size with separate dryer arrangement for aggregate.

- d. Mixing should be thorough to ensure that a homogenous mixture is obtained. The temperature of bitumen at the time of mixing should be in the range of 150°C to 163°C and that of aggregates 155°C to 163°C, provided that the difference between the temperature of aggregate and the binder should not exceed 14°C. If modified bitumen is used, temperature should be as recommended in Subsection 512. The temperature at the time of discharge of the mixture should be between 130°C and 160°C.
- e. Locate hot mix plant near the work site. The mixed material should be transported quickly to the site of work and laid uniformly by suitable means.
- f. The premixed material shall be spread on the road surface with rakes.
- g. Commence rolling with 80-100 KN rollers (three-wheel or tandem type), beginning from the edge and progressing towards the centre longitudinally. (On super-elevated portions, rolling should progress from lower to upper edge parallel to centre line of pavement). Continue rolling operations till a smooth uniform surface is achieved and all roller marks are eliminated. Each pass should have an overlap of at least one-third of the track made in the preceding pass.
- h. Correct any high spots or depressions noticed after the roller has passed over the whole area once by removing or adding premixed material and re-compacting.
- i. Provide a seal coat to the surface immediately after laying the carpet as per details in Sub-section 510.

- 21.3 **SEAL COAT:** Type C as per Technical Specification Clause 510 MORD Type C seal coat

Paras 4 to 7 of Sub-section 508.1 dealing with methodology for premix carpet may be referred to for preparation of the mix, spreading and rolling the same.

If the Contractor fails to follow the specifications fully in any item, the Company will be free to reduce the rates payable to the Contractor, in due proportion, as per clause 3 of Part-I of the Agreement.

22. **MATERIALS SUPPLY -**

Materials supplied at site, but found not conforming to the given specification must be removed from site within six hours of engineer's verbal or written order to do so.

23. **MATERIALS USE OF -**

No materials must be used on work unless:

- a) The material is delivered at the right place
- b) The materials is approved (by the engineer or his representative) to be of right quality.

24. **WARRANTY:**

The items/equipment to be installed/fitted should be brand new and recent make and warranty of the same should bear OIL's name.

25. **DEFAULT BY THE CONTRACTOR:**

Should the Contractor fail to carry out the part of the work involved in this agreement in way of -

- (a) Not maintaining the desired progress of work.
- (b) Neglecting to carry out certain aspect of the work.
- (c) Carrying out work at a specification lower than the intended.
- (d) Supplying inferior grade of material.
- (e) Carrying out work without instructions.
- (f) Not carrying out safety measure.
- (g) Not carrying out work as per instructions.
- (h) Other defects as pointed out to the party.

Then, the engineer shall be free to take action against him as provided for under the contract.

26. **MEASUREMENT:**

The payment will be made as per the actual measurement of work at site or the items executed under Part - II of this contract.

The job shall be done as per Andhra Pradesh Common SOR & CPWD specifications. The specification and the method of measurements described herein are applicable for all the items of works involved in the site.

27. **APPLICABLE LAWS:**

- 27.1 The Contractor shall, at his own cost, comply with the provisions of Labour Laws, Rules, Orders and Notifications issued there under whether Central or State or Local, as applicable, without any limitation to the following acts:
- (a) The minimum wages act, 1948
 - (b) The Contract Labour (Regulation and Abolition) Act, 1970.
 - (c) The Workmen's Compensation Act, 1923.
 - (d) The Mines Act, 1952.
 - (e) The Payment of Wages Act, 1936.
 - (f) The Industrial Disputes Act, 1947.
 - (g) The Payment of Bonus Act, 1965.
 - (h) The Payment of Gratuity Act, 1972.
 - (i) The Employees Provident Fund and Miscellaneous Provisions act, 1952.
 - (j) The Equal Remuneration Act, 1976.
 - (k) The Child Labour (Prevention and Regulation) Act, 1986.
- 27.2 The Contractor shall maintain all records/registers required to be maintained by him under various labour laws and produce the same before the statutory authorities when required.
- 27.3 The Contractor shall also submit periodical reports under various labour laws such as Contract Labour (Regulation & Abolition) Act- 1970, Employees Provident Fund and Miscellaneous Provisions act, 1952 etc. under intimation to the Principal Employer.
- 27.4 The Contractor shall deploy adequate no. of persons for execution of the work undertaken on contract regulating their working hours and weekly off within statutory limits. The Contractor shall be responsible for payment of overtime wages to his workmen, if any, in case they are required to work beyond the prescribed hours under law.
- 27.5 The Contractor in the event of his workmen/employee sustains any injury or disablement due to an accident arising out of and in the course of his employment, provides necessary medical treatment and pay compensation if any, required under the Workmen's compensation Act 1923.
- 27.6 The Contractor shall from time to time issue suitable instructions to the persons employed by him with regard to the nature of work to be done and also the manner in which it is to be done and supervise their work.
- 27.7 If any of the persons engaged by the Contractor misbehave with any officials of the company or commit any misconduct in connection with the property of the company or suffer from any serious communicable diseases, the Contractor shall replace them immediately.
- 27.8 The Contractor shall not engage/employ persons below the age of 18 years.
- 27.9 The Contractor shall get the antecedents of the persons engaged by him verified from the police station concerned and produce a certificate in this regard to the Principal Employer. The Contractor should issue employment / identity cards to them. A copy of the same should also be given at the security Department along with the list of entry passes. He shall give a list of persons employed by him with their details such as name, age, address, qualification, experience etc., to the principal employer for information.

- 27.10 The Contractor shall implement the Government directives of Reservations in respect of SC/ST personnel in terms of employment.
- 27.11 In case of strike resorted to by the Contractor or his workmen, OIL reserves the right to employ casual labour or other contractor's workers with 24 hours' notice for carrying out the work at the risk and cost of the contractor. In such an eventuality, the extra expenditure, if any incurred by OIL shall be recovered from the Contractor.
- 27.12 The contractor shall comply with all the provisions of the Minimum Wages Act, 1948 and rules framed there under and other labour laws.

28. RATE OF SEIGNIORAGE FEES

The contractor should produce Mineral Revenue Clearance Certificate (MRCC) as a proof of having paid the Seigniorage fee towards minor minerals as per the applicable rates. In the event of non-submission of MRCC certificate normal Seigniorage fee will be directly deducted from contractor's bills and remitted to mines departments as per Annexure below:

1. a) Boulders, Building stone including stone used for road metal/ballast, concrete and other construction purpose - Rs.50/- (Rupees Fifty per Cubic meter)

b) Boulders and Building stone exclusively used for foundation purposes and not useful for crushing purposes, Khomdalite, laterites, sand stone - Rs.50/- (Rupees Fifty per Cubic meter)
2. Lime stone slabs for flooring and roofing purposes.
 - a) Colour (All colours other than black) - Rs.7/- (Rupees Seven) per square meter of Rs.88/- (Rupees eighty eight) per Metric tonnes whichever is higher (All other colour other than black)
 - b) Black - Rs.4/- (Rupees Four) per square meter of Rs.44/- (Rupees Forty four) per Metric tonnes whichever is higher
3. Lime Kankar - As per schedule of Mines & Mineral Development & Regulation Act 1957.
4. Marble - Rs.165/- (Rupees One Hundred sixty five per Cubic meter.)
5. Mosaic chips - Rs.44/- (Rupees forty four per tonne.)
6. Gravel, murrom, shingle, ordinary earth and other such material used for the commercial purpose as filling material in road and constructional works - Rs.22/- (Rupees twenty two per Cubic meter.)
7. Ordinary sand - Rs.40/- (Rupees forty per Cubic meter.)
8. Ordinary clay, silt & brick earth used in the manufacture of bricks and tiles including Mangalore tiles - Rs.3,850/- (Rupees three thousand

eight hundred fifty per kiln up to a maximum quantity of 1.00 Lakh bricks/tiles per annum.

9. Chalcadany pebbles used for building purposes - Rs.33/- (Rupees thirty three per metric tonne)
10. Lime stone used for burning and building - Rs.40/- (Rupees forty per tonne)
11. Lime stone other than classified as major minerals used for lime burning for building construction purpose - As per schedule of Mines & Mineral Development & Regulation Act.1957.
12. Lime stone used in cutting and polishing units for using as panels and flooring material - As per schedule of Mines & Mineral Development & Regulation Act.1957.
13. Fuller's earth/bentonite - Rs.110.00 / Rs.44.00 (Rupees One Hundred Ten / Forty Four per tonne)
14. Shale and slate and Phylite - Rs.110/- (Rupees one hundred ten per tonne.)
15. Rah-Matti - Rs.17/- (Rupees seventeen per tonne)

NOTE: As per G.O. Ms.No.198; Dtd.13.08.2009

29. HSE POINTS:

(i) It will be solely the Contractors responsibility to fulfill all the legal formalities with respect to the Health, Safety and Environmental aspects of the entire job (namely; the person employed by him, the equipment, the environment, etc.) under the jurisdiction of the district of that state where it is operating. Ensure that all sub-contractors hired by him comply with the same requirement as the contractor himself and shall be liable for ensuring compliance all HSE laws by the sub or sub sub-contractors.

(ii) Every person deployed by the contractor in a mine must wear safety gadgets to be provided by the contractor. The Contractor shall provide proper Personnel Protective Equipment as per the hazard identified and risk assessed for the job and conforming to statutory requirement and company PPE schedule. Safety appliances like protective footwear, Safety Helmet and Full Body harness has to be DGMS approved. Necessary supportive document shall have to be submitted as proof. If the Contractor fails to provide the safety items as mentioned above to the working personnel, the Contractor may apply to the Company (OIL) for providing the same. OIL will provide the safety items, if available. But in turn, OIL will recover the actual cost of the items by deducting from Contractor's Bill. However, it will be the Contractors sole responsibility to ensure that the persons engaged by him in the mines use the proper PPE while at work.

(iii) All the safety gears mentioned above are to be provided to the working personnel before commencement of the work.

- (iv) The Contractor shall prepare written Safe Operating Procedure (SOP) for the work to be carried out, including an assessment of risk, wherever possible and safe methods to deal with it/them. The SOP should clearly state the risk arising to me, machineries & material from the mining operation / operations to be done by the contractor and how it is to be managed.
- (v) The contractor shall provide a copy of the SOP to the person designated by the mine owner who shall be supervising the contractor's work.
- (vi) Contractor has to ensure that all work is carried out in accordance with the Statute and SOP and for the purpose he may deploy adequate qualified and competent personnel for the purpose of carrying out the job in a safe manner. For work of a specified scope/nature, he should develop and provide to the mine owner a site specific code of practice in line.
- (vii) It will be entirely the responsibility of the Contractor/his Supervisor/representative to ensure strict adherence to all HSE measures and statutory rules during operation in OIL's installations and safety of workers engaged by him. The crew members will not refuse to follow any instruction given by company's Installation Manager / Safety Officer / Engineer / Official / Supervisor/Junior Engineer for safe operation.
- (viii) Any compensation arising out of the job carried out by the Contractor whether related to pollution, Safety or Health will be paid by the contractor only.
- (ix) Any compensation arising due to accident of the Contractor's personnel while carrying out the job, will be payable by the contractor.
- (x) The contractor shall have to report all incidents to the Installation Manager / departmental representative of the concerned department of OIL.
- (xi) The contractor has to keep a register of the persons employed by him/her. The contractor's supervisor shall take and maintain attendance of his men every day for the work, punctually.
- (xii) If the company arranges any safety class / training for the working personnel at site (company employee, contractor worker, etc.) the contractor will not have any objection to any such training.
- (xiii) To arrange daily tool box meeting and regular site safety meetings and maintain records.
- (xiv) Records of daily attendance, accident report etc. are to be maintained in Form B, E, J (as per Mines Rules 1955) by the contractor.
- (xv) A contractor employee must, while at work, take reasonable care for the health and safety of people who are at the employee's place of work and who may be affected by the employee's act or omissions at work.
- (xvi) A contractor employee must, while at work, cooperate with his or her employer or other persons so far as is necessary to enable compliance with

any requirement under the act or the regulations that is imposed in the interest of health, safety and welfare of the employee or any other person.

(xvii) Contractor's arrangements for health and safety management shall be consistent with those for the mine owner.

(xviii) In case Contractor is found non-compliant of HSE laws as required company will have the right for directing the contractor to take action to comply with the requirements, and for further non-compliance, the contractor will be penalized prevailing relevant Acts/Rules/Regulations.

(xix) When there is a significant risk to health ,environment or safety of a person or place arising because of a non-compliance of HSE measures company will have the right to direct the contractor to cease work until the non-compliance is corrected.

(xx) The contractor should prevent the frequent change of his contractual employees as far as practicable.

(xxi) The contractor should frame a mutually agreed bridging document between OIL & the contractor with roles and responsibilities clearly defined.

(xxii) For any HSE matters not specified in the contract document, the contractor will abide the relevant and prevailing Acts/rules/regulations/ pertaining to Health, Safety and Environment.

END OF PART – IV

PART – V**BID REJECTION CRITERIA/ BID EVALUATION CRITERIA (BRC/BEC)****I. BID REJECTION CRITERIA**

Bids shall conform to the specifications, terms and conditions given in this Tender document. Bids may be rejected should the equipment or services offered not conform to the required technical specifications. Notwithstanding the general conformity of the Bids to the stipulated specifications, the following requirements must be met by Bidders failing which their Bid will be rejected.

1.0 TECHNICAL

- 1.1 Experiences of having successfully completed **similar works** during last 7 years ending on 29.02.2016.

“Similar work” mentioned above means the following:

Construction of premixed road with tack coat, premixing and seal coat; or

Repairing of existing premixed road with tack coat, premixing and seal coat.

- 1.2 The minimum value of any of the above work satisfactorily executed during the last 7 (seven) years ending on 29.02.2016 should be either of the following:

- i) One single contract of value Rs. 59.27 lakhs
- ii) Two contracts, each one of value Rs. 37.05 lakhs
- iii) Three contracts, each one of value Rs. 29.64 lakhs

Documentary evidences of job experience as stated above should be in the form of photocopies of Letter of Intent/Letter of Allotment/Work-order along with respective Completion Certificate(s). The Certifying Authority for completion certificates should be not below the level of Chief Engineer/Chief Manager in case of PSUs and equivalent levels in Govt. organizations/Private organizations.

Firms who have successfully executed and completed similar work with Oil India Limited, need not submit any documentary evidence. However, they shall give details of such executed works with Contract No.

- 1.3 PF code number issued by the appropriate Govt. authority or exemption certificate from the concerned authority or a declaration in stamped paper that provisions of the PF act are not applicable to him/them and in case PF is to be deposited later on, the same will be deposited by the bidder. In case, the bidder does not have the PF code number, he/they must provide an undertaking stating that the same will be provided before commencement of the jobs.
- 1.4 PAN and VAT Registration number.

- 1.5 Documentary evidence in support of sound financial standing and Bank Account.
- 1.6 The bidder should have average annual financial turnover for the last 3 (three) accounting years at least **Rs. 22.22 lakhs**. The proof of Annual Turnover should be either in the form of Audited Profit & Loss Account / Audited Annual Reports or Certificate from Chartered Accountant Firm or Cost Accountant Firm indicating their Membership & Firm Registration number.
- 1.7 All the certificates and documentary evidences required to be submitted in support of Para 1.0 (1.1 to 1.6) above should be clearly legible and duly attested by gazetted officer as well as by the applicant along with official seal. Illegible /incomplete certificates or documents will not be considered for evaluation.
- 1.8 Bidders must fully mobilize all equipment and personnel and be prepared to commence work within 7 days from the date of issue of Work Order. Bidders must provide categorical confirmation of their capability and intent to meet this timing in their Technical Bid otherwise their Bid will be rejected.
- 1.9 The bidders must possess/own in their own name/firm's name or, must produce an undertaking/affidavit (documents should not be more than one year old) from the owners for providing services of the following minimum numbers of equipment for satisfactory completion of location preparation jobs on stamped paper:
 - (i) Dumper/Truck : Two (02) Nos.
 - (ii) Hot-mix Plant : One (01) No.
 - (iii) Road Roller 8-10T capacity: One (01) No.
- 1.10 The contractor/firm must have their own competent persons who have sufficient knowledge to go through the specifications of the contract, sort out minor difficulties/details of site and ensure the execution of the works according to our requirements and as per the scope of the contract. The persons must be capability to work in all types of terrain, hazardous area, hill etc.
- 1.11 The Partnership Firm having Joint Ventures/Consortium/Tie-up will be qualified to quote against the Tender subject to the following:
 - (i) Any one of the members/partners must be having experience of similar works.
 - (ii) They have proper and valid MOU clearly indicating the role and responsibility matrix of each member.
 - (iii) Any of the partners of Joint Ventures/Consortium/Tie-up must meet the qualifying criteria as indicated 1.1 and 1.2 above.
 - (iv) One of the partners must confirm unconditional acceptance of full responsibility of executing the contract.

2.0 COMMERCIAL

- 2.1 The tender is invited under SINGLE STAGE-COMPOSITE BID SYSTEM. The bidder has to submit both the "TECHNO-COMMERCIAL" and "PRICED" bid through electronic form in the OIL's e-Tender portal within the Bid Closing Date and Time stipulated in the e-Tender. The Technical Bid is to be submitted as per Scope of Work & Technical Specification of the tender. The Price Bid rates shall be quoted per unit as specified in the "Price Bidding Format" attached under "Notes and Attachments" tab in the main bidding engine of OIL's e-Tender Portal. The price quoted in the "Price Bidding Format" will only be considered for evaluation.

NB: All the Bids must be Digitally Signed using "Class 3" digital signature certificate with Organizations Name (*e-commerce application*) as per Indian IT Act obtained from the licensed Certifying Authorities operating under the Root Certifying Authority of India (RCAI), Controller of Certifying Authorities (CCA) of India.

- 2.2 Bidders must quote in accordance with the price schedule outlined in PRICE BID FORMAT & SCHEDULE OF WORK (Part-II) of tender document; otherwise the Bid will be rejected.

Bidders should quote their rates against individual items. The rates shall be quoted within (+/-) 10% on the internal estimate against individual items as specified in Schedule of Works (Part-II) subject to the limit of overall percentage from (-10%) to at par of the internal estimated contract cost. However the bids with overall percentage quoted at below (-10%) and above the internal estimated cost will be rejected outright. The rates shall be in figures and upto two decimal places only. In case of any identical situation, the L-1 bidder will be decided through draw of lots.

- 2.3 Bidders shall furnish the "BID SECURITY" for the amount as specified in Covering Letter. Any Bid not accompanied by Bid Security will be rejected.
- 2.4 A Bid received through, or in the form of, a fax or email will be rejected.
- 2.5 Any Bid found to contain a false statement shall be rejected.
- 2.6 The Bid documents are not transferable. Offers received from unsolicited Bidders will be returned, unopened.
- 2.7 Prices and rates quoted by Bidders must be held firm during the term of the contract and not be subjected to any variation. Bids with adjustable price/ terms will be rejected.
- 2.8 There must be no exception to the following Clauses including sub-clauses; otherwise the Bid will be rejected:

- Security Deposit Clause	- Termination Clause
- Tax liabilities Clause	- Arbitration Clause
- Force Majeure Clause	- Liability Clause

3.0 GENERAL

- 3.1 No deviation or exception will be accepted in the clauses covered under BRC/BEC.

- 3.2 To determine the substantial compliance of a Bid, Company reserves the right to ask the Bidder for clarification of clauses covered by the BRC/BEC. Such clarifications to ensure compliance with the BRC/BEC clauses must be received on or before the deadline given by Company or the Bid will be rejected.
- 3.3 If any clauses in the BRC contradict clauses elsewhere in the Bid Document, then the clauses in the BRC shall prevail.
- 3.4 Any additional information, terms or conditions included in the Priced-Bid will not be considered by OIL for evaluation of the Tender.

II. BID EVALUATION CRITERIA (BEC)

- 1.1 Bids will be technically evaluated on the requirements the tender. The equipment should meet the requirements and specifications in the Bid Document.
- 1.2 Bids conforming to the technical specifications, the terms and conditions stipulated in the tender and conforming to the Bid Rejection Criteria will be evaluated using the Bid Evaluation Criteria.
- 1.3 The Priced-Bids will be evaluated using the rates quoted in the **PRICE BID FORMAT & SCHEDULE OF WORK** (Part-II) on the following basis:
 - (a) The quantities given in the Price Bid Format (Part-II) against each items are requirements for “Development/ Improvement of 2.5km long existing Black Topped Road connecting NH-216 near Kothakalava Junction to Gadilanka Village upto the Statue of Anjaneya Swami for drilling operation at Loc-12 (alternate road) including supply of all materials.”
 - (b) For the purpose of bid evaluation, the estimated quantities against each item will be multiplied by the rates quoted by the bidders and the total amount against each item will be added to evaluate the grand total estimated value of the contract.
 - (c) The estimated quantities indicated in Part-II against each item are for evaluation purposes only. The actual work to be carried out may be more or less depending upon actual site requirement and payment will be made for the actual work done/materials supplied.

INTEGRITY PACT

Between

Oil India Limited (OIL) hereinafter referred to as “The Principal”

And

----- hereinafter referred to as “The Bidder/Contractor”

Preamble

The Principal intends to award, under laid down organizational procedures, contract/s for Services under Tender No. CEI0429P16. The Principal values full compliance with all relevant laws and regulations, and the principles of economic use of resources, and of fairness and transparency in its relations with its Bidder/s and Contractor/s.

In order to achieve these goals, the Principal cooperates with the renowned international Non-Governmental Organisation “Transparency International” (TI). Following TI’s national and international experience, the Principal will appoint an external independent Monitor who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section 1 – Commitments of the Principal

- (1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:-
 1. No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for him/herself or third person, any material or immaterial benefit which he/she is not legally entitled to.
 2. The Principal will, during the tender process treat all Bidders with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidders the same information and will not provide to any Bidder confidential/additional information through which the Bidder could obtain an advantage in relation to the tender process or the contract execution.
 3. The Principal will exclude from the process all known prejudiced persons.
- (2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the relevant Anti-Corruption Laws of India, or if there be a substantive suspicion in this regard, the Principal will inform its Vigilance Office and in addition can initiate disciplinary actions.

Section 2 – Commitments of the Bidder/Contractor

- (1) The Bidder/Contractor commits itself to take all measures necessary to prevent corruption. He commits himself to observe the following principles

during his participation in the tender process and during the contract execution.

1. The Bidder/Contractor will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or immaterial benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.
 2. The Bidder/Contractor will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelisation in the bidding process.
 3. The Bidder/Contractor will not commit any offence under the relevant Anticorruption Laws of India; further the Bidder/Contractor will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
 4. The Bidder/Contractor will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.
- (2) The Bidder/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3 – Disqualification from tender process and exclusion from future contracts

1. If the Bidder, before contract award has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or credibility as Bidder into question, the Principal is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.
2. If the Bidder/Contractor has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is entitled also to exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressions within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.
3. The Bidder accepts and undertakes to respect and uphold the Principal's absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to

such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.

4. If the Bidder/Contractor can prove that he has restored/recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.
5. A transgression is considered to have occurred if in light of available evidence no reasonable doubt is possible.

Section 4 – Compensation for Damages

1. If the Principal has disqualified the Bidder from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover from the Bidder liquidated damages equivalent to 3 % of the value of the offer or the amount equivalent to Earnest Money Deposit/Bid Security, whichever is higher.
2. If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to section 3, the Principal shall be entitled to demand and recover from the Contractor liquidated damages equivalent to 5% of the contract value or the amount equivalent to Security Deposit/Performance Bank Guarantee, whichever is higher.
3. The bidder agrees and undertakes to pay the said amounts without protest or demur subject only to condition that if the Bidder/Contractor can prove and establish that the exclusion of the Bidder from the tender process or the termination of the contract after the contract award has caused no damage or less damage than the amount or the liquidated damages, the Bidder/Contractor shall compensate the Principal only to the extent of the damage in the amount proved.

Section 5 – Previous transgression

1. The Bidder declares that no previous transgression occurred in the last 3 years with any other Company in any country conforming to the TI approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.
2. If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

Section 6 – Equal treatment of all Bidders/Contractor/Subcontractors

1. The Bidder/Contractor undertakes to demand from all subcontractors a commitment in conformity with this Integrity Pact, and to submit it to the Principal before contract signing.
2. The Principal will enter into agreements with identical conditions as this one with all Bidders, Contractors and Subcontractors.
3. The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

Section 7 – Criminal charges against violating Bidders/Contractors/Subcontractors

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor, which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

Section 8 – External Independent Monitor/Monitors
(three in number depending on the size of the contract)
(to be decided by the Chairperson of the Principal)

1. The Principal appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
2. The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the Chairperson of the Board of the Principal.
3. The Contractor accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder/ Contractor/ Subcontractor with confidentiality.
4. The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.
5. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or heal the violation, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.
6. The Monitor will submit a written report to the Chairperson of the Board of the Principal within 8 to 10 weeks from the date of reference or intimation to him by the 'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.
7. If the Monitor has reported to the Chairperson of the Board a substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.
8. The word 'Monitor' would include both singular and plural.

Section 9 – Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the respective contract, and for all other Bidders 6 months after the contract has been awarded.

If any claim is made/ lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/ determined by Chairperson of the Principal.

Section 10 – Other provisions

1. This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. New Delhi.
2. Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.
3. If the Contractor is a partnership or a consortium, this agreement must be, signed by all partners or consortium members.
4. Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
